MSU's Hancher to Address Grads in Macklin Stadium

President Virgil M. Hancher of the State University of Michigan will address MSU's third largest senior class at the annual commencement exercises in Macklin Field Stadium.

Old Grads Gather This Weekend

Weekend will bring back to the campus 1200 former MSU students and faculty.

The annual Homecoming celebration will be held on Saturday and Sunday. The Homecoming Club, composed of 50 years' standing alumni, will honor the Golden Anniversary of 1906 at a dinner at the second floor of the Union building.

The oldest of all living MSU graduates, Elva T. Gardner, 96, of East Lansing, will be present. She was born in 1860 and was the first female graduate of the college.

Dr. Arthur H. Compton, Distinguished Visiting Lecturer at MSU, Dr. Grover C. Dillman, MSU alumnus, Dr. Marie A. Dye, dean of the College of Home Economics, Dr. Hancher, Dr. Sarah Van Housen Jones, member of the State Board of Agriculture, Dr. Andrew A. Potter, former dean of Engineering at Kansas State College and Purdue University.

Four alumni of Michigan State will receive Distinguished Service Awards. The presentation, an annual tradition, will go to:

Clark L. Brady, Lansing, class of 1904; Dr. Dillman S. Bullock, El Vergel, Chile, class of 1902; Dr. Eugene B. Elliott, Yonkers, class of 1924; Victor R. Gardner, Winter Park, Fla., class of 1905.

Degree candidates will assemble on Power Plant Road between South Red Cedar Drive and North Shaw Lane at 3:30 p.m. They will assemble by colleges, in three columns, behind appropriate signs. Faculty marshals will assist in forming and directing the columns.

Spartan Guard and Color Guard will lead the procession to the tunnel entrance of the stadium. Mortar Band members will serve as escorts for the procession. Varsity club members will be ushers.

The MSU Marching Band, led by Director Leonard Falcone, will precede the procession. Flags of the 77 United Nations will form a semi-circle at the rear of the stage.

Deans of the schools will present the candidates for the conferring of degrees. ROTC commissions will be presented at the exercises.

Diplomas will be distributed in the east concourse at market tables.

Another special table will be set up in the concourse where the graduates may turn in rented caps and gowns.

In case of rain there will be no procession and the candidates will go directly to Jenison Fieldhouse.

Prepare for Active Duty Cadets to Receive Commissions Today

Reserve officers' commissions will be given 167 senior advanced Army and Air Force cadets this afternoon at 3:00 in Fairchild. The Army is issuing 117 commissions, the Air Force 50.

Prof. Paul D. Bagwell, head of the department of army, navy, and air force, will deliver the principal address. Col. Harry Gorman, head of the MSU Army Corps of Cadets, and Col. Glendon Davis, in charge of the campus Air Force Cadet Wing, will hand out the commissions.

All cadets receiving their reserve lieutenant commissions are members of the June, 1956, graduating class.

The Army will issue commissions in 14 categories, while the Air Force cadets will be commissioned into four specific classifications.

Within the next year, all the reserve officers will have been called to active duty under the present military setup.

Arnold Air Group Honors New Brass At Dinner-Dance

The Arnold Air Society of MSU will present a dinner-dance, "Blue and White," in honor of the newly-commissioned Air Force Reserve officers and departing Air Force personnel tonight at 7:30 in the East Lansing American Legion Memorial Center.

Entertainment will be provided by the Edson Gates orchestra, the Corps Spontons and the Three Spades, a vocal group composed of junior advanced AFROTC cadets: Phil Knowles, Nick Smith and Tony Wilson.

Air Science faculty members who have completed their tour of duty at MSU and have been reassigned to other locations are: Lt. Col. Oliver Fowler, present director of training; Maj. Frank L. House, Capt. William Baldwin, Robert Innis and Philip Yager; M. Sgt. Thomas Reynolds, T. Sgt. Robert Baurach, and S. Sgt. John Gall.

Bulganin Sends Ike New Letter

Fresh Disarmament Proposals Expected

WASHINGTON (AP)—President Eisenhower received a thick new letter from Soviet Premier Nikolai Bulganin Thursday, reportedly making fresh proposal on disarmament.

The letter was delivered to Secretary of State Dulles by Ambassador George F. Zarebin. Zarebin declined to say anything about the nature of the message.

At the White House, Press Secretary James Hagerty said the document would be released by the White House, probably in the next day or so. Zarebin reportedly left the timing up to Dulles and the President.

