over, G. Mennen Williams; Dr. Harlan Hatcher, presi-  
dent of the University of Michigan; Dr. W. W. Whitehouse,  
of Albion College and the 14 recipients of hono-  
rary degrees.

Hatcher and Dr. Whitehouse will bring greetings to  
state-supported schools and from private colleges,  
Gov. Williams will present official greetings  
to the state of Michigan.

on the platform will be the administrative group,  
deans of the schools; members of the State  
of Agriculture, MSC governing body; Starr Keesler,  
director; Col. Harry W. Gorman, professor of mili-  
tary science and tactics; Col. Graeme S. Bond, professor  
of science and tactics; and Bill Hurst, student govern-  
ment president.

dition to the members of the procession, about 700  
guests will be seated in the Auditorium, including  
city and state officials, student governments of  
U.S. colleges, U.S. government officials, and repre-  
sents of Michigan trade and professional organizations.  
Admission will be by ticket only.

rogram honoring the special three-cent Centennial  
of MSC and Pennsylvania State University will be

## Illinois Grid Aide Named for MSC Job

Devine Considers Leaving  
For Arizona State Post

With one assistant football coach on the verge of moving  
to another job, Michigan State officials Sunday announced  
the impending appointment of a new grid staffer, Lou  
Agase.

Backfield Coach Dan Devine  
returned from a visit to Arizona  
State College over the weekend,  
apparently all but officially the  
new Arizona head coach.

Dispatches from Phoenix said  
Devine is the "likely winner"  
of the job, with formal an-  
nouncement due in a couple of  
days.

Clyde Smith, whose move to  
the athletic directorship left the  
coaching job open, was in Pitts-  
burgh over the weekend at his  
father's funeral.

Announcement of the coaching  
appointment is expected when he  
returns to the school.

Devine traveled to the western  
campus to talk to the officials and  
look over the campus.

He called the job "a wonder-  
ful opportunity, any assistant  
coach's dream," but could shed  
no light on his status at Arizona  
State.

"They were very nice to me  
out there but I have to wait for  
the announcement, just like  
everyone else," Devine said.

Meanwhile, Athletic Director  
Biggie Munn announced that he  
will submit Agase's name to the  
State Board of Agriculture for  
approval, Feb. 18.

Agase is one of the all-time  
great Illinois players and now a  
member of the Illini coaching  
staff.

His status on the Spartan  
staff was not known, with Head  
Coach Duffy Daugherty refus-  
ing to comment on the appoint-  
ment.

Others speculated that Agase  
would replace long-time line as-  
sistant coach, John Kobs.

Kobs, who is also the varsity  
baseball coach, served for seven  
years as a line assistant under  
Daugherty in the Munn era and  
intended to leave the job last  
year.

But he agreed to stay around  
for one more year and now seems  
ready to devote his full time to  
his Big 10 champion baseballers.

In Illinois, Agase confirmed  
his acceptance of the proffered  
job and Illini officials already  
have his replacement.

Chuck Studley, a former Illini  
guard and recently a high school  
coach, has been hired, apparently  
to replace Agase.

A member of the 1946 Rose  
Bowl team that beat UCLA,  
45-14, Agase has been a tackle  
coach with the Illini for two  
years.

## Cagers Host Purdue After Beating DePaul

North Campbell coeds Pat Starke, St. Joseph senior; Carla Bintz, Sturgis sopho-  
more; and JoAnn Hoover, Hartford freshman, stand near their "Bookworm," first  
prize winner in the annual snow sculpture contest.

## Hard Working Coeds Must Wait for Prize

Snow Sculpture  
Trophy Missing

Coeds from North Campbell  
worked hard to capture first place  
Saturday in the snow sculpture  
contest among women's dorms.  
But they never collected their  
reward.

The trophy which was to have  
been given to the winner dis-  
appeared and nobody's seen it  
since Friday.

