

Spartans Look to Notre Dame After Beating Indiana, 21-14

Opening For Loans Postponed

New Dates Set For Repayment

Today's scheduled opening of the Student Government Small Loans Bureau will be postponed until Thursday, according to Sharon Beyers, chairman.

The bureau hopes to have the repayment of a 11 delinquent loans by Thursday, bringing the fund up to the original \$1,000.

Twenty-two loans amounting to approximately \$300, were still out at the beginning of the fall term.

Personal interviews a few now being held with the students who have not repaid their loans. Immediate results were obtained in the six interviews that have taken place already, Miss Beyers said.

A new assistant to Miss Beyers, Jean Gibbs, Des Plaines, Ill., sophomore, has been appointed. Changes, including a fine and restriction of loans to \$10, have been made in the Bureau's operation by Student Congress. Loans will also be limited to one per student per term if the fund falls below \$500.

A new system of payment dates offers the student either the first or the fifteenth of a month to pay back a loan.

Students may apply for loans at the fourth floor Student Government office Thursday.

Blood Drive Registration Begins Today

Record Goal Set At 3,000 Pints

Plans are under way for the fall term blood drive at MSC, to be a cooperative campaign between the college and the Lansing Red Cross.

Appointments for blood donations during the Oct. 18-Oct. 22 drive will begin today at noon in the Union Courtyard, Beth Marshall, co-chairman for the drive announced.

Sponsors of the drive, Alpha Phi Omega and Spartan's Women's League, hope to top the record of 2,600 pints collected last February by the MSC Veterans' Association. The new goal is 3,000 pints.

Doris Jean York, St. Clair Shores junior, replacing Betty Petersen as co-chairman of the drive, said appointments will continue to be taken during the week of collections.

Students Plan Big Welcome For Alumni

Students and officials will roll out the welcome mat for some 12,000 alumni expected to return for the MSC-Purdue football game and Homecoming Celebration Oct. 22-23.

Dormitories, fraternities, and sororities will compete for prizes to be awarded to the residences with the best Homecoming decorations.

The celebration will get under way with a mass pep rally Friday, Oct. 22, and end with the Homecoming Ball the next evening. The Homecoming Queen will be officially crowned at the Ball and will reign with her court throughout the dance.

Spartan Sales Begin Oct. 21

Spartan magazine's Homecoming issue, to go on sale Oct. 21, will feature a humorous pictorial satire on the return of old grads.

Complete entry rules for the Spartan song contest will be released only in the October issue, according to Greg Stecker, editor. Stecker urges students against inquiring at Spartan office for contest rules.

The transcription of a congressional hearing plus the Letters to the Editor section will also be included.

Subscription books may be picked up on weekdays from 1 to 5 p.m. in the Spartan office.

Homecoming Queen Finalists Named

To Announce Winner Thursday At Notre Dame Pep Rally

Five MSC coeds have until Thursday's Notre Dame pep rally to find out which of them has been chosen 1964 Homecoming Queen.

The five finalists and their sponsoring units are Carolyn Churchill, Detroit junior, Alpha Xi Delta; Joyce Cosmann, Jackson sophomore, Abbot Hall; Colette Fenton, Detroit sophomore, Sigma Kappa; Sandra Meakin, Detroit senior, East Yakeley, and Mary Alice Ritchlin, Batavia, N. Y. junior, Kappa Alpha Theta.

The judges' choice of the five was made Sunday at about 9:30 p.m. in the Union Ballroom where 31 candidates for the title had been on display since 4 p.m.

After each coed was interviewed on stage by Brick Rider, chief announcer for station WKAR-TV, entrants were questioned individually by judges in the Mural Room.

Although the choice of the queen has been made, her name will not be announced until Thursday night. Until then, according to Al Hansen, co-chairman of the queen contest, the queen's name will be sealed in an envelope, along with a display of pictures of the five finalists. The queen will also be announced in Friday's State News.

Judges of the contest were Lorraine Babcock, consultant for a Detroit radio station; Mrs. Robert Bates, Lansing resident; Paul Martin, publisher of the Lansing State Journal; John Pomeroy, president of the Lansing Broadcasting Co., and Alvie Smith, Centennial director.

Smith, on announcing the name of the finalists, commented, "I have had many difficult jobs in my life. This takes the cake."

At the Homecoming Dance the evening of the game the queen and her court will each receive a loving cup, Hansen said.

Kappa Alpha Mu, photography honorary, and the senior class are sponsors of this year's queen contest. Co-chairmen are Hansen, representing Kappa Alpha Mu, and Dave Hayhow, who represents the senior class.

NEWS IN BRIEF

French in Debate

LOUVIERS, France (AP)—Premier Pierre Mendes-France said Sunday "a large area of agreement has appeared" in the French National Assembly's debate on the London conference accords.

