Hurst Fires Aide After Show Battle

Hoffman Ousted for 'Public Disagreement' With Policy

Student government president Bill Hurst followed up Wednesday night's controversial Congress session by firing Joseph Hoffman, South Orange, N.J. sophomore, Thursday, from his post as director of the student Academic Benefits Bureau.

The firing was effective immediately.

Hoffman was also forced to relinquish his position as chairman of the International Program.

Hoffman's removal came as a direct result of a controversy regarding a proposed variety show. The controversy came to a head at Wednesday night's Student Congress meeting.

Hurst had said he cancelled the proposed show because he felt there was a financial risk involved to student government.

Hoffman maintained there was no risk involved, and openly expressed his views before the Congress after being warned not to by Hurst.

The dispute culminated in a special Congress session in which motions were made to impeach and censure Hurst. Both were defeated.

Hoffman will still be allowed to work on the variety show since Congress took the show out of Hurst's hands Wednesday night.

In his "Statement of Policy" to Hoffman Thursday, Hurst said:

"When an individual is appointed to the President's Cabinet, he must be prepared to back the president to the fullest degree. Cabinet members are the top level aides to the president charged with advising him on policy."

"This does not, however, mean that the President must adopt this policy, since the President must try to be constantly aware of all conditions affecting a particular subject, while cabinet members are expected to be specialists in a particular area."

"The president of the student government, like the president of any firm or organization, must establish a policy on affairs which concern the Executive Branch."

And as in any other group or organization, top level personnel are expected to conform with this policy whether they agree with it or not.

To disagree with it privately is any person's democratic right. To disagree with it publicly and to the press is to shake the very unity of the Executive Branch."

"Mr. Hoffman disagrees with a policy I have established, which is his prerogative. However, as a member of my Cabinet, I expected that he would abide by my decisions whether he agreed with them or not."

"I warned Mr. Hoffman that a public disagreement with the policy of the Executive Branch would in all probability lead to his dismissal. I wanted him to realize fully the seriousness of the situation before he made any rash statements."

"This can be construed to mean a threat, but it certainly is a matter of individual interpretation."

"This show is apparently more important to him than his job as Academic Benefits Director, as his action last night demonstrated."

Hoffman said he would appeal the firing to the All-College Judiciary. Bill Reid, former chief justice of the Judiciary, has agreed to represent him.

Asked to comment on his firing, Hoffman said, "I do not wish to comment at this time on Mr. Hurst's 'Statement of Policy,' other than to say that I feel a great injustice has taken place."

Hoffman said he wished to make it clear "that I do not question the authority of the Student Organization Planning Committee."

New Members Appointed to SOPC Group

At a luncheon meeting sponsored by the dean of students' office Thursday, five students were appointed to positions on the Student Organization Planning Committee.

The new appointees and their interest areas are agriculture: John Hostetler, Fraser junior; physical science: Don Lick, East Lansing junior; recreation, social and service: Norene Cherry, Saginaw sophomore; religion: Millie Kirwin, social science and arts: Luis Vela, Birmingham freshman.

A leadership clinic designed to stimulate interest and leadership in campus clubs and governing bodies was discussed. Old and new officers of all campus organizations are invited and will be personally contacted by committee members.

The clinic, to be held May 24 at 7:30 p.m., will be followed by a coffee hour and a program of entertainment for the participants.

Other committee members present at the luncheon meeting were Bill Mansfield, Madison, Wis., junior; Ron Barnes, Carson City senior; Jerry Linton, Homer, junior; Marilyn Mills, East Lansing senior and Bill Klein, Spencer, Ohio, junior.

Spartans cast their ballots in Thursday's primary election.

Gains Sovereignty

West Germany Gives Pledge of Freedom

BONN, Germany (AP) — The West German Republic won sovereignty Thursday and immediately pledged it will "never rest" until it gains freedom for the 18 million Germans in the Soviet Zone.

Chancellor Konrad Adenauer's government stressed that the jubilation of its 50 million citizens at the ending of the 10-year year Western occupation is clouded by what he called the slavery of East Germany.

American, British, and French renunciation of supreme authority over the Bonn Republic at noon was the crowning achievement of the 79-year-old Chancellor's career.

But opposition Socialist resentment was so bitter over Adenauer having tied up West Germany in the NATO alliance that he did not personally announce the grant of sovereignty in Parliament.

