Burke Wins Senior Class Presidency

Margin of 96 Votes Wins Him Election

830 Juniors Cast Ballots Compared to 1,013 Before

By DAVID STROUD

Pat Burke is 1957-58 senior class president by a 96-vote margin in an election almost a month in motion. In the wake of election and re-election punctuated by appeals, accusations, epithets and personality conflicts from opposing factions, Burke is in office.

Congress Budgets \$10,000

\$4,000 Goes To Spartan Spirit

An unprecedented high budget of \$10,000 for the 1957-58 year was passed by Student Congress Wednesday night in a three-hour meeting.

Treasurer Rex Dawson presented his recommended budget to Congress explaining in detail each allotment of funds.

The only opposition encountered was some objection to appropriating \$4,000 to the Spartan Spirit Committee. President Marine Gleason, in committee head Stan Starr's absence, outlined Starr's plans.

Congress appeared satisfied as it approved the entire presentation by Dawson. Last year Spartan Spirit spent an allotted \$3,300.

Dawson, last year's officer, will not be replaced until fall term, Gleason has announced.

The president announced winners of AUSA scholarships. The three to receive \$300 each, are Louise Brauner, Okemos; Tom Anderson, Saginaw; and Roger Fortush, Rochester. All are juniors.

Marcia Kierland, Rochester, Minn., junior, was introduced to Congress for approval as Chief Justice of All-University Judiciary. Miss Kierland replaces graduating senior Bill Rees, Toledo, Ohio.

One resolution came out of committee unfavorably and five were introduced in the busy session.

Res. No. 4 (Carroll Sattler, W. Shaw), was defeated. It asked for establishment of a permanent committee to handle special committees.

Res. No. 5 (Barrie Alley, E.L.), passed unanimously. It recommended an increase in the number of football tickets in exchange for activity books by one student from four to eight.

Res. No. 6 (Dave Olson, E.L.), recommended to the registrar's office that additional description be included on university identification cards. The resolution See STUDENT GOVT, Page 3.

Senior Farewell Lands 16 ZBT's In County Clink

Sixteen members of Zeta Beta Tau fraternity were charged Tuesday night of disturbing the peace and spent the night in the county jail.

The group was reported to be staging a noisy senior send-off party in a bath across the road from 2630 Lake Lansing Road.

The students pleaded guilty to the charge of disturbing the peace and paid fine of \$10 and costs of \$4.90 each.

On their release, when asked why the stag was held at a barn instead of at their chapter house, one student said, "the general living conditions in the barn are safer than our house, especially when saying goodbye to a senior."

Block S Committee To Talk to Students

Representatives from the executive committee of Block S will be in all dorms tonight during the dinner hour to answer any questions concerning next fall's Block.

Interested students will have an opportunity to sign up at this time.

PAT BURKE
... senior president ...

mons and East Yakeley. Other precincts remaining as before are:

Burke: Bryan, Rafter, East and West Shaw, Abbott and the Union.

Rogers: Phillips, North Williams, Gilchrist, East Mayo, West Yakeley, South Campbell and Snyder halls.

West Landon and North Campbell, previously Rogers, tied.

All-University Student Government President Marine Gleason commended those involved in the elections machinery for turning out a fine job in the face of so much pressure and activity.

Senior Council will get rolling before the end of the week, Burke said Wednesday night. The president meets today with Tom Anderson, vice president; Donna Reuling, secretary and Sherla Jennings, treasurer, to discuss plans. Burke said he hopes to contact all petitioners and have his council appointed before the term's end.

Traffic Accidents Discussion Topic

John O. Moore, director of the Automobile Crash Research program at Cornell University, will conduct the fourth in a series of traffic discussion programs, sponsored by the Highway Traffic Safety Center, today at 3:30 p.m. in 33 Union.

The topic of his address will be "A Method for Investigation of Cause of Injury in Automobile Accidents." Moore has done extensive research to determine the relationship between automobile structural design and the prevention of injury to occupants.

WKAR-TV to Feature Graduation Exercises

Those who cannot obtain tickets to attend commencement exercises on Sunday will be able to watch the ceremony and hear Vice President Nixon's speech on WKAR-TV at 4:10 p.m.