Dem Victory Seen

ASHVILLE, N. C. (AP)—News-paper editorial writers forecast by a majority vote, that the Democrats will regain control of Congress in the November general election.

Reds Denied Visas

JERUSALEM, Israeli Sector (AP)—Reliable political informants said the Israeli government refused Sunday to grant visas to six Soviet delegates invited by the Communist-sponsored "Israel-Soviet Friendship League" to attend their Congress opening in Tel Aviv next weekend.

Clarence Peaks, left, is ready to assist ball-carrier John Matsock, who is out-distancing Nate Borden, Indiana tackle.

Matsock Sparkles At Halfback

Sidelined Bolden Gets Game Ball

By CHUCK MILLER
State News Sports Editor

Two Indiana papers unwittingly printed the key to the MSC-IU football game Saturday morning.

A Bloomington paper's headlines mentioned the "Hungry Spartans" and pointed out the fact that State hadn't lost three games in a row since 1946.

An Indianapolis paper headlined the "Hungry Hoosiers," saying that the Hoosiers hadn't won two in a row in three years.

As it turned out, the Spartans were the "hungriest."

What's more important, they're still hungry.

The 21-14 victory over Indiana was only an appetizer—the main course is served Saturday at South Bend, with "Irish Stew" heading the menu.

The Spartans added only one new element to their playing against Indiana, but it had been lacking in the first two games—consistency.

State had shown signs of brilliance against both Iowa and Wisconsin, but had been unable to sustain it. However, against Indiana the Spartans found themselves playing the type of ball they could have been playing all year.

The game ball went to Co-Captain LeRoy Bolden, who watched the game from the stands, because of an injury received in last week's game.

If it hadn't gone to Bolden, the next choice would have been difficult to make, in spite of John Matsock's sparkling play.

The victory was a team victory. Every man on the field did his job well, and to single out one individual is unfair to the others.

Matsock perhaps played the best game of his career. He rushed for 78 yards, ran back four punts for 104 yards, including a 75 yard scoring sprint. He ran back a kick-off for 71 yards, threw a 13-yard pass and turned in a fine defensive game.

Clarence Peaks must be mentioned also. The sophomore "every-back" is improving with every game. He put the Spartans off to a running start in the first period when he dashed 60 yards down the side-lines, brushing off three Hoosier tacklers, after taking Earl Morrill's 10-yard pass. Besides the scoring pass, Peaks gained 62 yards rushing.

Morrill threw 10 passes, completing six for 114 yards, called a "smart" game and played well on defense.

The two fullbacks, Gerry Plautus and Vic Postula played a strong defensive game backing up the left side of the line, and rushed for 37 yards between them.

The line produced many fine performances. Hank Bullough added to his bid for All-American with his third great game in as many starts. Ferris Hallmark, Buck Nystrom, Nor mMasters, Randy Schreengost, Fred Rody and Joe Badazewski all played well, as did Roland Dotch, Embury Robinson and John Matsock.

Buck Nystrom, Norm Masters, Carl Dieme played his first college game at tackle after being converted from end, and after his performance appears to be a fixture at the position. Co-Captain Don Kauth, Jim Hinesly and John Lewis turned in fine plays on both defense and offense. Lewis caught two passes for 30 yards and Kauth grabbed one for 11. Meanwhile, Hinesly continued his great pass reception, adding four to raise his two-game total to nine and 184 yards. Pass defense is the only phase

High of 73

Expect Muggy, Warm Weather This Morning

Gloomy, muggy, miserable weather is forecast for this morning, although the weatherman says it might clear up by late afternoon.

Shifting winds and warmer weather is also predicted. The high will be from 68 to 73.

Foreign Films To Feature 'Moulin Rouge'

"Moulin Rouge," with Jose Ferrer and the Montmartre of the 1890's will be the attraction tonight and Wednesday on the Foreign Film series.

The film will be shown in Fairchild Theater at 7 and 9 both evenings. Ferrer plays the French impressionist painter, Henri de Toulouse-Lautrec, and the supporting cast includes Zsa Zsa Gabor and Suzanne Flon. Colette Marchand, ballerina of Roland Petit's "Ballets de Paris," makes her screen debut in the technical movie.

Petitions Wanted For Senior of Week

Seniors are urged to pick up petitions for the "Senior of the Week," and submit them to the Union Desk by Wednesday.

The "Senior of the Year" will be selected from the weekly winners.

In Session 3 1/2 Hours

Student Traffic Court Reviews 19 Appeals

A three-and-a-half-hour first meeting of the Student Traffic Appeal Court Saturday heard 19 of the 46 cases which were appealed.

Chief Justice Dave Hyman, Buffalo, N.Y. senior, explained that the long session was the result of personally interviewing each appellant.

Many students came back twice and still waited to give their statements to the justices, who had convened at 10:30 a.m.

The remaining 27 appeals will be considered at 4:30 this afternoon. They are not expected to take as long as the first 19 since appellants will not appear in person.