Warned that the Socialist deputies would walk out if he appeared, Adenauer forwarded a brief statement that Bundesrat President Eugene Gerstenmaier read Thursday afternoon.

Only a dozen of the 151 Socialist deputies were in the chamber.

Socialist Erich Ollenhauer claims that rearmament will destroy chances of negotiating with Moscow for Germany's reunification.

Adenauer's government proclaimed to Germans in the Communist-ruled East:

"You can always rely on us, in common with the free world, never to rest until human rights have also been restored to you and you live peacefully reunited with us in one state."

Throughout West Germany.

people saw slight immediate evidence of their new sovereignty. The Allies had interfered little with the Bonn Government in recent years. Newspapers gave restrained coverage to Thursday's events.

The 450,000 foreign troops in West Germany did not march away. They are staying as NATO defense forces. American strength, remaining unchanged for the present, includes about 200,000 soldiers and 70,000 Air Force men.

Heavy Red Fire Hits Quemoys

Shelling Follows Matsu Air Thrust

TAIPEI, Formosa (AP) — The Chinese Communists Thursday loosed one of the heaviest shelling of the year in the Quemoy's across Formosa Strait close on the heels of their first aerial thrust in the Matsu area.

The Defense Ministry said that in 45 minutes Red artillery on Amoy fired 150 rounds into Little Quemoy Island, four miles away.

There were no further details.

Little Quemoy, 22 square miles and stoutly defended, guards the western flank of Quemoy, largest and strongest of the offshore islands.

Nationalist planes only Wednesday attacked five small Red claimed three damaged. They also gunboats in Amoy harbor and fought off an attack by four Mig 15 jet fighters 50 miles north of the Matsus.

The Reds first made occasional flights over the Tachens, then bombed them heavily and invaded Yikingshan.

There is speculation that the Matsu group island of Kaoteng will be next. It is but four miles from the Red mainland.

This time the Nationalists say they will fight for the Matsus and Quemoy, with or without U. S. help.

The appearance of the Migs for the first time near Matsu and little more than 150 miles north of Formosa itself was not unexpected. The Communists have finished a big air base at Lukiao, 200 miles north of the Matsus.

Nationalist officials predict that the Reds will follow the same tactics in the Matsus as they did in the Tachens farther north.

By GENE RITZINGER

A field of 45 class office candidates was pared down to 24 as student voters went to the polls in Thursday's primary elections.

Final candidates for senior class president are Dick Wood with 509 votes and Tom Serpa with 455.

For senior vice-president, winners are Bill Mercer with 336 votes and Bob Kuhl with 327.

For senior treasurer, finalists are Carolyn Roth, 368 votes, and Tooney Ranney, 363.

Senior secretary winners are Mary Alice Ritchlin with 418 and Pat McDonald with 393.

Heavy voting for junior class president put Bill Steng with 717 votes and Roger Bennett with 708 on the final ballot.

Junior vice-president winners are Rita Walther, 532 votes, and Barry Grant, 465.

For junior treasurer, finalists are Jeanie Elliot, 409 votes, and Horace D'Angelo, 400 votes.

There was no primary for junior class secretary because of a lack of candidates.

Voting for sophomore class officers was heaviest of all. In the presidential race, Roger Forbush with 886 votes, and Stu Anderson with 870 are the finalists.

Sophomore vice-presidential finalists are Barney Burke with 747 votes and Don Rowe with 627.

For sophomore treasurer, finalists are Bob Wolfram, 797 votes and Sherla Jennings, 526.

Grace Taylor with 848 votes and Kris Kaestner with 621 are sophomore secretary finalists.

In the primaries for Student Congress seats, West Shaw finalists are Len Efron, 205; Elliot Mann, 272; Bill Mansfield, 269, and Jim McDonagh, 224. Loser Louie Sheldon polled 173 votes.

In the Snyder primary, winners are Marsha Thornton, 63 votes, and Pris Slabaugh with 54. Jeanetta French drew 44 votes.

West Shaw and Abbot have two seats open. Snyder and West Mayo have one each.

With the exception of the race for senior class vice-president, none of the races were close. Loser Tamara Van Buskirk polled 321 votes, only six shy of the number polled by Bob Kuhl, senior vice-president candidate with the least votes.

Other senior class losers were: for president, Dave Carrigan, 379; for vice-president, Don Lick, 178, and Jim McGreeley, 192; for treasurer, Bill Bird, 244; and Jan Dempsey, 345; for secretary, Margaret Miller, 233, and Jennie Pond, 291.

