German Reds Warn Of 'Inconveniences'

Threaten Retaliation if West Withholds Its Recognition

BERLIN (AP)—East Germany said Sunday if the West continues to withhold recognition of its Communist government new and "greater inconveniences" will be clamped on Soviet-surrounded West Berlin.

Prof's Receive Fellowships

Two Michigan State professors have been awarded John S. Guggenheim fellowship grants for research. The Guggenheim Memorial Foundation announced Sun-

The fellowship winners and their fields of study are:

Dr. Robert Dean Spence, professor of physics—imperfections in phase transitions in solids, by a frequency techniques.

Dr. Harold Hart, associate professor of chemistry—role of the chlorine ring in organic reaction mechanisms.

A total of 248 Americans, including eight from Michigan have received the grants this year. Totaling \$968,000, they are awarded to men and women who have shown "high capacity for original scholarly research and creative creation."

Boat Sketches Due Today for Water Carnival

Sketches of proposed floats for this year's Water Carnival must be turned in to Organization of the Water Carnival, 303 Third Union, by 3 p.m. today.

The sketches, which must be submitted in duplicate by the drawing living units, will be read by members of the Water Carnival theme and continuity committee, and a representative of the Administration.

If they are approved, they will be returned to living unit chairmen at a meeting Wednesday, 7 p.m. in 31 Union. If they need corrections, living units will have until May 2 to submit their sketches.

A one-minute continuity for the float in triplicate, must also be submitted today, plus a \$5 check for music arranging. If the deadline is not met, 15 cents will be subtracted from the total of the living unit. Further information can be obtained by calling Betty Zinn, chairman of the theme and continuity committee.

Radimersky to Speak at Kentucky Meeting

G. W. Radimersky, associate professor of foreign languages, will attend the 8th University of Kentucky Foreign Language Conference, at Lexington, Ky., this weekend.

Deputy Prime Minister Otto Nuschke said current harassment of West Berlin would not have begun if the nonrecognition policy did not exist. He specifically named the sharply increased road tax on Western trucks as one of the present harassments.

It was the first time since the tax was imposed April 1 that East Germany has conceded a measure was a means to secure governmental recognition. For the record, they have said the increased taxes were needed to keep the roads in shape.

The Western Allies have always contended, and the Bonn government has followed their lead, that East Germany's Communist government was formed illegally and hence has no standing.

Nuschke complained that "instead of negotiating" on the taxes, West Berlin Mayor Otto Suhr made two full trips to Bonn. West Germany has attempted to negotiate a reduction in the taxes through international trade officials. The East Germans refused to do this, and held out for talks on a ministry level.

Last week, the Communists offered to discuss the matter with officials of the West German traffic ministry. Bonn has yet to announce its agreement.

Examples of communist "unpleasantness" were easily found last week. Four West Berlin customs guards were abducted as they patrolled along the Havel River which separates the Soviet sector of Berlin from the U.S. sector. Six trucks were seized on the 100-mile autobahn leading to West Germany.

The customs men were released Saturday night after the Western commandants of Berlin protested. The six truck drivers are still in custody.

Foreign Service Exam Scheduled

A chance to work abroad will be offered to graduating seniors June 24 by the department of state foreign service officers. A competitive examination will be given on this date to anyone interested in doing foreign service work. Receipts of application for the exam must be received by May 2.

Whitehall Soph Holds Straight 'A'

Gordon R. Morin, Whitehall sophomore, is one of eight out of 40,000 students who have gone through Basic College since 1944 with a straight A average. Morin's name will be inscribed on the plaque in the Basic College Building reserved for those students who achieve this mark. An electrical engineering major, Morin graduated from Whitehall high school.

A Wet Day Rain Dampens Spartan Hospitality

Sunday night's thundershowers will stay over for another day, against the wish of their Spartan host.

A damp temperature of 55 degrees will keep coeds out of spring cottons. A low of 45 is predicted.

The winds will travel north at 25 miles per hour.

Soph Rescues Canoeist From Death in River

A canoe ride on the Red Cedar nearly cost the life of Robert Perry, 17-year-old high school student from Ortonville, Saturday afternoon.

Perry was rescued after his canoe capsized on the river, east of Farm Lane bridge, by Richard Sweiss, Richmond sophomore. Another boy, Harold R. Brooks, Holly high school student, was also in the canoe with Perry. Brooks managed to swim to shore, but Perry went under several times and blacked out. Then Sweiss saw the boy struggling in the water, jumped off the bridge and saved him.

Andre Leeds, Long Beach, N. Y., freshman, applied artificial respiration, with the help of other students, until the inhalator from the East Lansing fire department arrived.

Perry and Brooks, attending the state band and orchestra festival on campus, were taken to Edward W. Sparrow hospital for treatment and released.

Gladner Theater To Reopen Soon

The Gladner Theater will reopen for business sometime next week, Richard Barkman, theater manager, announced Saturday.

