## Suez Canal Declaration Registered

Israeli Navigation Barred by Egypt

UNITED NATIONS, N.Y. (AP)—UN Secretary General Dag Hammarskjöld registered Egypt's new declaration on Suez Canal operations as an "international engagement" Thursday.

He told a new conference it was binding on Egypt as long as it lasts but could be revoked by Egypt at any time or replaced by another declaration of an international agreement.

The document says Egypt will run the Canal, collect all tolls, grant freedom of navigation within the limits of the 1888 Constantinople convention on that subject and be guided in disputes by arbitration or the World Court.

Egypt interprets the convention to authorize her to bar Israeli shipping from the Canal as a defense measure. An Egyptian delegation spokesman has said Israeli shipping "definitely" will be barred.

The council will meet at the request of the United States to hear a report from chief U. S. delegate Henry Cabot Lodge on a month of U. S.-Egyptian canal negotiations.

An Israeli source said Israel will ask permission to speak for its right to use the canal. Egypt, which took part in last fall's Suez debate in the council, will be invited to speak as a matter of course. Neither Egypt nor Israel is a council member.

A U. S. source said of the 1000-word Egyptian declaration: "We are not satisfied with the extent to which this binds Egypt." Washington officials said that in a month's talks in Cairo, Egypt's President Nasser accepted only a few minor suggestions for changes in his original plan.

In London, Minister of Transport Harold Watkinson advised British ships to continue by-passing the canal for the time being.

He told the general council of British shipping that Britain understands the United States and other big maritime powers are standing by similar instructions to shipowners.

## NEWS OF MSU

### Professors Plan Alaskan Summer

Dr. John E. Cantlon, associate professor of botany and plant pathology, and William T. Gillis, Jr., graduate assistant, will spend the summer at the International Geophysical Year camp near Mt. Michelson, Alaska. They will study Arctic plant life.

Dr. Cantlon and Gillis will leave the East Lansing campus for Alaska after spring term and return in the fall.

### Hawkins Given Lecture Award

Dr. Carroll Hawkins, associate professor of political science, has been awarded a Distinguished Lectureship in American Studies at the University of the Andes, Bogota, Colombia.

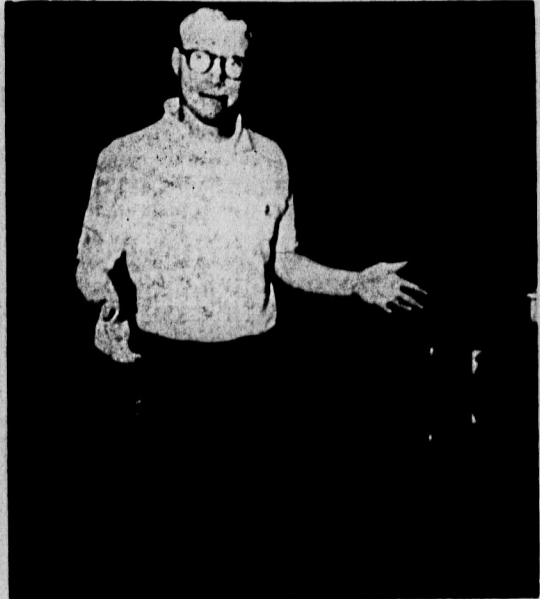

Hawkins will lecture there during the 1957-58 school year on the American social institutions and political thought.

### Radio Committee To Meet Sunday

The Radio-TV committee of the Engineering Council will hold its final meeting at 2 p.m. Sunday, Tower Room, Union. All those attending are requested to bring pictures of last year's exposition and type-writers if possible.

### Freshmen Honorary Schedules Meeting

Alpha Lambda Delta, freshman scholastic honorary for women, will hold a breakfast Saturday, at 10 a.m. in Old College Hall for all those women who earned school full time of 1956.

Student Government President Bob Becker looks in anguish at the empty petition box. Election officials were forced to reopen petitioning for most student congress seats. Details, page 5.

8:15 in Aud

## 4 Choral Groups Plan 'Sing' Tonight

Three glee clubs plus the United States Army Chorus will combine their nearly 250 voices tonight for "The Big Sing" in the Aud at 8:15.

Glee clubs from Michigan State, Wayne and Lafayette will join with the Army Chorus to present a mixture of classical, popular and traditional music. Each group will perform individually and then combine for a five-number finale.

Wayne will open the program with "Praise God in All His Glory" and will sing "At the Round Earth's Imagined Corners," "Quatre Petites Prières" (Nos. 2 and 3), "Sam Saw a Man" and will close with "Little Innocent Lamb."

The United States Army Chorus, featuring five MSU graduates, will present "Sicut Locutus Est," "Pilate, Fili Israel," "Johnny Stiles," "Michigan Morn" and "Die Musicalen."

The host Spartan Glee Club will sing the popular "With a Song in my Heart," "O Vos Omnes," "Freedoms Land," "Summer Evening," "Na Bahia Tem" and "Marry a Woman Uglier Than You."

Lafayette's program will include "The Lord's Prayer," "Whoopee Ti-yi-yo" harmonica accompaniment, "Good Old Mountain Dew," "Song of the Vagabonds" and "The Creation."

The four groups will join in unison to sing "With a Voice of Singing" and then a tribute to each school.

Tickets for tonight's performance are on sale for \$1 at the Union Ticket Office. They will also be sold at the door of the Aud tonight.

