

Congress Returns to Farm Bill

House to Take Action First

WASHINGTON (AP) — Congress ends a 10-day Easter vacation today with a knock-down-drag-out farm fight the first major order of business. The compromise farm bill worked out by Senate-House conferees goes first to the House, with a vote expected Wednesday. In advance of House action, President Eisenhower and Republican Congressional leaders will meet this morning to map administration strategy.

Eisenhower hasn't given his views on the completed compromise but Secretary of Agriculture Benson said after a White House conference Saturday that the measure "is not acceptable to me" in its present form.

The bill meets Eisenhower's request for a soil bank plan that would provide payments to farmers who take surplus cropland out of production. But it also calls for a one-year restoration of the program, high farm price supports approved by the administration.

The House fight is expected to center around a GOP move to return the bill to the conferees, with instructions to make it conform more closely to White House wishes.

Under the procedure to be followed, the House after one hour of debate will take a single vote on accepting the compromise or turning it to the Conference Committee.

The compromise, completed today night, is a rewrite of differing farm bills approved earlier by the House and Senate.

Subject Changes Accepted Today

Enrollment changes will be accepted today through April 18. Students may drop or add courses with the written recommendation of their enrollment officer and the head of the department concerned.

No subject may be added after Wednesday and none may be dropped after April 18 unless it is the approval of the dean of the school.

When permission to drop a subject before the close of the second week of classes is granted no fee will be reported. After that time a grade of "F" will be reported unless the student is eligible to receive an "I" or "N" grade.

An "I" grade is an incomplete earned only on the dean's recommendation. An "N" grade is given when the dean feels that the student is doing satisfactory work at the time he drops the class. An "F" grade will be given if the subject dropped unofficially.

Relot Interviews Rescheduled Tuesday

Interviews for positions on the staff, originally scheduled for today, will be held Tuesday from 10:30-3:30 p.m. in the student government office.

Battleground

Serious flare-ups broke out along the disputed Gaza Strip frontier between Israeli and Egyptian troops last week.

In Florida

Stevenson Invites Debate Of Issues With Kefauver

CHICAGO (AP) — Adlai E. Stevenson Sunday offered to debate political issues with his Democratic rival, Sen. Estes Kefauver, in Florida this week.

Stevenson said the senator's charge he has begun slinging mud in his campaign for the Democratic presidential nomination is "nonsense."

A moment later Stevenson renewed the assault on Kefauver's record in Congress that drew the "mudslinging" answer from the senator last week.

Both Kefauver and Stevenson will be campaigning in Florida this week for that state's 28 convention votes.

Stevenson's offer to debate issues during the tour was made in a filmed television interview at his suburban Libertyville, Ill., home.

Stevenson said he would be "delighted to appear with Sen. Kefauver most anywhere. It would afford us a wonderful opportunity to spread the Democratic gospel."

The remark was in answer to a question from interviewer Ernest Leiser about whether Stevenson would agree to share the same platform with Kefauver when their paths cross in Florida.

During the campaign before the Minnesota primary Kefauver invited Stevenson to debate issues, and Stevenson turned him down. Kefauver, resoundingly defeated Stevenson in that election, the first in which the two met actively.

Of Kefauver, Stevenson said: "The fact of the matter is that during the 83rd, the last full Congress, the Congressional Quarterly discloses that Sen. Kefauver voted only 59 percent of the time, whereas the average for all senators was 84 per cent."

"This was the second worst voting record in the 83rd Congress."

Leaders' Talks Aim At Halting Bloodshed

Israel Must Reserve Right To Take Action—Ben-Gurion

JERUSALEM (AP) — Amid heightening tension the U.N. Palestine truce chief conferred with Premier David Ben-Gurion Sunday on how to halt new bloodshed on the Egyptian-Gaza frontier.

A Foreign Ministry spokesman said Ben-Gurion told Maj. Gen. Edson L. M. Burns that Israel must reserve the right to take what action it deems best if Egypt fails to come up with a guarantee to refrain from "hostile acts."

Israel earlier ordered secret security measures to cope with what it described as Arab commando raids in which 10 or more night attacks were made deep in Israeli territory.

A report from U.N. truce headquarters said a preliminary investigation of the raids confirmed one of four deaths reported by the Israelis. Wounded were being questioned as the inquiry continued.

An Israeli spokesman said there were two more attacks by infiltrators Sunday night, but they appeared on a much smaller scale. A child was reported wounded by a grenade in a village in southern Israel. A cyclist was wounded in the Samarian hills near the Jordan border.

From Amman came word of an Israeli-Arab clash on another sector. A Jordanian announcement said an Israeli patrol that penetrated six miles inside Jordan territory near Wadi Musa clashed with Jordan home guards. Two Israelis and two Jordanians were killed, the announcement said.