Misunderstanding of Section 2, parts A and B, of the driving rules, led the five justices to issue warnings only to students appealing under that section.

The rule now reads: "7 p.m. to 2 a.m., parking is permitted for 15 minute periods of 15 m in the parking areas immediately adjacent to the dormitories only."

Due to faulty sentence phrasing, many students thought 15-minute parking applied to areas adjacent to the dorms only, while parking time was unlimited in other north campus sections, Hyman explained.

Actually, students can not park on north campus at all except in the area of the dorms for 15 minutes at a time, Hyman stated.

The statement of the rule was considered "reasonably unclear" and declared an "extenuating circumstance" said Hyman.

After today the rule will be considered to have had "sufficient clarification," and appeals under that section will be treated as other appeals, said Hyman.

All students will receive letters informing them of the decision made on their case after today's meeting.

Police Still Seek Escapee

Lansing police were still searching Sunday night for an escaped inmate of the Mason County Jail who broke away from police Friday night.

Richard Jennings, 22, escaped from a patrol truck while enroute back to Mason.

Jennings, a Lansing resident, had been arrested several months ago for breaking into an automobile concern in Lansing.

Jazz Talent To Appear At Concert

Program Includes Ella Fitzgerald

"Jazz at the Philharmonic" will make its first MSC appearance Tuesday.

The Norman Granz concert will be held in the Auditorium at 8:30 p.m. Tickets for the special Lecture-Concert series show are on sale at the Union Ticket Office.

This year's show, the 14th national tour of JATP, includes vocalist Ella Fitzgerald and her accompanist Don Abney, and the Oscar Peterson Trio, with Peterson at the piano, Ray Brown on bass, and Herb Ellis on guitar.

Trumpeter Dizzy Gillespie and Roy Eldridge, tenor saxists Flip Phillips and Ben Webster, drummers Louis Bellson and Buddy Rich, clarinetist Buddy DeFranco and trombonist Bill Harris complete the roster of jazz talents.

Entrepreneur Granz, who acts as M.C. and stage manager of JATP, emphasizes that "Each performance is marked by different compositions played in different interpretations. This is a spontaneous jam session wherein the individuality of the artist is respected."

If previous JATP patterns are followed, however, the concert will get underway with several lengthy compositions, including a ballad medley, played by almost the entire ensemble of stars: Eldridge, Gillespie, Webster, Phillips, Harris, Peterson, Brown, Ellis and Bellson.

In the second half, if the program repeats previous form, Rich and DeFranco will join the Peterson trio.

Booksellers Warned To Pick Up Money

A warning goes to students who have brought books into the ST-UN office to sell. Students must pick up their book sales money by Tuesday at 2 p.m. or forfeit it. Receipts must be presented to receive the money.

Christmas City' Gets More Support

Men's Inter-Dorm Council Units to Compete

The "Christmas City" was unanimously proclaimed selected members of the Men's Inter-Dorm Council first meeting Thursday night.

Council President Karl Marx urged all men's units to compete in the contest.

The men's dorms will be divided to work alone and with women's dorms on the Christmas projects, Marx said.

At the informal meeting Marx explained the purpose and functions of the council to the new members. He also announced that the officers of the Council, which include president, vice-president, treasurer, and secretary will be elected Thursday.

Because Bryan dorm consists primarily of freshmen, they will be allowed to join the Council the first term. Formerly their constitution stated that freshmen must live one term in the dorm before they were permitted membership.

Council members also discussed the policy of individual dorms participating as a group in contributing to the Campus Chest fund.

John Kidd, social science instructor and Butterfield resident adviser, replaces John W. Truitt, assistant to dean of students, men's division, as adviser to the Inter-Dorm Council.

Social Work Department Sets Meeting

The undergraduate education for social workers "workshop" will be held Friday in Kellogg Center. Co-sponsored by the social work departments of MSC, Wayne University, and U of M, and the American Association of Social Workers, the "workshop" will have representatives of 15 colleges in three states: Michigan, Ohio and Indiana.

Dr. Edgar Schuler, formerly associate prof. of sociology and anthropology at MSC and now head of that department at Wayne University, will be the discussion leader.

Jazz Meeting To Spin Records Of Coming Stars

Union Board and the Jazz Society of West Circle Drive will preview "Jazz at the Philharmonic" with a record program at 4 p.m. Tuesday in the Union Music Room.

Sponsored by the Board's music committee, the preview will consist of records by the stars of the show. Members of the MSC Jazz Club will spin the records and the comment on the development of Norman Granz, JATP and its various artists.

Horticulture Profs Hold Round-Up

The Horticulture Department faculty held its annual fall round-up Friday at the Forestry Cabin. This is a traditional event given for graduate students and their families, and it also serves as an introductory get-together for new staff members.