Debris which fell in the theater when the west wall of the building was blown in by a high wind April 18 is being cleared away.

Bricklayers will begin rebuilding the wall today Barkman said. Repairs will continue after the theater reopens.

Religion a Main Topic Marriage Talks Set for May

By CYNTHIA SCHERER
Religious beliefs and emotional needs will be the topics of this year's marriage lectures. The talks, sponsored by Mortar Board, have been scheduled for May 4 and May 11, in the Music Auditorium. Both will begin at 8 p.m.

Chou En-lai Upholds China's Right to 'Liberate' Formosa

Symposium to Cite Educational Goals

Key Session Today to Rate 'Instructional Techniques'

A closeup view of the objectives of general education courses will receive the attention of 12 noted speakers at the opening session today of the Centennial symposium on "General Education."

Highlighting today's program will be Crane Brinton, Harvard historian and author of State's humanities textbook, "Ideas and Men."

Brinton will present the humanist's side of "Instructional Techniques in General Education" at 3:40 p.m. in 101 Kellogg Center.

Some 400 educators from all parts of the United States will offer the views of business, law, medicine, agriculture, and labor on today's key educational problems, during the three-day symposium.

"The Meaning and Role of General Education" will be deciphered by Clarence H. Faust, president of Ford Foundation's Fund for the Advancement of Education, at 9:30 a.m. today in Kellogg Center's auditorium.

Irving J. Lee, chairman of the public speaking department at Northwestern University, will comment on the "Obstacles to Human Communication" at a noon luncheon in Kellogg's ballroom.

Centennial awards will be presented to Faust and to Horace T. Morse, dean of the General College at the University of Minnesota, during the luncheon.

The afternoon program will be devoted to individual sessions dealing with the "Objectives of General Education Courses" in communication, natural science, and mathematics.

See SYMPOSIUM, Page 3

State Nurses Receive Caps

Members of Michigan State's nursing class of 1957 received caps Sunday in ceremonies at the Alumni Memorial Chapel.

Twenty-nine prospective nurses heard W. D. Collins, associate professor of physiology and pharmacology, deliver the welcoming address.

Florence C. Kempf, head of the department of nursing education, presented the caps to the fourth nursing class at State.

Completing seven terms here, the nurses will leave for their hospital internship at St. Luke's Hospital in Saginaw, during June.

Hong Kong Artist To Show Techniques

David Kwok, native of Hong Kong, will demonstrate his painting techniques at 4 p.m. Thursday in 208 Horticulture Building. The artist appears through the collaboration of the art and foreign studies departments. Admission is free.

Marriage and Your Beliefs," will be Monsignor Michael Mielko, Rabbi Philip Frankel, and the Rev. Gordon Jones. Dr. David Dickson, assistant professor of English, will be moderator.

Monsignor Mielko is head of the marriage court and diocese in Lansing, which includes 15 counties and handles an average of 200 marriage cases yearly.

Rabbi Frankel has had pulpits at Charlotte, N.C., and Pittsburgh, Pa., and is now in Lansing. He was a professor of Bible for eight years at Hood Theological Seminary.

State News Gets 8th Top Award

All-American Rating Received

An All-American honor rating has been awarded the Michigan State News for the first half of the 1954-55 school year by the Associated Collegiate Press.

The All-American rating, highest granted by the ACP, is the eighth awarded to the State News. Five other student newspapers in the daily-publication, all-enrollment class were awarded the rating.

The ACP judges gave "superior" ratings to the State News on news writing style, editorial, sports coverage and front page makeup.

The lowest ratings received, "good" and "very good," were for editorial page makeup, printing and photography.

The ACP awards are competitive, with standards for each honor rating determined by comparing the competing newspapers in each classification.

Founded in 1933, the Associated Collegiate Press is an organization of more than 1,000 college and university publications.

Top Hats to Spin Into Focus for Senior Ball Frolic

Top Hat will be the featured apparel at the Senior Ball Saturday night in Kellogg Center. They're the theme of this year's frolic.

Fred Crissey's orchestra will play for the all-college dance. Tickets may be purchased in the Union ticket office.

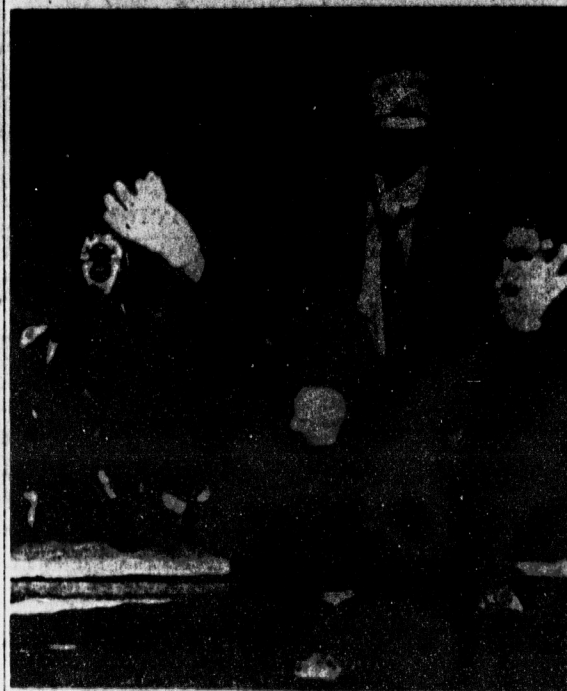

Coeds will be allowed a 2 a.m. permission for the dance, and special student parking at Kellogg Center is also being arranged.