Junior class losers were: for president, Bill Warden, 370; for vice-president, Kay Moran, 368.

Coeds to Hear Campaigners

A "Know Your Candidates" campaign will start Sunday in women's dorms to inform coeds before the final election, next Thursday.

The women's dorm Presidents' Council will introduce candidates for senior, junior and sophomore offices. Coeds may participate in an informal discussion period following campaign addresses.

Candidates for the final election will meet with the council Saturday in 42 Union at 8 a.m.

Sunday's program will begin at 6 p.m. in Mason's lower lounge. Candidates for sophomore offices will be present.

In the upper lounge of Mason at 8 p.m. candidates for junior officers will be introduced in Mason, Abbot and Snyder dorms.

Abbot Hall will introduce candidates for sophomore offices in the dining room at 7 p.m. Coeds will repeat the same program at 8 p.m. in their dining rooms.

Jeanne Hurley, Lima, Peru, freshman, rehearses for the International Festival.

Cultures to Mingle At Foreign Festival

Michigan State foreign students and American students will combine cultures in the 11th Annual International Festival Saturday at Demonstration Hall from 9 a.m. to 5 p.m.

Displays representing countries will accent the theme. "It's a Small World." The booths will be decorated in Spartan green and white.

To the public, the festival is an estimated 17,000 people. There is no charge for admission.

Foreign students dressed in their native costumes will demonstrate some of their home-land skills. The Dutch Klompen Maker and the several class flowers are among the attractions.

A special West Africa exhibit from New York City will feature carvings, weavings and hand-drawn by the local African artists.

Japanese porcelain will add its own flavor to the display. Col. W. Gorman, head of military, will have an elaborate display of Japanese arts and crafts.

Domestic sports cars from several countries will be featured in a foreign car exhibit.

Foreign handwriting systems will be demonstrated by State students.

Students from Viet-Nam, Ryukyu, Finland, and others will be in the festival.

A stage show, directed by Edward Kunkendall, communications instructor, will be presented during the day. The

Students Fined for Hub Cap Theft

Three Michigan State students Monday morning received a 30-day suspended jail sentence, six months probation and each paid a \$50 fine for the same offense.

The students were arrested at 3:30 a.m. Thursday on campus for taking hub caps from a 1935 automobile near Hillcrest Village East Lansing.

They told police officers that they took the hub caps because somebody had taken theirs the night before.

The students will be referred to the Dean of Students' Office.

Round of Events to Greet Spartan Parents

Parents of State students will have a chance to see what all that tuition money goes for, this weekend.

The university's fifth annual Parents' Day program begins Saturday. All students' parents are invited to the two-day affair, with activities especially planned to interest them.

University officials and students have been working several months to make the Centennial Parents' Day the biggest one yet.

For the first time in the A. Hanna Hall will preside at a reception for the parents. The reception, Saturday at Kellogg, will offer parents a chance to meet and talk with the university.

If parents are sports-minded, they'll have a choice of events to take in. They can start early Saturday with the State-Purdue football meet at 10 a.m.

In the afternoon, parents can

preview the coming Spartan football team at the Green-White Football Game in Macklin. Also in the afternoon, they will be able to watch State's Big 10 defending champions play a double-header with Iowa at Old College Field.

Many campus buildings and facilities, including the dormitories, will be open for the parents' inspection. Campus health provisions will be exhibited at the Old open house.

Tours will be conducted through radio station WKAR, the Alumni Memorial Chapel, Kellogg Center, the Union, the museum and the Home Economics Building.

Last minute room-cleanings probably will precede the open houses scheduled in all dormitories. Coeds may even bring up a visiting boyfriend with mothers, fathers, sisters and brothers in some dormitories.

At Dem Hall, parents will be able to get in on the middle of the Centennial International Program, for the International Festival exhibits and shows. Outside, the Arm ROTC will have a display relating the subjects in their four-year course with actual use by the military.

A dance and party for the parents will end Saturday's events. "Collegiate Comeback" will be keyed in the parents, who may attend with or without their children.

A Carillon concert will aid harmony to the final day of the program. Ending the program, the annual Sorority Sing will add the finishing touch to a busy weekend for the parents.

House OK's
2 Million in
Polio Money

LANSING (AP) — A bill to ap-
propriate two million dollars to
furnish free Salk polio vaccine to
Michigan children under 10 was
passed by a unanimous House vote
Thursday.

