BULLETIN

All Are Dead

The Associated Press reported late Thursday night all 65 persons aboard the United Airlines plane which crashed in Wyoming were killed.

First rescuers to reach the scene reported finding 50 bodies strewn over the face of the mountain.

Wyo. to circle the peak, particularly the northwest side, to search for the front portion of the plane.

The Civil Aeronautics Administration said planes were unable to fly near the mountain because of weather conditions.

There were 62 passengers and three crew members aboard the plane, which originated from New York's La Guardia Field at 7:10 p.m. Wednesday.

Four of the passengers aboard the United Airlines plane which crashed in the mountains of Wyoming today boarded the craft at Willow Run airport near Detroit.

The airline listed them as Lawrence Monk of Feltstet and E. Reynolds of Flint and Mrs. George West and Earl West Jr., who were returning to their home in Salt Lake City.

The plane left Denver at 6:32 a.m. Thursday, one hour and 23 minutes behind schedule. It had been delayed in its flight from the East.

It was to arrive in Salt Lake City at 9:06 a.m. The final destination was San Francisco.

UAL announced at 12:15 p.m. the plane had been located and identified. That was two hours and five minutes after it first was reported missing.

The plane never reported after it left Denver.

South Viet Nam To Choose Chief In Referendum

SAIGON, South Viet Nam (AP)—South Viet Nam will hold a national referendum Oct. 23 to decide whether ex-emperor Bao Dai or Premier Ngo Dinh Diem shall be chief of state, the government announced Thursday night.

Interior Minister Bui Van Tinh made the announcement before several thousand civil servants and representatives of the army in Saigon City Hall.

The South's 11 million will be asked to decide whether Bao Dai, the puppet chief of state, will be replaced by Diem. The answer is virtually certain. It is expected to result in the permanent crucifixion of Bao Dai from the Vietnamese political scene.

EDWIN FRANKO GOLDMAN
... Band Day Conductor ...

MSU to Host Well-Known Bandmaster

Michigan State University will be host to another distinguished Centennial guest Saturday.

Edwin Franko Goldman, founder and director of the Goldman Band of New York City, will be guest conductor for the Band Day spectacle to be held at half-time during the MSU-Stanford game Saturday.

Dean of the Nation's Bandmasters, Goldman has written over a hundred marches in his lifetime. He will conduct two of the best known Saturday, "March Shencendoah" and "On the Mall."

Goldman will arrive this afternoon and will conduct the only rehearsal for the half-time performance from 9:30 to 11:00 Saturday morning on the drill field near Kellogg Center.

The conductor has received numerous honors; one of the most unusual was given him by the widow of John Philip Sousa. She presented Goldman with Sousa's baton, saying she was sure he would have wanted Goldman to have it.

Goldman started New York City's famous series of free summer concerts which are now given at Central and Prospect Parks.

Signal Given To Construct Space Satellite

WASHINGTON (AP)—The Defense Department has given industry the signal to start building a space satellite for "Project Vanguard."

It announced Thursday that "work has begun" on the project with the awarding of a primary contract to Glenn L. Martin Co., builders of airplanes and research rockets, with another to General Electric Co., for building the first stage of the series of rocket motors for the space flyer.

The Navy, assigned as the management agency for the project, is expected to award a series of other contracts, both major and subcontract, for designing and fabricating the multitude of parts in the first, small test satellite and the complete SATELLITE, Page 3

Shares Century Work With MSU

A parade marshal as old as MSU will lead the Centennial Parade Oct. 22.

Milton M. Marble, 1881 graduate and the oldest living alumnus of the university, has accepted the invitation to head the "March of Memories—In Our Past Our Future Lies." He celebrated his 100th birthday this past August.

The four-and-a-half mile parade will begin at 9:30 a.m. at the corner of Kalamazoo and Capitol. Featuring 36 floats, bands and equestrian units, the last salute to MSU's Centennial will march to the college.

Living units began construction this week on the 22 floats that will depict specific events in the history of the university.

Spartans Face Cocky Indians

More Seats Readied In Macklin

Student Section
Hiked to 18,000

By HAL BATEMAN
State News Night Editor

Macklin Field, like the rest of the university, is also feeling the effect of Michigan State's record enrollment. This fall 2,500 more seats have been made available to students in the huge stadium.

Last year the student section extended from section H, situated on the east side 50-yard line to section N in the south end zone. The total student seating amounted to approximately 15,500, which included grad students, undergraduates and their spouses.

This year the student section is 2 1/2 sections larger. The seats now go from section H to a partial section of QQ in the southwest end zone.

The addition means that the entire south end zone will be occupied by Spartan students.

However, part of two sections, I and J, will be occupied by Block S, the student flash card group.

The additional seats have increased the student seating to about 18,000.

Two of the newly acquired sections, O and P, were formerly used for game ticket holders while the "partial" section of QQ was composed of season ticket holders.

