SEN. JOSEPH R. McCARTHY

Says Ike 'Selling Out'

WASHINGTON (AP) - Sen. Barry Goldwater (R-Ariz.) said Tuesday "The American people will rebut" charges by Sen. Joseph McCarthy (R-Wis.) that President Eisenhower offered "friendship to tyrants and murderers" at Geneva.

McCarthy denounced in the McCarrny denounced in the senate Monday what he termed "Eisenhower's profession of faith" in a statement of Russian leaders that they want peace. The Wisconsing senator said he believes a "sellouit" to the Communists in Asia is in the making and he in. "selicult" to the Communists in Asia is in the making and he in-tends to "take the issue to the American people." Goldwater, who heads the Re-

publican senatorial campaign committee and says he regards McCarthy as a GOP asset said that "I think the American people themselves will rebut Joe."

Goldwater said he doesn't be-lieve the people will "buy" McCarthy's contention that the Big Four conference at Geneva world forces.

"I think the people are pretty well pleased with the outcome of the Geneva conference, even those who have some reservations about the matter," Goldwater said. "The people are for peace and they be lieve we have made a start to-ward getting it."

McCarthy declared "The Eisenhower administration has adopt-ed every important plank of the Democratic party's foreign policy" "But they have accepted the be near the bedside of their ailtheory that they cannot return to office in 1956 without Eisenhower at the head of the ticket and they are, I am afraid, prepared to subordinate considerations will en route with his followers of sound policy to those of political survival," he said.

McCarthy said there is "every like condition was termed tooil.

McCarthy said there is "every reason to believe that concrete measures for appeasement were agreed upon at Geneva," despite Eisenhower's statement that no commitments of any kind were made by the Big Four.

His condition was termed "critical" at St. Lawrence Hospital.

The clan have been arriving in trailers in Fritgerald Park, Commitments of any kind were United States to be with their leader. al survival," he said.

McCarthy said there is "every Hi

Tuesday's 99 Sets Year High

August Forecast: 'Hot Wave' to Stay

Although Wednesday afternoon's rain provided a brief respite from the staggering summer heat the mercury will continue its rise today and Friday, according to Harold Julien of the United States weather bureau office in East Lansing.

The hottest day of the year in Lansing was recorded Tuesday when the official reading was 99 degrees between 3 and 4 p.m.

Above normal temperatures are forecast for the north central states for the rest of the month, the Washington weather bureau

Lansing residents have been asked by Otto Eckert, general manager of the board of water and light commissioners, to stop and light commissioners, to step watering their lawns or wasting water in any way due to a criti-cal shortage in the city water supply system.

The Wednesday shower the temperature from 91 at 2 p.m. to 86 at 4 p.m. The forecast for today is a high of 92 with approx-

July, with 18 days of 90 and above readings, broke all rec-ords at the East Lansing weath-er office. A weather station has been in existence here since 1865 although some of the early records are not complete.

Normally there are only five days with 90-plus temperatures in July in Lansing.

in July in Lansing.

The last "exceptional heat wave." Julien said, "was in 1936 when there were eight consecutive days in the nineties with seven of them above 95." The high was 101.

In 1921 there were 16 days when the thermonater read over

when the thermometer read over 90 degrees. However, both in 1921 and 1936 there were some cool days.

three days when the mercury did not rise to 85 and only one day in which it failed to make 80.

The July average was 77.8 degrees while the normal is 71.1.
While perspiring city-dwellers have been seeking ways to es-cape the heat in vain the farm-ers have been enjoying it. The sun has ai ed small grain and corn crops although in some areas

Contrary to popular opinion the rainfall for July, as the temperature, was above normal with a total of 3.99. That is 1.71

ture department, includes a superintering an official delegate to the Unitary and official delegate to the Comment of the National Section 1 of the National Section 2 of the Corn.

the corn.

In one lecture room in the Natural Science building here at State an instructor had five fans cooling the room.

After Tuesday's re-breaker WEAR played "the ride" on its evening in show while a Lanning ste with the temperature play at a midday 91, Welley played a medley of "to Night," Jingle Bellin," "White Christens,"

The Motor City has had so

The Motor City has had some painful experiences from jam-ups on the expressways. Re-cently traffic moved not an inch for more than two hours after a truck-trailer crack-up block-ed all lanes.

He's Back Again McCarthy Blast 6 Major Bills Rushed Unwarranted

from Wisconsin, donned his spurs again Monday and un-leashed an unwarranted attack against the President and the Geneva conference, accusing the chief executive of

Mr. Eisenhower should not feel perturbed by McCarthy's latest vitriolic outburst. Mr. Truman felt it and doubtless so would George Washington, Thomas Jefferson or most

Sen. Barry Goldwater (R-Ariz), head of the Republi-can senatorial campaign committee, said that he regards McCarthy as a definite asset to the GOP. It would be nearer the truth if he said McCarthy is an asset to the Democrats.

Even one of McCarthy's staunchest supporters in the senate, Sen. Carl Mundt (R-SD), repudiated the wild accusations. Mundt termed the conference a success.

Unless McCarthy "has in his hand" some secret "document" which is unknown to the rest of the nation, there as usual, considerable doubt as to the truthfulness of his charges.

It must be remembered that McCarthy has been out of the national limelight since the summer stock hearings in Washington last summer and he is now leaving the capitol for home. He apparently feels he cannot return to his constituents in the Fox River Valley without a burst of

His sojourn into oblivion was welcome. It is hoped the next one will be permanent.

