## Capacity Audience Hears President Diem's Address

### U.S., MSU Receive His Gratitude

Hannah Presents  
Honorary Degree

By NELDA TROUT  
State News City Editor

"The United States of America has helped us magnificently in our efforts to achieve our independence, to become free and to remain free. And a part of that gratitude certainly belongs to Michigan State University," stated President Ngo Dinh Diem of Viet Nam at his major U.S. address given in the Aud Wednesday.

An honorary degree of Doctor of Laws was conferred on Diem in a ceremony witnessed by a capacity audience of faculty and students.

President John A. Hannah, in presenting the degree, cited Diem's leadership of Viet Nam after years of personal protest against existing colonial conditions when "few people viewed the future of Viet Nam with optimism."

Following a standing ovation upon conferment of the degree, Diem stated, "I hope that you will not regard it as presumptuous on my part if I say that this occasion is in a sense a homecoming for me. For it was only four years ago that I last visited this campus."

Diem expressed appreciation for the services rendered to his country by the MSU Viet Nam Advisory Group, particularly in the field of governmental and police administration.

Viet Nam suffered much violence when our older relations with the West ended in conquest, rule by force and colonial exploitation," continued the President.

"It is almost a law of history that in a meeting of different races or peoples, no human relations or profitable cultural contacts can exist if one people becomes the oppressor of the other," he stated.

Diem commented that, "Force is a bad teacher for men who want to be free." He expressed the opinion that colonial rule has done harm to both East and West.

In introducing Diem, Dr. Hannah commented that he was not only the first head of a foreign state to visit our campus, but also a former member of the staff.

The most Reverend Alexander Zaleski, auxiliary bishop and Vicar-General of the Archdiocese of Detroit gave the invocation and benediction.

The Concert Band played for the Academic procession and procession as well as the national anthems of Viet Nam, the United States and the Alma Mater.

At the press conference following the convocation, Diem spoke in French and communicated through an interpreter.

He clarified the correct use of his name by saying that Ngo is actually his surname.

When asked what he felt was the most important factor Viet Nam must have in combating Communism, Diem answered there must be stability in the country with internal security.

"I must attack the economic See DIEM, Page 5.

President Diem speaks to reporters in French, through an interpreter, at the press-conference held following the convocation Wednesday afternoon. An honorary Doctor of Laws degree was conferred on Diem at the convocation.

### Calls Budget Unfair

## Ag Board Protests New Appropriations

By LYNN SHEPARD  
State News Capitol Reporter

The State Board of Agriculture has protested the House Ways and Means Committee's revised appropriations for MSU's 1957-58 operating expenses, calling them "unbelievably unfair and unjust."

The protest, delivered in Wednesday's meeting of the board, was based on the per capita allotment figures of MSU and the University of Michigan. The Ways and Means Committee had not given MSU "comparable treatment" to the U of M, the board charged in a letter to each member of the House.

The letter pleaded the MSU case, asking the individual representatives to "correct the gross inequities" found in the Ways and Means Committee's recommendations.

Using the figures found in the Committee's amended version of Senate Appropriation Bill 1439, the letter explains that the U of M would receive \$30,955,586 in comparison with MSU's total of \$26,133,193. The U of M's per capita appropriation was \$1,233 for 1957-58, while MSU's was \$1,060. This is the heart of the "unfair" charge.

The difference originated, the letter maintained, when the Committee based its new appropriations on last year's estimated enrollments. Last year MSU enrollment was 19,125, or 625 over the University's estimate. Conversely, the U of M's 22,100 enrollment was 300 under its estimate.

While MSU was forced to economize to compensate for its miscalculations by "scratching and scraping," the U of M had extra funds by its mistake. Now the Ways and Means Committee action has widened its base of inequality from \$215 to \$261 per student, the Board of Agriculture claims.

The letter to the Legislature was signed by six of the board members: Clark L. Brody, chairman; Arthur K. Rouse, Dr. Connor D. Smith, Frederick H. Mueller, William F. Baker and Clair L. Taylor, former Superintendent of Public Instruction who is an ex-officio member.

### Creativity Talks Feature Science

The third creativity symposium is scheduled for tonight at 8, 118 Physics-Math Building. Talks will be presented by Erskine Morse, professor of microbiology and public health, who will speak on "Creativity among Microbiologists"; Robert S. Bandurski, professor of botany and plant pathology, whose topic is "Creative Productivity in the Biological Sciences"; and Donald J. Montgomery, professor of physics and astronomy, speaking on "Creativity in the Physical Sciences."

Open discussion will follow the speeches. The public is invited to the symposium.

## Increase in Student Tuition Made Official by Ag Board

### Nixon to Address Graduating Class

Hannah Hosts All Seniors  
At Two Formal Receptions

Vice President Richard M. Nixon will speak at spring commencement exercises June 9.

Announcement of Nixon's visit to the MSU campus was made by President John A. Hannah at Wednesday's meeting of the State Board of Agriculture.

Nixon's speech at commencement will mark the second time in recent years that a vice president of the United States has addressed a Michigan State University graduation class. The late Allen W. Barkley was the principal speaker in 1950.

Traditional ceremonies will begin at 4 p.m. June 9 at Mackinac Stadium.

Dr. Hannah has planned to host all spring term graduates at two receptions which will be held at the stadium.