The trophy was last seen in the  
lobby of Gilchrist, winner of last  
year's contest, at 6:30 p. m. Fri-  
day.

North Campbell's winning entry  
was in the shape of an open book  
with a worm perched on its pages,  
symbolizing the best way to be  
prepared for exams.

East Yakeley, runner-up, offered  
a large decorated cake with the  
theme, "we grow with the years."

Only five dorms braved the  
near-zero weather to take part in  
the contest, which is sponsored  
annually by the Women's Dormi-  
tory Association.

Representatives from Men's  
Inter-Dorm Council serving as  
judges were: George Stepanovic,  
Lincoln Park sophomore, Richard  
Daly, Lapeer sophomore, and  
Dean DeWeese, Cincinnati, Ohio  
senior.

The idea for the award grew  
out of mutual interests among  
MSC alumnae who had worked  
on the State News.

"We wanted to give State News  
reporters the opportunity we  
never had," said Barnes, editor  
of the State News in 1942-43.

"This is the first scholarship  
ever established specifically for  
State News workers," Applegate  
said.

Last May, \$2,000 was collected  
from editors of Michigan news-  
papers and past students of Ap-  
plegate for the grant. When the  
fund is exhausted a subscription  
to renew the scholarship will be  
formulated, Barnes said.

Since the money has already  
been accepted by the State Board  
of Agriculture, a committee of  
seven newspaper men will pre-  
sent the scholarship to the college  
committee for approval.

The head of the Journalism de-  
partment will nominate candi-  
dates for the scholarship. The  
final decision will be up to the  
college scholarship committee.

A high grade average will not  
be stressed for recipients of the  
scholarship, Barnes stated.

Three other members on the  
committee were past editors of  
the State News: Jack Sinclair,  
publisher of the Hartford Day  
Spring, Victor Spaniol, publisher  
of the Cassopolis Vigilant, and  
Philip Spelman, with publications  
staff of the McCann-Erickson Ad-  
vertising Agency.

Other committee members in-  
clude: Donald Schram, state edi-  
tor of the Detroit Free Press;  
Carl Saunders, editor of the Jack-  
son Citizen Patriot, and Dale  
Stafford, editor of the Greenville  
Daily News.

## To Start Fall Term New Scholarship to Aid State News Reporters

A tribute was paid to the Michigan State News in the  
form of a scholarship Saturday during the Michigan Press  
Association Conference at Kellogg Center.

The final draft of the A. A.  
Applegate Journalism Education  
Grant was accepted by a com-  
mittee formed last May to orga-  
nize a scholarship in honor of  
Applegate, head of the Journalism  
department.

The journalism scholarship, to  
be initiated next fall, offers the  
recipient payment of one year's  
registration and tuition fees. The  
student can hold the scholarship  
only one year.

To qualify for the grant the  
student must have had three  
terms of satisfactory service on  
the State News and claim finan-  
cial need.

The object of the scholarship is  
to provide aid for prospective  
journalists who lack sufficient  
funds for college, according to  
Leonard Barnes, head of the  
scholarship committee and as-  
sistant editor of the Automobile Club  
of Michigan Motor News.

The idea for the award grew  
out of mutual interests among  
MSC alumnae who had worked  
on the State News.

"We wanted to give State News  
reporters the opportunity we  
never had," said Barnes, editor  
of the State News in 1942-43.

"This is the first scholarship  
ever established specifically for

said.

The DePaul game saw the  
Spartans play one of their best  
games of the year and certainly  
their best on the road.

Rolling up a 40-36 halftime  
lead, the Spartans scored 10  
points to DePaul's two early in  
the second half to lead by 12  
points.

With 12 minutes remaining,  
State held a 21-point lead, 63-  
41.

McCoy once again led the Spar-  
tans in scoring as he dropped in  
25 points. Second high man was  
Ferrari with 18.

In addition to his 28 points,  
McCoy played a great game under  
the boards, as time again he  
grabbed off wild DePaul shots.