Hamarskjold instructed Burns, a Canadian, to remain in Jerusalem in his role as umpire in the uneasy seven-year truce that followed the 1948 armistice. Burns was to have come to Rome, too. This change in plans was announced after reports of new clashes.

Hamarskjold will have personal discussions in Middle East capitals with Arab and Israeli leaders.

His trip, which may last a month, is the most important effort in years to solve the explosive Arab-Israeli quarrel. The mission was authorized by the U.N. Security Council.

It comes at an extremely critical period. There is fear one of the sporadic border clashes may spark off war.

'Ice Capades' Opens 6-Day Run Tonight

Twenty acts and 10 production numbers will feature John Harris' "Ice Capades," which will begin a one-week run tonight at 8:30 in the Ice Arena.

There will be performances every night this week through Saturday. In addition, a matinee show will be given Saturday at 2:30 p.m.

Highlighting the show will be the adaptation of the hit Broadway musical, "Wish You Were Here."

The number features the two stars of "Ice Capades," Margaret Field and Jimmy Lawrence. It will also feature some of the original music from the show, composed by Harold Rome.

Billed as America's Sweethearts of the Ice, Lawrence and Field will also star in George Gershwin's "American in Paris" number.

"Humpty Dumpty on Ice," "Dragnet" and "Celestial Ballet" are other features of the first act. In addition, there will be a demonstration of figure skating by Silvia and Michel Grandjean, members of the Swiss Olympic team in 1952.

Along with "American in Paris," the second half of the show will feature Olympic Star Johnny Lettengarver, European Champion Aja Zanova, and the concluding number featuring the entire cast of 65, "Les Patineurs."

The cast, plus three carloads of equipment, were scheduled to arrive on campus at 8 this morning. The ice show's crew will be on hand to help with the setup.

U. S. 'Blind' In Dealing With Crisis

Dulles' Support Of Nasser Attacked

LONDON (AP) — Suspicions and fears were voiced in Britain Sunday that the United States was showing blindness to the crisis facing the Western Powers in the Middle East.

Some commentators suggested the Eisenhower administration was playing down the danger in the oil-rich region of vital importance to Britain because of this fall's American presidential election.

Others were angry at what they regard as Secretary of State Dulles' support of Col. Gamal Abdel Nasser, the Egyptian premier, in his bid to become a sort of "overlord of the Arab states."

Britain has been accusing Nasser of seeking to undermine British positions in the Middle East, particularly in Jordan and Iraq, and is reported to have asked the United States to adopt a firmer attitude toward him.

Dulles, recently said, however, believed Nasser was actuated primarily by a desire to maintain the independence of Arab countries and had not turned against the West irrevocably.

But the Observer, an independent and influential newspaper, expressed alarm at the "drift and disunity" in the Western Alliance and said:

"The greatest responsibility for leadership is where the greatest power lies. The worst failure in the present crisis is that of the United States."

With the presidential elections pending, the Eisenhower administration is unwilling to tell the American public the unpleasant facts of the worldwide setbacks which the West has suffered in the struggle for noncommittal opinion.

East Gets Lonely While West Gets All the Attention

Loiterers Gather

Neglected East

Crowded West

By JOE HOFFMAN
State News Night Editor
Students are finding the new traffic system in Berkey Hall to be a bit of a problem. The system, designed to relieve congestion in Berkey, provides for the East and West doors to be used for entrances only and the North and South doors for exits. Stairways correspond directly with the flow of traffic to and from the doors.

In a report, Department of Public Safety officials stated that students are going out of their way to use the West entrance instead of the East. This is especially true of students coming from the Nat Sci Buildings, the Aud. and the Shaw dormitories, the report said.

Signs have now been placed near the Hort Building directing students to use the East entrance, whenever possible. Staff members were found notifying the Safety Department regarding the new system, and were asked to read them to their students. The notices asked students to use the East entrance whenever possible.

A police officer timed exits at the West entrance Friday and found it took about three and a half minutes to enter the building and reach the third floor. Exits were also timed, but since most classes were let out early, no conclusive evidence could be drawn, according to safety officials. Entrances and exits will continue to be timed all this week.

Flag to Signify ROTC Parades

Watch for the green flag flying in front of Demonstration Hall on Tuesdays is the word from Army ROTC headquarters concerning spring term parades.

When the flag is up on Tuesday that means there's going to be a parade.

how to be

really truly HAPPY
within one week!

How would you like to win fame and fortune without hours of instruction or backbreaking exercise? How would you like to have money, budding brains, wisdom of the ancients, and fighting for your slightest nod of approval?