### Polio Shots Available Next Week

Continuation of a Salk polio vaccine program, the first and largest ever initiated at an American college or university, resumes Monday on this campus.

Administered by All-University Student Government, the program saw 5,777 MSU students take part in two of the three phases of vaccination last fall.

Next week any student can get shots for any one of the three phases, Tom Kinen, new director of the program, said. This, however, is the third necessary shot for those who were vaccinated twice last fall, he added.

It is recommended that students getting the first or second shots next week make arrangements for succeeding inoculations at the proper time.

Second vaccination should be scheduled four to seven weeks after the first and the third shot six to seven months after that, Kinen said.

Eligibility for participation in the program has been defined as: Available to any student who is enrolled full-time and is eligible for Ohio Hospital services.

A fee of one dollar must be paid for each inoculation. Starting Monday morning and continuing through Thursday, MSU will see the completion of a successful program in the interest of humanity Kinen said.

Announcement of hour and location will be in the State News Friday and every day of the inoculation period.

### 'Viewpoint' to Discuss Modern Universities

The purpose of the modern university will be the topic of discussion on "Viewpoint" over WKAR-Radio, Sunday at 2 p.m.

RICHARD M. NIXON  
... commencement speaker ...

held at Cowles House, today and next Wednesday from 7:30-9:30 p.m.

Degree candidates of the Colleges of Communication Arts, Education, Veterinary Medicine and Business and Public Service will be present tonight. Members of the Colleges of Home Economics, Engineering and Arts will attend Wednesday's reception.

The event, which is held each term, will be informal. Those present will meet the deans and directors of the colleges and schools represented, in addition to Dr. and Mrs. Hannah.

According to Starr Keiser, Director of Alumni Relations, some candidates for doctoral, masters and bachelor degrees may not have received invitations due to changes in addresses. He announced that all are invited.

### All Students Invited to Participate

## Variety to Spark Greek Week Events

By JEAN McMANUS

Starting Sunday the sponsors of Greek Week will hold several events which are open to everyone on campus.

This is the second week of programs and banquets sponsored annually by MSU fraternities and societies.

Greek Week has two aims, according to Mary Kay MacKenzie, Walled Lake junior, co-chairman of the week. The first is to create a better understanding between members of Greek organizations through working together on different events.

Promoting better relations between the Greeks and independents on campus is the only primary goal.

A special Greek Week bulletin will be distributed to all living units this week listing the times and places of all events planned.

IFC Sing, the first all-university program of the week, will be held in the band shell Wednesday evening at 7:30. Each of the 17 fraternities participating plans to sing one fraternity song and one other selection.

Trophies will be presented to first, second and third place winners. New Green Helmet members are to be tapped at the sing.

Bob O'Hara, acting as master of ceremonies, will introduce the two top winners of Sorority Sing, Delta Gamma and Alpha Omicron Pi, to sing their winning selections.

Sponsored by Panfil and IFC, this year's Greek Feast, "Olympiad," is set for the Delta Sigma Phi home Friday at 5 p.m. The menu includes: Bergamond steak, lamb, fish, Bavarian potatoes and nuts and fruits from a Grecian island.

Entertainment for the evening will be furnished by John Shaffer's band, the Continentals and the Phi Mu Alpha quartet. There is no charge for the meal and tickets are not needed. In case of rain the feast is scheduled for Saturday night.

Athena's Holiday, featuring Grecian games and contests, will be held at the women's athletic field Saturday morning at 10. Sorority coeds dressed in Greek costumes compete for awards and medals at this event.

Saturday afternoon the Lambda Chi Alpha Junior 800 race is to be run around Circle Drive at 1:30. Bleachers set up across from Landon dormitory will seat spectators. All living units may enter this contest.

Other events planned for Greek Week are for Greeks only. The kick-off affair for the week is the IFC-Panfil banquet to be held Sunday afternoon at 2 in the Big 10 room of Kellogg Center.

No special program is planned for Monday night since that is the regular meeting time for all fraternities and societies.

Tuesday night IFC and Panfil leadership conferences are planned for officers and chairmen of the houses. Conferences are planned to help solve mutual problems and exchange new ideas among house leaders.

Mass exchange dinners among the Greeks are planned for Wednesday night when each house sends three groups of five to other houses for dinner.

Greek Week chairmen are to be interviewed on WJIM-radio Monday evening.

Other events planned for

The cast for "Girl Crazy," to be presented by the MSU Players, rehearses for the three-night run. The musical comedy by George Gershwin will open tonight in Fairchild Theater.

### Comedy Starts 3-Day Run

## MSU Players Present 'Girl Crazy' in Fairchild

"Girl Crazy," the MSU Players production of George Gershwin's musical comedy, begins its three-night stand in Fairchild Theater tonight. Single reserved admissions for \$1 can be purchased at the Union Ticket Office or at the Fairchild Theater box office. Curtain is 8:15 p.m.

### Cheerleading Squad Picked For 1957-58

Twelve cheerleaders for 1957-58 were chosen at final elimination tryouts held Wednesday night.

Cheers picked are: Jan Panter, Skokie, Ill., sophomore; Vicki Smith, East Lansing freshman; Pat Pollock, Grosse Ile sophomore; Georgia Cokinas, Lansing freshman; Pat Kelley, Utica junior; and Jackie Bertson, Detroit sophomore.