Student ticket distribution for the Stanford game was heavy during the first part of the week but tickets are still available for the game.

Student distribution is carried out in the same manner as past seasons, with the seniors and grad students getting the first tickets on Monday and the freshman the last to get the tickets on Thursday and Friday.

State's next two home games, Notre Dame next week and Illinois, Oct. 22, are sellouts with student tickets the only ones available.

The Notre Dame game will be televised nationally. Tickets are still available for the Spartans' other home grid contests, Minnesota, Nov. 12, and Marquette, Nov. 19.

14 Dead in Day Showers Keep Roads Slippery For Weekend

Scattered showers and thunderstorms, forecast by the U.S. Weather Bureau for Friday, promise to keep Michigan highways slippery and hazardous for driving.

Slippery roads have claimed the lives of 14 persons in the state in the last 24 hours, including an elderly school bus driver and a 15-year-old boy killed near Kalamazoo when a skidding car hurtled into a crowd of some 20 school children.

Adding much needed color to the Carnival were three grotesque characters who moved through the concourse advertising the term play, "Bell, Book and Candle."

The trampoline demonstrations of the Acrobat Club and the Promenaders' square dancing display also caught a few moments' attention from most of the spectators.

Slides and movies were shown by several clubs and the Wolves.

The below-average attendance was caused in part by the damp muggy weather, which kept many students away, said Jim McGuire, co-chairman of the event.

The Carnival was considered a success, McGuire said, but added that the full potential of the opportunity for new students to become acquainted and interested in campus clubs had not been realized.

Members of the committee will meet with representatives from the Administration Office next week to make improvement suggestions for the 1956 Carnival, McGuire said.

The campus organizations which sponsored booths will be able to receive their \$2 refund sometime next week.

Committee chairmen for the Carnival were co-chairmen Nancy Park, Detroit junior, and McGuire, Cadillac senior; secretary-treasurer, Judy Jordan, Wauwatosa, Wis., junior; entertainment, George Cope, Grosse Pointe junior; organization, Jean Gibbs, Des Plaines, Ill., junior; publicity, Marsha Allen, Dearborn senior; program, Anita Link, Detroit junior; and staging, Roger Myrmet, Dearborn junior.

Rep. Powell Sees Segregation Back In Armed Forces

WASHINGTON (AP)—Rep. Powell (D-NY) said Thursday a seven-week tour of military installations aboard convinced him "segregation is definitely coming back into our armed forces."

The Negro congressman said he is sending to the White House a report contradicting the statement by Val Washington of the Republican National Committee that integration of white and Negro military personnel has been attained. Washington, a GOP aide on minority problems, so told President Eisenhower recently.

Powell said his report is based on talks with 1,000 to 1,500 men at Air Force and Army stations in North Africa, Spain, England, Italy and elsewhere. He said the talks added to his belief that roadblocks to integration "have been thrown up somewhere in the Pentagon," adding: "Integration in our armed forces is definitely not succeeding. Integration stops at the master sergeant level."

Powell said few Negroes get officer's commissions in the armed services and the number of civilians working overseas is "negligible."

Throng Macklin Concourse

Spartans View Club Activities

By BARBRA ZUEGE

Approximately 3,000 Spartans thronged the Macklin Stadium concourse Thursday night at the annual Activities Carnival as 85 MSU organizations competed to attract new members.

Old and new students, numbering far less than the anticipated attendance, wandered among the booths stopping for information at an interesting display.

The Carnival, which in previous years has drawn thousands of interested Spartans, lacked its customary noisy carnival atmosphere and variety of displays.

One of the highlights of the event was the entertainment provided by the Kenny Davis Combo and the Phi Kappa Tau Quartet. Crowds jammed the concourse at each of the three 30-minute performances.

The Phi Tau quartet sang "Your Eyes are Blue," "Moments to Remember" and "Down by the Riverside," during the shows.

Members of the quartet are Don Childs, Wilmette, Ill., junior; Jim Cooper, Detroit junior; Dave Roberts, Dearborn graduate student, and Bob Whipple, Lansing senior.

Master of ceremonies was George Paris, Dearborn junior.

Another crowded area of the concourse was the passageway near the speech club shows. The continuous series of skits and pantomimes performed by members of the seven organizations and honoraries drew an appreciative audience throughout the evening.

Adding much needed color to the Carnival were three grotesque characters who moved through the concourse advertising the term play, "Bell, Book and Candle."

Gustafson surprised everyone with his passing this year, according to Liebendorfer. The Indian quarterback was known as a good runner but his passing abilities were doubtful until this season.

The Stanford line, anchored by Paul Wiggins, outweighs the Spartans approximately six pounds per man. Wiggins is a 222-pound right tackle but his difference will be offset by the Spartans' Norm Masters, who tips the scales at 227.