Professor Don Buell of the speech department will narrate events starting with the traditional procession.

An ultra-modern solution to the Motor City's parking problems is the new Grand Circus Park Underground Garage now near completion in Detroit.

But Must Maintain Defense

Ike Welcomes Ban On Atomic Testing

WASHINGTON (AP)—President Eisenhower said Wednesday he would be delighted to see a total ban on atomic weapons tests—but only if the Soviet Union agrees to a cheat-proof nuclear disarmament system.

In one of the most newsworthy news conferences of his career, Eisenhower made one chief point: what happens next in world affairs is mostly up to the Russians.

Eisenhower said that the United States must and will continue to test nuclear weapons, partly to reduce their deadly radioactive fallout.

He covered doubt, however, that the United States will ever test another super H-bomb like the one exploded in the South Pacific in 1954.

Eisenhower's comments on the H-bomb and related matters came in the wake of conflicting testimony by scientists before a Senate subcommittee investigating the effects of atomic fallout on this and future generations.

Some have said the tests endanger the health of thousands of people in the years ahead. The Atomic Energy Commission's William F. Labby gave the opposite Wednesday that the danger is small compared with the risk of annihilation if this country abandoned nuclear weapon development.

Eisenhower took much the same view. He said he has no choice but to accept the "authoritative" opinion of the National Academy of Sciences, which reported last October there is no great hazard to health from atomic weapon testing.

He went on to say this country has tried to ban bomb tests as part of "a general system of disarmament, controlled and inspected disarmament."

"If we can do that," he said, "we will be glad enough, and very quickly, to stop tests. But we do have the job of protecting the country. We would be foolish indeed to be behind anybody else."

Eisenhower said American tests in the past couple of years have been aimed at developing defensive weapons and to make bombs "cleaner"—that is, to reduce the amount of fallout.

"We have reduced the fallout by nine-tenths," he added.

A reporter asked if there will be any further tests of H-bombs as big as the one which scattered fallout over a wide area of the Marshall Islands in 1954.

"I would doubt that anything like that would ever be repeated," Eisenhower said. He didn't mention the smaller, but still awesome, hydrogen weapon exploded in the same region last year.

Christian Scientists To Present Lecturer

The Christian Science Organization has scheduled a lecture entitled "Christian Science: The Way of Dominion" to be given by Elizabeth Carroll Scott, CSB of Memphis, Tenn., tonight at 8 in the Music Aud.

All interested students are invited to attend.

WKAR-TV to Feature Pianist and Singer

Pianist Gertrude Olin, Wyandotte sophomore, and baritone William Blandine, Traverse City junior, will be featured on "Retreat Hall" tonight at 8:30 over WKAR-TV.

Embezzling Man, Wife Jailed

Needed Money For Kickbacks

COMPUS, CHIEFTEN, Tex. (AP)—A couple accused of embezzling \$80,000 from Michigan said in jail Wednesday they took the money because kickbacks to Democratic politicians put them \$2,000 in debt to the state.

Floyd Raymond Phillips, 58, and his wife, Anne, 48, were arrested by FBI and city officers Tuesday in a plush bar and lounge they purchased recently under the names of Mr. and Mrs. Bob Harris.

They are under federal indictments in Detroit, charged with illegally transporting money obtained from the sale of Michigan auto license plates.

U. S. Commissioner Alt Aiston set bond at \$17,000 each, but Thorpe said "we couldn't raise \$1,000 right now."

Mrs. Thorpe is a former Michigan state employee who ran a branch license plate office in St. Clair Shores, a suburb of Detroit.

The Thorpes were quoted by the Corpus Christi Caller Times as saying they decided to take money after 10 per cent kickbacks, pressured party donations and slow salary checks put them about \$2,000 in debt to the state of Michigan.

"All political appointees were required to kick back 10 per cent of their gross salary," Thorpe said.

In Lansing, James M. Hare, the Michigan Secretary of State, denied emphatically that any such contributions were demanded or solicited.

Mrs. Thorpe said the kickback system is general throughout Michigan. "Everybody pays," she said, "Democrats and Republicans both."