Billy Weiss, St. Johns sophomore; Max Walsworth, San Sals junior; Terry Gertsch, Grosse Ile junior; Mary Spencer, Kalamazoo freshman; Dick Stafford, Grosse Pointe Farms freshman; and John Thompson were selected from the male candidates.

Alternates chosen were Lynda Hopkins, Midland freshman; Sue Clark, Vicksburg freshman; Sue Hodge, East Lansing freshman; Bonnie Dyer, Lansing freshman; Lee Cronanburg, and Dave Gratison.

### WKAR Presents Music Program

A music program is being planned for presentation on WKAR-radio Friday at 2:15 p.m.

Performing on the program will be pianist Kay Ewer, Lansing junior, playing the first movement of "Sonata, Op. 10 No. 3" by Beethoven. Charles Vreeland, Delton sophomore, will present a horn selection entitled "Sonata-1939 for Horn and Piano" by Hindemith. His accompanist is Jane Tobey, Manistee sophomore.

### Meeting Scheduled For Water Carnival

The continuity and advisory committees of Water Carnival will meet with all living unit chairmen tonight at 7 in the Tower Room. At this time the continuity will be returned to the living units and discussed.

### Veterans Hit Hardest By Raise

Fees Effective  
Starting Fall Term

The recommended boost in MSU basic tuition fees was officially approved by the State Board of Agriculture Wednesday and will go into effect next fall term. Veterans, especially, hit by a new up-to-ten credits fee, will feel the increase.

According to the new figures, regular resident students taking over 10 credits will have their term fees raised \$17 to a level of \$85. Out-of-state students will receive an added assessment of \$100, \$25 over the present rate.

Veterans taking over 10 credits will have their fees raised from \$122 to \$156 per term. In-state figures, out-of-state veterans will pay an added \$100.

The biggest boost occurs in the 1-5 and 6-10 credit ranges for veterans. Previously no basic tuition had been asked. Now, those veterans in the 1-5 credit classification will pay \$90 (plus \$35 for out-of-state men) and 6-10 credit veterans will pay \$90 (plus \$60 for out-of-state men).

Regular students taking 10 credits or less will be assessed as follows: 1-5 credit students pay \$26 (plus \$35 for out-of-state students) and 6-10 credit students pay \$50 (plus \$60 for out-of-state students).

Summer school rates also received increases. In-state students will pay \$28 (1-5 credits), \$50 (6-10 credits) and \$70 (11-14 credits). Out-of-state students will pay additions of \$33 (1-5 credits), \$60 (6-10 credits) and \$80 (11-14 credits).

Commenting on the increase, Clark Brody, chairman of the State Board of Agriculture, commented:

"We didn't want to do it, but we had no choice. Since the legislature apparently isn't going to give us the money, this was the only way we could get it."

### Driving Permit Fees Boosted To \$15 Yearly

Registration fees for student cars will be raised to \$15 fall term, under the new student Motor Vehicle Regulations tentatively adopted by the State Board of Agriculture at its meeting Wednesday.

Presently the fee is \$5. The cost of registering cars will be raised in order to meet the annual cost of providing places to park student autos.

The new regulations provide for a \$15 fee if registered fall term, \$10 if registered winter term, \$5 if registered spring term and \$7 if for summer and short course session.

The same driving eligibility restrictions will apply. Freshmen will be prohibited to drive as in the past.

The new regulations were approved in principle, but will not be finally adopted until they have been put in legal terminology by the university attorney.

### Last Day to Sign Up For UB Holland Trip

Today is the last day for signing up for the Union Board sponsored trip to Holland, Saturday. Tickets are \$3.50 per person in the UB office.

The trip to see the panorama of tulip arrangements and entertainment presented by the residents of Holland will begin at 7 a.m. Saturday when MSU students will travel by bus.

# Senior Presidency Still Disputed

## Burke Asks Registration Analysis

3 Ineligible Voters Found at 1/4 Check

By DAVID STROUD

The answer to the senior class elections and particularly the question of who is going to be the leader of next year's upperclassmen, lies somewhere between last week's polls and this week's specially called Elections Review Board.

After losing to John Rogers by only seven votes the senior class presidency, candidate Pat Burke requested a recount Friday. Student Government recounted the ballots and came up only one vote off with the decision now standing 512-506 as opposed to the previous 512-505. Rogers still in the lead.

But the real problem now stands at this: How many voters went to the polls and voted illegally?

On the same petition to the Review Board asking for a recount Burke also asked that eligibility of voters be checked. The Board's official decision was to make a 50 per cent check of those who registered to determine if the election is valid.

After checking the first 27 per cent the Board has discovered three illegally cast ballots. If in the next 23 per cent, another three illegal votes are found, the three member Review Board says it will make a final analysis of all the registrations.

Should all this be necessary, and a final count of 100 per cent shows that at least 12 ineligible persons voted, the Board said they will consider a new election for senior class president.

No mention has yet been made whether this whole question of legality will affect any of the other senior officers. None of these candidates have made any overtures to the Board.

Review Board members are: John Anderson, Elections Committee; AUGS; Dorothy McQuillan, AWA's Judiciary; and Ivy Levine, Men's Activities Council.

In any event, the ultimate decision belongs to the Board. No matter what the check shows it is its consideration of the case which will determine if a re-election is in order.