With the exception of Burke the Spartans will start the same team that has opened the Indians and Michigan contests. That puts Jim Hunsley and John Lewis at the ends, Masters and Lee Haidys at the tackles, guards Becky Nystrom and Furry Robinson and Joe Badaczewski at center.

Earl Morrall, Clarence Peaks, Walt Kowalczyk and Gerry Planits comprise the backfield. Although sorely disappointed by the loss to Michigan last week the squad spirit is high and there shouldn't be a let-down.

The first team went through short signal drills Thursday and ran through high offs and high off returns although they did not engage in any contact work.

The second and third teams participated in scrimmage sessions giving them more experience. The first team bore most of the brunt in last week's Wolverine contest.

The Indians figure State to be a much better team than Ohio State. This premise is based soundly on State's varied offense and the fine showings the Spartans have made in their first two games.

Air Minded Stanford Sees Upset

Knee Puts Burke
On Doubtful List

By JACK BERRY
State News Sports Editor

A tough Stanford team, one that feels it is going to win, will oppose the surprising Spartans in the first contest between the two schools at State's home opener Saturday before a near-capacity crowd at Macklin Field Stadium. Kick off time is 2 p.m.

With the exception of State's sophomore tackle Pat Burke, both teams are in good physical condition.

The Spartans are rated two touchdown favorites.

Stanford, with victories over College of the Pacific and Ohio State and a loss to Oregon State, operates out of what publicist Don Liebendorfer calls a "spread T" or open T sending out flankers or splitting the ends.

In Bill Tarr, Stanford coach Chuck Taylor feels he has the best fullback in the country. In three games Tarr has gained 289 yards in 70 rushes while the rest of the backfield combined has only made 292 yards via the ground—13 more than Tarr.

The Indians' strategy in upsetting Ohio State last week was stopping the Buckeyes' biggest threat—Howard (Hopalong) Cassidy. Since OSU is weak on passing the maneuver worked.

In like manner it would seem that if the Spartan defense could contain Tarr the results would be the same.

However, the Indians have a potent passing attack with Jerry Gustafson throwing and John Stewart his favorite target.

The combination has picked up 145 yards with Stewart catching 13 passes. Last year the 6-3, 194 pound end led the nation in yards gained by pass receiving with 577 and was second in the number of total receptions, 38. Two of the aerials were good for touchdowns. He was named on the All Pacific Coast Conference.

Gustafson surprised everyone with his passing this year, according to Liebendorfer. The Indian quarterback was known as a good runner but his passing abilities were doubtful until this season.

The Stanford line, anchored by Paul Wiggins, outweighs the Spartans approximately six pounds per man. Wiggins is a 222-pound right tackle but his difference will be offset by the Spartans' Norm Masters, who tips the scales at 227.

Three Cons Stage Strike On Pen Tank

PITTSBURGH (AP)—Three convicts staged a sit down strike Thursday—100 feet in the air on the structural framework of a 13,000 gallon water tank inside Western State Penitentiary grounds.

From shouts to persons below, the trio indicated they wanted a transfer to Eastern State Penitentiary at Philadelphia.

They didn't say why, but all three have been transferred here from Eastern penitentiary during the past few months.

Warden Frank C. Johnston said he'd "let 'em sit." And, when they come down, he added, there won't be any transfer.

Block S Slates Final Rehearsal For Saturday

Block S will be put through a final rehearsal and will honor the visiting high school bands with several flash card stunts before the game Saturday, John Saltzstein, publicity chairman announced.

The rehearsal is scheduled for 12:45 p.m., and it is important that everyone be present he said.

The flash card section will present a preview of coming Spartan games at the Stanford-MSU clash by portraying the visiting teams, he said.

Saltzstein added that students signed up for the block should pick up their tickets for next week's Notre Dame game at 1 p.m. Monday at Jensen Field House.

International Club Plans Game Night

MSU's new foreign students will be introduced to American games and dances tonight when the International Club meets in Union 31 at 8 p.m.

CSF, the YMCA and YWCA will be guests of the club for the evening.

Planning the games will be Dr. John A. Friedrich, physical education instructor.

Prizes have been prepared for game winners, said Kiyoshi Kabira, International Club president.

'Big 10 Reporter' Seeks Staffers

A meeting of students interested in working on the Big 10 Reporter is scheduled for 4 p.m. today in the Student Government office, 3rd floor Union.

The Big 10 Reporter is the publication of the Big 10 Student Association, which has its headquarters at Michigan State.

Anyone interested in journalism or art is invited, according to Sue Leichtamer, publicity director.

Rushes to Begin Pledging Sunday

The legal pledging of first term freshmen and transfer students will begin this Sunday at noon.

All rushes, other than first term freshmen, must have an all-university 2-point in order to pledge a fraternity.

Fall rushing will continue with smokers by the individual fraternity houses, the Interfraternity Council rush committee announced.