Educators to Hear Hannah Talk on Youth

MSC President John A. Hannah will speak on "The School's Responsibility in National Defense," today before the Region II meeting of the Michigan Educational Association.

Hannah's talk will stress the necessity of better preparing young people for life in today's world.

Atomic Tests Give New Hope To Children

WASHINGTON (AP)—Atomic science may have proven what little Johnny has suspected all along—this spinach is questionable stuff at best.

Lewis L. Strauss, chairman of the Atomic Energy Commission said Tuesday atomic tests indicate spinach may not be good for growing children—that apparently "spinach removes calcium from the body."

Strauss mentioned these tests in a talk to the District of Columbia League of Republican Women.

Today Last Chance for Class Drops

Final day to drop classes without incurring an F in the course is today, according to Victor Henley, assistant to the registrar.

The drop period has been shortened to two weeks instead of the customary four week period of past years. To drop a class a student must receive a drop slip from his enrollment officer and return it to the Registrar's office before 5 p.m. of the last day.

WKAR-TV Reschedules Foreign Show

"Students from Afar" a series of telecasts featuring foreign students, returned to WKAR-TV Sunday night at 7.

The first program of the series which will be seen on alternate Sunday evenings, presented African students.

Nations represented in the series will include those of Europe, South America, the Far East, the Near East, and Africa. Interesting customs and ceremonies will be featured.

Alternating with "Students from Afar" on Sunday nights, WKAR-TV will present "Encore" a returning musical series.

Henry Harris, associate professor of piano, will be featured in a half-hour piano recital on the October 17 program.

Program Planned For Homecoming

Organizations planning all-college activities for the Homecoming weekend, Oct. 22-24, are asked to contact the Alumni Relations Office, ext. 201.

The events will be included in a Homecoming program being prepared by Information Services.

Tour Guides Told: Be Enthusiastic

Mrs. Hazel Rather of Continuing Education, demonstrated to guide candidates Saturday how to be enthusiastic salesmen for MSC.

Her students were enrolled in a special course to train tour guides at Kellogg Center.

During the 1953-54 academic year, 11,823 persons went on tours at MSC in connection with 245 conferences sponsored by the continuing education service.

WKAR-TV To Enact Mystery

"Snow on the Sixth Moon," a mystery in a Chinese setting, will be presented Dec. 5 over WKAR-TV.

Castings is almost completed and leading roles will be played by Madge Mezey, Plandome, N. Y., senior; Sylvia Jackson, Bay City; Elton Kruger, and Jennie Pond, Detroit; Norma Frederick, Owosso; Ed Gettles, Detroit, and Dee Logan, Bay City. One of the problem roles still to be cast is that of a musician who must be able to make simple but effective music with temple blocks, gong, and triangle.

The half hour drama, under the direction of Dr. L. Goff, will be done in emphasis on musical accompaniment and sound effects. It deals with the problems of a pitiful heroine, flower of the Orient, who is accused falsely of a murder. She is about to be executed when a sudden summer snowstorm arouses the magistrate to a more thorough investigation of the crime.

Kraus Wins Standard Oil Fellowship

Olen Kraus, graduate assistant in the physics and astronomy department, has been awarded the Standard Oil Foundation Fellowship in Science at MSC for the year 1954-1955. Under the foundation grant, the institution receives a stipend of \$15,000.00, while MSC receives an addition in funds appropriate to cover carrying on research and other expenses.

The Standard Oil Fellowship is a non-profit corporation financed by the Standard Oil Company. The fellowship is awarded to an outstanding graduate student in Physics at Michigan State College selected on the basis of competition.

Kraus will continue his advanced studies in Physics under the direction of Professor Robert D. Spence.

2 From MSC Attend Convo

Arthur T. Wilcox, associate professor in park management and William Love, extension specialist in parks and municipal men's division, as adviser to the forestry attended the national meeting in Baltimore, Md., last week.

Wilcox reported to the conference on the accomplishments of the cooperative management publication program being carried out by the Institute and MSC.

Love appeared on a panel of experts discussing shade tree ordinances for municipalities.

An inch of water on an acre of surface is 27,154 gallons.

What makes a Lucky taste better?

"IT'S TOASTED"

to taste better!

Doubleless, you've guessed that the Droodle at the right is: Careless two-gun cowboy enjoying better-tasting Lucky while waiting in ambush. Lots of other two-gun cowboys—and many millions of no-gun folks—agree that Luckies taste better. Students, for example, prefer Luckies to all other brands, according to the latest, biggest coast-to-coast college survey. Once again, the No. 1 reason is that Luckies taste better. They taste better because Lucky Strike is the cigarette of fine tobacco... and "It's Toasted" to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco to make it taste even better. So, enjoy the better-tasting cigarette... Lucky Strike.

LUCKIES TASTE BETTER Cleaner, Fresher, Smoother!