## Gung Hsing Wong Speaks Tonight

An address by Gung Hsing Wong, executive director of the Chinese-American Civic Council of Chicago and former Chinese Consul at New Orleans, will highlight the International Club's Chinese Night program tonight.

Wong's talk, sponsored by the Chinese Students Club, will begin at 8 p.m. in 31 Union.

Also on the program will be a slide series narrated by Prof. Shoa Chang Lee, head of the foreign studies department.

Musical selections by Chinese students and dancing and refreshments will conclude the weekly meeting.

## Lemonade and Orchids

By JOANNE BECKER

Today is a special day for juniors, who, thanks to the work of the Junior Council will enjoy a full program of events from 3:30 this afternoon until midnight.

A lemonade and social hour will begin activities between 3:30-5:30 at the band practice field. Juniors will listen to the music of a 13-piece band, drink lemonade and participate in mixed softball, volleyball and miniature golf putting.

In addition, an egg throwing contest will be held. Partners

## Gilchrist Cops Dorm Sing Title

By MITZI KENT

Gilchrist Hall took first place in Thursday night's Women's Inter-Dorm Sing, and South Campbell came in second.

Sally Bird, Davison junior, directed the winning chorus and received the prize trophy, an engraved silver tray. Dr. David Sutherland, Belvidere sophomore, South Campbell chorus director, took the second-place award, a silver bowl engraved with the name of the dormitory.

Other dorms participating in the competition were Mason, East Yakeley, North Campbell, Mayo, Phillips and West London.

Singing groups were judged on tone, interpretation, selections and appearance.

The Gilchrist chorus sang "Green Cathedral" and "June Is Bustin' Out All Over" and South Campbell's presentations were "Halls of Ivy" and "Where'er You Walk."

The Mason chorus, directed by Delores VanHala, Royal Oak freshman, sang "I Will Give My Love An Apple" and "How Merry We Live."

"Gypsy Love Song" and "Go Down Moses" were sung by East Yakeley's chorus, directed by Barbara McClelland, Royal Oak sophomore.

Presenting "The Tinker" and "The Raindrop Story" was the North Campbell chorus directed by Sarah Lowry, Midland senior.

Mayo's presentations directed by Marlene Pilz, Wyandotte junior, were "The Prayer From Hansel and Gretel" and "Life Is A Lovely Thing."

Stephanie Barnes, Cleveland Heights, Ohio, freshman, directed the Phillips group which sang "Deep Purple" and "Syn-copated Clock."

Will increase the distance between them as they successfully catch the eggs, which, to make the event more interesting, will be raw.

All students are invited to attend the dance, "Waikiki Sands," in Union Parlor A, B, C, from 8-12. Tickets have been sent to all juniors, but they will also be available at the door for all wishing to attend.

A South Sea Island atmosphere has been borrowed for the affair, together with a touch of Hawaii. Imported Hawaiian orchids as favors, fluting or-

child table centerpieces and intermission entertainment by the Hawaiian Club will all help to create the touch.

During intermission, 25 juniors will be named as outstanding in their service to Michigan State. Petitioning was open to all juniors. Seniors, senior men's honorary, those whose juniors considered most outstanding on the basis of contributions to their class and to campus activities.

Bill Bopf, junior class president, will announce the names of the honored students.

# Angry Hussein Enforces Military Law on Jordan

## U. S. Sends 6th Fleet to Mid-East

A Show of Force To Back Jordan

WASHINGTON (AP)—The United States Thursday sent its powerful 6th Fleet steaming toward the troubled Middle East in a show of strength aimed at bringing calm to strife-torn Jordan.

This muscle flexing came as the government blamed "international Communism" for the unrest in Jordan and ordered President Eisenhower's special ambassador, James P. Richards, temporarily out of the area.

Secretary of State Dulles, meanwhile, met for 10 minutes with Sen. Knowland (R-Calif.) and Mansfield (D-Mont.), representing the senate leadership of both parties.

All of these moves came as young King Hussein fought at Amman to keep his kingdom from falling apart.

The U. S. moves reflected the seriousness with which the Eisenhower administration is regarding the struggle. They were reported backed up by quiet diplomatic efforts to impress on Jordan's oft times trigger-happy neighbors—Egypt, Israel, Syria, Iraq and Saudi Arabi—that utmost restraint should be exercised on their part.

A new Middle East war could erupt if Hussein were to lose control and Jordan's neighbors decided its real estate was up for grabs.

Knowland told newsmen the situation, as he sees it, is very serious.

The Senate Republican leader said the United States contemplates no emergency action at present.

## Shukri Talks With Nasser About Jordan

CAIRO (AP)—Syria's President Shukri Kuwattly flew to Cairo Thursday for an urgent, secret conference with President Nasser on the crisis in Jordan.

Reliable informants said the chief reason for the meeting was a demand by Iraq that Syria pull out the 5,000 troops it has in northern Jordan.

These Syrian army units entered Jordan last fall at the time of the Israeli invasion of Egypt. Their ostensible purpose was to aid King Hussein's army if Israel also attacked Jordan.

Now, however, the Syrian troops are suspected of supporting leftist and pro-Egyptian elements in near-revolt against King Hussein.

The combination of Hussein's own army, the armed tribal irregulars supporting him, the Saudi Arabians and the Iraqis on the border made it appear that Syria would not hold out long against the demand that its troops withdraw to their own territory.

Kuwattly reportedly is consulting Nasser on what course to take.