Co-chairmen of the semi-formal dance are Tom Payette, Grand Rapids, and Virginia Payette, Battle Creek.

Committee chairmen are: tickets, Verne Hampton, Pontiac; program, Sally Garvin, Beaver, Pa.; entertainment, Bill Peters, Lansing; decorations, Peggy Rullison, Lansing, and Paul Phillips, Birmingham; and publicity, Jeanette DeClercq, Detroit.

The Rev. Mr. Jones, who lectures on religion at State, came to East Lansing as chaplain to Episcopal students, and is now rector of All Saints' Episcopal Church.

The second panel, "Meeting the Emotional Needs of Marriage," will be held May 11. Tickets will be available May 5 and 6.

State News Photo By Chuck Pittsley
Clowns Caper at Spartan Circus.

Some Thrills, Though

Circus Too Heavy On Gymnastic Side

Fresh with clowns, acrobats and a ringmaster, the Spartan Circus rolled into Jenison Fieldhouse Friday for its two-night showing.

Sponsored by the Acrobat Club, the second annual circus was heavy on the gymnastic side.

Bob Marsh, the number one trampolinist on this year's gymnastic squad, gave one of the best performances.

Jon Friday provided the evening's biggest thrills in his aerial work on the single trapeze.

Clowns—the zany comedy reliever—bounced through a "Boisterous Buffoon Brigade."

An act on the Spanish web and a unicycle act by the Cycling Dancers were lively numbers.

One of the best acts was a comedy routine on the high bar by George Szypula, gymnastics coach, and Carl Rintz, twice Big 10 all-around champion. Rintz was in good form, and demonstrated the work which has kept him at the top of the gymnasts.

Members of the Acrobat Club, and Jerry Gildemeister, managing director, deserve credit for staging a good show, but one which needed more diversified numbers.

Youth Conference Ends Here Today

The 11th annual city-wide youth conference will end today in the Union, with a general assembly.

More than 500 junior and senior high school students from Lansing assembled for the conference.

Using "Under God, Youths' Relations Strengthen," as its theme, the meeting is sponsored by Lincoln Center.

Paul A. Martin, publisher of the State Journal, will be represented by Harold E. Jacobson.

Schools participating are East-ern, J. W. Sexton, Resurrection, East Lansing, and Everett high schools, and Walter French, West Pottsville, and C. W. Otto junior high schools.

Lady in Distress Vandals Take Manikin for Evening Stroll

The Bureau of Missing Manikins needs your help. A female manikin, valued at approximately \$210, disappeared Saturday night from an A E P I A E Phi, Z B T party at the East Lansing American Legion hall.

The manikin was reported sighted in front of Sparty in the wee-hours Sunday morning, but disappeared without a trace.

A check with all local police agencies has proved futile—according to James Chas, president of ZBT. The manikin must be returned to its owners to fulfill a contract.

If the person or persons who took the young "lady" in out of the rain will return her or contact one of the above organizations, no questions will be asked.

Keeping the manikin can result in a felony punishable by up to five years in prison, according to local police.

Parents' Day Plans Told

The Centennial Parents' Day Committee in a meeting Thursday in the Tower Room of the Union discussed final plans for the fifth annual "Parents' Day" scheduled for May 7 and 8.

The meeting was one of a final round for the purpose of going over the program, eliminating flaws and sharpening fine points for what Chairman John Walker, Coldwater senior, said should properly be called "Parents' Weekend."

Centennial Chairman Chandler Benton, Milwaukee senior said he hoped faculty members would attend the reception in Kellogg Center, May 7.

"This has not been done in previous years and it would be a good idea for the parents to meet the people who are responsible for teaching their sons and daughters," he said.

Plans were discussed for the student-parent dance, "Collegiate Comeback" to be held at 8 p.m. May 7.

Wants Talks With U. S. Over Crisis

Asia-Africa Convo Draws to Finish

BANDUNG, Indonesia (AP)—Red China's Chou En-lai said Sunday night Peking will not give up the "sovereign right to liberate" Formosa, even though it wants direct negotiations with the United States to ease tension in the area.

Chou spoke at the closing session of the 29-nation Asian-African conference. Following up his statement of Saturday that Red China does not want war with the United States and would like direct talks on the Formosan crisis, he said:

"China and the United States should sit down and ease tension in the Taiwan Formosa area."