Junior Officers Choose '57-'58 Council Members

The junior class officers for 1957-58 have selected their council members from petitions and interviews. Officers are president, Jules Hanslovsky, East Lansing; vice president, Dave Ball, Ferguson, Mo.; secretary, Joyce Disette, Harbert; and treasurer, Barb Fox, Big Rapids.

Members of the Junior Council are J-Hop co-chairmen, Sue Campbell, Asheville, N.C., and John McCally, Wilmette, Ill. Co-chairmen for J-Day are Avis Stulting, Mt. Pleasant and Jerry English, Saginaw; Block S chairmen, George Frink, Bloomfield Hills; State News representative, Peg Hangosky, East Lansing; and publicity chairman, Gail Seymour, Detroit.

General council members are Evelyn Carlson, White Cloud; Tom Coghill, Columbus, Ohio; Jim Douglass, Detroit; Jean Juday, Dearborn; Sonny Keller, Washington, D.C.; Judy Kershinsky, Saginaw; Zoe Peckman, McKeesport, Pa.; and Rick Stegmeyer, Grosse Pointe.

Members of Phi Beta Phi and Phi Delta Theta work on Water Carnival floats on the banks of the Red Cedar. The show will be held tonight at 8:30.

Oscar's Floats Parade

Water Carny Opens Tonight

By AUDREY MACKNISH
State News Society Editor

Lights! Camera! Action! And the months of preparation will become a reality for Oscar and his Water Carnival staff, tonight at the premier performance of Water Carnival.

The parade of floats will begin at 8:30 and the entries will be led by the "King and Queen" float. The order of appearance after this float will be as follows: 2 "Greatest Show on Earth" Gilchrist and Rafter; 3 "Baby Doll" Mason and West Shaw; and 4 "Philadelphia Story" Kappa Kappa Gamma and Sigma Nu.

The fifth float is "Seventh Heaven" West Landon and Alpha Chi Sigma. 6 "King Henry III" West Yakeley and Bryan; 7 "Born Yesterday" Alpha Delta Phi and Alpha Gamma Rho; 8 "Gone With the Wind" South Williams and Delta Sigma Phi; 9 "All Quiet on the Western Front" Snyder and Armstrong; and 10 "War and Peace" Kappa Alpha Theta and Sigma Alpha Epsilon.

More are: 11 "Best Years of Our Lives" Kappa Delta and Alpha Tau Omega; 12 "Captain Courageous" Delta Zeta and Asher House; 13 "Giant" Phi Mu and Alpha Sigma Phi; 14 "From Here to Eternity" North Campbell and Phi Kappa Tau; and 15 "The High and the Mighty" Gamma Phi Beta and Theta Chi.

Still others are: 16 "Streetcar Named Desire" Abbott and Vets Club; 17 "The Living Desert" East Mayo and Emmons; 18 "Three Moscovites" Alpha Gamma Delta and Delta Chi.

Participating in the benefit event will be members of Greek organizations and their dates. Each couple will be the big brother and sister of one child.

Twenty-six of the children are being sent from St. Vincent's Orphan Home in Lansing. The remaining youngsters were recommended by the Bureau of Social Aid.

Each child will be treated to the show and refreshments and will then be escorted home.

Chairmen for the event are Bill Walton, Lincoln Park junior, and Pat Brady, Cleveland, Ohio, junior.

Queen Petitions Due In AWS Office Friday

All organizations who wish to sponsor a queen next fall term must submit a petition to the AWS office, third floor Union, by Friday. If no petition is received by this deadline it will be absolutely impossible for a group to sponsor a queen for any event. Judy Welsh, Phillips Hall, will supply further information.

MSU Student Likes to 'Tinker'

New Life Given Antique Cars

An array of old model automobiles will roll down the streets of Grand River Ave. Saturday for the Golden Anniversary celebration of East Lansing.

And Jack Gardner, East Lansing sophomore, has the task of collecting and restoring these autos of ancient vintage.

Recently the Veteran Motor Car Club of America awarded him a sterling silver cup in honor of first place achievement in the restoration of a 1907, two cylinder Reo. The judging for this award was based primarily upon how closely the rebuilt auto resembled the original.