## Victory Is 2nd Road Win

McCoy Hits 25  
In 88-72 Win

By JOE HOFFMAN

Michigan State's basketball  
squad returns to Big 10 ac-  
tion tonight following an 88-  
72 non-conference victory  
over DePaul Saturday.

The Spartans play host to Pur-  
due University tonight at 8 in  
Jensen Fieldhouse.

The highlight of State's win  
over DePaul was the fact that it  
was a victory away from home,  
something the Spartans have been  
able to do only once before this  
season, against Princeton, Dec. 17.

Coach Forddy Anderson is  
hopeful the "road jinx" which  
had been plaguing the Spartans  
has finally come to a halt.

Purdue, victim of a 59-56 loss  
to Minnesota Saturday, brings in  
a lineup in which all five starters  
are hitting double figures in Big  
10 play.

Though currently battling Ohio  
State for the Big 10 cellar, Purdue  
has been one of the real surprises  
in the conference so far this year.

The Boilermakers compiled a  
7-1 record in pre-conference  
play, one of the best of any Big  
10 school.

In conference play, Purdue has  
lost some close games to some  
top flight teams.

In addition to their loss to  
Minnesota, the Boilermakers lost  
another overtime battle to North-  
western earlier in the season.

Additional Purdue losses have  
been at the hands of Illinois  
and Minnesota.

Ohio State and Northwestern  
are the two Big 10 teams Purdue  
has beaten.

The Boilermakers scored 109  
points against Bradley in a non-  
conference game which was a  
new school individual game scor-  
ing record.

Leading Purdue's scoring at-  
tack is Joe Saxon. The junior  
forward is averaging 21 points  
per game and is seventh in the  
Big 10 scoring race. Senior  
guard Dennis Blind is 15th in  
Big 10 scoring with a 17.6  
average.

Other Purdue starters are for-  
ward Don Beck (14.2), center Ted  
Dunn (10.2) and guard Dan  
Thornburg (12.6).

For the Spartans, Anderson will  
counter with the same lineup that  
has played so well in recent  
games.

The lineup consists of Al Fer-  
rari and Julius McCoy at the  
forwards, Duane Peterson at  
center and Bob Devenny and  
Pat Wilson at the guards.

The DePaul game saw the  
Spartans play one of their best  
games of the year and certainly  
their best on the road.

Rolling up a 40-36 halftime  
lead, the Spartans scored 10  
points to DePaul's two early in  
the second half to lead by 12  
points.

State held a 21-point lead, 63-  
41.

tans in scoring as he dropped in  
25 points. Second high man was  
Ferrari with 18.

In addition to his 28 points,  
McCoy played a great game under  
the boards, as time again he  
grabbed off wild DePaul shots.

Other Spartans who hit in  
double figures were Peterson with  
16 points and Wilson with 14.

A freshman game will precede  
the varsity tilt tonight beginning  
at 6:15.

## Break Loss String

## Pucksters Win, 4-2, After Losing, 8-1

By ART UNDERWOOD

After absorbing an 8-1 pounding by the Western Ontario  
Mustangs Friday night, the Spartan hockey squad roared  
back Saturday night for their first victory in six starts, 4-2.

In the Friday night contest each  
team drew three penalties while  
the MSC squad outshot the Mus-  
tangs almost 2-1. A fine perfor-  
mance by Ferrell Cook, the  
Ontario goalie, was marred only  
by a tally by Spartan Weldie  
Olson at 18:06 of the first period  
with an assist by Jack Mayes.

In Saturday night's rugged  
tangle that saw 19 players troop  
to the box for infractions, Onta-  
rio ace Darrell McLaughlin  
and Spartan Joe Sauve both  
drew match misconduct pen-  
alties in a bloody third stanza.