Administrator Visits; Talks Said Helpful

Dr. Helen B. Schleman, dean of women at Purdue University and Dr. Doris M. Seward, assistant to the dean were guests at MSC Tuesday and Wednesday.

Miss Seward spoke on Problems of Group Living before the resident advisers in the Faculty Women's Room Wednesday afternoon. The two women were guests of the Faculty Women's Club at a Bohemian dinner in the Forestry Cabin that evening.

Mrs. Lurline Lee, assistant to the Dean of Students Women's Division termed Miss Seward's talk as "inspiring, practical and very helpful."

The women also toured MSC's housing units and met with Pan-Hel officers and advisers.

4-H Club Invites Frosh To Tuesday Meeting

The MSC 4-H Club will meet Tuesday evening at 7:30 in 312 Ag Hall.

Maurice Hill, assistant state 4-H Club leader will present a program entitled "The 4-H Treasure Chest." Freshmen are urged to attend.

MSC Dairy Team To Attend Show

MSC's dairy products judging team traveled to Chicago Friday to participate in the first of two out-of-state contests.

The team, coached by Dr. J. M. Jensen of the dairy department, competed in the International Dairy Show in Chicago.

The second trip will be Oct. 23-27 for the International Dairy Products Collegiate Judging Contest in Atlantic City, N. J. Bruce BeVier and Richard Keppeler, East Lansing, Dixie Marie Keppel, Pontiac, and Eugene Scott, Ashton, Ill., make up the group.

4 Dairy Students Attend Contest

Four MSC dairy students will compete today in the international dairy cattle judging contest at Waterloo, Iowa, held in connection with the National Dairy Cattle Congress.

W. W. Snyder, associate professor of dairy, will coach John Addington, Portland; Keith Brown, Jonesville; Friedrich Henningsen, Jackson, and Richard Laing, Linden, at the annual competition.

Detroit Defense Stops Rams

Lions Topple Los Angeles, 21-3

DETROIT (AP)—Detroit's defensive-minded Lions bottled up Los Angeles' super-powered attack and defeated the Rams, 21-3 in a key National Football League game Sunday before 36,323 fans in Briggs Stadium.

The Lions scored on an 83-yard march in the first period, with quarterback Tom Dublinski, subbing for Bobby Layne, diving across from the one.

Detroit, which is shooting for its third straight title, added its second touchdown in the second period. Rookie Bill Stits intercepted one of Van Brocklin's passes on the Los Angeles 24, latered to Carl Karlivaz on the 30 and Karlivaz went all the way.

With less than a minute to play, halfback Lew Carpenter broke inside left end and raced 60 yards for Detroit's third touchdown.

Doak Walker kicked all three extra points, sealing the Lions' second straight victory of the season, and averaging two losses to Los Angeles last season.

The Rams lone score resulted on a 31-yard field goal by Les Richter, who later missed two other field goal attempts.

Los Angeles 3 0 0 0-3
Detroit 7 0 7 7-21

Los Angeles scoring: Field goal, Richter.

Detroit scoring: Touchdowns, Dublinski, Karlivaz, Carpenter. Conversions, Walker 3.

CLEVELAND (AP)—The Cleveland Browns patched their pass protection pocket with a rookie fullback Sunday, and it paid off with a 31-7 victory over the Chicago Cardinals in a rain swept National Football League game before 24,101 in Municipal Stadium.

Maurice Bassett, six-foot-one, 230-pound first-year man who played only one year of college ball before going into the Navy, plugged the hole through which opposing linemen have been pouring in on Brown passers and gave Otto Graham a chance for one of his finest performances.

CHICAGO (AP)—The Chicago Bears turned a blocked punt and intercepted pass into touchdowns Sunday to defeat the Baltimore Colts 28-9 in a game that ended in a drenching downpour.

Continuous rain during the day kept the crowd down to 27,845 and the deluge in the final period flooded the field in a matter of minutes.

Fencers to Meet

There will be a meeting of all students who are interested in fencing this Wednesday afternoon at 5 in room 209 of Jenison. No previous experience is necessary.

If anyone is unable to attend the meeting, he should contact coach Charles Schmitter in room 307 at Jenison or call extension 661.

MILWAUKEE (AP)—Quarterback Y. A. Tittle dropped his warmup jacket to the ground in the fourth quarter Sunday to open a completely unexpected two-touchdown rally to give the San Francisco 49ers a 23-17 win.

over the Green Bay Packers in a wet and muddy National Football League battle.

WASHINGTON (AP)—The aerial team of Chuck Conerly and Bob Schnelker drove the Washington Redskins crazy Sunday as the New York Giants rode to an overwhelming 51-21 victory over the bedazzled home forces.

The brightest moment for the Washington rooters came when rookie Billy Wells shot through tackle for a 68-yard touchdown sprint early in the second quarter.