While in high school Gardner decided to buy a 1918 Dodge to "burn around" in. He began tinkering with the old

auto to make it roadable—and rideable—and thus developed the keen interests which he continues to pursue.

"Keen interests" is a understatement, for over 3,000 hours went into preparing his cup-winning Reo for national competition.

In addition to his Dodge and Reo, Gardner has restored four other autos which include a 1905 Reo, 1927 Star and a 1932 Packard.

All of these are not considered antiques. Only autos originally constructed before 1912 are so classified. Those making their debut between 1912-1925 are referred to as "vintage" and from that time to the present "classic."

While restoring old autos many pitfalls are encountered.

Most of the body of an antique is made of wood which is invariably rotted away and many other parts are either lost or badly corroded.

In the United States there are three clubs similar in nature to the VMCC, each boasting a membership of approximately 5,000 old car enthusiasts.

Throughout the year various meets and tours are conducted to run the revitalized autos through their paces.

Reasonably long tours are held to test "the old monsters" endurance and roadability. Various meets include overall judging, ownership restoration, cranking contests, and even "drag" races. These events indicate the necessary time and care involved in keeping such autos fit for competition.

Bulganin Asks Arms Settlement

In Speech At Opening ILO Meet

Personal Address Sets President

GENEVA (AP)—Soviet Premier Nikita Khrushchev announced Wednesday the USSR is ready to conclude an appropriate agreement on the whole problem of disarmament as well as on its particular aspects, including an agreement on nuclear weapons tests.

The announcement was made in the form of a personal message to the opening session here of the International Labor Organization. Some such Soviet move had been expected. Among the items to be discussed by this session will be a Soviet resolution that the ILO—one of the specialized agencies of the United Nations—go on record as demanding an end to all nuclear weapons tests.

Bulganin's message went beyond recent Soviet statements, including those by Party boss Nikita Khrushchev in his U. N. television debut Sunday. Bulganin now places the Soviet Union on record as being ready to negotiate an arms settlement, or an agreement on any one of the multiplicity of disarmament problems before the U. N. Disarmament Subcommittee in London.

Bulganin's message said all international organizations, including the ILO, must do everything in their power to preserve peace, reduce international tensions and promote practical cooperation among the nations of the world.

Bulganin's message had been handed to Harold E. Holt, chairman of the conference, in advance of the meeting, with a request that it be read from the platform.

As there is no precedent for such a request, said Holt, "I decided that the message should be read to the conference on this occasion."

Mild, polite handclapping from the delegates greeted the message. But the Communist bloc delegations applauded vigorously after the conference. Claude Hissaire, finished the reading.

First stage rockets of the giant three-stage Vanguard rockets designed to carry the first earth satellites into space are on view in the assembly area during first public showing of the Vanguard at the Martin Co. plant in Baltimore, Md., May 28. A satellite bearing Vanguard will be dispatched next year during the International Geophysical Year program.

Event Sponsored by Drama Honorary

Playwrights Present Work At Reading Theater Premier

By JOE HOFFMAN
State News Night Editor

A premier was held Wednesday night—not a glamorous one but one which proved very worthwhile.

The first Playwrights Reading Theatre was held in 49 And for the purpose of giving young playwrights their first opportunity of hearing their one act productions read aloud by a group of actors and actresses.

Sponsored by Theta Alpha Phi, national dignitaries honorary, the Reading Theatre presented three plays for their initial run—not with full production—but with the reading of the dialogue.

What made the evening especially worthwhile was the critique held following the readings. Drama instructors and interested students in the drama presented and offered constructive criticism to both the playwright and director.

The three plays were all written by members of the playwrighting class, while the direction was done by those in directing classes.

First play was "Legend of the Trees" written by John Fouts, Lansing graduate student, and directed by Donald Baumgardner, Pontiac sophomore and newly elected president of Theta Alpha Phi.

Each character portrayed a tree and the story taken from Judges 9:8-15 inclusive, revolved around the choosing of a new monarch from the variety of trees. It was a simple story but an interesting one.

"It Pays To" written by George Latchford, a graduate of last year, and directed by E. Robert Johnson, Clawson Junior, explored the humorous going-on in heaven and what advertising will do for business.