Throw away those expensive hair tonic, skin pills, vitamin pills, and get yourself an After Six Dinner Jacket. The moment you're in one, you're After Six with a new look and lightweight colored fabric, you're whole personality changes. Suddenly, you're suave, sophisticated, self-assured, glow with strange new vitality!

Thousands of skins, slim down college men have written to say that After Six has brought them a new lease on life. Higher grades, better looking women, even more self-assured. Buy your After Six Dinner Jacket now and I guarantee you complete happiness in one week or less.

The parade schedule for spring term is: May 1, Practice Parade with Band; May 8, Annual Inspection Parade with Band; May 15, Armed Forces Day Parade with Band.

Other parades are: May 27, Awards Day Parade; May 29, Practice Graduation Parade; and June 3, Parade in Honor of Cadets Being Commissioned.

An ROTC headquarters lists four practice parades, on April 17, April 24, May 29 and June 3, with the Armed Forces Day parade on May 15 and the Awards Day parade on May 27.

"Even worse, because of public unwillingness to get involved in a Middle Eastern war, the administration is willfully belittling the risk of such a war."

The People, a mass circulation Sunday newspaper reflecting the views of the British Labor party, denounced Dulles as "the greatest brick-dropper in diplomacy, and said:

"On behalf of the American people, Dulles, has approved Nasser's actions in trying to run Britain out of her oil bases."

"So we may as well face it. While Eisenhower is President and Dulles is his henchman, this country has no hope of getting American help to keep our position in the Middle East."

"Not because they want to see Britain thrown out, but because neither of them has a constructive foreign policy that makes sense for anywhere in the world."

J-School Granted Membership in Honorary Society

Michigan State's School of Journalism has been granted membership in a national society honoring scholarship in journalism—Kappa Tau Alpha.

Journalism majors who rank in the upper 10 per cent of the junior and senior classes on the basis of all-university grades will be considered for membership.

According to Dr. Nathan B. Blumberg, associate professor of journalism and advisor of the new chapter, initiation of charter members will be held late in April.

Kappa Tau Alpha, founded in 1910, is a member of the Association of College Honor Societies. The honorary presents an annual award for the best book in the field of journalistic research and sponsors an annual lecture by a distinguished journalist at national convention of the Association for Education in Journalism.

Engineers, Physicists, Mathematicians, or Metallurgists:

The Westinghouse Man With The Facts will be here on April 16

Ask your placement officer for an appointment NOW!

You'll soon have to make that crucial decision... where to start your career. But, before you decide, you owe it to yourself to talk with the Westinghouse Man With The Facts. He'll be here on campus on the above date to interview engineering graduates. Be sure to get on his schedule. He wants to talk with Electrical, Mechanical, Chemical or Industrial Engineers, Physicists, Mathematicians and Metallurgists. A44 has also career opportunities at Westinghouse... the million-dollar Education Center with its complete training program... how you can select a career of an industry of your choice, doing the kind of work you prefer... Master's and Ph.D. degrees at company cost... chances for advancement... how other men made fast progress. He can tell you... he has the facts.

You'll want to know, too, about the big Westinghouse expansion program, and how it offers you exciting opportunities for growth. And, about interesting and rewarding work in such promising new fields as nuclear energy, automation, device design, semiconductor, military and industrial electronics. There's plenty of room to move around... and up... at Westinghouse.

A frank talk with him will help you make a sound decision. So, contact your Placement Officer now and have him make a date for you with the Westinghouse Man With The Facts.

Horse Show Winners Announced

A colorful array of events highlighted the eighth annual Block and Bridle club spring show held at MSU Friday and Saturday.

Top riding by Mrs. Theora London of East Lansing started competition.

A parade of 80 horses began the show Friday with Darold McCalla, Ann Arbor freshman, winning the championship ribbon for riding and showing Ronald Seagring of Albion won reserve Grand champion.

Other contests Friday went to Barbara Salter, Battle Creek sophomore, in the three-gaited class, John Rooker, Saginaw junior, in men's Western horsemanship, and Thomas Winger, Springfield, Ohio, junior, in the working stock horse class.

Ted Lamb, Evanston, Ill., sophomore, and Cester DeLongh, Lansing senior, were awarded the first place ribbon in a rescue race.

Beginning at 3 Saturday afternoon and finishing at 8 in the evening, Block and Bridle competition added another group of winners.

First a team from Kansas City, Mo., won the lightweight horse pulling contest. Tom Wiegell won in the working stock horse class.

First class in English Equitation went to Barbara Harg, Hinsdale, Ill., junior. The winner of the boots and saddle race was Elvarene Copt.