Win-Hungry Spartans
Gaze at South Bend

By CHUCK MILLER

Michigan State's win-hungry Spartans, after whipping their appetites Saturday with a 21-14 win over an Indiana team, now look with anticipation towards the feast at South Bend.

Jubilance doesn't quite describe the scene in the dorm room after the game—delirious would be a more apt term.

There were cheers for everyone. A spontaneous "yea Duffy" rocked the lockers for several moments before someone noticed LeRoy Bolden, the team picked up the "yea Boldy" cry.

Dr. Hannah walked into the dressing room—some membered it was his birthday and the Spartans sang with "Happy Birthday Dr. Hannah". The singing little flat, but it was unmatched in sincerity.

There were cheers for the new "papa"—Morley Murphree who had been informed of the birth of Robert J. Murphree at half time. The 210 pound tackle from Co. High in Detroit outweighs his son by only 200 pounds a few ounces.

If anyone could possibly have been happier "Murph," it was Daugherty. There was no doubt Duffy was pleased.

All in all, it was the greatest post-game demonstration staged by an MSC team—including the Rose Bowl. It was justified.

The Spartans needed a win. They knew that they good, but had been unable to convince anyone. Spirited been far from low, but the team had seemed bewildered. That's all been changed now. They're not bewildered they're certain.

They've convinced a lot of people, and a win on Irish Saturday will make it emphatic.

One observer in the press box was skeptical that the running attack would have been even better had he been able to play.

"How could it possibly be any better?" he said. Notre Dame will find out, because Bolden will be to go.

It was evident that the Spartans didn't need him day.

Eight MSC backs carried the ball and all except back Earl Morrall averaged nearly five yards or more. Morrall more than made up for this in the air with out of 10 completions for 114 yards.

John Matsock carried 16 times for 90 yards, but tagged for 12 yards in losses to wind up with just five yards per try.

The team total is 250 yards on 45 rushes for an average of 5.5.

After the game, reporters asked Daugherty if the missed Bolden. In spite of the terrific showing of the backs, Daugherty answered: "Any team would miss him—he's the finest back in our history."

Badgers Win Thriller

Iowa Upset Highlights
Saturday's Big 10 Play

CHICAGO, (AP)—Big 10 teams, holding their own against non-conference competition, struck at one another with traditional fury Saturday resulting in Michigan's surprising 13-13 victory over Iowa.

In a series of come-from-behind victories, Wisconsin edged Rice 13-7, Michigan State defeated Indiana 21-14 and Minnesota bounced Northwestern, 26-7.

Purdue rallied in the second half to tie Duke, 13-13, while Ohio State stepped off with two touchdowns in the first quarter and didn't let up until it had humiliated Illinois, 40-7.

A confident Iowa team turned two Michigan fumbles into touchdowns in the first quarter and triumph.

Paced by halfbacks Watkins and Howard (along) Cassidy, Ohio scored its second Big 10 victory in every period against inept Illinois team.

A steadily improving Iowa team spotted Northwestern a first-quarter touchdown, then unleashed a devastating ground attack which gained yards and Minnesota's triumph.

Indiana's Milt Campbell (49), pictured above with his injured leg, attempts to go for a gain.

Campbell Complains

'Leg-Twisting' Charges Denied by Daugherty

Duffy Daugherty Sunday afternoon charged that Spartans had "deliberately twisted" right leg in Saturday game.

Daugherty said he, and the coaching staff, had made their usual Sunday viewing of the game films and failed to find anything "remotely out of line" and that nothing of that nature was apparent.

"We haven't any of that type of players on our squad," Daugherty said.

Indiana trainer Spike Dixon said Campbell probably will be able to play at Missouri Saturday.

Hannah, Frimodig Cheered

Spartans Hold Birthday Party

By ART UNDERWOOD
State News Associate Editor

It was "happy birthday" in more ways than one in the Spartan dressing room at Bloomington after Saturday's 21-14 victory over Indiana.

After a rousing course of cheers for Duffy, the team broke into a chorus of the old birthday song for President John A. Hannah whose comment on the game as he entered the locker room was "I liked it, I liked it." Hannah was 52 Saturday.

L. L. Frimodig, MSC's veteran athletic business manager, also celebrated a birthday and admitted to being, "as old as Jack Benny, 39."

Another participant in the birthday party was several hundred miles away in Edward W. Sparrow hospital. Robert Morley Murphy, 9 pound, 7-ounce son of tackle Morley Murphy born about the time his father was getting a 5-yard penalty charged up to him for being a bit too eager to drive an Indiana player into the ground before the ball was snapped.

Murphy found out about the happy event at halftime. Mother, the former Ruth Anderson of Lansing, and son are doing fine.

Indiana's sharp 700-student flasher section, although performing in a limited manner, far outshone the "Marching 100" that more aptly could have been called the stumbling 100. The halftime band performance, an uninspired show about a sailor and his girl, caused numerous comments about high school hallfights that the viewers had seen.