Richard McIney wrote the evening's final production, "An Altar in the Hills." The three-character play revolved around a practical father, an emotional mother and a harmonica-playing son who enjoyed shooting at bulls. The play suffered from

briefly, as things moved too rapidly to appear realistic.

Dr. Roger Bushfield, playwrighting instructor and supervisor of the Reading Theatre, said he hopes this will become a yearly event and possibly take place once a term.

In this writer's opinion, if definitely should be continued, as it gives writer, director, actor and viewer a chance to discuss in full what has been presented before them.

Japanese Fairness Demanded

WASHINGTON (AP)—President Eisenhower and Wednesday that even though this country has agreed to let Japan try an American soldier accused of killing a Japanese woman, the President still must see "that justice is done."

The case will be watched closely by U.S. lawyers, he said, and if any possible injustice happened to that man it would be a case that would be taken up diplomatically.

Eisenhower said that in previous cases in which American servicemen have been brought before Japanese courts, the Japanese "have been eminently fair."

The present case involves Army Specialist 3rd William B. Girard of Ottawa, Ill., accused of killing Mrs. Naka Nakano on an Army firing range in Japan last Jan. 30.

Pentagon records showed Wednesday that foreign courts have insisted on trying U.S. servicemen charged with violation of civilian law in only one-third of the cases to arise. The Japanese government took jurisdiction in only 11 per cent of such cases in the 12 months ended last May 30.

Eisenhower, showing his familiarity with the Girard case and the issues involved, said that over a longer period Japan took jurisdiction in even fewer cases, percentage-wise.

Saying that more than 14,000 cases have come up in Japan, the President declared that Japan "voluntarily" and he emphasized this word—submitted primary jurisdiction in 13,642 cases to U.S. military authorities.

East Lansing Given Award By National Safety Council

CHICAGO (AP)—East Lansing was granted the National Safety Council's highest award Monday for traffic safety in 1956. The award is the National Award of Honor for traffic safety.

The Award of Honor is reserved for the state which achieves 85 per cent, and the city which rates 80 per cent, or more in evaluation on all its safety sections.

Athletic Director Biggie Munn received the distinguished University of Minnesota Alumni Award at a banquet in his honor at Minnesota Wednesday night. The 1931 All American guard was honored for his contribution to sports.

Student Gov't

(Continued from Page 1) asked for addition of height, weight, eye and hair color and age. It passed.

Res. No. 7 (Alley), concerned judicial action on dorm presidents in cases where malfeasance of administration was shown in all university elections. It was withdrawn.

Res. No. 8 (Ed Kress, E.E. Gene White, Married Housing) recommended a division of two kinds of student vehicle registrations at high and low rates. It asked lower fees for students living in married housing and off-campus who do not ordinarily use campus parking facilities. The resolution passed.

Congress meets Monday night for the last session of spring term.

A law in Switzerland demands that lead pencils must be sharpened before they are sold.

Drama, comedy, romance, songs and dances all have a share in M.C. M's entertainment packed picture. This could be the night! Jean Simmons plays the schoolteacher who works as a part-time secretary and falls in love with Anthony Franciosa. Gene piffing Paul Douglas plays the night club boss, with dancing Neile Adams (top) and songstress Julie Wilson, at the microphone, two of the club's headliners. The music is played by Ray Anthony and His Orchestra.

The Big League Circuit

PHILADELPHIA — The Phillies, who have lost 17 of their last 20 games, were defeated by the New York Yankees 4-2 Wednesday night at the Polo Grounds. The Yankees, who have won 17 of their last 20 games, were led by Roger Maris, who hit a home run in the first inning and a double in the fifth.

NEW YORK — The Yankees, who have won 17 of their last 20 games, were led by Roger Maris, who hit a home run in the first inning and a double in the fifth.

CHICAGO — The first place Chicago White Sox defeated the Boston Red Sox 6-2 Wednesday night at the Fenway Park. The Sox, who have won 17 of their last 20 games, were led by Dick Donovan, who hit a home run in the first inning and a double in the fifth.

Receives 3 Awards

Palamara to Captain '58 Baseball Team

Spartan second baseman Frank Palamara was picked captain of next year's baseball team and was named as batting champion and top offensive player for this year's team at an awards picnic to the team Wednesday night.