The vote was 104-0 in favor
of the measure, which now goes
to the Senate.

Several amendments, seeking to
set a limit on the fee doctors could
charge for giving the polio shots,
were defeated.

Under provisions of the bill, the
state will buy the vaccine and
furnish it without charge to pri-
vate physicians and public health
officers. The vaccine will be given
to children under 10 and preg-
nant women.

It is estimated that the two
million dollars will buy enough
vaccine for 1,250,000 Michigan
children and pregnant women.

Under the plan, "high risk"
groups will be first to get the
vaccine.

Thursday, the House also passed
a bill to create community
college districts, composed of one
or more counties each. The dis-
tricts will establish community
colleges to take care of increas-
ing college enrollments.

Bengals Bounce Bosox, 3-2

DETROIT (AP)—Al Kaline hit a two-run triple in the last of the sixth inning, scoring Fred Hatfield with the run that gave the Detroit Tigers a 3-2 victory over the Boston Red Sox Thursday night at Fenway Park.

Kaline's triple broke up a hurling duel between Boston's Tom Ewell and rookie Duke Maas of the Tigers, a pair of young right-handers.

The victory closed out a successful home stand for the Tigers in which they won 5 of 11 games. The sport gave them a 12-7 record for the season.

After five scoreless innings the Tigers took a 3-0 lead in the sixth on Jim Delinger's two-run homer following an inning-opening walk to Ray Boone.

But the Red Sox, who were held to one hit through the first

six innings, picked up four hits and scored two runs in the seventh to tie the score.

Again, 4-3

BROOKLYN (AP)—The record-breaking, subarctic-growing Dodgers called from a bad start Thursday to make it 13 victories in their first 20 starts with a 4-3 victory over the St. Louis Cardinals.

The Dodgers won out with a run in the eighth inning after their starting pitcher, Tom LaSorda, had out loose three wild pitches in the first inning and got himself spiked in the process; after a pre-game flareup which brought an indefinite suspension for "intimidation" to pitcher Don Newcombe, and after the Cards had tied it up at 3-3 on a fifth-inning homer by Bill Virdon.

The winning run came with-out a hit as Manager Walter Alton got results with some masterful coaching on pinch hitters, Duke Snider drove a walk from Cardinal pitcher Harvey Haddix and scored all the way to third on Ray Campanella's sacrifice bunt.

Alton sent Frank Keller to hit for Sandy Amoros and when Cardinal Manager Eddie Stanky replaced Haddix with Frank Smith, a right-hander, Alton had Duke Snider hit for Keller.

Walker homered a sacrifice fly to Virgilio and Snider came in.

Braves Fall

PITTSBURGH (AP)—The surprising Pittsburgh Pirates defeated the major league first triple play of the season Thursday to notch a seventh inning rally and defeat the Milwaukee Braves, 9-4, for a fifth consecutive victory.

It was the fifth straight loss for the pennant-hopeful Braves who have dropped the last three to the Pirates.

The triple play came as the Braves Ed Matthews lined out to Pirate first baseman Duke Long. Long tossed to second baseman Dick Groat who tagged Bill Bruton. Groat threw to first before Johnny Logan could get back on the sack.

Maglie Wins

NEW YORK (AP)—Sal Maglie, 33-year-old right-handed pitcher, won his first game of 1955 Thursday as the Giants defeated the Chicago Cubs, 4-1, with the help of some timely hitting by substitute third baseman Billy Garvin.

Walker Cuppers Head for Scotland

NEW YORK (AP)—The youngest Walker Cup golf team to represent the United States in recent years sailed Thursday for the international matches against Britain's amateur golfers at St. Andrews, Scotland, May 20-21.

Bill Campbell of Huntington, W. Va., team captain, who turned 21 Thursday, is the only member of the team who ever has played the famous old course at St. Andrews.

One other member, Harold Ward, 20, of San Francisco, has played in Britain.

He won the British amateur championship in 1953 and was runner-up in 1952.

Waldorf, Erdelatz
To Speak Today

Navy's Eddie Erdelatz
and California's Lynn (Pappy) Waldorf will speak today as the highlight of the annual Football Coaches Clinic at Michigan State.

Over 275 high school and college coaches registered Thursday and attended the opening meeting of the clinic.

Erdelatz, the 1955 Sugar Bowl winning coach, will talk on his Navy team's defenses.

Waldorf will discuss and illustrate the California T-formation.