A petition submitted by two seniors asking that the election ordinances be revised goes before the Judiciary Board tonight. The two men were refused permission to vote which they asserted was a "violation of their rights."

## Miss Line, Morin Given Senior Honor

Miss Kay Line, vocational home economics major from La Grange, Ill., and Gordon "Rex" Morin, electrical engineer from Whitehall, were named Seniors of the Week Tuesday.

Miss Line has served on Fresh-Soph Council and on the Student government president's cabinet. She has been J-Hop entertainment chairman, first vice president of Phi Kappa Phi, member of Pi Beta Phi sorority and student government elections and records commissioner.

Morin began his college career by being one of eight students out of 60,000 who completed Basic College with all A's.

He has been a member of Green Helmet, Phi Eta Sigma, Phi Kappa Nu and Tau Beta Phi. He served as president and treasurer of his fraternity, Pi Kappa Phi, and was given its national scholarship award.

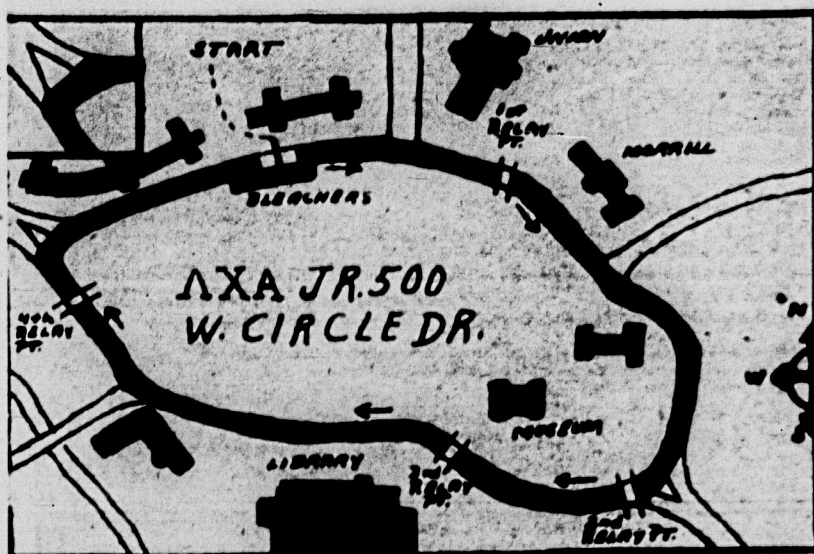

## ANNOUNCEMENT BY Illinois College of Optometry

Applications for admission to classes beginning February 4, 1957 and September 5, 1957 are now being received.

Three year course of professional study leading to the Degree of Doctor of Optometry.

Requirements for Entrance: Two years (60 semester hours or equivalent quarter hrs.) in specified liberal arts and sciences.

WRITE FOR BULLETIN TO: HONORARY ILLINOIS COLLEGE OF OPTOMETRY 2241 So. Michigan Ave. Chicago 4, Ill.

The Lambda Chi Alpha Junior 500 will be held on a changed course this year. Modifications on one corner of West Circle Dr. have caused Bob Johnson, general chairman of the event, to revamp the route traveled by the pushers. Landon Hall will mark the starting point. From there the course will run past the Union and continue clockwise around West Circle Dr. New relay points have been set up. They are 15 yards long and the pushers must be changed within the marked area. The rules stipulate that someone must be pushing the carts at all times. Following the speed heats, the humorous entries will be judged. The fastest heat qualifier will be given post position for the final race. Entries indicate that this year's race will have the largest number of participants in years. Trophies will be awarded after the winner is announced. In all cases the judge's decisions will be final.

## Votes to Halt Ike's Farm Program

## House Strives to Kill Soil Bank

WASHINGTON (AP) — The House voted Wednesday to halt the Eisenhower administration's Soil Bank farm program at the end of this year. The revolt against the program flared after critics charged it was marked by waste and mismanagement.

A 192-187 roll call vote wrote into the agriculture department appropriations bill an amendment barring any Soil Bank payments to farmers in 1958.

The money bill, for the fiscal year starting July 1, was then passed and sent to the Senate by voice vote.

What the Senate will do about the Soil Bank — a key item in President Eisenhower's farm program — was uncertain.

Voting to halt Soil Bank payments were 154 Democrats and 38 Republicans. Opposed were 46 Democrats and 141 Republicans.

Rep. Harrison (D-Va.) sponsored the amendment, which he termed a "temporary injunction" against continuing the program.

Secretary Benson, testifying Wednesday before the Senate Agriculture Committee, said federal farm aid programs need a thorough overhaul. But he supported the Soil Bank.

Other supporters argued the Soil Bank went into effect so late last spring that it hadn't been given a "fair trial."

Under the Soil Bank system, farmers are paid up to 150 million dollars a year to retire from production a percentage of their surplus-producing cropland.

Another feature of the Soil Bank is the conservation reserve under which farmers are paid for putting farmland into long term plantings of trees or grass.

The House did not change the 1957 authorization of up to 450 million dollars for this feature.

Enacted last year, the program was set up to run until 1960 with the aim of cutting surplus production and encouraging conservation practices.

Opponents of the Soil Bank told the House that Secretary of Agriculture Benson spent millions of dollars on the program last year without reducing production "one single bushel."

And Chairman Cooley (D-Mo.) of the House Agriculture Committee said "We have had evidence of many abuses of the program."