Members of a mob that gathered in the streets of Amman, capital of Jordan, try to flee from police trap in city's main square. The mobs shouted anti-United States slogans before police broke it up.

## Kennedy Heads UMOG Top 10

Henry Kennedy, polled 349 votes to lead 10 UMOG candidates into Saturday night's finals. The winner will be chosen at the UMOG dance at 8 in the Fig 10 and Centennial Rooms of Kelllogg Center.

The 10 finalists, their total votes and sponsors are:

Henry Kennedy (349), Zeta Tau Alpha

John Green (390), East Mayo

Bob Jemio (200), North Williams

Joe Carruthers (193), East Yakeley

Roger Forbush (184), West Mayo

Jack Quiggle (179), Alpha Omicron Pi

Barry Grant (168), Mason

Pat Burke (154), Sigma Kappa

Bob Romal (148), Delta Gamma

Johnny Rogers (134), Delta Zeta

Write-in candidate Herman Schwartz was disqualified because of "oral publicity," according to Chuck Lender, general chairman.

## Four Seniors Chosen Tops This Week

Four Senior Council members have been named seniors of the week: Joe Hoffman, Miami Beach, Fla.; Darrell Root, Harvard, Ill.; Yvonne Brown, Chicago, and Joann Brady, Detroit.

Hoffman, a journalism major who has covered sporting events for the State News for four years, has also served as chairman of the Academic Benefits Committee of Student Government, chairman of International Week and is presently in charge of the Senior Council Touring Talent Show.

Miss Brown, a speech correction major, has served on three councils in addition to Senior Council: Sophomore Executive Council, Fresh-Soph Council and Junior Council publicity committee. She has also been

See SENIORS, Page 5

A total of 4,173 votes were cast for the 30 candidates, according to Lender.

Lender explained the current vote totals will have no effect on the UMOG winner. "All 10 men now begin from scratch," said Lender. "Each ticket at the dance is worth two votes and may be cast for one of the 10 finalists."

The UMOG winner will be crowned at intermission by Miss MSU, Kathy Arnold. She will be introduced by Dean of Students Tom King.

Remaining tickets for the dance will be sold on a first-come-first-serve basis until 4 this afternoon at the Union Ticket Office, according to Lender.

If any remain, they may be purchased all day Saturday in Organization Room 2 in the Union or at the door.

## Ban Justified On Newsmen In Red China

WASHINGTON (AP)—The State Department said Thursday Red China and the Middle East are not comparable when it comes to permitting newsmen to go to either area.

State Department press officer Lincoln White told newsmen the situation had been "thoroughly checked out" since the suggestion was raised and left unanswered at Secretary of State Dulles' news conference on Tuesday.

The question was, in effect: Since newsmen have been allowed to visit the Middle East when general travel there by Americans was banned, why not apply the same policy to Red China?

White said he had two comments:

1. Red China and the Middle East are not comparable in this respect, primarily because the United States has diplomatic relations with Middle East countries, but not with Communist China.

2. The ban on Middle East travel last fall was temporary and solely in the interest of protecting Americans in an area of hostilities.

On this second point, White added that exceptions had been made whenever it was found that permitting travel to the Middle East was in the best interests of the United States.

## Young King Struggles to Hold Crown

Trouble Caused By Communism

AMMAN, Jordan (AP)—King Hussein, fighting for his throne, imposed military law on imperiled Jordan Thursday in a series of dramatic moves against his enemies inside and outside the country.

The embattled young king named a new government, clamped a curfew on the nation's main cities as a safeguard against rioting, and abolished the country's 10 political parties.

The 21-year-old monarch

LONDON (AP)—Moscow Thursday night accused the United States of "blatant interference" in the internal affairs of Jordan.

Moscow radio said the United States "by means of behind-the-scenes machinations are trying to set up a Jordan government which would adopt the aggressive Eisenhower doctrine and give up the policy of protecting the national interests and unity with other free Arab countries."

blasted Egyptian propaganda and international Communism, alike as the sources of his nation's trouble.

Less than two months ago Hussein participated in an Arab "summit" conference with Egypt's President Nasser, as an ally in the cause of Arab nationalism. Thursday he told Egypt to leave his country alone.

With swift strokes Hussein held down the threat of burgeoning chaos. Evidently the king felt the time for compromise with his enemies was over.

Jordan's future was in the balance, and the crisis had ominous meaning for peace in the strategically important Middle East. Statements of British and American support in effect were an invitation to Hussein to call for help to save his crown. But the king said Jordan does not want outside help.

The United States ordered its 6th Fleet back to eastern Mediterranean waters, where it patrolled during the Suez fighting last fall. Britain, supporting the American position, consulted with France and allies of the Baghdad pact.

Iraqi troops were reported moving up to the frontier. Saudi Arabian forces in the southern part of Jordan are under orders to aid Hussein where necessary.

# Tornadoes Hover Over Michigan

More Rain, Wind Expected Today

BY THE ASSOCIATED PRESS  
Driving rain and hail plus at least two funnel-shaped clouds whirled over Southern Michigan Thursday for the second straight day.

A funnel described by witnesses as a "baby tornado" blew down a cement block building outside Okemos and a funnel cloud hovered over Jackson and then dissipated into savage rain. Hail stones an inch thick rained down on rural Muskegon and Battle Creek and pounding rain carried by winds up to 40 miles an hour lashed at Jackson and Willow Run airport at Ypsilanti. Meanwhile the U.S. Weather Bureau forecast scattered showers and thunderstorms through today.