Both coaches will speak at both the morning and afternoon sessions of the clinic.

Also scheduled to participate today are John Hackett, head football coach at Detroit Catholic Central, and Roman Yatchak, of Wakefield.

Hackett will discuss "Drills, Techniques and Fast Starts." One of Hackett's star pupils, quarterback Bob Handwerker, will start on the White team at Saturday's Green-White game, which culminates the clinic.

Yatchak will talk on "A Block-and-Tackle System for the T Formation and its Variations."

Saturday, Erdelatz and Waldorf will conduct a question and answer period and Joe Rogers, of Benton Harbor, will discuss "A Multiple Offense From a Balanced Line."

Net Team Drops 3rd Straight, 7-2

Battling a powerful Northwestern team and just as powerful a wind, Michigan State's tennis team dropped its third straight conference dual meet Friday, 7-2.

The Spartan netters will try to snap their losing streak when they meet Purdue Saturday at 2 p.m.

George Stepanovic scored the lone Spartan singles win Friday, beating Bob Meyer, 6-0, 6-1.

It was Stepanovic's first Big 10 singles win.

The other Spartan point came on a doubles win by the No. 3 combo, Capt. John Brogan and Jim Bonchum.

Dick Mencil almost salvaged a point at the No. 2 spot. He dropped the first game, 6-4, but rallied to tie the match with an 8-6 second game win.

But his opponent, Paul Bennett, runner-up at the No. 2 spot in the Big 10 last year, won the match with a 6-2 win.

No. 1 player Dave Brogan also staged a big rally, after losing the first game, 6-3. In the second game, he was down 5-1 and then rallied to force the match to 14 games before losing, 8-6.

In the No. 3 match, John Brogan lost, 6-1, 6-4 and Jim Bonchum lost the No. 4 singles, 6-4, 7-5.

At the No. 6 spot, Ralph Braden won three games before losing, 6-3, 6-8, 6-4.

Minnesota Riding First-Place Tie

By JACK BERRY
The Gophers are hoping to get back in the Big 10 race this weekend, as Coach Frank Pellerin said. "If we can win this weekend, we will have a reference to today's game with Minnesota and a tie with Iowa Saturday at College Field."

The game is at 3:30 while the twinbill starts at 1:15. We had to win eight of nine Big 10 games to tie for the title, Pellerin said. "If we win this year, we will be in the title."

The Gophers, currently tied for the lead with Michigan, will play a doubleheader with Minnesota. Under manager Dick Siebert, they won the game twice, Illinois and Minnesota, in the 1954 season.

The Gophers hold the lone victory over Minnesota, a 7-3 victory at College Field. The Gophers will play first division games.

Harper Grabs Lead In Colonial Open

FORT WORTH, Tex. (AP) — Chandler Harper, the balding veteran from Chattanooga, shot a 1-under par 69 despite a two-stroke penalty on a lost ball Thursday to snare the first round lead in the \$25,000 Colonial National Invitation Golf Tournament.

Rintz Places In NAAU Meet

Carl Rintz, Michigan State's Big 10 all-around champion, entered into the NAAU gymnastic tournament at Rochester, N. Y., last weekend.

Rintz placed second in the horizontal bar event, second on the flying rings, sixth on the still rings and eighth in the all-around.

According to Gymnastic Coach George Skypala his performance at Rochester showed a let down from the exhibition he displayed during the NCAA events.

However, Skypala feels that Rintz still has a chance for a berth with the Olympic team in 1956.

The other Michigan State entry, Assistant Coach Bill Coca, placed seventh in the side horse event.

Last year in the NAAU meet, Rintz captured third on the horizontal bar and sixth in the all-around.

His iron was hotter than the 88 degrees temperature as the man who has been on the tourney trail longer than any other active golfer eased in on his fine round.

The 41-year-old Harper, who has been 21 years on the tour, had only 30 putts on the sun blistered 7,835 yard course. But it was his deadly approach that gave him the lead over the field of 46 others who found the narrow fairways and rolling green tougher to handle.

He posted his score late, just when it appeared that Johnny Palmer of Charlotte, N.C., the defending champion, would be at the top.

Palmer shot a smooth 70 in the same threesome as Ben Hogan of Fort Worth, the tournament favorite. Hogan had a 72 and said he just wasn't hitting them right Thursday although his putting was excellent.

Tying for second were Palmer and Jack Fleck of Davenport, Iowa, a comparative newcomer to the tour. Fleck got his 70 despite two bogies.