Secretary Benson, testifying Wednesday before the Senate Agriculture Committee, said

## Taylor Gets New Staff Job

Clair L. Taylor, Michigan's Superintendent of Public Instruction since July 1953, will join the Michigan State staff July 1 as director of the Summer School and Evening College.

His appointment was approved Wednesday by the State Board of Agriculture.

Currently the Evening College, which has an enrollment of 1,800, is supervised by the Continuing Education Service and the Summer School by the Dean of the Basic Division.

Pointing out this last fact, Vice President Thomas H. Hamilton commented, "An excellent job has been done, but the demands of the deanship of the Basic College are too great to warrant continuation of the arrangement."

Taylor, 34, received his B.S. degree at Central Michigan College in 1937.

In 1937 and 1938 Taylor taught courses in school administration and school finance at MSU while Deputy Superintendent of Public Instruction. As superintendent, he also served as an ex-officio member of the State Board of Agriculture.

## Student Congress

(Continued from Page 1)  
City, N.Y., September Public Relations — Mike Spilliam, Racine, Wis., junior.

Academic Benefits — Louise Hornbeck, Pittsburgh, Pa., junior. Campus Chest — Larry Willis, Saginaw Junior High School. Cooperation — Tom Anderson, Saginaw Junior, Spartan Spirit — Stan Star, Fredonia, N.Y., junior and Administrative Vice President — Tom Kimen, La Grange, Ill., junior.

Congressmen took the oath of allegiance to uphold the AUSO Constitution by Chief Justice Bill Rose.

The floor opened for roll call nominations of officers. Nominations for the top three legislative officers are:

Speaker of the House: Bill Leary, Armstrong, Dave Olson, East Lansing, Barrie Alley, East Lansing and Phil Hough, fraternalists.

Speaker Pro Tem: Carroll Satter, West Shore, Ed Kline, East Lansing, John Goodland, Rafter and Ross Ingram, fraternalists.

Secretary: Karen Miligan.

West Takeley, Carol Newell, Lansing and Lillie Bailey, West May.

Elections are next week. Representative Alley submitted a resolution congratulating Vice Nam President Njo Dain. Dain in his "congratulatory battle against communism, successful building of a new government and nation," and thanking him for his visit here.

## Speech Department To Show Film Today

The speech department is showing a movie today at 4 p.m. in 32 Union. The film is entitled "The Cabinet of Dr. Caligari." Anyone interested is invited to attend.

## Abbott Elected Head Of Language Group

Dr. O. L. Abbott, assistant professor of foreign languages, was elected president of the Michigan Language Society Saturday at Ypsilanti.

## Parking Clinic Starts Today

A course offering solutions to parking problems will be held today and Friday at Kellogg Center.

The course, sponsored by the Highway Traffic Safety Center and the College of Engineering, is set up to help city officials responsible for parking.

Leonard S. Berry, professor of transportation engineering at Purdue University, and other experts in the field will offer help in solving one of the modern city's nagging headaches—where to park.

The course will cover such topics as some of the parking problems, techniques of parking surveys, control of curb space, designing, drawing and financing parking facilities, parking and urban planning.

Isle Royale, in Lake Superior, is the country's only island national park.

## Engagements

### EAST MAYO

Sue Kunde, Farmington junior to Robert Matthews, MSU graduate. Grace Nightingale, Battle Creek junior to Dick Roney, Battle Creek senior. Nancy J. White, Big Rapids junior to Kevin Corbett, Big Rapids senior. Sue Sinclair, South Lyon sophomore to Dan Webster, MSU graduate.

### NORTH WILLIAMS

Pat Clancy, River Junction junior to Alvin O'Neil, Philby senior. Lenora Jordan, Saline junior to Eugene Robinson, Okemos. Joan Grant, Detroit junior to Tom Grant, Grand Lodge junior. Carolyn Gottla, Ironwood senior to John Sander, MSU graduate. Joanne Nesman, South Lyon senior to Dick Sney, Albion senior.

## Named After Past MSU President

# 1400 MSU Men Call Shaw Hall Home

By JUDY NIELSON

"Be it ever so humble, or so large, there is no place like home." Home for 1,400 men of MSU is Shaw Hall located on the banks of the Red Cedar River.

Completed in 1950, Shaw was named in honor of Robert S. Shaw, former president of MSU and father of Mrs. John Hamman.

The dorm is divided into two sections, East and West, each one functioning as a separate dorm. Although divided, they work together on such projects as the dinner party held last weekend. They also co-sponsor record dances.

West Shaw has a long athletic record, having won several trophies this year. Prentiss 2 won

the football trophy this spring and the dorm won the swimming trophy for winter term.

So far this year, they are leading the race for the athletic trophy which goes to the men's dorm with the most IM points. They have won this trophy several previous years.

On Parents Weekend, West Shaw entertained their mothers and presented them with orchids. Other social activities include Christmas caroling at coed dorms followed by a dance in Shaw's lounge.

Last fall they won honorable mention for their homecoming display and in the Horticulture Flower Show.

The scholarship trophy has adorned the trophy case in West Shaw for the past two terms.

They also placed fourth in the recent blood drive.

Shaw's new for West Shaw is a dorm crest which was designed last term and has been put on stationary.

East Shaw is also very active in campus activities. They won the blood drive fall term and placed second in the turkey trot. A hockey trophy was added to

their collection winter term.