Other winners were: Western Pleasure Class, Phillip Pretsart, Cassopolis; Ladies Western Horsemanship, Helen Hunter, Dowagiac; Tennessee Walking Horse, Sue Braid, Pontiac; Musical Chairs, Carol Knapp, Monroe; sophomore.

More winners were the Arabian Pleasure Class, John Rooker of Saginaw; Five Gaited Class, Bill London, East Lansing senior; Reining Class, Sharon Palmer, Mason sophomore.

The horse pulling contest winner was Ward O. Boyle.

annual United Nations Seminar, sponsored by the East Lansing YMCA-YWCA during spring vacation.

Tour members represented five nations—the United States, Okla., the Philippines, India, and Egypt. They were accompanied by the Rev. Robert Walker, executive secretary of the local YMCA, and Mrs. Walker.

The trippers left Lansing on March 22. Arriving at the U.N. headquarters, they heard a lecture briefing them on the general purposes and structure of the world organization.

Later they toured the buildings and grounds, seeing the glass-walled Secretariat, where the offices are located; the conference building; and the high-domed General Assembly hall.

Although the General Assembly the U.N.'s main governing body was not in session, tour members visited meetings of other U.N. committees.

Most important of these was the Security Council, where the visitors saw Henry Cabot Lodge and Andrei Gromko and wore the special earphones which carried translations of the delegates' speeches in all major languages.

At the Park Avenue headquarters of the Russian mission, tour members got a taste of the Soviet "new look" in foreign affairs.

The Russian representatives welcomed the visitors cordially, said Diane Broersma, Grand Rapids senior. They talked to them about Russia's political and economic system, answered their questions, and gave them propaganda pamphlets.

Their answers were sometimes evasive, however, tour members said. Asked about the current change of policy in regard to Stalin, the Russians said they hadn't received the full details themselves.

Nobles C. Asuncion, graduate student from the Philippines, said the Russian visit was the highlight of her trip. Tour members also visited the American and Yugoslavian missions.

One of the most interesting parts of the trip, said Allen Mar, Buffalo, N.Y., graduate student, was the group's meeting with a Swedish lady who was employed by the United Nations Children's Fund.

She told them of the Fund's work in aiding underprivileged children throughout the world—furnishing powdered milk to starving infants, treating their diseases with penicillin at a dime a shot, caring for the mothers.

This kind of service, Miss Broersma said, is where the greatest hope of the United Nations lies. The United States and Russia may disagree violently on major issues, but they can still work together on humanitarian projects like the Children's Fund.

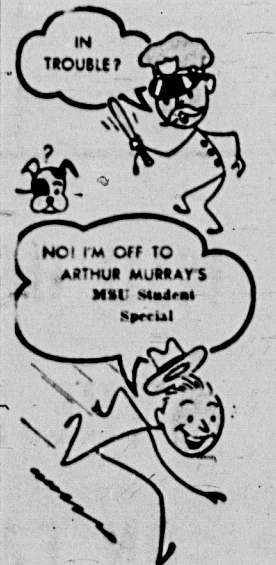

Speaking of the U.N. employees, Miss Broersma said, "These people really believe in what the United Nations can do. They are striving without political preference, for a better world."

Reds Criticize Bulgarian Chief

Communists Degrade Use of 'Stalin-Like Rule'

VIENNA, Austria (AP) — Premier Vuko Chervenkov, the tough talking Premier of Communist Bulgaria, came under severe criticism Sunday from the Central Committee of his own Communist party.

What will happen now to the 46-year-old former boss of the Bulgarian Communist party is not known here. But he has been under heavy pressure from Moscow to make up with President Tito of Yugoslavia.

State radio broadcast a communiqué of the party Central Committee accusing Chervenkov of having practiced Stalin-like rule which "damaged the work of the party and the

one of the accusations in the denigrating of Stalin by the Kremlin was that he was responsible personally for the rift with Tito. Yugoslav-Russian differences are now being patched up by the present Kremlin leadership.

The radio said the Central Committee, in a five-day meeting, adopted a number of steps to "purge" the party of the cult of the individual. This is precisely what is being taken by the Kremlin regarding Stalin.

The communiqué did not denote these measures, nor did it discuss the reported rehabilitation of Vasilko Kostov, former Bulgarian deputy premier who was executed in 1949 for alleged high treason and Titoism.

Diplomatic reports reaching Vienna last week said the Central Committee had decided to proclaim Kostov innocent and to give much of the blame for his execution on Chervenkov, who executed Kostov's elimination. It was believed here another announcement might be issued soon restoring Kostov's reputation.

In this respect Bulgaria would follow the lead of two other satellites, Hungary and Poland, which have publicly proclaimed the innocence of its purged "Titoists."