A Campus-to-Career Case History

"I represent 30,000 people"

That's the population of the Mason City, Iowa, area where Jack MacAllister (Iowa U., '50) is Manager for Northwestern Bell Telephone Company. How would you like this kind of job?

"As Telephone Manager I represent Mason City to my company, and vice-versa. Among my customers are bankers, farmers, housewives, merchants... each with different questions and problems about telephone service. Through public information and good business

office service, my people and I do our best to furnish the answers.

"My assignment calls for varied activities—sales, public relations, office supervision. One minute I'm describing a new construction program to a group of businessmen... the next explaining a new service to a rural customer.

"It's a job with lots of variety and responsibility, and I enjoy every day of it. My supervisor is 75 miles away," says Jack. "And that puts me pretty much on my own—which is the way I like it."

Jack MacAllister graduated with a B.S. in Commerce and started with Northwestern Bell about five years ago. As Telephone Manager at the age of 28, he is typical of the many young men who are building careers in telephone work. Similar opportunities exist today with other Bell telephone companies... also with Bell Telephone Laboratories, Western Electric and Sandia Corporation. Your Placement Officer has all the details.

*P. S. Since this case history was prepared, Jack has been promoted. Now a manager at Des Moines, Iowa, he has increased responsibilities.

35 Queen Candidates Picked for Homecoming

Thirty-five pretty coeds have been chosen as Homecoming Queen candidates by the women's living units.

Uninvited Guest Trots Tardily Into Classroom

A latecomer to a class in Berkeley Hall created a decided disturbance in his entrance Thursday.

Sauntering into the room a half-hour late the disturber nonchalantly acknowledged a congenial salutation from the professor and pattered unconcerned to a vacant seat.

Displaying a marked restlessness throughout the remainder of the class, the inquisitive visitor roamed the room, introducing himself to several students in muffled tones.

When class adjourned the hasty guest hurried from the room.

"But what can you expect from an illiterate canine," one student remarked.

Crash

(Continued from Page 1)

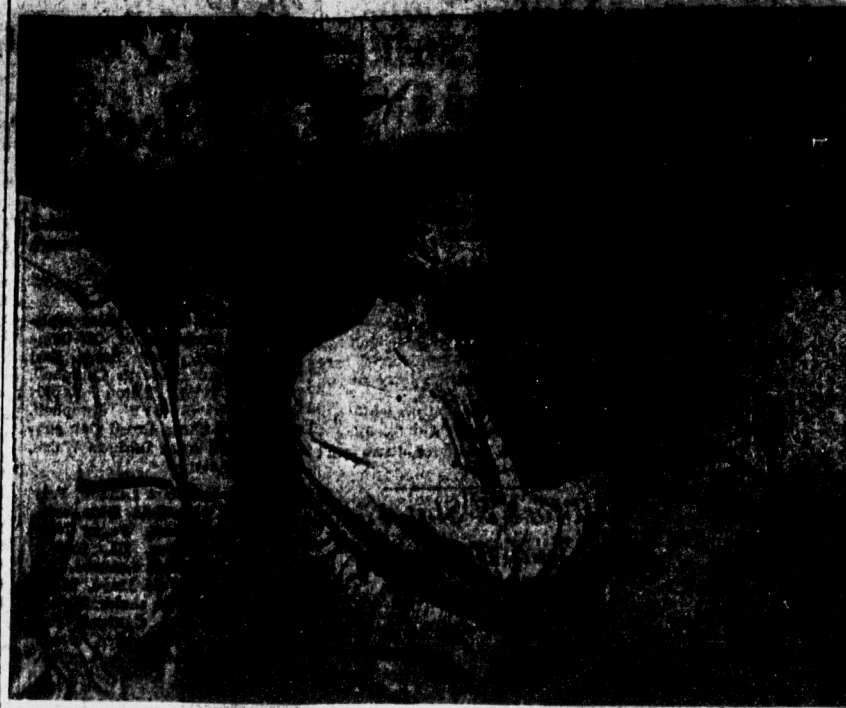

The search was touched off when the aircraft failed to report over Rock Springs, Wyo., a scheduled en route check point about 150 miles west of the wreckage.

Conline said the plane apparently slid down the snow-covered cliff after striking near the peak's top.

Among the passengers were six and perhaps seven members of the Mormon Tabernacle choir returning from a European concert tour.

Col. E. N. Weed another National Guard pilot who spotted the wreckage, said "there undoubtedly was an explosion when the plane hit."

24 German Generals Released by Russians

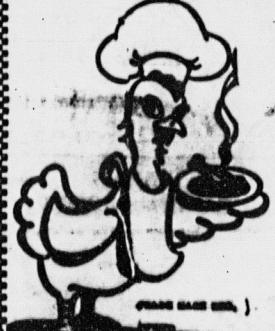

GOETTINGEN, Germany (AP) — Twenty-four travel-worn generals of Hitler's World War II army returned to West Germany Thursday night after a decade in the Soviet Union as prisoners of war.