At Jackson, civil-aeronautics observers Chester Gray, James Kidder and Robert White said a funnel hovered over Jackson, but finally broke up, unleashing torrents of rain in pitch-black skies.

The storm, which apparently started in Muskegon, worked its way through Grand Rapids, Ionia, Lansing, Jackson, Battle Creek, Ann Arbor, Milford and Ypsilanti, swinging east and missing most of Detroit. Huron county Sheriff Merritt R. McBride and the Coast Guard at Harbor Beach searched the Rock Fall Creek for Joseph Lawrence, 45, a farm laborer. He was last seen Wednesday spearing suckers in the creek. McBride said he is feared drowned.

## Eisenhower Announces Investigation of Rising Oil Imports

WASHINGTON (AP)—President Eisenhower acted Thursday to find out whether mounting oil imports are threatening the national security and whether mandatory curbs are necessary.

At the same time the President directed his defense mobilization chief, Gordon Gray, to re-

new efforts for a voluntary reduction of the flow of crude oil into this country.

"If the finding and recommendations resulting from the investigation which I shall cause to be made result in my determining that an impairment of the national security is in fact

threatened," Eisenhower said, "it will be important for me to know whether an adjustment of imports can be accomplished voluntarily, or whether other measures may be necessary."

As a defense measure, the government could impose import quotas. It also has authority un-

der certain conditions to raise the tariff on crude and discourage imports in that manner.

The President acted after Gray reported to him that the rate of imports "could reach a point at

which the incentive for exploration and development in this country would be so reduced as to make us dependent upon overseas oil supplies to meet our national energy requirement."

## Dances, Term Parties Head Spartan Agenda

### 'Angel's Paradise' Planned For Cardinal Ball Theme

By MARY FLENNER

Dances and term parties will be high on the list of social activities for Spartans on this first real spring weekend of the term.

A celestial realm will surround couples as they enter the Union Ballroom tonight for the Cardinal Ball, which is sponsored by the Newman Club.

The dance's theme, "Angel's Paradise" will be carried out in decoration by the use of a golden rope at the dance's entrance, and fluffy white clouds, silver and gold angels, suspended from the ceiling, will float above the dancing couples.

A three dimensional blue and white backdrop with the dance's theme written on it will also be used. Bob Eberhart and his orchestra will provide the music for dancing and the Deltas will entertain during intermission.

Tickets for this dressy dance, which will last from 9:15 to 11:15 p.m., are on sale at the ticket desk in the Union Newman Hall and may also be purchased at the door. Price of the tickets are one dollar per couple.

"Wakiki Sands," which is sponsored by the Junior Class, will be a fitting climax to J. Day. The dance which will be held in Union Parlor A, B and C, from 8:12 to 11:15 p.m., will feature entertainment by the Hawaiian Club. Also during the evening, the 25 outstanding juniors will be named. Kenny Davis and his band will supply the music for dancing.

Winner of the night's main campus contest will be announced at the UNMC dance Saturday evening from 9:12 to 11:15 p.m. The dance will be held at the Newman Club.

### Fresh Honorary Plans Election

Freshman phisecs of Alpha Lambda Delta, national freshman honor fraternity which has just been introduced at MSU, will hold an informal election in O.E. College Hall at 10 Saturday morning.

Purpose of the meeting is to elect officers for the 1957-58 year. All phisecs who entered as freshmen fall term may attend.

Upperclass women who had a cumulative 3.5 average during their freshman year were also eligible to become charter members of the honor society.

Harold Connolly of Boston, Mass., and his bride, the former Olga Lukova are a happy couple as they arrive in New York on liner America Wednesday. He is Olympic hammer thrower who finally got permission to wed her in Prague, Czechoslovakia.

## Ballot Box

Recently elected officers of Alpha Gamma Rho are: president, Bob Rhin, Pittsburgh, Pa.; vice president, Will Perry, Detroit; secretary, Fred Johnson, Madison, Wis.; treasurer, Sam Migliore, New York, N.Y.; and Grand Marshal, Gladwin, junior.

Recently elected officers of Delta Phi Delta, national honorary are: president, Peter Leonard, South St. Marie, Mich.; vice president, Margaret Wahlberg, Detroit; secretary, Nancy Carson, Grand Rapids; treasurer, Dick Deane, Detroit; and Grand Marshal, Gladwin, junior.

Recently elected officers of Phi Kappa Phi, national honorary are: president, Peter Leonard, South St. Marie, Mich.; vice president, Margaret Wahlberg, Detroit; secretary, Nancy Carson, Grand Rapids; treasurer, Dick Deane, Detroit; and Grand Marshal, Gladwin, junior.

## Tri Deltas Occupy New Chapter House

### Members Overcome Delays As Switch Is Accomplished

By JOYCE ROBB

The big move has taken place! The Tri Deltas moved into their new chapter house at 631 M.A.C. Ave. on April 1. The house was designed by Lee and Kenneth C. Black of Lansing and building started in May of 1956. The first big delay came last July when the builders had to wait three months for steel because of a strike.

The members were anxious to help in the progress of their house, so they washed windows and waxed their own floors before moving in. To show their anxiety, initiation and installation of officers was held in the dormer before the house was completed.