New Sorority Gets Charter At Banquet

The formal charter of Gamma Omega chapter of Alpha Delta Pi, MSU's newest sorority, was officially presented Saturday night by Miss Maxine Blake, Grand Council President, at the installation banquet in Kellogg Center.

The charter was accepted by Miss Sally Cramer, chapter president.

Tom King, dean of students, gave the main address, stressing the importance of Greek life on campus and Greek co-operation with college administration.

Earlier in the day the Grand Council formally initiated 38 recruits who were officially presented to Alpha Delta Pi alumnae at the banquet.

New recruits whose names were omitted from the list appearing last week are Kay Crouse, Cornelia Park Junior; Barbara Frost, Shelby Junior; and Janet Beall, Elmhurst, Ill., sophomore.

Other new recruits are Jacqueline Boutin, Saginaw sophomore; Margaret Carlson, Grand Rapids freshman; Helen Carol Cook, Detroit Junior; Elizabeth Crow, Flint Junior; Evelyn Decoster, Kalamazoo freshman; Lois Faust, Grand Rapids sophomore and Sally Fox, Alpena sophomore.

'Successful' Tours Made By Spartans

Concerts Presented At Army Camps

By BETSY HALBERG

A tour of the Fifth Army area by MSU's Bell Ringers was "highly successful," according to Wendell Wescott, MSU's carillonist and director of the Bell Ringers.

The Bell Ringers were flown by the Army to bases in Michigan and Canada.

Included in the performances was a dance team composed of Karen Olson, Marquette Junior, and Terry Gerard, Chicago, Ill., sophomore, and a soloist, Jan Sawyer, Elmhurst, Ill., Junior.

The State Singers toured southern Michigan performing for high school, college, and public groups.

The Madrigal Singers, one of the groups included in the State Singers, were invited back for a future appearance at Flint Junior College, Flint. The jazz club will appear at State in return.

The Men's Glee Club made 25 appearances during its eight-day tour of Michigan and Ohio. All of its performances were "sell-outs," according to John McGoff, coordinator of the Cap and Gown Series for Continuing Education Service. He believes the Glee Club's popularity is partially due to its recent appearances on national TV.

Also on tour was a faculty woodwind ensemble. The five members of the music department gave concerts in Ellsworth, Elk Rapids, Bellville and Mancelona.

The Michigan State Players left East Lansing April 4 to tour the upper peninsula with "Caine Mutiny." They are planning performances in Gaylord, Mackinaw City, St. Ignace, Rudyard, Newberry, Linton, Baraga and Negaunee.

Because of the snow, sleet, and rain the traveling on the tours was rough but the student and faculty members were "real troopers," McGoff said.

April Spartan Due Tuesday

April's issue of the Spartan will mark the reappearance of the Spartan "mystery girl" who will be seen on campus today as part of sales promotion for the issue, which will be on sale Thursday.

The special science fiction issue will feature such characters as "The Monsters" in invasions from outer space and "The Blob," the creation of two fraternity men in a Spartan story.

In addition to the regular features, the April issue will mark the beginning of a new addition to the Spartan—Robotism, a cartoon feature by Charles Puterbaugh, MSU special student from Big Rapids.

Bonnie Le Cronier will be pictured as Miss April in the issue.

Chess Tournament Applications Open

Chess players may sign up for the Union Tournament today from 2-5 p.m. in the Union Board Office.

The date for the chess tournament will be announced at a later time. The charge is \$1.00.

Blue eyes tend to tire more quickly than eyes of darker colors. Norway has a merchant fleet of seven million gross tons.

NEWS IN BRIEF

Charge Graft

WASHINGTON (AP) — Senate investigators said Sunday they are exploring new charges that "intricate" graft deals marked the awarding of contracts for millions of dollars' worth of military uniforms.

Fet Medical Abuses

WASHINGTON (AP) — Federal investigators "Sunday" reported hundreds of "abuses" of the veterans medical program by both doctors and veterans throughout the country. Among doctors getting Veterans administration payments, mainly dentists, numerous cases were listed of charges made for work not done for veterans.

First Band Concert Changed to May

The announcement in the Faculty Blue Sheet of a concert by the Band Shell by the University Concert Band this evening at 8 was incorrect. The open programs will begin in May according to Leonard Falcone, director of bands.

Fire Kills 9 Persons In Chicago

CHICAGO (AP) — Nine persons died and 10 were injured early Sunday in a fire which swept a four-story apartment building on Chicago's South Side.

The ninth body was found several hours after the blaze by firemen making a check of the charred ruins.

Fire Marshal Albert Peterson said more than 100 persons were in the structure when the blaze started on the first floor and swept up a stairwell. All were Negroes.

Two of the dead were killed in leaps from the fourth floor. Others died of suffocation in their own and two-room flats. Several of the injured were hurt dropping from second floor windows after a lower stair flight collapsed.