They were the first of 9,626 German prisoners of war whose freedom was promised by Soviet Premier Nikolai Bulganin at the September conference in Moscow with West German Chancellor Konrad Adenauer.

The officers arrived at Herleshausen, on the West German frontier aboard an East German train. Another general and seven unidentified soldiers reportedly got off the train in East Germany.

The 24 reaching Herleshausen included four full generals, all captured on the Russian front. They were identified as: Ehrenfried Boege, commander of Hitler's 18th Army; Siegfried Henrici, commander of the 40th Panzer Corps; Fritz Gollwitzer, Commander of the 13th Infantry Corps; and Walter van Seydlitz-Kurbach, commanding general of the 60th Corps.

17 Enter Race For 65 Positions

In the first day of petitioning for the fall term election, 17 students picked up petitions for the 65 offices open.

The deadline for picking up and returning the signed petitions is Oct. 12. According to Carolyn Roth, Student Government election coordinator.

The Student Senate block of open seats is on the Freshman Council, where almost all seats are up for election.

Each one of the dorms on campus is allowed one sophomore and one freshman on the council. The same allotment is made to East Lansing and Lansing, while the fraternities and sororities are allowed one sophomore representative.

The freshmen and sophomore class officers round out the council.

All four of the freshmen class officers are open and a total of 13 Student Congress seats will be on the ballot.

Only four petitions were picked up for the vacant congress seats, one each from East Lansing, Lansing, married housing and North Williams.

Eight students entered the race for the fresh offices, and the other five petitions were for council seats.

The newly revised election ordinance can be picked up Monday at 2 p.m. in the third-floor Student Government offices.

Football

(continued from Page 1)

In Peoria, State has one of the most dangerous men in the Big 10 if not the country. The Flint Flash can do almost everything well.

He leads the conference in ground gaining, has caught three passes good for 44 yards and returned three kickoff's for 74 yards.

Peaks' two quick kicks against Michigan when the Spartans were deep in their own territory last week put the Wolverines far in to their own territory.

Under-rated Gerry Phanitis tops State's scoring column with 16 points made on two touchdowns and four conversions. Pounded for pound Phanitis rates with the best fullbacks in the Big 10.

Spartacade Tentatively Set for April

APO to Decide Fate of UMOG Contest

Bob O'Hara, campus chairman, announced Thursday that spring term activities will still feature Spartacade.

April 14 has been tentatively set aside for the annual contest that contributes its profits to Campus Chest, MSU's charity organization.

Recently a suggestion was made to hold the all-college winter term to eliminate an event from the activity-calendar of spring term. Spartacade was temporarily designated the activity, the only date at Jensen Fieldhouse.

Further investigation showed that this date would conflict with the exam schedule, which begins Mar. 16 through 22.

Living unit petitions for Spartacade will be due the end of term or the beginning of winter term. This will allow one term to prepare for the contest, O'Hara said.

A strict budget will require for each display that living units to a maximum of be added. Men and women living groups team up for the structure of the booths.

Claude Watson, Elk River senior and president of Alpha Phi Omega, national service honorary, will present UMOG decision to the Campus Board of Directors meeting Oct. 12.

From the opinions passed APO during the week by living units, the service honorary decide whether to abolish UMOG or combine it with Spartacade. The "ugliest man on campus" drive, sponsored by APO, vies another activity that rates its profits to Campus Chest.

Nixon to Visit Eisenhower In Denver Hospital Saturday

DENVER (AP) — The Denver White House announced Thursday that Vice President Nixon will fly here Saturday for a hospital visit with President Eisenhower at the Peoria hospital.

Nixon will fly here with Sherman Adams, the President's chief deputy; Maj. John Eisenhower, the President's son; and Dr. Paul Dudley White, Boston heart specialist, for the weekend.

White House press secretary James C. Hagerty said he did not know what Nixon would discuss with the President but he added it would not be "a visit where controversial politics" would be taken up.

World Travel Series

Features South Pacific

Michigan State's World Travel Series will visit the South Pacific Saturday when Commander Irving M. Johnson presents his lecture-travel film, "Strange Places, Strange People."

The film will be shown at 8 p.m. in the Aud. Single admission tickets for the film-lecture may be obtained at the Auditorium box office.

Paraguay To Get Peron Off Continent

BUENOS AIRES (AP) — Argentina's government advised Paraguay Thursday to get rid of D. Peron and send him to South America altogether.

In a stiff note, the Argentine Ministry said Peron's continued exile in neighboring Paraguay could "awaken in him dreams of returning to power which would be dangerous even though less."

Argentina cited newspaper reports quoting a Peron statement that he still considered himself constitutional president of Argentina.