Exchange of letters began last Sept. 19 when Bulganin sent a long message to Eisenhower stating a series of arguments against the President's proposal for an exchange of military blueprints and aerial inspection as a first, practical step toward permanent disarmament control.

In subsequent letters the two debated the "open skies" proposition and also a Soviet proposal for ground inspection teams to be established at key points to prevent preparations for surprise attack.

Into this exchange Bulganin introduced last January a proposal for a 20-year U. S. Soviet friendship treaty. Eisenhower turned it down as likely to create the illusion but not the reality of security.

The last previous letter was sent by Eisenhower to Bulganin on March 1, proposing that Russia, the United States and other nations work out a plan to freeze the atomic weapons supply at present levels in each country and divert nuclear production to peaceful purposes.

The initiative, selected on the basis of scholarship and character, were received officially into the society with a dinner and special ceremony in the Union.

The ceremony included the presentation of the Gold Medal of the Chicago chapter of the American Institute of Chemists to Hugh Farber, Lansing senior, and awards to four honor freshmen and an outstanding sophomore.

Each member received a pin or key, a certificate of membership and a membership card.

Highlighting the ceremony, Dr. Compton presented his views on religion as a scientist.

Socrates, he said, defined man as a creature moved by a conception of the greatest good. This is the first conflict of religion with science.

The scientific view says man is motivated by physical laws. It is the tension of the tensions on the bones that move man according to science, he said.

Most recently there have been the mechanical and interpenetrating, such as August Comte and Laplace, who have said man has no need of God, Compton said.

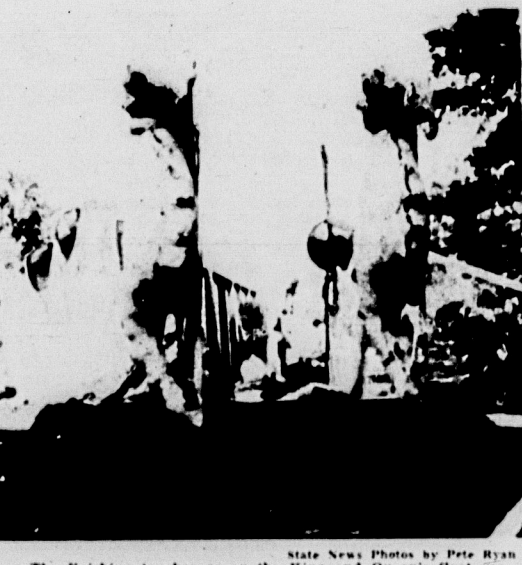

These men merely substitute one religion for another—that of the worship of science or the nation, he said.

According to his definition, God is a spirit and religion is outside the field of scientific proofs, he said. Science is a tool to be used for getting the greatest good.

With religion, man sets up his goal or greatest good. Then, and most important, man must commit himself to this goal, which will give his life meaning, Compton said.

With this definition, science and religion will always agree on the central point—that men must work towards a goal of the greatest good, Compton ended.

The finishing touches go on the King and Queen's float preceding Water Carnival Thursday afternoon.

Bennett Named '57 Head Elaborate Floats Depict MSU Life

Elaborate floats depicting the various aspects of life at MSU seen through mass media are featured in this year's Water Carnival, "Media Mania," which opened Thursday night.

The narrative by Dee Logan, Bay City senior, and Bob O'Hara, Buffalo, N.Y., senior, was well worded and keeps the program moving smoothly. "Jander going" is used as the continuity.

Gov. G. Mennen Williams officially opened the show. Bob Eberhart and his band played for the Carnival on the far side of the river from a television-shaped bandstand.

The king and queen, Dick Wood, Mt. Pleasant senior, class president, and queen Mary Alice Ritchlin, Batavia, N.Y., senior class secretary, came down the river first with an underwater scene drawn by two seahorses. A large clam was their throne.

Winners of Thursday night's water sports were Frederick Mangol, Detroit junior, and Michael Heile, Sault Ste. Marie freshman, in the in and out canoe race and Theodore Freers, Dearborn freshman, in the tub race.

Contestants in the in and out race had to jump out of the canoes, get back in and resume paddling every time the gun went off.

Washburn set in, insertures were used in the tub race. Paddling was done by hand.