Peterson said the cause of the fire was undetermined. He estimated damage at \$60,000. Most of the damage was in the stairwell, hallways, and on the third and fourth floors where apartments were burned out.

Five extra alarms were sounded as flames shot through the roof of the 34 structure at 3930 Cottage Grove Ave., known as Hotel Somers.

The victims were taken to Michael Reese and Provident hospitals in the South Side area.

Doctors and Coroner Walter McCreath began separate investigations of the tragedy.

Guinness Picture Opens Tonight

An English comedy about Paris in the 1930s, "To Paris With Love," begins a two-night run in Fairchild Theatre tonight, with performances at 7 and 9.

The film stars Alec Guinness and Virginia Gray as a widowed father and his son.

Admission is 50 cents.

an overriding, innate kindness and modesty. But most of all, they liked him in a way they could scarcely explain. They liked him because, when they saw him and heard him talk, he made them proud of themselves and all the half-forgotten best that was in them and in the nation" (June 16, 1954).

It is comforting to know that the educators, corporation presidents, Congressmen and others who depend on TIME can draw their opinions from such a clear, pure, fountain of fact. Makes the rest of us feel more at ease.

IFC Committee Houses Glee Club

The IFC special events committee took charge of the housing problems for the Wayne University Men's Glee Club Friday.

Each fraternity house made arrangements to have two or three of the glee club members as guests. The guests were given Friday evening dinner and Saturday morning breakfast.

The glee club gave a concert in the Union Friday as a part of the music department's spring concert series.

Homogenized milk can be stored in a freezer, but quality will deteriorate if this is done for long periods.

Playhouse Trials Scheduled Today

Tryouts for two Spartan Playhouse shows will be open to all students today from 4-6 p.m. in 216 And.

Sponsored regularly by the speech department and Alpha Epsilon Iota, the national speech honorary, the shows will be "Bessie Come Home," a radio fantasy to be directed by Dixie Anstey, of the speech department, and "Death of an Average Man," to be produced by Gary Gummert, graduate.

Rehearsals for "Bessie Come Home" will be held Tuesday from 7-9:30 p.m. The show will be taped on Thursday and broadcast April 21 at 4 p.m. over WKAR-AM.

The rehearsals and tape session for "Death of an Average Man" will be held next week. The final production will be broadcast on April 28.

NEW HAIRCUTS

with a continental yet carefree air

It's the personal touch that makes the difference when a Jacobson stylist cuts your hair! He's been specially trained to consider your facial contours, your hair texture and your personality before he snips so much as a lock of your hair. The result: a hairdo designed to flatter. One that gives you a fresh new look—so youthful and so easy to keep lovely. Make Jacobson's your headquarters for haircuts.

YOUTHCRAFT'S HUGWAIST GIRDLE AND PANTY GIRDLE

pare down the pull-hipline to prim's sleek, slender silhouette with new lighter-than-ever nylon elastic... nip in the middle with a cone, aled hugwaist waistband... and trim front and back with floral-patterned satin lastex panels. Perfect for active sports, the panty girdle is designed for comfort with a seamless, one-piece crotch... never rides up or binds. White. Sizes small, medium or large.

MSU DOOMED!

THE BLOB ON CAMPUS TOMORROW

Dodgers Appear Strong Again

ST. PETERSBURG, Fla. (AP)—Nobody expects Brooklyn to break away from the gate again at a 22-2 pace for the first month of the season, but the Dodgers figure to repeat in the National League with 10 games to spare.

Only Milwaukee appears equipped to match the Dodgers' pitching and only Cincinnati can come close to the World Champs' aces.

Although manager Walter Alston must be concerned about the arm trouble of Billy Loes and Karl Spooner, he has bullpen depth and big Don Newcombe to lead the way.

With Ransom Jackson's bat added to the home run punch of Duke Snider, Roy Campanella, Gil Hodges and Carl Furillo, the Dodgers could shatter all home records.

Jackson should be especially potent at Ebbets Field with his handy left field fence.

Rookie Charlie Neal came up

from Montreal to chase Junior Gilliam off second base and give the club the slick double-play combination it lacked.

The Braves must have a sound Conley to head their pitching staff if they hope to challenge. Second base still is a problem for manager Charlie Grimm and it remains to be seen if Bobby Thomson will carry his spring form over into the regular season in a bonafide comeback.

If Birdie Tebbetts can come up with enough pitching from Joe Nuxhall, Johnny Klippstein, Art Fowler and Brooks Lawrence the Cincinnati club could be the best of the others.