The MSC football visit gave head coach Duffy Daugherty a chance to visit his brother Jack, a popular member of the IU faculty. In Jack's words, "It's a tough situation on loyalties, I'm glad the game is over."

LeRoy Bolden, Spartan half-back who did not dress for the first time in his three years as a local grid great, received the game ball.

Daugherty said he hopes to have Bolden back in action next week against the Fighting Irish of Notre Dame but the "Flint Firecracker" confided to teammates, "I will have to let them out soon anyway so I may as well get used to it."

The spunky Spartan has been ailing all season and received a sprained Achilles tendon in the Wisconsin game, causing him to be sidelined.

IM Pass Tourney

The intramural football pass tourney begins this afternoon at Dem Hall field. Competition will be held from 5 to 5 p.m. today through Friday. Those interested may sign up at the field.

Warm-Up for Penn State

Henry Kennedy Finishes First In Cross-Country Practice Run

By HAROLD BATEMAN
A freshman does it again!
Henry Kennedy, Scottish-born freshman from Toronto, took the lead at the starting gun, held it all through the race, and won a four mile practice race Saturday morning in the excellent time of 19:59.4.

Kennedy's nearest competitor was Selwyn Jones, sophomore from Hamilton, Ontario. Jones was second at the half-mile mark and never gave up that position for the rest of the race. Approximately 175 yards behind Kennedy at the finish, Jones also turned in an excellent time of 20:25.8.

Kennedy had a lead of about 10 yards at the half-mile mark and kept lengthening it throughout the race. At the two mile mark Kennedy was timed in a blazing 9:47 while Jones was second with a 10:13.

Saturday's time by Kennedy was one of the fastest ever run on the course and would have placed him third in last year's national collegiate championships.

Western Michigan offered the competition for the varsity in a race in which team score was kept. Western captured the second, fourth, fifth, sixth and eighth places to win 25-32. The Spartans took first, third, seventh, tenth and eleventh for their total.

The meet will be counted as an official one by the Broncos while the Spartans will count it as only the official try-outs for next Saturday's Penn State meet.

Kennedy and Jones did not count in the team scoring because Kennedy is a freshman and Jones was running unattached.

First in team scoring and third in the race was Gay Denlow who posted a time of 21:07.2. Denlow was about 200 yards behind Jones at the finish. His time is also very good for this time of the season.

The first Western Michigan man across the finish was Bill Pyle whose time of 21:30 earned him second in the team scoring.

Finishing third in team scoring was Spartan Terry Block who was clocked in 21:46. Six yards behind Block was another Bronco runner, Don Richard with a time of 21:52. Tom Coyne and Carl Ramsey finished in a tie for fifth for the Broncos. Their time was 22:16. The third Spartan to finish and in seventh position was Bob Skane with a clocking of 22:21.

Chicago Flooded By Record Rains

Union Train Station Hit;
Daily News May Not Publish

CHICAGO (AP)—Swollen by the worst rainstorm in 69 years, the usually tame Chicago River spilled over its banks Sunday night in the center of the nation's second largest city.

Water swirled into the Union Station, halting train service, and into basements of other buildings near the river.

In the first 24 hours of the storm, 5.65 inches of rain pelted Chicago's loop—the largest amount of rainfall for 24 hours since Aug. 2-3, 1885, when 6.15 inches fell.

Damage in Chicago and other Northern Illinois cities was expected to total several million dollars from the steady rain, still falling after 24 hours.

Trains were unloading at outlying stations. A power failure left the station in darkness.

A retaining wall collapsed at the Chicago Daily News building, flooding two sub-basements with 40 feet of water. Company officials said it is doubtful whether they will be able to print the paper today.

Gov. William G. Stratton alerted the National Guard, that it might be called out to help cope with the flood. Highway engineers and state police already had been called to help.

Tickets for Notre Dame Ready Now

Winning Names
Posted in Union

Winners of the drawing for round-trip train transportation and tickets to the Notre Dame-MSC game Saturday will be posted in the Union Concourse and at Jensen Fieldhouse ticket windows this morning, organizations director Andy Foeller announced.

Tickets may be picked up today and Tuesday between 11 a.m. and 5 p.m. Alternates may obtain their tickets Wednesday, according to Edward Scribner, chairman of the committee. Students must pay in cash.

Fifty-five train tickets will be available today and Tuesday for those who already have game tickets.

"If any tickets are not picked up by 5 p.m. Wednesday, they will be sold to any student on a first come first served basis on Thursday," Foeller said.

Scientists estimate that if there were no control programs insects would destroy half of U.S. farm production.

Drowning Investigated By Police

An investigation into the death of Barbara Fellows Engle, MSC student who drowned Friday morning in an automobile accident, was revealed Sunday by State Police.

Mr. E. E. 23, mother of three children, was drowned when the car in which she was riding with three other persons plunged into the Grand River, outside of Lansing.