Sports judges Thursday were Dave Kaser, Agate junior, and Neil Kosakovsky, Westland, Mass., sophomore. Dave Brogan, East Lansing senior, and Paul Reineke, Detroit junior, will judge tonight. Earl Mottish, Spring Lake senior, Clarence Peake, Flint sophomore, and Pat Wilson, Lapeer sophomore, will judge sports Saturday night.

The water sports events for tonight will be jousting and board balancing. Saturday night there will be pole balancing, log rolling and centipede races.

Campus mascots will race during the intermission tonight. At intermission Saturday the juniors will be tapped for Excellence Trophies for the floats will be awarded Saturday night after the performance.

Tickets for tonight's and Saturday's performances are on sale in the Union ticket office today. They may be purchased at the gate after the ticket office closes. During intermission it was announced that Roger Bennett, Oak Park, Ill., junior, will be chairman of next year's carnival.

President's Last Minute Plea Ignored

GOP Members Revolt on Issue

WASHINGTON (AP)—The House dealt a major jolt to President Eisenhower Thursday by approving a big slash in his \$4,000,000,000 foreign aid bill despite his plea that the cut would "seriously impair" free world security.

With large numbers of his own party revolting against his leadership on this issue, the chamber voted 192-112 against a motion to restore 600 million dollars of the \$1,000,000,000 a House committee had cut from the bill.

Thus the House indirectly ratified the big cut, despite an eleventh-hour letter Eisenhower sent to the chamber Thursday, asking for more money "to maintain the pace of our battle to win a lasting peace throughout the world."

Some supporters of the cut said there would still be ample foreign aid funds; others expressed skepticism that foreign aid has been of any value in halting communism.

Thursday's action is subject to reconsideration on a possible roll-call vote before the bill is passed, but Speaker Rayburn (D-Tex.) and Rep. Martin of Massachusetts, Republican leader, who led a bipartisan move to restore the 600 million, said they planned to fight their move.

House parliamentarians explained that there was no roll-call vote because the House was voting for the time being as a compromise of the show, and roll-calls could not be asked except on amendments approved in committee.

The leaders decided they could not finish with the bill Thursday, so they called a recess until Friday, with any roll-call votes to be held over until Monday. After the bill passes the House, it is subject to Senate action.

Shouted down early in the debate was an attempt to give Eisenhower practically the full \$4,000,000,000 he asked to carry his mutual security program through the 12 months beginning July 1.

A third move to cut an additional 90 million dollars from the bill was defeated 178-68 on a standing vote.

As the bill came from the Foreign Affairs Committee, it called for \$3,914,000,000 in military and economic aid to strengthen friendly nations against aggressive communism.

Bosox Top Tigers in 10th, 6-5

By THE ASSOCIATED PRESS
Tom Lepcio smashed a game-winning double with one out in the 10th inning Thursday to clinch Boston's uphill struggle for a 6-5 victory over Detroit.

Lepcio's drive scored Mickey Vernon from second to settle the issue.

The Sox slammed 18 safeties against three Tiger hurlers but landed 11 runners, one short of the major league record, and saw three men thrown out at third and another at home.

Chicago not only lost the game but may have lost the hard-hitting Harvey Kuenn for a while.

Harvey, batting .359 going into the game, hobbled off after straining a ligament in his right foot as he rounded first legging out a double in the seventh inning.

Bums Bounced

The Milwaukee Braves, held to a total of 10 hits in their last three games, collected 10 hits off three Brooklyn pitchers for a 4-1 victory over the Dodgers.

Right-hander Bob Buhl limited the Dodgers to four hits. The loser was Carl Eskine—the third time he has lost to Buhl.

Reds Move into 1st

The Cincinnati Redlegs took first place in the National League by defeating Philadelphia 8-5, while Chicago was wallowing in Pittsburgh.

It was a season contest, with the Redlegs again coming from behind to top their fourth straight victory over the Phils. The Sox, combined with Chicago's defeat of Pittsburgh, dropped the Phils into the National League cellar.

It is the first time in 12 years that Cincinnati has been on top of the National League this far in the season.

Yanks Clout KC, 9-1

Bob Turley held the Kansas City A's to four hits while homers by Yogi Berra and Hank Bauer boosted the New York Yankees to a 9-1 victory.

Berra's homer off Alex Kellner in the second and Bauer's off reliever Bobby Shantz were the big blows. Yogi also had two singles in the Yanks' 14-hit attack, while Mickey Mantle boosted his league-

leading average to .403 with a double and single in four trips.