Just as in any new home, there have been difficulties. The plumbing was not exactly right and water has been leaking through the ceiling on occasions. The plumber has not been able to find the trouble as yet.

Not all of the living room furniture has been delivered and there have not been enough tables for all the dinner guests. Quite often, the Tri Deltas find themselves sitting on the floor, but they do not mind because the carpet has foam rubber padding.

The Tri Deltas have been having breakfasts and desserts to get acquainted with their neighbors on M.A.C.

The first house party was a pledge formal in the recreation room in honor of the pledges who put on a skit for entertainment.

The design of the house is contemporary. The exterior is brick with a limestone base and Indiana limestone and California redwood. The interior area of each floor is approximately 3,000 sq. ft.

From the front, the home appears to be two stories, but in the rear a terrace garden goes down to a third level. A redwood planter box decorates the front of the house.

Because of the rain the sunken garden resembles a swimming pool, but landscaping and grading will be started as soon as weather conditions permit.

There is parking area for 15 cars in the rear, which is screened from the garden by a hedge.

To the left of the entrance hall is the living room. It can be closed off from the hall with black lacquer plantation shutters.

The living room is a green-gold with accents of lacquer. Furniture is Italian Provincial in fruit wood. There is a huge fireplace of black brick with a raised hearth and spotlight lighting from the ceiling.

One wall of both the living room and the date room are thermopane windows from the floor to the ceiling.

The house director's suite on the first floor. There are two rooms which are decorated in aqua and cocoa brown. On the same floor is the chapter office.

The combination dining room and lounge is on the lower level. There are floor to ceiling windows that open out on the terrace garden. The room is decorated in pink and charcoal.

The kitchen, with its light oak cupboards, turquoise wall and counter tops, is on the same floor along with the cook's room, laundry, work and trunk room.

There are four combination study and dressing rooms on the first floor and nine on the second. They are painted in pastel colors with harmonizing draperies and slip-covers on the day beds.

The furniture is designed and built for the rooms to make maximum use of space. There is a triple desk in each room, with individual wardrobe units and drawer space below the day beds.

The pastel pink sleeping quarters is on the second floor with its maple bunk beds. Windows on three sides provide ventilation.

There is additional closet space throughout the house and acoustic tile ceilings cut down the noise.

There is a slat floor in the entrance hall and one wall is covered with Japanese grass cloth. Vertical louvers divide the hall from the date room.

# Ike Requests New Labor Laws

## Protection Of Funds Required

### Bill to Wipe Out Corrupt Leaders

AUGUSTA, Ga. (AP) — President Eisenhower Thursday branded labor racketeering "an abomination which must be eliminated." And he called for ousting union leaders "who abuse power and trust."

To help wipe out "corruption on the part of a few in the labor field," the President urged Congress to pass new anti-racketeering laws to protect all union funds, including an estimated \$5 billion dollars so far contributed to labor organization health and welfare programs.

After a 90-minute conference here with Secretary of Labor Mitchell, the President asked for swift enactment of legislation to require:

1. Registration, reports to the government and public disclosure of complete data on all health and welfare funds. The administration already has a bill before Congress to provide for that.

2. Reporting and public disclosure of all other union financial data—for example, dues collected, salaries of union officials, and full treasury statements. The Labor Department gets such information at present, Mitchell said, but needs congressional authorization to make it public.

In a prepared statement Eisenhower said the administration has followed "with intense interest" the efforts of a special Senate investigating committee to bring to light disclosures of corrupt practices and abuses of trust by officers and members of some labor unions.

The President said there should be no obscuring "the fact that the vast majority in organized labor are decent and honest Americans."

But he added: "Labor racketeering, like corruption anywhere, is an abomination which must be eliminated if and whenever it occurs. Any officer and employee of labor—and it appears there have been a few—who abuse the power and trust imposed upon them are not fit to hold union offices."

"The American working man and woman deserve from labor leaders high standards of trust and fidelity."

## Racketeers Increasing In Industry

### Senator Warns Publishers Assn.

NEW YORK (AP) — Sen. McClellan (D-Ark.) said Thursday racketeering has gained such "momentum" in labor and industry that if left unchecked "we could be heading for a gangsterism economy."

McClellan, chairman of the Senate Rackets Investigating Committee, voiced this warning in a speech at the annual dinner of the American Newspaper Publishers Assn.

He said the committee lays heavy emphasis on racketeering, which he defined as:

1. "Conspiring with an employer (A) to deprive union members of their rights; (B) to wreck other businesses and other unions; (C) to prevent by methods which can include collusion or violence... other employers from marketing their goods."

2. "Manipulating for personal gain and profit union pension, welfare and health funds." He said this involves kickback arrangements to fund administrators and the case of the man who allegedly bought the momentum out of union funds.

3. The passing of personal expenses out of union funds. He said hearings at which the committee has accused Dave Beck, president of the Teamsters Union, and Frank W. Brewster, head of the Western Conference of Teamsters, of using large sums of union money to pay their personal bills are "a concrete example."

4. "The use and power of unions and union funds to muscle in on or gain control of gambling and other vices."

## Butler Says—

## GOP Foreign Policy Is Greatest Failure

NEW HAVEN (AP) — Democratic National Chairman Paul M. Butler Thursday called the Eisenhower administration's foreign policy its "greatest failure."

And he said what "little there is that is modern" in the President's domestic program was "lifted bodily from New Deal and Fair Deal programs."