The car, driven by Albert Bavanowski, of 2714 Albert East Lansing, was approaching the intersection of Mt. Hope rd. and Moores River dr. west of Lansing, a down-hill stretch, when Bavanowski failed to stop and hit a guard rail, state police said.

The sudden jolt of the car turned it over and caused it to roll into the river, police said.

The two other passengers were Don Pollock, 27, an MSC student of Bavanowski's address, and Donna Wiley, 22, of 121 North Eighth st., Lansing.

The three survivors managed to swim to shore and were taken to St. Lawrence hospital suffering from shock and exposure. They were released Saturday.

Football

(Continued from Page 1)

of the game that drew much criticism.

Hoosier quarterback Florian Helinski completed six out of 12 for 180 yards, but much of the credit must go to the receivers.

Each one was covered by at least two Spartans—they simply jumped higher than the comparatively short MSC defenders.

Other than six passes, State was in control most of the way, limiting the Hoosiers to 100 yards on the ground.

The Spartans opened the scoring early in the first quarter on Morrill's TD pass to Peaks.

After an exchange of punts, Matsock and Postula smashed the Indiana line for five yards each and a first down. The Hoosiers called time out to tighten up their defenses, and on the first play after the break State went in to score.

Halfway through the second quarter, with the advantage of a fumble, Indiana tied the score and then went ahead with two quick touchdowns.

A pass interception on their 36 et up the second Hoosier score. Three running plays picked up five yards, before Helinski connected with Robertson on the State 45. Robertson lateraled to fullback John Bartkiewicz before being downed, and the Hoosier back went in to score.

End Bob Fee recovered Peak's fumble on the Indiana 40, to give the Hoosiers their first scoring opportunity. Halfback George Bell picked up nine yards through the line, and smashed down to the MSC 47 on the next play. However, a holding penalty set the Hoosiers back to their 36.

Helinski then went to the air and two plays later Indiana was on the State 13. End Robertson caught the first pass on the MSC 44, and Fee reached up between two Spartans to bring in the second.

Halfback Don Domenic took a pitch-out down to the three, and Bell was stopped for no gain, before Helinski sneaked to the two-yard line for a first down.

Bell picked up a yard and Hel-

inski banged across. His conversion tied the score.

The clock beat the Spartans out of a tying score following the kick-off, and they had to wait until they got the ball in the second half.

Morrill took Helinski's kick-off on the MSC 17 and returned in to the 42. Five plays later the Spartans were knocking on the door.

With less than a minute left, Peaks picked up nine yards to the Indiana 49. Morrill dropped back to pass, fumbled, picked up the ball and ran for a first down. Peaks ran for 17 yards to the 31 and Matsock picked up 11.

Only ten seconds remained when Matsock started around right end on the next play. When the play was over, two seconds were on the clock and Matsock was on the two.

The Spartans immediately called time out and were penalized five yards for delay of the game. The officials started the clock as the Spartans broke from the huddle, and time ran out before they could start a play.

State kicked-off to start the second half, and forced Indiana to punt after three downs.

Matsock caught Helinski's punt on the State 25, and raced down

the sidelines, behind hard blocking. On the Indiana 25, Matsock faked Helinski, the last remaining Hoosier, out of position and scored standing up. Morrill made his first conversion attempt and the score was tied.

Indiana picked up one first down after the kick-off, but State's defensive backfield knocked down three straight Helinski-to-Roberson passes and forced Helinski to punt.

Five plays after Matsock returned the kick to the Indiana 40, the Spartans had scored again with sophomore Pat Wilson sneaking across from the goal.

Planulis kicked his second extra point and the Spartans and Daugherty had won their first game.

Daily newspapers of the world had a circulation of 217 million in 1932 says a recent United Nations report which excludes most Iron Curtain areas.

Choice of Parents

Choice of Wife

Choice of Job

You don't have any
choice on the first and
very little on the second...

On the third however, it's strictly up to you — a poor choice can throw you years behind your classmates and a good choice can put you years ahead.

At Chance Vought, young engineers (Aeronautical, Mechanical, Civil and Electrical) have every opportunity to make a mark for themselves in the industry that places the greatest value on engineering skill and ingenuity. The very nature of the modern aircraft — its immense complexity and its never-ending development — presents technical problems that are unparalleled in any other field of engineering.

The chart illustrates two things; first, the extent to which our work involves the various engineering and scientific specialties and second, the scope of the opportunities that exist for the young engineer.

For more information regarding these employment opportunities please contact your placement office in order to arrange for an interview with our representative when he is on campus, or write for a copy of "Your Career With Chance Vought Aircraft".

Address:

We invite you to discuss your career opportunities in the aviation industry with us. Contact your placement office today for an appointment for your interview with K. L. Gilbert, Chance Vought Aircraft Engineering Personnel Representative, who will visit your campus October 15.