Title Race Reaches Showdown

Gophers, Wolves Meet in Twinbill

CHICAGO (AP) — The Big 10 baseball race reaches a showdown stage involving co-leaders Minnesota and Michigan this weekend.

A 15-game program will be highlighted by Saturday's double header between Michigan and Minnesota at Ann Arbor but each club must face another opponent in today's round of single games.

Minnesota, holding the same 5-1 record as Michigan, must play at Michigan State (3-3), while the Wolverines are at home to Iowa (1-3).

Other single games today include: Illinois (2-2) at Ohio State (2-2); Purdue (2-4) at Indiana (2-2); and Wisconsin (1-5) at Northwestern (3-3).

The Saturday round of twinbills also lists: Illinois at Indiana; Iowa at Michigan State; Wisconsin at Northwestern; and Purdue at Ohio State.

Jim Langer, of Butterfield 7, hurled a no-hit shutout against Butterfield 8, Thursday, winning, 3-0.

Langer struck out three hitters and walked the same number, but the three that reached base were erased before the inning ended. He only faced 15 men over the five-inning route.

Phillips 3 squeezed past Phillips 8 in one of the tightest games of Thursday's IM schedule, 2-1. The score, however, doesn't indicate the excellent pitching job turned in by Gordon Smith, of Phillips 3.

Smith hurled his team to victory with a no-hit performance. The only run his opponents picked up was unearned.

Democracy Called Cultural Technique

By LOUIS GROFF

Dictatorship and democracy were viewed "just as techniques of a culture," Thursday evening when Richard Nolte of the American Universities Field Staff discussed the Middle East.

Terming the area a "No man's land of great strategic importance" Nolte spotlighted Egypt's middle class revolution.

"A democratic society has to be created," he said. "It is one thing to bring in democratic institutions, but another to make a democracy."

"As democratic machines failed to bring in democratic ideals, they were replaced by less democratic tools," he said.

"The men in control of Egypt now are creating the masses that may drive them out of office," he said.

"The democratic society is being created through mass education, health programs and higher standards of living," he said.

Turkey was cited as a country that created a democracy by means of a dictatorship.

"It takes a group not devoted to keeping power but devoted to reform," Nolte said.

"I cannot prophesy about the future of Egypt," he said "but I do see hope of it becoming a democracy."

Nolte appeared at the International Relations Club as the second feature of the Centennial International Program, which will run through May 21.

Nolte will be at State until Wednesday, speaking for campus and faculty groups.

He has made several field trips to the Middle East and has done a study of Eastern culture and political systems.

Foresters Set Day in Woods For Field Trip

Twenty-one members of the Michigan State Forestry Club will "take to the woods" Saturday for the second annual Big 10 Foresters Field Day at Cloquet, Minn.

Teams from Michigan State, the University of Michigan, University of Missouri, Iowa State, Purdue, Illinois, and Minnesota will compete for individual prizes and a team trophy.

Students will compete in sawing, chopping, shooting, and cigarette rolling contests.

Last year's meet, held at Kellogg Forest near Battle Creek, featured contests in log-rilling, a demonstration on fire-fighting equipment by the Michigan State Police, and a tree-identifying competition.

Jerry Clutter, Pittsburgh, Pa. junior, originated the Forestry Field Day idea last year, and the Michigan State club was host.

the ball at a .361 pace and Ray Collard and Michigan's Danny Cline are tied with 10 RBI's. Collard is hitting .375.

Pellerin said Godfrey would probably start against Minnesota and Ed Hobaugh and Dick Idzowski would go Saturday. Hobaugh is scheduled for the first game of the doubleheader.

The Spartan coach said he would use the platoon system again with Mathews, Johnny Matsock, Sack, Collard and Morrall going both ways.

Against a left-hander Bob Powell will play center, Gene Grazia will be at second and Don Moffatt will catch.

Polomsky, Ron Stead and Al Luce would be in right, second and behind the plate, respectively, should a right-hander pitch.

Professor to Visit Fine Arts Colony

Dr. Hans Nathan, associate professor of fine arts, has been chosen to visit Yaddo, an artists' colony, during August and part of September.

The invitation is equivalent to a grant. "Each member of the colony probably will live and work alone in his own studio," Nathan said.

Nathan, a musicologist, submitted several of his published articles with his application. About two dozen people, chosen in competition, will attend the session, he said.