The note said the new government headed by Eduardo Lonardi is "fully consolidated and no longer exists that Argentina returns to the previous state of affairs."

Some of Lonardi's close aides have expressed fear that might gather a striking force in Paraguay to try to rally for a return to power.

Rena Abrevanel, Greek student, and Sharon Beyer, PanHellenic president, discuss "Greek" life here and abroad.

PanHellenic Board Picks 'Girl of Year'

While there are an estimated 75 coeds from foreign countries at Michigan State, only one has the distinction of being the "PanHellenic Girl of the Year."

This honor belongs to 19-year-old Rena Abrevanel, a brown-haired, blue-eyed lass from Salonika, Greece.

Rena was picked by a special PanHellenic reviewing board from a list of five deserving girls from the Middle East. The list was set up by Mrs. Louise Carpenter, foreign student adviser.

PanHellenic is paying Rena's room and board for a minimum of one academic year. After the year is up, it is up to the discretion of PanHellenic whether Rena is deserving of another year free of room and board.

Rena's traveling expenses are being taken care of by the Fulbright Society. She won it's award from among 300 students in her area.

A Michigan State University scholarship is paying for Rena's tuition and books.

Rena came to State following six years in a Greek-American school—in Greece called a gymnasium. It was there that she mastered six years of English, a language which she speaks extraordinarily well.

In her final year at the Gymnasium, Rena applied for the Fulbright Scholarship, never dreaming she would be the lucky winner.

Rena pointed out various differences between Greek and American customs, the most varied of which seem to concern dating.

"In Greece, we are not allowed to go out alone, only in crowds. This is true until we are engaged. There is no such thing as kissing in public before marriage," Rena contrasted this with the "activities" outside the dorms just before closing time.

Specks On Campus-Everyday Is Queen's Day

By JOANNE BECKER
State News Society Editor

Queens and more queens. An ambitious crown-maker could earn a fortune on this campus.

Not that anybody resents queens. I'm sure most will agree that Michigan State's noted queens are held high in respect by students attending not only this university but many other midwestern schools.

And that's as it should be. Our queens have helped to put our fair institution on the map. MSU and its beautiful coeds.

But, we ask, why so many? Just in the past two weeks our women's living units have had to choose a Porpoise contestant and a Harvest Ball nominee, not to mention Homecoming and AFOTC and ROTC Honorary Colonel candidates.

But there are more to come. Spring term especially makes our heads ache as we ponder over the qualifications of various coed contestants in our group.

Womens' Director Appointed

"My hometown is wherever I am." Speaking was Dr. Frances H. DeLisle, the newly appointed Director of the Women's Division of the Dean of Students office.

MSU's new women's director was born in Oswego, N.Y., where she completed her grade and high school education. She received her B.S. from the State University of Chicago. She then worked there as a counselor for two years before coming to MSU.

In 1947, Dr. DeLisle joined the Counseling Center here at State. Six years later, in June 1953, she received her Ph.D. degree from Michigan State.

Miss DeLisle was appointed Director of Women Students on Sept. 1, 1955. This position carries the administrative responsibilities of the women's activities, which include residence hall programs, sororities and AWS.

During her teaching career, Miss DeLisle was a regional director of the Executive Board for the New York State Business and Professional Women; a member of the National Vocational Guidance Association; faculty advisor to Spartan Women's League and Tower Guard.

In Harney National Forest in the Black Hills of South Dakota, porcupines cause more damage to trees than do fires.

Social Circuit

Recent Delta Sigma Pi pinning are Clarke Bertrand, Kalamazoo junior, to Sarah L. Beals of Kalamazoo; Bill Warden, Bronx, N.Y., junior, to Shirley Pressel, Grosse Pointe junior, and John Noyes, North Bay, Ontario, sophomore, to Joan Gair, of Toronto, Ontario.

A recent Delta Sigma Pi engagement is Alan Terrill, East Lansing alumnus, to Barbara Armstrong, Saginaw sophomore.

Recent Alpha Epsilon Phi engagements are Maureen Delores Pritz, Oak Park, to Marvin Gladstone, Lansing alumnus; Sydelie Shapiro, Detroit senior, to Jordan Issacs, Detroit senior, and Ida Pappaport, Detroit alumnus, to Henry Glass of Detroit.

Les Elgart's Band Stated for J-Hop

Les Elgart's "sophisticated swing" will set the pace for dancing feet at the 1956 J-Hop Feb. 10 and 11. The Elgart band was named most popular college dance band by a music magazine last year.

Larry Elgart, brother of the bandleader, will be featured with the music of his also saxophone. Also starring will be the band's vocalist, Don Forbes, Columbia recording artist.

Ballot Box

New officers of Zeta Beta Tau are president, John Saltzstein, Milwaukee senior; vice president, Jerry Purgant, Niagara Falls junior; secretary, Harold Milton, Pittsburgh sophomore, and treasurer, Jerome Palter, Hamilton, Ontario, senior.