Final Exam Schedule for Summer, 1955

The last day of classes for the nine-week session is Friday, Aug. 12. The final examinations will be given according the schedule below: The time of examinations in Basic College courses is shown in Col. (3) and (5). The time of examinations in sections other than Basic courses is determined by the days and hours the class is scheduled during the term. Classes held on T and/or Th will be given according to the exam schedule for TTh. All other classes will take their examinations according to the MWP schedule.

MWF schedule.

The hour of the first class meeting should be used to determine the hour of the examination. For example: A class meeting on WF, 1-3, will hold their examination according to the MWF, 1-2, schedule.

If there are stry questions regarding the schedule call university extension 231, and 485, for station 87 or 69.

Congress Adjourns

WASHINGTON (A) —Bitter wrangles of the last few days turned to mutual compliments as congress ended its sevenmenth session early Wednesday.

Tresident Eisenhower relayed his regards and apparently an over-all satisfaction to the Democratic-controlled congress which had strongly supported him in foreign policy matters and given him much he asked in the domestic field.

rushed to his deak in the final long day and night of this first session of the 8th congress.

These included bills on housing, polio vaccine, the local transit strike, defense production, loans to small business and

Matthewer had expressed displeasure with some restures of the housing bill, but some Republican leaders discounted the talk that he might nummen a special session to deal with the latter again.

tion, rigid farm price supports and social security benefits.

All these measures were pass-ed by one house but ignored by the other. They remain alive to touch off new disputes in the 1956 election year session.

any special session to conside such bills.

SWIM!

A private lake with a sandy beach and a fine picuic area near East Lansing only 10 miles out M-78 (toward - Flint) to Warner Road, turn left une block and follow signs.

strike, defense production, loans to small business and a money bill to finance congress itself.

Barring a special session, the congress will return next Jan. 3.
Adjournment came two working days after the target date which Democratic leaders had fixed.

Left in mid-air were controversial proposals for construction of atomic merchant vessels, highway building (for which Gov. Williams has requested the President to call a special session), school construction, exemption of school construction, exemption of natural producers from federal regulation, upper Colorado River development, customs simplifica-

Many members agreed that bills will be prime issues before the next session. A number of them said they see no reason for

such bills.

Looming on the horizon for 1956 when the Democrats still will control both houses, barring upsets caused by steaths, are expected

Hurricane's Antics Stop Ex-Titlist

Jackson Decisions Charles With Speed

SYRACUSE, N.Y., (ULP) - Tommy (Hurricane) Jackson, a perpetual motion heavyweight, jitterbugged his way to a unanimous 10-round decision over plodding ex-champion Ezzard Charles here Wednesday night.

The 23-year-old Jackson also made the "smart money" look foolish in bouncing to a win over Charles. The former champion was installed as a 12-5 favorite at ringtime.

Jackson, formed for his freak style suff unorthodox punching methods, gave the crowd plenty to laugh about though he failed to impress as a potential con-tender for champion R o c k y

The elusive Jackson, fighting his first "name" fighter, is rated as the No. 3 challenger in the heavyweight division. Wednesday night, he was more

a whirling dervish than a hur-ricane but Charles showed every

Ensard held his own for the first three rounds but just ran out of gas in stalking Jackson who stabbed, bounced, ducked

Jackson's cracking left jab bounced off Ezzard's nose regular-ly and started a flow of blood in the fifth round. Charles was still bleeding at the final bell and had his mouthpiece in order to make breathing easier.

Throughout the last seven rounds Charles walked into Jockson's windmill delivery in an offert to get across a knock-out punch by The Hurricane was a will-o'-the-wisp.

Ticket Sales Close With New Record

Season Tickets Set All-Time High

Warren Burtt, athletic tieket sales director, says the football season ticket sales campaign ended last Saturday, July 30, with the closing of the Jenison Gymnasium

ticket office for the weekend. Brooklyn Prospects are that there will be approximately 17,000 season ticket holders this fall, an all-time Michigan State record. The old Chicago mark was 16,181 set in 1953. Cincinnati Burtt said the season ducats will St. Louis be mailed to purchasers about Sept. 15. Individual game ticket will be mailed approximately two weeks prior to each home

Burtt also announced that the drawing for individual game tickets for the Notre Danne contest this fall has been com-pleted. Some 3.700 tickets were allocated, all that remained for sale after season ticket hold ers, students, faculty, and the ruest institution, were false. guest institution were taken

Applications were received prior to the June 13 deadline for 9,000 tickets to the Notre Dame game, so refund checks for 5,700 tickets were mailed out. Applications received after June 13

Another important addition to

Mim Scott, 26, would not talk with reporters. King would say only "Barbara Ann and I have been very good friends for four years."

Miss Scott, 1948 Olympic figure skating champion and the top bill-ed star of the revue for several

years, may tour Canada on her own for about a year.

King, 31, is a one-time profes-sional basketball player and vet-eran of the United States marine corps. He is the son of the dean of students at Michigan State.

Payment Ordered For Air Victims

WASHINGTON (A) — The United States demanded Saturday that Bulgaria pay "prompt and adequate" compensation to the families of 12 Americans killed in the shooting down of an Israeli airliner July 27.

Bulgaria was also called on to inform the United States of what steps it has taken to punish those responsible and to insure against any similar occurrence. France and Britain made similar protests. The British foreign office protesting the death of five British, four Canadians and four South Africans aboard the plane, described the shooting as "an unjustifiable action." France, which also had several citizens aboard, said the states of the Returning to America Aug. 20 Dr. Rokeach will then attend the France, which also had several citizens aboard, said the attack was similar to "an act of war." Bulgaria has admitted "with regret" that two Communist

planes downed the El Al Air-lines plane with 58 aboard and has promised to pay at least part compensation.