Mustang Lorne White started  
the scoring parade at 2:53 of the  
first stanza and it looked like the  
visitors were out to repeat the  
previous night's drubbing. But  
Spartans, however, hit twice in  
the closing minutes of the period,  
Derio Nicoli from Olson and John  
Gipp at 15:19 and Bert Pomerleau  
unassisted at 16:01.

In the second period Pete  
Lindsay tied the score for the  
Mustangs at 10:59 with assist  
from George Pond and Mc-  
Laughlin but Sauve struck back  
on a disputed 35-foot shot at  
15:08 to put the Spartans ahead  
for keeps.

Gene Grazia, returning to the  
ice after having six stitches taken  
over his right eye from being hit  
by a bouncing puck, added the  
clincher with help from Gipp and  
Gordie King at 14:14 of the final  
stanza.

Defenseman John Polomsky  
turned in an iron man perfor-  
mance spending 58 minutes on  
the ice for the Spartans.

MSC goalie Ed Schiller covered  
the whole game despite facial in-  
juries received in a spill at the  
goal mouth mid-way in the last  
period.

Pomerleau had the meager  
crowd on their feet with a beau-  
tiful one man rush while the Spar-  
tans were two men short in the  
second period.

## Fencers Split In 3-Way Meet

Beat Chicago,  
Lose to Titans

MSC's fencers split a tri-  
angular meet Saturday by de-  
feating the University of Chi-  
cago, 15-12, and losing to De-  
troit, 17-10.

The Spartans' ability to dom-  
inate the sabre event proved the  
downfall of Chicago, as State took  
seven of the nine matches.

George Thomas won all three of  
his matches while Luigi Odorico  
and Bill Lacey each took two out  
of three.

State also took the epee  
event, 5-4, with Dale Blount  
and Jim Dooley each winning  
two matches and Harry Blount  
accounting for the fifth win.

The foil team was defeated, 6-3.  
Gerry Breen won two matches for  
the Spartans while Chan Benton  
copped one.

Against Detroit the Spartans  
dropped all three events, coming  
close only in the sabre which they  
lost, 5-4.

Thomas took two of three  
matches with Breen and Shu-  
lack each winning one.

Detroit won both the foil and  
epee events, 6-3.

Breen and Benton each won one  
of the foil events with substitute  
Lambert Olsen winning the other  
one.

In the epee event, Dooley  
copped two matches for State, and  
Harry Blount won the third.

In the other portion of the tri-  
angular meet, Detroit made it a  
Frank Wangeman and Walter  
clean sweep by defeating Chicago,  
14-11.

## No Big Man So Matmen Lose, 16-14

Forfeiture of the heavyweight  
division was again the telling  
blow as Michigan State's west-  
ering team lost to Ohio State Sat-  
urday, 16-14.

The Spartans piled up an 11-0  
lead on wins by Dick Hoke, Bob  
Gunner and Jim Sinadinos before  
Norm Gill lost his bout.

Then Ted Lennox added to  
the lead with a 5-3 win in the  
157-pound division.

But Dick Abraham lost a deci-  
sion and Hal Pendley was pinned  
to cut the lead to 14-11.

The heavyweight loss counted  
five points, or the equivalent of  
a fall, and OSU won, 16-14.

Hoke won his bout 6-4 while  
Gunner shut his foe out, 5-0.

Sinadinos won his bout on a  
fall at 2:50 of the first period.

## Gosper Sets Mark In AAU Meet

By HAL BATEMAN

Kevan Gosper, Michigan State's Australian-born track  
captain, highlighted the 1955 edition of the Michigan AAU  
Relays held at Michigan's Yost Fieldhouse Saturday evening.  
Gosper set a new Michigan AAU and Yost Fieldhouse  
record when he won the 600-yard run in 1:11.5.

Another Australian, Doug  
Stuart, successfully defended his  
high-jump crown although he  
now shares it with Michigan's  
diminutive Mark Booth. Both tied  
for first with leaps of 6'5".