Recent actives of Alpha Phi Alpha are Harold Wash, Detroit sophomore; Bob Brown, Lansing sophomore; Robert Randolph, White Plains, N.Y., sophomore; Richard Jones Jr., Detroit senior.

Common Man's Week

ND, Army Picked for Upsets

By WILL GRINLEY
NEW YORK (AP) — Brooklyn's "Yankees" victory over the "Crimson Tide" was a blow for the common man and that spirit will be carried over to the football field this weekend.

Look for reversals, with Miami and Florida and Michigan in the spotlight. Last week's score: 40-13 for the "Yankees." Season's score: 98-30 for "Yankees."

Week 17, Notre Dame 14: Coach Andy Gustafson has the "Yankees" and his team the desire to pull an upset. The Irish may be troubled by the muggy Miami weather under the lights in a Friday night game and lose by a field goal.

Michigan 20, Army 13: The Wolverines have never beaten Army in five previous meetings. With Ron Kramer & Co. they'll never have a better chance to crack the jinx.

Navy 13, Pittsburgh 7: One of the day's best games. The midshipmen, at home, avenge last year's 21-19 setback.

Princeton 23, Pennsylvania 7: With or without the fragile Royce Flippin, the Tigers have too much speed for sluggish Penn.

TCU 28, Alabama 13: The Horned Frogs may be the best in the Southwest. The Crimson Tide is rebuilding.

Oklahoma 20, Texas 7: This is the last big hurdle for the Sooners, headed toward an unbeaten campaign and a claim to the National Championships.

Georgia Tech 14, LSU 6: The score would be higher any other place except Baton Rouge where the Bengals are tough.

Southern California 21, Washington 8: The Trojans have power enough to move a house.

Wisconsin 14, Purdue 7: A bitter struggle here with a slight edge to the Badgers.

Maryland 23, Wake Forest 6: The nation's No. 1 team has an easy romp.

Southern Methodist 21, Missouri 6: After Notre Dame and Georgia Tech, the Mustangs will be eager for blood themselves.

California 21, Washington State 13: Pappy Waldorf's boys are gradually coming of age.

And in the Midwest: Iowa 14, Indiana 6; Kansas 7, Iowa State 0; Minnesota 14, Northwestern 0; Marquette 21, Kansas State 6; Michigan State 19, Stanford 7; Texas A&M 13, Nebraska 7; Ohio 20, Illinois 7; Oklahoma A&M 13, Wichita 7; Cincinnati 25, Xavier Ohio 0.

Campbell to Attempt Water Speed Record

SOUTHAMPTON, Eng. (AP) — Donald Campbell sailed for the United States Thursday in a bid to break his present world water speed record of 202.32 miles per hour.

Campbell aims to set a new mark in his jet-turbo craft Bluebird on Lake Mead, Nevada, Oct. 16.

He plans to make his first trial run on Lake Mead next Wednesday.

90 Wins For Tigers Says Harris

DETROIT (AP) — Bucky Harris signed a \$40,000 contract Thursday to manage the Detroit Tigers again in 1956, then surprised everybody by setting a lofty goal of 90 victories for next season.

"We improved 11 games this season. So why not 11 more next season," said Harris, who usually shies away from anything even remotely connected with a prediction.

"Don't you think you're going a little high?" asked President Spike Briggs of the Tigers.

"I don't think so," replied Harris. "If we're going to set a goal, let's make it a good one."

Harris, who will be 50 next month, led the Tigers to their best record since 1950 this past season, but failed to improve on their fifth-place showing.

The Tigers also announced that Schoolboy Rowe, a brilliant pitcher for them in the middle 1930's, was being dropped as a coach.

Briggs said Rowe would be given a managerial position in Detroit's minor league system, or be made a scout.

Basilio Signs For Title Bout

BOSTON (AP) — Carmen Basilio, welterweight boxing champion, signed a contract Thursday for a title bout with Tony DeMarco at the Boston Garden Nov. 30.

Basilio won the crown from the Boston brawler June 10 at Syracuse, N.Y.

The bout will be televised nationally with New England blacked out. The International Boxing Club is handling the television end of the fight.

Expect Kennedy to Retain Individual Championship

Running in their first competition of the 1955 season, Michigan State varsity and freshman harriers travel to Detroit Saturday morning for the Michigan AAU championships.

The Spartans are the favorites to take the team title while sophomore Henry Kennedy is expected to successfully defend the individual title he won last year.

The Spartans are the favorites to take the team title while sophomore Henry Kennedy is expected to successfully defend the individual title he won last year.

A junior two-mile race will begin at the Warren Valley Country Club at 11:30 a.m. while the senior "four-mile" race will start at noon.

The junior race is a new innovation this year. In previous meets there has been only one race, the four-mile run.

Head coach Karl Schladerman has entered 12 varsity and nine unattached runners.