The Redlegs have solid batting strength in Ted Kluszewski, Wally Post, Gus Bell and Smokey Burgess plus the defensive skill of shortstop Roy McMillan and second baseman Johnny Temple. Frank Robinson, a rookie outfielder may be the answer to Birdie's left field worries.

St. Louis showed great strength in the Florida exhibitions. Even discounting the fine performance of its pitchers in "pitchers' heaven" at Al Lang Field the return of Vinegar Bend Mizell is certain to bolster the staff.

Every manager agrees the Cards are no seventh place ball club although they finished seventh last season under two managers in a sad year of headless wandering. Red Schoendienst seems set for a fine comeback after his shocking 47-point batting drop in 1955. And, of course, there's always Stan Musial.

The job is separating Cincinnati, St. Louis, New York and Philadelphia.

New York is placed fifth because of Willie Mays and an expected return to form of Johnny Antonelli under manager Billy Rigney.

Despite Robin Roberts' sure fire 20 wins, Philadelphia has so many problems in pitching it could drop to sixth.

On the strength of Ernie Banks' home run bat, Chicago rates seventh ahead of Pittsburgh, which packs little punch but fair pitching from Bob Friend, Vern Law and Ronnie Kline.

Veteran second baseman Nellie Fox of the Chicago White Sox gives rookie shortstop Luis Aparicio an eyeful of his form at Tampa, Fla., as he shows him during workout how he leaps clear of a sliding runner to whip the ball to first base. Aparicio, a rookie up from Memphis where he hit .273, is being groomed by the White Sox to replace shortstop Chico Carrasquel who was traded to the Indians.

Insists Change Needed

Cunningham Hits AAU Rules

ST. LOUIS (AP)—Glen Cunningham, former American mile champion, declared Sunday the Amateur Athletic Union needs a revamping—a discarding of many of its "prehistoric" rules.

"Everyone knows Russia supports its athletes and permits them to live a normal life while at the same time concentrating on their sport," the one-time world record holder said in an interview. "Italy also has its camps for athletes."

Net Squad Undefeated In Dixie Play

A victorious tennis team returned home this weekend with an 8-0 record for their spring matches.

The team scored an upset over George Washington, who is favored to win the Southern Conference title this year, by a score of 3-4.

In both of the last two games played, the Spartans took all sets. Fort Lee was blanked, 9-0, and North Carolina State was beaten, 6-0.

The match with North Carolina, which was to be one of their toughest, was rained out.

Dick Menzel, the No. 1 man in doubles and No. 2 in singles, will be able to play only Saturday matches and in the Big 10 Tourney due to his studies in Vet Medicine.

The regular season will start off with a home match with the University of Detroit on April 24.

Freeman Voted Most Valuable

CHICAGO (AP)—Ohio State's Robin Freeman, Big 10 record-smashing scorer and All-American, edged out Iowa's Carl Cain as the conference's most valuable basketball player the past season.

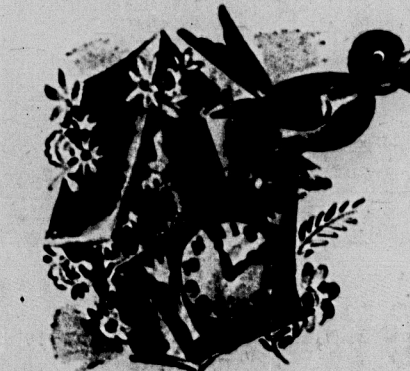

Freeman collected 29 points, four more than Cain, in a poll of conference coaches; 10 veteran officials; K. L. Tug Wilson, Big 10 commissioner; Wilfrid Smith, Chicago Tribune sports editor, and David Condon Tribune columnist.

Freeman becomes the 11th Big 10 player to be awarded the silver basketball, presented annually by the Tribune.

Thinclads Sparked by Lean Are Strong in Marine Relays

Sophomore Dave Lean came in to his own at the Marine Corps Relays at Quantico last Friday and Saturday.

The Australian British Empire Champion paced the sprint medley team to a win as well as winning his specialty, the 440-yard hurdles.

The meet, held in rain both days, attracted some of the best teams in the East and Midwest but the times were slow because of the bad conditions.

Lean's time of 2:54.4 in the hurdles tied the varsity record set in 1937 by DeGay Frost. Dave Hoke was fourth in the race with a 3:51.1 clocking.

The sprint medley team of Hoke, Ken Lefcoe, Ed Brabham and Lean won their qualifying heat in 3:35 and went on to win the final in 3:36. Brabham hand-

led the lanky Australian the baton with a lead and Lean coasted to the win.

State's other win came in the four mile relay when a team of

hurdles but Jack Davis, the former NCAA champion, won the event in 13.8.

Ray Eggleston posted a 15.1 time in the qualifying heats.