"This should not in the slightest degree, however, effect the exercise by the Communist People's Republic of China of its sovereign right in the liberation of Taiwan."

Chou made no reference in his final speech to imprisoned U.S. airmen, whose release some thought he would announce to help relax international tension.

The conference wound up seven days of deliberations and debates, marked frequently by clashes between pro and anti-Communists among the delegates, and issued a long communique on the delegates' recommendations.

The delegates demanded an end to production, experimentation, and use of nuclear and thermonuclear weapons and effective international control to carry out the ban.

Conference resolutions ranged over such subjects as the promotion of world peace and cooperation, economic and cultural cooperation among the Asian and African countries, and human rights and self-determination for all peoples.

The communique said membership in the U.N. should be universal in order to promote world peace. This was the closest it came to demanding membership for Red China in the U.N.

The communique also said Asian-African countries should be eligible for election to the non-permanent seats on the U.N. Security Council in order for them to make Other conference stands:

1. Economic cooperation among the Asian-African countries "on the basis of mutual interest and respect for national sovereignty."

2. Cultural understanding among nations through cooperation. In this connection the conference condemned the colonialism in Asia and Africa, "in whatever form it may be," as a bar to such cultural exchange. It also condemned racialism.

3. Full support for the principle of self-determination "of peoples and nations, as set forth in the Charter of the United Nations."

4. Support for the "courageous stand taken by the victims of racial discrimination, especially by the peoples of African, Indian, and Pakistani origin in South Africa."

5. Support for the rights of the peoples of North Africa to self-determination. In particular, the conference declared its support for the "rights of the people of Algeria and Tunisia to self-determination and independence" and urged the French government to bring about peaceful settlement of the issue "without delay."

6. Support for the rights of the Arab people of Palestine to self-determination and independence, and for the U.N. resolution on the issue.

**in Praise for
Combined Efforts**

Lansing City Park transformed Saturday afternoon — East Lansing's command and prepared park for its busy warm-er use.

Cliff Edom, founder of Kappa Alpha Mu photo-journalism fraternity, addresses dinner guests at last week's conference.

Strickler, Sudnik Top List

Photographers End 3-Day Conference

By DONN SHELTON

Boston University's Dave Strickler, and Don Sudnik, of the Detroit News, walked away with top honors in the collegiate and professional print contests at the Michigan Press Photography Conference.

It was held in conjunction with the national convention of Kappa Alpha Mu, national photographic honorary, Thursday, Friday and Saturday in Kellogg Center.

Strickler took three firsts; and the "best of show" title in the Kappa Alpha Mu-National Press Photography Assn. — Encyclopedia Britannica — American Association of College Unions print contest.

He won a set of Encyclopedia Britannica and a two-week job with Life magazine.

The winning prints will be on display in the Union Concourse all this week.

Sudnik won the portfolio division of the professional contest, and also took a second and third and a special award for an outstanding fashion picture.

Art Witman, of the St. Louis Post-Dispatch and president of NPFA, presented the awards and commented on the winning prints.

He complimented Sudnik on his excellent thinking while on the job, combined with top technical ability.

1st Division Winners Named Festival Draws 3,200 Bandsmen to Campus

Bands from nine senior high schools and 16 junior high schools won top honors in the 10th annual Michigan School Band and Orchestra Assn. State Festival, held in East Lansing Saturday.

The festival, which attracted 3,200 student bandsmen, took place at East Lansing High School, State's auditorium, and Jechon Fieldhouse.

Fifty-six bands participated; 23 from Class C senior high schools and 33 from junior high schools.

Grops from Class AA, A, B and D schools took part in the first half of the state festival, held at Ann Arbor April 16.

Receiving first division ratings Saturday were high school bands from Fowlerville, Richland, Saline, Pigeon, Portland, Michigan Center, Goodrich, Kalamazoo Christian, and Constantine.

Junior high school bands taking first division ratings were Grand Haven, Grand Rapids Seymour Christian, Constantine, Grand Rapids Oakdale Christian, and Royal Oak Mary Lyon.

Others were Dearborn Woodworth, Spring Lake, Muskegon Angell, Muskegon Bunker, Muskegon Central, Pontiac Washington, Niles Central, Midland Central Intermediate, and Dearborn Bryant.

Each band appearing at Saturday's festival had earlier survived a district contest. To qualify for the finals, a band must receive a first-division rating in its district.

In both the district and the state festivals, each competing band is required to play five numbers.

Three of the numbers are ones which the band has spent months in rehearsing. They consist of a march, a selected concert number, and a required number, which all the bands must play.

The other two numbers are a march and a concert selection which the band has never played before. This is the "sightreading" portion of the contest.

Four judges rate each band's performance, on the basis of tone quality, accuracy and interpretation. Ratings are given in five divisions, ranging from one — the best — down to five.

Symposium

(Continued from Page 1)

social science and humanities.