Cubs Stop Pirates

The Chicago Cubs, led by Eddie Miksis' homer, triple and two singles, knocked the Pittsburgh Pirates out of first place in the National League with a 5-2 victory in the rubber game of a three-game series.

The Pirates couldn't master Bob Fitch without National League homer leader, Dale Long, who missed starting his first game in season.

Long, who has 16 homers, hobbled to the plate on a sore left leg as a pinchhitter in the seventh but entered a line threat by lofting to left field. Long injured the leg in a slide at third Wednesday.

Chisox Win in 9th

Nellie Fox and Dave Philley shared ninth-inning triples, and both scored on sacrifice flies, to give the Chicago White Sox a 7-5 victory over Washington.

With the score tied at 5-5, Fox opened the ninth with a triple, reliever Pedro Ramos and scored on Minnie Minoso's fly to right. Then Philley tripled and came across after Larry Doby also fled to right.

Orioles Drop Tribe

Pitcher Bill Wright, with another capable relief job by George Zuverink, stopped the Cleveland Indians with five hits as the Baltimore Orioles took a 5-2 victory.

The defeat dropped the Indians 4½ games behind the American League leading New York Yankees as they go into a three-game series starting tonight.

Finally Made It

Michigan State wrestler Jim Simadine won the NCAA 135-pound title in 1956 after finishing third in two previous national collegiate championship meets.

Gayle Robinson Satisfied With Switch to Trainer

By NEIL REITER

Assistant trainer Gayle Robinson is one of the few people to make a switch to a trainer and like it.

"Robbie" was graduated from Michigan State in 1943. During his stay at Michigan State, he was a member of the track squad, winning three major letters. He was also a member of Sigma Delta Psi, national honorary athletic fraternity, and the varsity club.

Coaching for two years at Blyvenna in 1943 and 1944 following graduation, he then entered the Michigan school system as coach and athletic director at Argall Junior High School.

In 1942 he was grid mentor at Muskegon High School and that year coached his team to the league championship with a 7-1 record. After two years of St. Mary's where he coached basketball and football he returned to Michigan State as assistant trainer and instructor.

"What makes my job so difficult is the long, uncertain hours required of a trainer," Gayle stated. "The training room is open between nine and six, but that doesn't mean our work stops there. During winter less the training on the job for such night events as basketball, track, wrestling and boxing."

"Many people think that the football season in fall term is our hardest and most strenuous," Gayle remarked. "Far from it," he continued, "because fall term has

When Gayle was a student, he likes his work as a trainer. He made it up with the great deal of satisfaction in contact with the students and you feel your own winning or losing. Besides, you don't have the fires of the coach."

youth, beauty,
Chevrolet,
action!

Want to take the wheel of one of America's few great road cars? Want to send pleasant little tingles up and down your spine? Then hustle on in and try out a new Chevrolet V8!

Now showing—the happiest "double feature" of the year! One part is bold, new Motorama styling. The other is record-breaking V8 action. Hollywood has a heap of words that describe it: colossal, stupendous, magnificent. We'll settle for just the name—Chevrolet.

Because once you've driven this sweet-handling showboat, the ad-

jectives will take care of themselves. Horsepower that ranges up to 225 makes hills flatter and saves precious seconds for safer passing. And the way this Chevrolet wheels around tight turns would gladden the heart of a dyed-in-the-wool sports car fan.

Stop in sometime soon and high-way-test this new Chevrolet.

Franchi inks Tiger Contract Will Be Sent To Durham

Frank Franchi, sophomore pitcher on the varsity baseball team, has signed a professional contract with the Detroit Tigers. Franchi, a native of Dearborn, Mich., is the first player from the Spartans to sign a professional contract. He was drafted by the Tigers in the 1955 amateur draft. Franchi is a right-handed pitcher and stands 6 feet 2 inches tall and weighs 175 pounds. He is currently a member of the varsity baseball team and is expected to be sent to Durham, N.C., to begin his professional career.

2 Thinclads Enter CCC

Selwyn Jones and Ron Wheeler will be the only two Michigan State entries in the Central Collegiate Championships at Milwaukee, Wis., Saturday. The remainder of the team will stay home and either prepare for finals or the NCAA championships in two weeks. Jones, the 1955 cross country captain, will be entered in the two mile and Wheeler will run in the mile. Both entries are given a good chance to place in their respective events.