In an address prepared for the Young Democrats of Yale University Law School, Butler also cited Republican National Chairman Meade Afton for a recent statement that the GOP must "develop a keener sense of team spirit—a feeling that 'anything Republican is good because it is Republican.'"

"Here we have it, my friends," Butler said with reference to the Afton remark, "the culmination of a philosophy which is all too prominent in this administration—the identification of a special, narrow, partisan interest with the general interest of our country, and what is good for all Americans."

In his attack on foreign policies, Butler said:

"Here President Eisenhower and Secretary Dulles have attempted to win allies abroad the same way they have campaigned to win elections here at home—the substitution of sloganizing and moralizing for consultation and cooperative action."

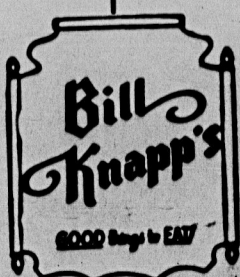

Butler said Dulles' "greatest fault has been his inextinguishable penchant for playing to the home audience rather than keeping his eye on our alliance abroad."

## AUSG Seats Reopen Today For Petitions

Petitioning will reopen today for Student Congress seats in 14 dormitories, sororities, fraternities, men's co-ops, Lansing, East Lansing and married housing, and for Junior class vice president.

Only six dormitories—Gilchrist, West Mayo, East Mayo, West Yakely, East Yakely and Abbott—have filed the necessary minimum of two candidate petitions. Petitioning in all other dormitories will be respected until April 27 at 5 p.m., according to Elections Commissioner Jan Cooper.

Only one person has petitioned for junior vice president. The petitioning for that office will be open until Thursday, according to Miss Cooper.

## Youth Expert Cites Findings

## Many 'Angels' Worse Than 'Devils'

PITTSBURGH (AP) — A youth expert cited research findings Thursday which he said "indicate that many non-delinquents are more delinquent than youngsters who have been adjudicated delinquent by courts."

William C. Kvaraceus, professor of education at Boston University, told in a prepared speech how the offenses of 2,000 juvenile delinquents in the Ft. Wayne, Ind., area were tabulated and the results checked with 427 college students in Texas.

The college students, he said, admitted in anonymous questionnaires that they had committed in earlier years an average of 11 offenses each of the same type for which the Indiana boys had been sent away.

In the city, Kvaraceus said, it's likely to be a case of a delinquent is anybody I don't like."

Not really delinquent, he listed:

1. The Halloween prankster, who may deliberately do malicious damage but is really a rather well adjusted youth "who knows the rules of the game and may actually be disappointed if he isn't punished when he breaks them."

2. The football victory celebrator, who in the course of parading down main street with the vanquished foe's goal posts may accidentally break a store window.

## Major Leagues Put End To Future 'Hoak' Incidents

CINCINNATI (AP)—The Major Leagues acted Thursday to put an end to base runners deliberately letting a batter hit them to prevent a double play.

The leagues immediately both suspended and fined the players who were involved in the incident, and the next successful attempt to prevent a double play by a runner will be considered a violation of the rules.

When a runner is involved in an incident involving a batter, the runner is suspended for five games and fined \$500. The runner also is suspended for five games and fined \$500 if he is involved in an incident involving a batter who is suspended for five games and fined \$500.

In the umpire's judgment, a runner who deliberately interferes with a batter is suspended for five games and fined \$500. The runner also is suspended for five games and fined \$500 if he is involved in an incident involving a batter who is suspended for five games and fined \$500.

## Giltner Cops Solo Honors

## Kappa Kappa Gamma Wins IM Synchronized Swimming

By MARY HULL

Kappa Kappa Gamma swimmers took all honors in the Women's Intramural Synchronized Swimming Meet, held Thursday night in the Women's Pool. The Kappas copped the first two places in the team standings, and also had the top two individual point-getters.

Due to last minute cancellations, only six teams were entered in the meet. Every living unit was eligible to enter one of two teams. The final standings were as follows:

1. Kappa Kappa Gamma (184 points), 2. Kappa Kappa Gamma (182 points), 3. Phi Kappa Phi (178 points), 4. Delta Gamma (175 points), 5. East Mayors (149 points), 6. Mason (140 points).

Sandy Giltner, swimming on the first place team, swept individual honors with a total of 76.5 points. Sandy placed second in the solo competition of the National AAT synchronized meet last Friday night, and with Judy Haze won the national AAT dual title. Judy likewise won in individual standings with 47 points. Genevieve Scott, of Phillips, came in third with 24.7.

Points in the meet were based not only on skill of performance, but also on degree of difficulty of the particular routine. Each of the four routines had 20 optional stunts, of which each swimming chose two, were assigned a difficulty rating.

MIAMI, Fla. (AP)—The first step in Saul Silberman's fight to keep his Tropical Park operating license will be taken Monday before the State Supreme Court.

Attorney Lee Worley, who represents Silberman and the Miami Thoroughbred Racing track, said he would file a petition asking the court to review the State Racing Commission ruling which cancelled Silberman's license April 4.

## Owen Declares Illegal 'Spitball' Is Vaseline Ball

JACKSONVILLE, Fla. (AP)—That isn't the spitball involved in the current Major League controversy, says Mickey Owen, its "vaseline" ball.

He says some pitchers keep vaseline on the ball of their cap, and when they throw the ball, the vaseline comes off and makes the ball slippery.