ED BRABHAM

DAVE LEAN

... get off to fast starts ...

Ron Wheeler, Gay Denslow, Henry Kennedy and Selwyn Jones posted a 17:57 time. Wheeler took the lead on the opening leg and the sprint distance runners built up a large margin.

Anchor man Jones had the fastest mile of the quartet with 4:23.4.

Kennedy, the Big 10 and IC4A cross country champion, ran an impressive second in the 3,000-meter steeplechase. The Scots-Canadian's time was 9:56, fast considering the conditions.

The winner of the race was Horace Ashenfelter, the Olympic champion in the event.

Brabham was impressive in the dashes when he ran third in the final. Although he ran 10 flat, the Brooklyn sprinter was timed in .008 while qualifying for the finals.

Capt. Joe Savoldi, who posted a 14.5 while qualifying, took an early lead in the 120-yard high jump.

Carta topped Weinstein, 75-45, and won by default over Wilson.

The team title, awarded on the total performance of the individual schools in the air mail tourna-

ment went to Michigan State for the second straight year.

Michigan State's 880-yard and distance medley relay teams went unplaced while the 440-yard team dropped out after the baton was dropped.

State did not enter teams in the one mile, two mile or shuttle hurdle relays.

The track men have a two week break before they compete at the Ohio Relays Apr. 21.

O'Brien, the Olympic champion and world record holder, won the event.

The track men have a two week break before they compete at the Ohio Relays Apr. 21.

Home Runs Help In Orioles' Win

CORPUS CHRISTI, Texas (AP)—Two-run homers by Dave Philley and Bob Nelson and a bases-empty four-bagger by Tito Francona featured a 14-hit Baltimore offensive Sunday as the Orioles defeated the Chicago Cubs 9 to 6 here in an exhibition baseball game.

Walt Morin and Ernie Banks also hit for the circuit on behalf of the National Leagueers before a Sunday crowd of 3,886.

The victory, Baltimore's second in a row over the Cubs, was credited to righthander Ray Moore, who handbatted Chicago on four batters over the opening seven innings. Warren Hacker was the loser.

While slugging his first Orioles homer, Nelson also notched a pair of singles to drive Baltimore hit honors with Fred March, who also connected safely three times.

MANAGERS of all softball and independent bowling teams will meet in 223 Jensen at 7:30 p.m. Wednesday.

A MEETING for all intramural officials will be held in 209 Jensen at 7:30 p.m. Thursday.

INDEPENDENT volleyball is being added to the intramural program for the first time this term. April 23 is the tentative starting date. Games will be scheduled in Jensen Gymnasium.

Braves Conley Not Ready for Opener

SARASOTA, Fla. (AP)—Gene Conley, Milwaukee Braves' pitcher taking treatment for a chronic shoulder infection, did a little batting practice throwing this weekend for the first time since he was benched about two weeks ago. He said his shoulder didn't bother him but that he won't be ready to pitch by opening day.

Michigan State's Athletic Director Billie Munn once held the shot put record in the Penn Relays.

Burke Wins Masters Golf Title

AUGUSTA, Ga. (AP)—Jackie Burke, a pro since he was 18 and one of the most popular guys in golf, broke in as winner of the 20th Masters Sunday as runner-up Ken Venturi and Cary Middlecott collapsed on the final round.

Burke, winning his first Masters championship, shot the final round over the nighty 6,965 yard Augusta National Course in 71, one under par, for a 72-hole total of 289.

Venturi, the amateur sensation from San Francisco who had led from the start, finally yielded to pressure on the last day before the eyes of some 15,000 fans. He had a last round of 80 and a 290 total, just enough to save second place.

Middlecott, four strokes behind Venturi starting the last round and apparently the only threat to a victory for the amateur, finished with a painful 77 that gave him third place at 291.

It was about as incredible a finish as the Masters ever has seen, and there have been some other exciting ones.

Burke was eight strokes out of the lead at the start of the final round and was barely no-

need by the galleries as he played in a two-on-one between Middlecott and Venturi.

Jackie has won a good many tournaments but he never before took a big title like this one, the Open or the PGA championship.

Burke's victory kept alive the traditions that the Masters can't be won by an amateur, by the player who won the year before or by one who hasn't had plenty of experience on the demanding par 36, 36, 36 Augusta National Course. This was his seventh try for the Masters title.

Burke won with rounds of 72-71-75-71 over a course made more rugged than usual by strong winds on two days.

His 289 total equaled the highest ever to win the Masters since Bobby Jones' founded a crazy little

tournament that grew into one of golf's greatest. Sam Snead and Ben Hogan tied at that figure two years ago, with Snead winning the playoff.

The high scores were due largely to the two days of strong, gusty winds.