The second place scholarship trophy has been claimed by East Shaw both fall and winter terms.

A special feature of East Shaw is the "Little Lecture Concert Series" at which time speakers and films are presented which are relevant to topics of present concern. Dancing classes were also held fall and winter terms with coeds invited to participate.

Last Saturday night, Pat Lund, Midland freshman, was crowned East Shaw's queen. She was chosen by a general election throughout the dorm.

West Shaw will enter Water Carnival with Mason this year, and East Shaw with West Mayo. They will also enter the Junior 500 race.

## Pi Sigma Alpha Plans Discussion

Pi Sigma Alpha, national political science honorary, will hold a meeting today at 8 p.m. in Parlor A of the Union. A student-faculty panel will discuss the topic, "The Problems and Processes of Graduate Education."

Dr. Edward Weidner, department head of political science, urges all graduate students and interested undergraduate students to attend.

According to U.S. Census Reports, 24 million children in the United States belong to families who earn less than \$10 a week.

Working on decorations for their Saturday evening term party, "Street of Dreams," are the four social chairmen of the dorms that are co-sponsoring this event. L. to r. are: Phillips Hall, Janet Howard, Ypsilanti Junior; Snyder Hall, Lynn Dugan, Dearborn freshman; Abbott Hall, Betty Jones, Millington freshman; and Mason Hall, Rochelle Logue, Dearborn sophomore. The dance will begin at 8:30 p.m.

## The Winner

The real winner of the Lambda Chi Junior 500 will be Denise Donmoyer, the Lambda Chi Crescent Queen.

Denise is wearing a moss green and white leaf print sheer cotton dress. The straps go from a low "U" in back, over the shoulder and under the bodice, where they are caught with a long flowing bow. The dress is priced at \$22.95 and comes in sizes 9 to 15.

For accessories, Denise has chosen white cotton shortie gloves priced at \$3.95 and Fresh Water Pearl earrings and bracelet. The earrings are \$1.00 and the bracelet is \$5.00.

Denise is a Ferndale freshman majoring in speech and she lives at Snyder Hall.

## Dorms Set Weekend Calander

With their fingers crossed that the rain will stay away, Spartans have made plans to attend many term parties and dances this weekend.

"Street of Dreams" is the theme of the Mason, Abbott, Snyder and Phillips joint term party Saturday night from 8:30-12. It will be held in the two parking lots and the street between, which will be blocked off.

Terry Collins and his band will provide dancing music along with John Schaefer and his Continentals. In case of rain, the dance will be held in the lower lounge between Phillips and Snyder Halls.

North and South Campbell will hold their term party Saturday night from 9-12 at Campbell Hall. "A Little Bit of Heaven" is the theme which will be carried out in decorations.

The Smith-Jackson band will furnish the music for the evening, and intermission entertainment will be provided by the coeds.

"So Rare" is the theme for the South Williams term party which will be held Saturday night from 9-12. Music for dancing will be furnished by Phil Hough and his Mello-Saters.

The Brody group will hold their term dance themed "Blossom Ball" Saturday night from 7-12 at Snyder Hall. Wayne Ruhl, with Pattie Brody, vocalist, will provide dinner and dancing music along with intermission entertainment.

Shaw will have a record dance Saturday from 9-12 p.m. Bryan and Armstrong are planning picnics at Potter Park on Saturday.

## The Night Of The Bachelor Party...

The story of five ordinary men on a stag dinner that exploded into an angry, drunken, hilarious bing.

A night of party-crashing, Greenwich Village pickups and aimless bar-hopping that ends for each in a moment of great truth.

If you're a woman one of these five is your husband, your boyfriend, your lover—if you're a man one of these five men is you!

## Russia Possible Power For Davis Cup Future

NEW YORK (AP)—Soviet Russia definitely will start challenging for the Davis Cup within the next few years and Australia and America had better watch out, a ranking Swedish tennis official said here Wednesday.

"If the Russians concentrate on tennis as they have on other sports, and I imagine they will, they will prove very dangerous," said E. Thorslund, president of the Swedish Lawn Tennis Federation.

Thorslund, president of the Swedish Lawn Tennis Federation, said that he had a few moments to discuss the amateur tennis picture.

Among his observations: 1. Tennis in the United States and Australia is below its usual standard and there is a chance that a European nation may break into the challenge next for the first time in 20 years.

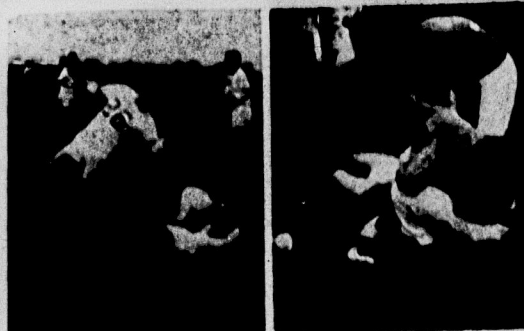

2. Italy looks like the best bet to break the monopoly with

Europe's most improved player in towering Nicola Pietrangeli.

3. Australia will be difficult to let alone as long as the challenge round is played down under the sun.

4. Davis Cup competition should be played on a uniform surface out of fairness to the majority of nations which do not have turf courts as do the United States, Australia and England. Besides, grass courts are becoming too expensive in many places.