In the two-mile run Michigan  
State's freshman Henry Ken-  
nedy won the event with a  
clocking of 9:19.1.

The time represents a new MSC  
freshman indoor two-mile record.  
The old record of 9:43 was set in  
1951 by John Cook.

In one of the closest races of  
the evening, Selwyn Jones was  
nosed out in the mile run by  
Kukio "Cookie" Moriya, Whea-  
ton's NCAA two-mile champion.  
Both were timed in 4:19.1.

In another close race Ed  
Brabham was nosed out in the  
60-yard dash by Western Mich-  
igan's John Hudson, with both  
timed in :06.4.

Joe Savoldi lost in the 65-yard  
high hurdles when he was beaten  
by Duane Root of Michigan Nor-  
mal.

Savoldi also placed fourth in  
the broad jump.

The Spartans showed consider-  
able strength in the pole vault  
as Chuck Coykendall finished  
second with 13'4" and George  
Best tied for third.

In the last race of the evening  
Michigan State's mile relay team  
finished second, behind Michigan,  
with Gosper running a 48-plus  
anchor leg. The Wolverines' win-  
ning time was 3:21.4.

## Dudeck Wins As Swimmers Lose, 65-28

Winning only one event, the  
Michigan State swim team fell to  
OSU Saturday, 65-28.

John Dudeck turned in the  
Spartan win with a first in the  
200-yard breaststroke. His time  
was 2:32.

Capt. Tom Payette, Lanny  
Johnson and Jack Beattie all  
turned in seconds for MSC, with  
Beattie, Bob Dust, Jack Paggini,  
Jim Rickard, Don Leas, Payette  
and Paul Rlenke recording thirds.

## Frosh Iceers

## But No One Uses Them

## Many Services Await MSC Students

By GENE RITZINGER

Most students know student government sponsors such popular functions as free pep rallies and occasional all-college dances.

And most people know there is a small loan fund available in case they need a quick five or 10 bucks.

But how many of you know there are a couple of other valuable services available to students and student organizations?

Two of these not well known valuable services are a free mimeographing service and a public address system, which can be used by any recognized campus organization.

The mimeographing service can print over 1,000 pieces of literature a day on a brand new electric mimeographing machine which cost the student government \$550.

The only expense to any group using the service would be for the necessary paper and stencil required. A hired operator runs the machine, and student government president Bill Hurst said

usually a group can have its literature printed within 24 hours.

Hurst said those desiring to use the mimeograph service should leave their paper and stencil in the third floor Union offices of student government.

The public address system is another service which student government wishes would be used more often.

This service is also available to any recognized campus group that desires to use it. A fee of 85 cents an hour is required, however, to pay the operator who is furnished by student government.

Hurst said past experience has shown an experienced operator is necessary to run the system to prevent the equipment from damage.

The public address system comes equipped with a phonograph attachment. It can be used either indoors or outdoors.

So if your group has literature that needs mimeographing, or if it wishes to publicize a dance or similar function, remember student government is ready and able to assist.

## Tickets Ready For Founders' Day Program

Students Allotted 1,050 Ducats

Tickets for the Founders' Day program, Feb. 12 will be distributed today and during this week from 1 to 5 p.m., until the 1,050 tickets allotted students are gone.

The Veterans' Association will handle the distribution at the Centennial Information desk in the Union Concourse.

Today and Tuesday living unit presidents may pick up the tickets assigned to them. If the president is unable to pick up the tickets he must authorize a representative by writing.

Each president will receive four tickets plus the number allotted the living unit on a population basis. Five-hundred tickets will be reserved in this division.

The president of the Spartan Village Council will pick up only four tickets. The 44 other tickets for this district must be picked up in person.

Anyone picking up tickets must show his I-D card. Lansing and East Lansing students will be allowed 160 tickets. Students in this division and the married housing area may receive two tickets each.

Fraternities, sororities, co-ops and religious living units will receive tickets on the population basis.