Included in the communication discussion will be Parter Perrin, University of Washington English professor; Max Fuller, educational director of the Newton, Iowa, Maytag Company; and John Gerber, the University of Iowa's coordinator of communication skills.

The natural science division will be handled by Gerald Holton, physics professor at Harvard University, and A. L. Vaughn, the University of Minnesota's assistant dean of the General College.

Doyle Mikosell, social science professor at Drake University, will treat the social science division, and the humanities area will be discussed by Brinton.

"Values and Individual Adjustment" will be assessed by Morse and Samuel R. Neel, Jr., Florida State University's chaplain, at 3:40 p.m. in Kellogg Center's lounge.

The first day's program will close with a general discussion at 1 p.m. in Kellogg's auditorium.

A combination of freezing nights and thawing days is needed to stimulate sugar maple trees to produce sap.

FIELD REPRESENTATIVE TRAINEES

We are looking for outstanding men for employment in SALARIED POSITIONS as Field Representatives handling Casualty and Surety lines. The Aetna Field Representative is a salesman with specialized training who is responsible for the sound growth and development of the territory to which he has been assigned. In this work, he makes regular and frequent calls on present agents and, where desirable, secures new agents and develops them. Each man selected will be thoroughly trained and will be paid while in training.

The position is permanent and there are excellent opportunities for advancement to supervisory positions. Many of our present executives started their careers in a similar capacity. Anyone interested in personnel supervision and development as well as in meeting the public will find this work very interesting. Interviews will be conducted in E. Lansing on April 27th. Apply to your Placement Bureau for appointment.

Only Letterman Available

Spring Court Drills Underway

Michigan State's spring basketball practice begins this afternoon with only one letterman due to take part in the drills.

Duane Peterson, who shared the center post with senior Bob Armstrong last year, will be the lone veteran participating in the drills.

Forward Julius McCoy, second high scorer, is out for track while guard Walt Godfrey is with the baseball team, guard Pat Wilson is with the football squad and guard Jim Raymond is on the

golf team.

Two minor award winners, guard Harry Lux and center Duane Olson, will join Peterson in the drills.

Another minor award winner, Duane Franskoviak, is also with the baseball team.

Over 20 players, mostly members of the freshman team, are expected out for the spring sessions under Coach Fordy Anderson and his two assistants, John Benington and Bob Stevens.

Anderson believes Peterson may blossom into one of the top pivotmen in the Big 10 this year. Other top fresh players are Ralph Anderson, Charles Bencie, Larry Hodges, Jack Quiggle, Joe Reading, Ron Klingenhofler, Brian Gooch and Gordon Smith.

Practice will be held four times a week for three weeks and will culminate with the annual Green-White game on May 12.

The practice sessions will be held in the Jenison gymnasium where the floor has been repainted with the new 12-foot wide foul lane—complying with the rule change which becomes effective in the fall.

Harper Wins Golf Tourney

VIRGINIA BEACH, Va. (AP)—Slender, balding Chandler Harper of Portsmouth, Va., used magnificent iron shots and five birdies for a five-under-par 64 Sunday to win the third annual \$17,500 Virginia Beach Open golf tournament.

Harper finished his four rounds over the par 68, 6,085-yard Cavalier Yacht and Country Club course with a 16-under-regulation 280 for a new tourney record. He wound up four strokes ahead of Dick Mayer of St. Petersburg, Fla. Mayer's 65 Sunday gave him a 284 total.

Tigers Whip Cleveland, 6-4; Brooklyn Rally Falls Short

Giants Win On 6-Run 10th Inning

BROOKLYN (AP)—The New York Giants scored six runs in the top of the 10th inning but had to stave off a determined Brooklyn Dodger rally to finally eke out an 11-10 victory Sunday.

Trailing 11-5 as they came to bat for the last time, the Dodgers roared back with a five-hit, five-run barrage and had runners on first and second before Ruben Gomez finally halted the uprising by retiring Carl Furillo on a foul fly.

Cub Sub Homers

CHICAGO (AP)—Handyman Eddie Miksis, filling in at third base for injured Randy Jackson, batted in both runs as the Chicago Cubs edged Cincinnati, 2-1, in the first game of a scheduled doubleheader Sunday.

The Cubs held a 2-0 lead when the second game was halted by rain in the Chicago half of the third inning. After a 35 minute wait the game was called off. Attendance was 13,523.

At Last!

PHILADELPHIA (AP)—Max Surkont's pitching and Dale Long's hitting finally paid off for the winless Pittsburgh Pirates Sunday as they defeated the Philadelphia Phillies 6-1 in the first game of a scheduled doubleheader. The second game had to be called because of the Pennsylvania curfew in the bottom of the eighth with Philadelphia ahead 3-0.

It will be completed when the Pirates return here June 28.

Also honored will be two state Golden Gloves champs from Lansing, Wayne Beaufore and Cliff Tavenner.

The meeting will be open to the public and reservations may be made by calling IV 9-8214.