As for Russia, the Swedish financier, sports officials, there have been trying to bring in the best players in Europe for exhibitions. Last week I know, was invited. They have asked for our men but we haven't been able to work it into a tight schedule.

George Al Sasanko is stretched out on the grass (right) after being momentarily injured (left) in collision with Jackie Tatter (26). Al Sarria and Art Southan in Saturday's Green-White soccer game.

## Sparring Good Year Ahead

By LARRY GUSTIN

SOCCER, a new sport at Michigan State, should come into its own next fall when it opens its second season of varsity competition.

The game has never had a chance to become popular with the fans because last year, its opening season as a varsity sport, all but one of the six scheduled games were played on the road.

Without the benefit of bleachers or programs, about 100 spectators lined the boundaries as the booters took Michigan, 3-1, in that lone home game.

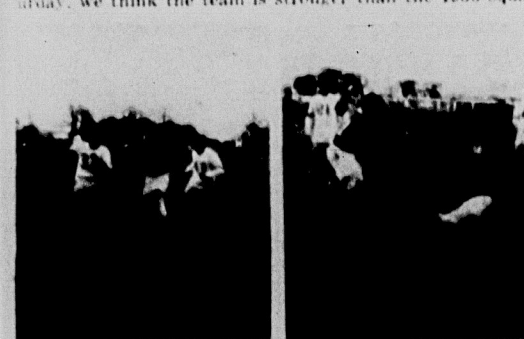

Coach Gene Kenney has lined up an attractive home schedule for the coming season and bleachers and programs will be provided.

Six Saturday morning contests, with Michigan, Kenyon, Wheaton, Navy Pier, Purdue and Illinois have been booked for the soccer field (next to the Secret Practice Field) here and three others will be away.

The Spartans, who placed one man, Angelos Piliotis, on the All-American second team and three, Piliotis, Al Sarria and Ray Burdett, on the All-Midwest squad, do not play in any league but percentage-wise rated tops in the Midwest on their 5-0-1 record.

The tie was against Midwestern Soccer Conference champion Navy Pier, and the rematch here should be one of the most interesting of the season.

After watching the booters' first Green-White game Saturday, we think the team is stronger than the 1956 squad.

... Southan's rush stopped by goalie Sasanko ...

All but three of the regulars are back and strong newcomers will add depth to a team which had only four reserves a year ago.

Sarria and Art Southan, a combination which scored 18 out of a team total of 23 goals last season, are back as are Burdett, Piliotis, Leo Vander Horst, Neil Butler, George Sepety, Dan Clifford, Jordie Tatter, John Asmah and goalie Al Sasanko.

Soccer is one of the world's most popular spectator sports and the Spartans are one of the strongest teams in Midwestern circles.

Their aggressive, hard-pressing style of play should win them many fans and by the time next fall's season has ended it is hoped that the sport will have built up a following and tradition which will continue to grow.

## NL Race in Tie Indians Down Orioles in 16th

BALTIMORE (AP)—Cleveland scored three runs in the 16th inning of a thriller Wednesday night, sawing Baltimore 11-8 in a 1½ hour marathon which saw 11 pitchers in the game.

Rocky Colavito drove in Gene Woodling with the tie-breaking run in the 16th and the Indians added two more on singles by Chico Carrasquel and George Strickland to hold their long-time jinx over the Orioles.

The weird, see-saw battle included six errors evenly divided. Baltimore shortstop Billy Gardner's crucial misplay in the eighth enabled the Indians to send the game into extra innings with a three-run rally.

**Yankees Blank A's**

NEW YORK (AP)—A couple of walks and some inept fielding in the first inning spoiled a good pitching performance by Ned Garver Wednesday and gave the Yankees a 3-0 victory over the Kansas City Athletics behind the five-hit pitching of Tom Sturdivant.

All the Yankee runs came in the first inning on only two hits off Garver.

**Chisox Shut Out Nats**

WASHINGTON (AP)—Jim Wilson pitched his second successive shutout and his third of the season Wednesday night shutting Washington to four hits as the league-leading Chicago White Sox defeated the Senators, 5-0. Winless Chuck Stobbs was dealt a seventh straight defeat.

**Redlegs 7, Phils 2**

CINCINNATI (AP)—Brooks Lawrence allowed only five hits and fanned 11 Wednesday night as the Cincinnati Redlegs moved back into a tie with Milwaukee for first place in the National League with a 7-2 victory over the Philadelphia Phils. It was Lawrence's fourth victory of the season.

**Dodgers Nip Braves**

MILWAUKEE (AP)—Don Zimmer hit the first ball pitched by Lew Burdette in the 10th inning Wednesday into the left field stands to provide the Brooklyn Dodgers with a 3-2 victory over the Milwaukee Braves.

Zimmer's fourth home run of the season after the clubs had dueled to a 2-2 tie over the regulation distance, gave the victory to Brooklyn relief ace Clem Labine.

**Cards Squeeze By**

ST. LOUIS (AP)—Hal Smith singled home Del Ennis from second base in the 14th inning Wednesday night lifting the St. Louis Cardinals to a 6-5 victory over the New York Giants who couldn't make a 4-0 first inning lead stand up.

The game had been tied at 5-5 since the Cardinals' seventh, when Alvin Dark's run-scoring single climaxed the Redbird comeback.