Owen, former Major League catcher and coach and now manager of the Jacksonville Braves in the South Atlantic League, was quoted by Jack Harston, Sports Editor of the Jacksonville Journal Thursday.

"It's a vaseline ball. I'd say that at least two dozen pitchers in the big leagues are using it all fellows with good control and their fireballing days behind them."

"It's illegal, too, of course. But it's a much better pitch than the spitball from the pitcher's viewpoint. A spitball requires a lot of saliva. But just a little pinch of vaseline will have the same effect."

"It's much harder for an umpire to detect. It doesn't show up on the ball and the pitcher usually has a little of it on the bottom of his cap bill—near his head. He can reach up like he's wiping his forehead and get a little."

### Comeback for Garver

KANSAS CITY (AP)—Ned Garver, still one pitchout away from pitching his first complete baseball game in over a year, got credit for Kansas City's 17-6 rout of Cleveland Wednesday night, and hopes it means a comeback for him.

## Kobsmen Prepare For Big 10 Opener

### Perranoski Will Face 7,300 Hitters at Indiana

The Michigan State baseball team moved back out side Thursday in preparation for today's Big 10 opener against the University of Indiana at 3:30 p.m. at Bloomington.

The Hoosiers returned Thursday from their southern tour, riding a five game winning streak which boosted their season record to a 7-2 mark. Over the five game streak Indiana batters 14,000 opposing pitchers for 70 runs, while Hoosier pitchers relinquished only 15.

Indian Coach Ernie Andres will start either Bill Smith or Dick Mroka on the mound, both are currently supporting 1-1 records. Both their defeats came at the hands of the Irish of Notre Dame.

Seven Indiana batters ended the southern trip with batting averages over the .300 mark. Those who topped the ball at the .300 plus mark were: second baseman Gus Spoholm .500, first baseman Arnie Imler .417, third baseman John Anderson .407, first baseman Carl Kirk .387, shortstop Norm Kosek .375, outfielder Capt. Duffy Franklin .364 and catcher Dick James .353.

With such sluggers opposing him Michigan State's starting pitcher, southpaw Ron Perranoski, will undoubtedly have his work cut out for him.

Following today's encounter with Indiana, the Kobsmen will move on to Columbus for a Saturday double-header with Ohio State.

The Buckeyes will be relying mostly on their mound strength and defensive play.

Ohio State's light hitting showed up during their southern tour, on which they compiled a 7-1 record, when only two batters managed to hit .300.

Leading the hitting attack was infielder Ron Davis with a .307 mark. Frank Howard of basketball fame hit for an even .300.

Tops on the Buck's mound staff during the tour was Galen Cisco's three victories, during which he pitched 21 innings of shutout ball.

Other top hurlers on Ohio State's staff were Jim Rutecki, Al Lindop and Ron Nischwitz. Top reliever was Joe Dringleski with a 1.12 earned run average.

Coach Marty Katow's squad ended last season in second place in the Big 10 with a 9-4 record. They defeated the Spartans in their only encounter by the narrow margin of 8-7.

Top performers other than pitchers returning for the Buck's include Ron Shay, Vern Barkstall and Frank Howard.

Shay a shortstop, is the lone regular returning to the infield. Although he holds an unimpressive .56 batting average of 155 hit glove work should cut down many an opponent run.

Howard will supply the Buckeyes with their power hitting. Last year he hit five home runs and drove in 27 runs for .301 batting average. He can play either right or leftfield.

The pitching staff which will form the nucleus of the club is headed by Cisco, who compiled a 10-1 record last season one of them being over the Spartans.

Other top performers include Bill Soter 5-2, Rutecki 2-1, Lindop 1-0, Dringleski 1-0 and sophomore Nischwitz who is a likely starter.

# White Sox Drub Detroit, 9-4

Sox Swat  
16 Hits,  
Tigers 13

Gromek Takes Loss  
Pitching in Relief

CHICAGO (AP)—The Chicago White Sox raked five Detroit pitchers for 16 hits, including six doubles, Thursday for a 9-4 victory that bolstered their top spot in the American League and buried the Tigers deeper in the basement.

Grabbing their fifth decision in six starts, the Sox spotted the Tigers two runs in the second inning, then knocked starter Billy Hoeltz out with a three-run third and were able to stay to hand Detroit its third straight setback in eight games.

Jack Harshman, ready to hook up in a southern duel with Hoeltz, got his second triumph although yielding 10 hits, including three doubles. He left after six innings for a pinch batter, Dixie Howell finished and held the Tigers in check with three hits.

Hoeltz, victimized by three consecutive hits in the third, was followed on the mound by Steve Gromek, Jim Manning, Jack Crimian and Pete Woney. Gromek absorbed the defeat.

Minnie Minoso and Bubba Phillips each drove in two Sox runs and every Chicago player got at least one hit except Harshman and rookie outfielder Jim Landis. Harshman walked three times.

Kollier Fox slammed two doubles and a single in three trips and Jim Rivera and Phillips each had a pair of safeties and a double. Fox boosted his batting mark to .423.

But the production of doubles was not monopolized by Chicago. The Tigers batted five of them, making a total of 11 for the game.

J. W. Porter contributed a pair off Harshman as well as a single. Al Kaline's only hit was a two-sacker off Hoeltz in the ninth. Bill Tottle also doubled and Reno Bertola hit one as well as two singles and accounted for two of Detroit's runs.

Neither team, however, could boast of exceptionally timely hitting although there were 29 blows in all during the contest. The Sox left 13 men stranded and the Tigers 12.