Representing the varsity are Junior Capt. Selwyn Jones, Kennedy, Gay Denslow, Terry Block, Ted Tetslaff, Bob Block, Bill Miller, Fred Kuester, Dave Hebe, Leon Mesler, Ed Townsend and Tom Goretzka.

The unattached entries are senior Dick Stutsman, sophomores Ed Hartman, Ken Dafee and Lowell Smith, plus freshmen Ron Wheeler, Jim Armit, Bob Hughes, Don Lofton and Mike McKervy.

All of the unattached entries will run in the junior race except Wheeler, the yearling that should be one of the leading finishers in the senior race.

Facing the harriers in the senior race will be Kennedy and Jones. Kennedy, a 23-year-old Scots-Canadian, easily won the title as a freshman last year and has since improved. In the time trials last Saturday Kennedy ran the fastest four mile time ever posted by a Spartan athlete.

Jones finished seventh in the race last year and was second in 1953. The Hamilton, Ont., junior was timed in 20:20 last week and could give Kennedy a battle for the individual honors.

Denslow, fifth last year, ran a good early season time last week and can be counted upon to be one of the team's top finishers.

Terry Block, eighth in 1954, also had a good early season time and should improve on last year's performance.

Expected to give the front runners a battle is Wheeler, the freshman that ran a good 21:36 last week. As an unattached entry the two-time Detroit city champion will not count in the team scoring.

The Spartans' leading entries in the junior race are Lofton, Armit and Smith. Michigan State can't take the junior title because all the runners are competing unattached.

Last year Michigan State finished second in team scoring after winning the title in 1953. State

scored 39 points while Michigan Normal was the winner of the Michigan College.

The Hurons have also changed their name to Michigan College.

Observers have picked Spartans as the team to Saturday's race but Eastern National Junior AAU champion, is always a team. Other teams entered senior run are Western Michigan and Bowling Green. Wayne and Bowling Green junior race will have Eastern, Western and Sp.

The University of Michigan 1954 Big 10 cross country, is not expected to meet.

MU Athletic Hurls 'Invasion' Charge at NFL

MILWAUKEE (AP) — University Athletic Director Jennings charged the Football League and Commissioner Bert Bell with Thursday for permitting scheduling of a two game same time and in the same as a college game Saturday.

Jennings said that game with Kansas State scheduled three years ago that Bell permitted the Colts and the Green Bay Packers to change from a Sunday Saturday night this fall.

"Bell certainly has fair to Marquette or State," Jennings said, "in a helpless position of thing, either."

The college game is at Marquette Stadium, the NFL at County Stadium, less mile away.

Davis Cup Star

TOKYO (AP) — Australian Cup star Ken Rosewall short his Japan tour because of severe arm and leg ailments will leave for home Friday.

Rosewall said he started the pains after competing Pacific Southwest Tournament in Los Angeles.

In exhibitions Thursday, Frazer defeated Japanese Koshi Kamei 6-2, 6-6, 6-4. Hoad stopped Rosewall.

Sigma Nu Whips ACS In IM Play

By MEL RITTER

John Grisonde, of Sigma Nu, threw four touchdown passes and ran for two more as he led his team to a 48-0 slaughter over Alpha Chi Sigma.

The hustling quarterback also clicked on five of six extra point heaves, as a Dee McDonald aerial to Jack Petty was the only other score that Grisonde didn't figure in.

Sam Williams, Jack Page, and Dan Morrissey were the other ends that carried the pigskin over the end zone in the highest scoring game of the night.

Quarterback George Heine hit End Larry Dailley for a tally and extra point to pull out a 7-6 Phi Delta victory over Lambda Chi Alpha as Bob Maher's 50-yard run was all in vain when the losers were unable to make the extra point.

Alpha Tau Omega fought off the threatening rain and Beta Theta Pi as they scored two touchdowns and a pair of safeties for a 16-0 triumph.

Jim Bahna of Delta Chi and Marty Gruber of Zeta Beta Tau were on the receiving ends of two long passes as their teams played to a 6-6 tie.

Delta Upsilon downed Phi Kappa Tau on a touchdown and a beautifully executed pun play that went from Jim Dylak to Tom Serna to Bob Patterson. This three man aerial attack almost covered the entire distance of the field.

Alpha Epsilon Phi performed the upset of the night as their tough defense was able to hold the ground and air attack of Theta Xi, one of last year's to contenders. The game ended in a 0-0 tie.

John Creager ran for 40 yards and teammate Rusty Voorhis threw to end Jerry Clutter to defeat Triangle by the score of 12-6. The Engineers score don a short sprint by back Neil Edison.

Alpha Phi Alpha and Delta Sigma both battled to a scoreless deadlock in another early contest.

Tackles have been the most popular football players at Michigan State when it comes to picking team captains. They've been thus honored 14 times.