All tickets not picked up by Tuesday will be distributed Wednesday on a "first come, first served" basis.

## Tryouts to Start

Tryouts for Studio Theater presentation of "Ring Once for Central" will be held Monday and Tuesday from 2 to 3 p.m. in Room 124, Auditorium. The play was written by Carl Allensworth. Two women and three men will be selected from the tryouts. The play will be presented March 1.

## Formosa--A Key Outpost

Here is how Formosa stands as the most advanced outpost in the Pacific island defenses of the United States and Western world.

## Variety Show Auditions to Start Wednesday

Auditions for the chorus the Union Board Variety will be held Wednesday from 8 to 8 p.m. in the Union building. Dancers must bring slacks, blouses and heels for the auditions. Bill Waite, chairman of the TV committee for Union said.

Auditions for the Variety acts will be held in the ballroom as follows: Today, 9 p.m.; Tuesday, 8-9 p.m.; Wednesday, 8-9 p.m.; Saturday, 8-9 p.m., and Sunday, 2-4 p.m. The show will be held in the Union Ballroom. Tommy Aquino is the director of the Variety Show.

Japanese have used cork (birds) to catch fish for at least 1,000 years, says the National Geographic Society.

## Highlighting MSC History

## Paintings to Recall 'Good Old Days'

Although the Old College Hall building has long since disappeared and the backboard replaced by ears, the good old days are not to be forgotten.

Paintings of various highlights and events in MSC's history will be presented to the college formally by the Wolverine at the Founders Day banquet on Feb. 12.

The paintings will be hung somewhere on campus for the Centennial crowds to see and then placed permanently in the "Centennial Room" of the new library.

John Coppin, well known portraitist, did the paintings upon request of the Wolverine. Full-color reproductions will be seen in the 1955 Wolverine. Research, sketching, and painting the scenes has kept Coppin busy on the project for the past year.

The first canvas is a scene from 1858—a student driving up to Old College Hall in a buckboard. Skipping to 1873, the next painting shows Professor William Beal demonstrating to students the effects of hybridizing corn. He did much pioneering in the field of applying the Darwinian theory to corn.

Tradition and nostalgia is represented in a painting of a sport which has remained with the college every generation—canoeing up the Red Cedar. Students of the 1900 era are shown on this canvas.

Switching to a more modern setting, another scene is a crowd of people going to a football game in 1948. It is principally a picture of Sparty with the then-new stadium in the background.

Artist Coppin was born in Stratford, Ont. At the age of 20 he came to Michigan, and now lives in Bloomfield Hills with his family. Listed in the Who's Who

## Police Join in School Spirit

Two new patrol cars of the East Lansing police put on their "MSC best" this week to help celebrate the college Centennial.

The new police cruisers will sport the Spartan colors—green and white—through the Centennial year. The two-tone color may be adopted as standard, said city officials.

The traditional black cars were still retained by the campus police with no immediate plans to change the color.

The new East Lansing patrol cars will wear the standard East Lansing police department emblem with the wheel and green cross symbol of traffic and safety.

## Final Orders For Wolverine Taken Today

Today is your last chance to order a Centennial Wolverine. The final sales drive for the 700 page annual draws to a close this afternoon. Sales will be made in the Union Concourse, in the third floor office or by salesmen doing their last minute canvassing.

The sales contests which began January 17 also officially close today. All salesmen with cards out should bring them into the office this afternoon or Tuesday. The winners, one coed and one man, will be announced later in the week after sales have been tabulated. Each will be awarded a \$25 gift certificate at an East Lansing clothing store.

By Sunday afternoon sales climbed to over 6,500 books. When all sales are in the total is expected to reach 7,000.

During the past week sales have come in at an astounding rate, according to John Conolly, promotion manager. Selling in Berkeley, dormitories, fraternity and sorority houses and the office accounted for 300 orders in one day last week.