## Kentucky Derby Entries Arrive

LOUISVILLE, Ky. (AP)—Bold Ruler, regarded by many as the number 2 choice in the Kentucky Derby, arrived Thursday by train from New York after a record-breaking performance in the West Memorial.

Hart Sweeney, stable foreman for trainer Sunny Jim Fitzsimmons, accompanied the colt. Fitzsimmons will be here this weekend.

Meantime, Gen. Duke, the Derby favorite, worked out at Churchill Downs and trainer Jimmy Jones said he would give the Calumet speedster a good drill Saturday. Gen. Duke went the quarter in 26 1/2 and the half in 52 1/2. Iron Liege, stablemate of Gen. Duke, went three-eighths in 36 1/2 and a half in 49 4/5.

## Winner Gets Title Go

### Berrios Meets Bassey In Featherweight Bout

WASHINGTON (AP)—Miguel Berrios brushed up mentally Thursday on a variety of fight plans for the second of his tests in the featherweight title elimination tournament.

Berrios, the aggressive Puerto Rican, faces Hogan (Kid) Bassey of Nigeria by way of Lyle, in the series semi-final at Capital Arena tonight.

The winner of the nationally televised and broadcast (NBC, 10 p.m. EST) 12-rounder will meet Cherif Hamia of France for the crown, scheduled by Sandy Sandler. Berrios was about a 2-1 favorite to get that chance.

This will be Bassey's first bout in the United States, and neither contestant had seen the other in operation. That accounts for the flexible strategy devised by Berrios and manager Jimmy Deangelis.

"I got all kinds of stories about Bassey," Deangelis said. "Some say he's aggressive, some say he's a counter-fighter. You hear so much you don't know what to believe."

Deangelis' entry is known to ring patrons as a busy little man with a sharp left hook and no fear of the enemy.

Bassey says that's the type he likes. The 22-year-old Nigerian pronounced himself "quite fit and confident."

No predictions except: "I hope to do my best." The stocky, 5-foot-2 African with polished voice and manner started fighting on the docks of Lagos at the age of 11. Within five years he was Nigerian Flyweight Champ. He now rules British Empire Featherweights.

Ring Magazine rates Bassey No. 2 contender in the 126-pound division, behind Hamia. The National Boxing Assn. (NBA) ranks him seventh.

Berrios, an inch shorter than

Bassey, is second on NBA's list and third according to Ring. He qualified to meet Bassey with a split decision over Carmelo Costa of Brooklyn last month in the first of the elimination contests.

That victory was his 21st in 28 bouts. George Riddles, Bassey's manager, claims a 53-10-1 record for the Nigerian. Berrios has knocked out three and Bassey 16.

Bassey has lost only once in the last three years. He won the Empire Championship on an 8th round knock-out of Billy Kelly at Belfast in 1955. In his only defense, he outpointed Percy Lewis in England the first of this month.

The Lewis bout marked the first time Bassey had fought 15 rounds. Berrios has never gone beyond 10.

## Fullmer Floored While Sparring

CHICAGO (AP)—Middleweight Champ Gene Fullmer hit the canvas Thursday after a sparring partner connected with a right as Fullmer stepped back. Marvin Johnson, Fullmer's manager, called it a "benign knockdown," but some reports from the ring said Fullmer's training camp at Tam O'Shanter said the champion apparently tripped.

Fullmer was in the second round of a workout with Archie Whitfield of New York when Whitfield tagged Fullmer with a right as Fullmer was moving back. Fullmer was down and then right up again, his camp reported.

## Top Tigers May Push Briggs Out

Owners Not Happy With Spike's Work

DETROIT (AP)—Front office squabbles in the Detroit Tiger organization broke into the open Thursday and indications are that Spike Briggs won't last out the year everybody gave him as General Manager.

When the club changed presidents last week, switching from Fred Knorr to Harvey Hansen in a surprise move, there were widespread rumors that Briggs, the club's president before Knorr took over last October, would be eased out of the picture.

The rumors were revived today when Detroit News columnist Edgar C. (Doc) Green quoted Briggs as saying he was prepared to resign. Greene quoted Briggs as saying the ball club's new owners — eleven strong — "are trying to run it as if it were a factory or something."

It also was revealed that Briggs, whose family owned the Tigers for years until the record \$3.7 million dollar transaction last summer, has prepared a letter of resignation "just in case."

Later, Briggs called the story "a collection of ridiculous nonsense."

But a reliable source close to the new owners said, on a not-to-be-quoted basis, that they have been unhappy about some of the things Briggs has done and said that "certain things have been discussed thoroughly and Spike has had several things spelled out to him."

A report published late last week said all authority to make player deals had been taken away from Briggs and turned over to John McHale, whose official title is Director of Player Personnel.

"We don't send memos through the newspapers and no such move has been made," said John E. Fetzer, chairman of the Board of Directors and one of the most powerful men in the new organization. "Mr. Briggs is the General Manager and has the final veto or approval of player transactions." Of course, when front-line players are involved, the deals must be cleared with the Board of Directors.

## Batting King Bench

HOLLYWOOD (AP)—Rookie outfielder Dick Stuart, homerun king of baseball in the Western League last year, has been benched by Manager Clyde King of the Hollywood Stars.

Stuart's statistics at bat, 48 times, struck out, 24, batting average, .229; runs batted in, 10; walked, 8.