Gone Goose
CHICAGO (AP)—Goose Tatum, \$50,000 a year clowning star of the Harlem Globetrotters basketball team last week was handed his unconditional release by owner Abe Saperstein.

Saperstein disclosed that he would not renew the option on the annual contract of Tatum, who disappeared after a 30-day suspension by Saperstein March 15 for breaking team rules.

Peaks Returns to Action
Kowalczyk Scores 2 In Grid Scrimmage

Walt Kowalczyk, a converted fullback playing right halfback, romped for two touchdowns to highlight Saturday's football scrimmage.

Jerry Planutis, first team fullback, also scored in the two hour workout.

The first team, with Pat Wilson, Kowalczyk, Planutis and Peaks in the backfield, was worked hard on both offense and defense in the early part of the drill.

Later, the freshmen and newcomers were given plenty of opportunity to show what they had in the rough scrimmage.

The first team line remained unchanged from the first two weeks of practice with John Lewis and Jim Hinesly at the ends, Carl Diener and Embury Robinson at the tackles, Capt. Buck Nystrom and Norm Masters at the guard posts and Joe Badaczewski and John Matsko alternating at center.

Peaks was making his first appearance in a contact drill since the first day of spring practice when he pulled a thigh muscle. A light drill is scheduled for today.

Gotta Hurry
Big 10 football squads are limited by NCAA regulations to 20 spring practice sessions in a 36-day period.

Boone's Home Run Aids Lary

Athletics Recover To Down Chisox

CLEVELAND (AP)—Cleveland's Tigers combined "tight pitching and the ball" Sunday for a second straight victory over Cleveland Indians, 6-4.

Rookie pitcher Frank Lary led the Indians to eight walks while Ray Boone drove in first four Tiger scores with a homer and a single. It was Lary's first major league victory.

Boone, a former Indian, singled home Bill Tuttle, who walked the first inning and advanced to walk to Ferris Fain. Boone's homer in the third scored Al Kalou who singled, and Fain, who walked.

Lary walked in the sixth, crossed the plate on a single Tuttle. In the eighth, Kalou walked and after a single by Fain, walked on a wild pitch by Hal Nohr.

Herb Score, Cleveland's rookie, was charged with the pitching loss.

Nixon Blanks Yanks

NEW YORK (AP)—With Nixon, a well-established Yankee killer, beat New York for the 13th straight time Sunday with two-hit shutout as Norm Zerna's ninth-inning single gave the Yanks a 1-0 edge.

Nixon tripped the Yanks' times last season and won first 1955 outing against them Fenway Park, 8-4, April 14. It was the second consecutive outing for Nixon who topped Washington, 1-0, with five hits, April 20.

KC Gets Revenge

KANSAS CITY (AP)—The Chicago White Sox plummeted to tying an all-time high of 29 straight games to zero Sunday as Kellner fired a five-hit shutout hurling the Kansas City Athletics to a 5-0 victory.

Kellner confined the White Sox entirely to scattered singles, marked contrast from Saturday rout in which Chicago clubbed several home runs as they defeated the Athletics, 29-6.

Kellner, a left-hander, struck out five and gave up only one walk in becoming Kansas City's first hurler to go the route this season. The triumph was his second against no losses.

Hoot's Hit Wins

BALTIMORE (AP)—Hoot Ebbins pinch-hit a double and then scored on an infield grounder in the 11th inning to give Baltimore a victory over Washington in first game of a doubleheader Sunday. The Senators came back to defeat the Orioles in the second contest, 6-2.

Wenner, Godfrey
Post Spartan Wins

new pitchers were spared the Spartans defeated Wisconsin, 14-8, Friday, and with Northwestern Saturday, losing the first game, 6-1, on Walt Godfrey's shitter.

The three games 51 runs were scored and 80 hits, 20 of them for bases, were sprayed to all bases. The total included a grand home run by Northwestern's Jack Tosh.

George Smith and Ray Collard had two-run round-trippers. State Dick Ranickie produced one for the Wildcats with backs empty.

Jack Idzkowski started the contest and fell victim to four errors by his teammates and his own wildness. He incurred runs had been charged with two but hitting two batters in the third inning.

A Home Run Welcome for Ray Collard

Beat Titans, 9-0 Netters Win Pair Over U of D, Wayne

Displaying top form, the Spartan tennis squad launched its 1955 campaign with a pair of weekend victories, blanking the University of Detroit, 9-0 and trouncing Wayne, 7-2.

The victories extended the State victory string to eight straight over both teams, not having been beaten by either since 1946.

Leading the Spartan attack was Dave Brogan who, alternating in the No. 1 position with Dick Menzel, edged out a 6-4, 7-5 victory over Detroit's Earl Clarke.

In the No. 2 spot against Wayne he again displayed a steady game to turn back Fred Demohski, 6-4, 6-4.

Menzel stroked his way to an easy victory over Detroit's No. 2 man, Sandy Kathan, 6-2, 6-2, but against Wayne in the No. 1 position dropped his set to Larry Solomon 6-2, 6-1.