## INVESTIGATE LIBERALISM

If you believe religion should be a way of life and not merely a statement of creeds and the practice of rituals.  
If you believe that what a man is and does is more important than how he defines God.  
If you believe that knowledge did not stop yesterday, that tomorrow may reveal new truth or new aspects of old truths.  
If you are looking for a church relationship with men and women like yourself who are not afraid to face the spiritual challenge of modern science and modern living.

## 5 Hurlers Belted for 16 Safeties

Boone Gets 3 Hits But Lary Loses 4th

BOSTON (AP)—The Boston Red Sox unleashed their heaviest barrage of the season by belting five Detroit pitchers for 16 hits and an 11-8 victory Wednesday in a three hour and 10 minute slugfest.

Veteran first baseman Mickey Vernon drove in four runs with a double and a single while Jackie Jensen sent three more across the plate with a pair of doubles and a single.

The Tigers, who had defeated the Red Sox three straight times, blasted 14 hits of starters Dean Stone and relief hurlers Bob Chakales and George Sauer, but left 11 runners stranded.

Boston's Jimmy Piersall and three singles, while Ted Lepore, Frank Malzone and Sammy White each collected a pair of safeties as the Red Sox snapped out of a hitting slump and ended a three-game losing streak.

Billy Klaus was the only Boston starter except for Stone who failed to hit safely at least once. Ted Williams, had gone hitless in 11 straight trips to the plate, snapped out of the slump by singling in the fifth.

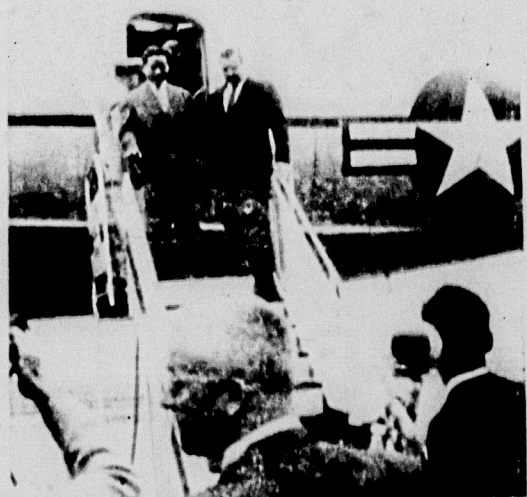

Detroit starter Frank Lary, who had pitched six runs and eight hits before being replaced in the fifth, was charged with his fourth loss. He had won two.

Ray Boone was the big gun for Detroit with three hits, including his second homer of the year in the first with the bases empty. Rega Berteia and Bill Tiffin each had two hits.

# ... The President's Visit ...

President Diem arrives

... On way to car to go to convocation ...

... Faculty in convocation procession ...

## Varied Events Greet Diem

President Ngo Dinh Diem of Vietnam and his official Vietnamese party arrived at the Capital City Airport at 2:30 p.m. Wednesday where they were greeted by President John A. Hannah, university officials and student representatives Bob Becker and Marie Gleason, past and present presidents of Student Government.

An honorary Doctor of Laws degree was conferred on Diem Wednesday at 4 p.m. witnessed with a standing ovation by a capacity audience of students and faculty in the Aud.

A dinner was held in Kellogg Center for special guests followed by a reception for faculty members engaged in the Vietnamese program.

An open reception for all faculty members, students and community representatives was held at 8:30 Wednesday night.

At the reception Governor Williams presented Diem with a pair of cuff links bearing the state seal and a bow tie of traditional green and white polka dots. "I've never lost an election with this," he stated, "and I wish you the same kind of luck."

Diem's departure was scheduled for 8:30 a.m. today. He will leave by plane for Knoxville and the Tennessee Valley region.

Diem arrived in San Francisco May 6, to begin an official visit at the invitation of President Eisenhower.

This is President Diem's first visit to the United States since his voluntary political exile here from 1951-1953.

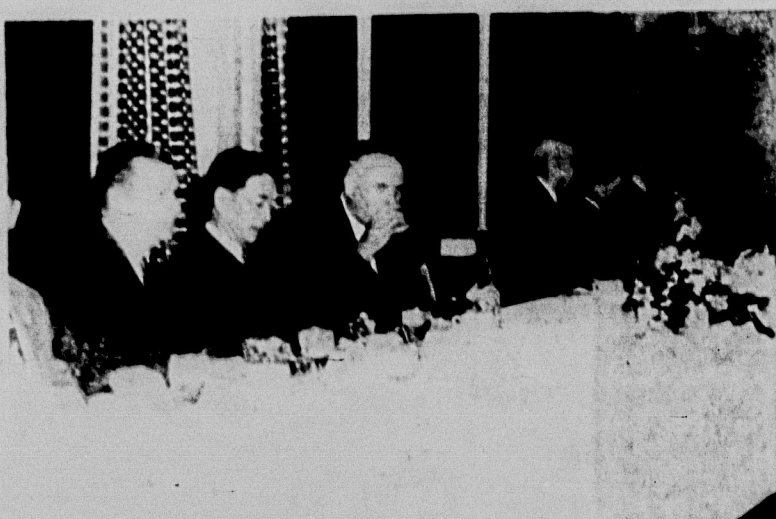

Spartan Guard acted as honor guard during President Diem's visit. The motorcade, including the President's party and greeting party, were escorted to the campus by state, Lansing and campus police.