Capt. John Brogan playing in the No. 3 slot, copped a pair of victories, whipping Detroit's No. 3 man, 6-1, 6-1 and then won a grueling match with Wayne's Fred Krouse 6-4, 9-7.

Jim Beasom split his matches as the No. 4 man, running off with a 6-1, 6-2 decision against Detroit but losing a 6-3, 6-2 set to Wayne.

Playing in their first collegiate competitive meets, sophomores George Stephonovic and Ralph Braden gave good account of themselves, both winning both their matches.

Stephanovic tucked a pair of victories under his belt by whipping Detroit's No. 5 man 6-2, 6-0 and Wayne's No. 5 man, 6-1, 7-5.

In the No. 6 position, Braden won his first match at Detroit 7-5, 6-0 and won at Wayne 6-2, 6-2.

In doubles competition, the No. 1 team composed of Menzel and Dave Brogan beat Detroit's duo, 6-3 and 7-5 and Wayne's 6-2, 6-2.

Minnesota, U of M Take Big 10 Lead

Both Teams Post
2 Wins Saturday

CHICAGO (AP) — Wisconsin's highly rated Big 10 baseball contenders appear virtually eliminated from conference honors following the first weekend of play.

The Badgers dropped their first three games and are calmly resting in the Western Conference cellar.

Wisconsin was beaten by defending champion Michigan State Friday and then dropped a doubleheader to Michigan Saturday, 3-1 and 11-4.

Michigan State split a doubleheader with Northwestern Saturday and Minnesota swept into a first-place tie with Michigan by whipping Purdue twice, 3-1 and 4-0.

Michigan State lost to Northwestern 17-6 but took her second game, 6-1.

Doubleheaders between Illinois and Iowa and Ohio State and Indiana were rained out.

Michigan got off to a fast start behind steady pitching and heavy hitting.

Mary Wisniewski held the Badgers to five hits in the opener while his teammates were banging out 10. Home runs by Don Eaddy and pinch hitter Tony Branoff highlighted the nightcap victory.

Minnesota rallied for three runs in the last of the eighth to whip Purdue in the opener and Jerry Thomas blanked the Boilermakers on four hits for the second game victory.

Nieman, Kaline Share Honors In AL Races

Repulski Leads
NL Batting Derby

By The Associated Press
Bob Nieman of the Chicago White Sox was the American League's second leading hitter and top home run and RBI man Sunday after two weeks of action.

Al Kaline, Detroit sophomore outfielder, was the top hitter, with a .500 average, and was second in home runs and tied for third in RBIs.

In the National League, the leading hitter was St. Louis' Rip Repulski, with a .396 mark.

Brooklyn's Carl Furillo and Ted Kluszewski of Cincinnati share the home run lead with five apiece. Duke Snider, of Brooklyn, is the RBI leader with 17.

Savoldi Finishes 3rd in Decathlon

Thinclads Cop 3 Firsts at OSU

Michigan State track athletes accounted for two firsts and a tie for another at the Ohio State Relays Saturday while the Spartans' one man track team, Joe Savoldi, finished third in the grueling decathlon at the Kansas Relays Friday and Saturday.

The thinclads best performance at Ohio was the 880-yard relay which the team of Ron Sues, Julius McCoy, Ed Brabham and Capt. Kevan Gosper won in 1:26.4, a new varsity record.

The old record of 1:26.6 was established in 1949 by the team of Bob Fraser, Jesse Thomas, Paige Christiansen and Bob Schepers.

Freshman Henry Kennedy accounted for the other first when he won the mile-and-a-half in 6:47.3, a new yearling record.

Ron Wallingford, Big 10 indoor two-mile champion, was second while Selwyn Jones finished third.

Kennedy and Jones reversed their finish order in the mile which Chicago's Phil Coleman won in 4:11.4. Jones ran the fastest mile of his career with a third place 4:13.4 while Kennedy finished fourth in 4:16.2.

Don Stuart, ineligible Australian high-jumper, tied for first with Indiana's Big 10 co-champion Cal Boyd, at 6' 3".

Don Hillmer and Jim Vrooman finished in a seven way tie for second with jumps of 6'.

The 440-yard relay team of Travis Buggs, McCoy, Sues and Brabham finished second with a time of 42.8. Penn State's winning time was 42.6.

The sprint medley relay broke

the varsity record but could only finish second. Gosper, McCoy, and Brabham built up a lead for half-mile Dave Hoke but the Oklahoman couldn't stave off a 1:49.2 anchor leg by Pitt's Arnie Sowell.

The Spartans time of 3:24.5 was five seconds under the previous record.

The mile relay team also broke the varsity record but could only finish third. The quartet of Bob Brown, Sues, Hoke and Gosper turned in a 3:15.8 clocking while Michigan won the event with a 3:14 plus time.

Neither relay time will count as a record because they weren't winning efforts.

Gosper turned in some of the top individual times of the day. The lanky Australian was clocked in 46.3 for his mile relay anchor leg, 47.0 for his quarter-mile on the sprint medley and a 20.8220 anchor leg on the 880-yard relay.

The shuttle hurdle relay team of Vrooman, Hillmer, John Coleman and Ray Eggleston finished third in the event with a 1:04 time. Penn State was the winner in 1:01.7.

Ted Tetzlaff finished fourth in the 1,000-yard run while the Spartan pole vault trio of Chuck Coykendall, George Best and freshman Tom Lampel all went out at 13' and did not place.

Savoldi, competing in the de-

cathlon for the first time, was second at the end of the first day's events but the last three events on Saturday proved to be his undoing.

Savoldi finished with a score of 5,890 points while Central Michigan's Jim Podoley won the meet with a meet record of 6,340 points. Oklahoma A & M's Ed Roberts was runner-up with 6,114.

The Spartan all-purpose man won the shot put and finished second in the 100 meters, high jump, discus and 110-meter high hurdles.

Savoldi lost needed points when he finished eighth in the last three events, the pole vault, javelin and 150 meters.

Savoldi's performances in the two-day affair were: 100 meters, 10.9; broad jump, 20'9"; shot put 46'3"; high jump, 6'1"; 400 meters, 53.2; 110-meter high hurdles, 14.8; discus, 124' 3/4"; javelin, 134' 1/2"; and 1,500 meters, 5:45.

The Spartans entertain the Michigan Normal Hurons in an informal meet at Young Field Tuesday afternoon.

Bandbox

Crosley Field in Cincinnati has the smallest seating capacity in the National League—29,584.

Survival City Waits For A-Bomb Blast

SURVIVAL CITY, Nev. (AP)—A brand new Survival City, shimmering in the desert sun, was spruced up Sunday for its role as the target of an atomic blast twice as potent as those which ravaged Hiroshima and Nagasaki.

Civil Defense workers and technicians put finishing touches on homes, a radio station, power plant and trailers on Yucca Flat.

These familiar sights of the average town will be subjected next Tuesday to a nuclear explosion equal to the wallop of 50,000 tons of TNT. That's about twice the nominal A-bomb energy yield.

More than 5,000 persons are participating in the test to determine how your community would withstand the atomic fury, and to learn more about your chances of surviving.

Among 350 Civil Defense representatives from all parts of the nation participating are at least two women among 22 CD workers who will be stationed in trenches. Military personnel will crouch in a trench 2,700 yards from the tower.

This is the closest humans have been stationed for a detonation of such potent yield. Men have been 2,000 yards from a much smaller shot on previous tests.

Less than a mile—4,700 feet from the tower—stand the first row of buildings which are duplicated in most American towns. They include a two-story brick house, a frame dwelling, one with concrete walls and a one-story radio broadcasting station made of concrete blocks.

The homes are furnished much like your home. Substituting for people are manikins, dressed like you and your family. Some are seated, some standing, some in bed. Several are children and there are a few babies. All wear dog tags on heavy wire around their necks.

In several rooms are microphones to pick up the sounds of splintering glass and collapsing walls. Civil Defense officials say these houses will go down.

A lightweight titanium alloy is being developed to use in place of steel for U.S. heavy military weapons.

Heidt Show Seeks Local Talent Stars

Auditions Stated For Next Friday

Michigan State talent stars will have a chance to shine when Horace Heidt's show comes to Sexton High School's auditorium in Lansing May 10.

Lee Jones, field supervisor for the show, extended an invitation to State students to participate in "The American Show."

Auditions for Lansing area students will be held Friday at the Women's Club House, 603 South Washington, at 7 p.m.

All types of talent will be acceptable. Application rules restrict group entertainment to no more than four persons.

Application blanks for the auditions will be available in the Michigan State News office through Friday. The forms, classifying the type of act, must be presented by the auditioner Friday night.

A representative of Heidt's show will select the three best entrants of the auditions for the May 10 show. The best of this group, to be selected by audience applause, will compete with other top entrants picked during the week.

Heidt will pick the top entertainer of the week to appear on his NBC television show.

Performers that appear on Heidt's show have an opportunity to win \$10,000 and a television contract as the year's best entertainer.

Take It Back!

Ypsi Refuses 'MSC' Title

The name, "Michigan State College" evidently doesn't appeal to Michigan State Normal College in Ypsilanti.

Rep. John W. Fletcher (R-Centerville) suggested Friday that Michigan State Normal take over State's discarded name after "Michigan State University" goes into effect July 1.

The suggestion arose during debate on a proposal to change Michigan State Normal to Eastern Michigan College.

Rep. Joseph Warner (R-Ypsilanti), sponsor of the latest name change bill, had only one answer.

"We don't want it," he said.

The house passed Warner's original proposal unanimously. It will go into effect July 1 also.

Most fish swim with a motion which may be compared to that of an oar when a boat is sculled.