Palamara had a season's batting average of .353 which was tops for the club. He received a watch from Daniel's Jewelry for his achievement. The top offensive player award was given to him on the basis of a formula which took hits, runs, bases on balls and RBIs into consideration.

Also awarded at the picnic was Ron Perranoski, who was cited as the squad's top pitcher for the season. Perranoski had an 8-2 won-lost record and an earned run average of 2.73.

Pitcher Bill Mansfield was named as the most improved varsity player and Dennis Martin, Ovid freshman, received the most outstanding freshman award.

The lunch bucket award which is traditionally given to the varsity player with the biggest appetite was awarded to pitcher Dick "Moose" Radatz for having consumed the most food over the season.

 OC 3: S. Shaw 4 vs. Bailey 4
 OC 4: Bailey 2 vs. Emmerson 6
 OC 5: Bailey 3 vs. Butterfield 3

Berra Injured By Foul Tip Off Raines' Bat

CLEVELAND — Catcher Yogi Berra of the New York Yankees suffered a severe facial injury Wednesday night when his mask was broken by a foul tip off the bat of Larry Raines, Cleveland Indian third baseman.

Gus Mauch, Yankee trainer, said Berra may have suffered a fracture of the nose. X-rays will be taken here today.

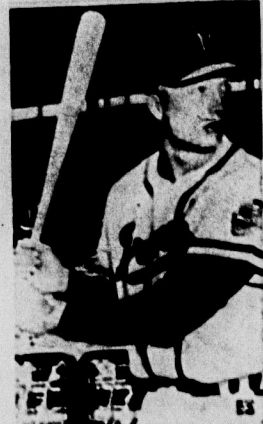

Raines' foul tip broke the cross bar of the catcher's mask and the piece of metal struck Yogi's face.

Elston Howard, who opened in left field for the Yankees, replaced Berra behind the plate. Berra was injured in the third inning.

Michigan State's football team opens its 1957 season at home on Sept. 28, entertaining the Hoosiers from Indiana University.

Frosh Racketmen Look Good as Season Closes

Michigan States' freshman tennis squad wound up its season play with double elimination and round-robin tournaments Wednesday. Varsity Coach Frank Beeman remarked of the team:

"This is the best looking group of freshmen netters we've had at State in many years."

Beeman was especially pleased with the showing of J.C. Cushing. The freshman netter from Dixon, Ill., was undefeated this spring and finished number one out of 20 freshman hopefuls.

Cushing, who recently won the Saginaw Valley Men's championship, is our brightest prospect and he should make a good contribution to the 1958 varsity squad.

Another outstanding freshman netter is Bill Hotchkiss of Grand Rapids. Hotchkiss finished in the second spot behind Cushing in the spring tournament and will be a tough contender for a varsity berth next year.

This year's freshmen squad had many standouts. Others who show promise are Joe Donovan, Grand Rapids; Doug Smith, Lansing; Jeff Green, Berkeley, Calif.; Bob Heaney, Grand Rapids; and Jerry Potter, Hamtramck.

Pay as You Watch Dodgers Give TV Rights To Closed Circuit Company

NEW YORK — The Brooklyn Dodgers have given Skiatron TV, Inc. exclusive pay TV rights to their games whether or not they move to the West Coast, the Theatrical Periodical Variety said in its weekly issue Wednesday.

The paper added that the New York Giants have granted rights to the company for their games should they leave New York.

Writing on an "it was learned" basis, the publication said: "Regardless of whether the Brooklyn Dodgers move, their base to the coast or not, the toll TV rights to their games still are tied up by Matty Fox's Skiatron TV."

"Fox has a signed contract with the Dodgers and also with the Giants which gives him the exclusive pay-as-you-see rights to their games if and when the clubs make their move away from New York."

"If the Dodgers stay in Gotham, and the Federal Communications Commission finally authorizes an experimental over-the-air test of toll-video, Skiatron's subscriber-vision will carry the games."

Walter O'Malley, president of the Dodgers, consistently has denied that pay-TV plays any part in the proposed transfer. Meanwhile, another closed circuit television company has entered the field in competition with Skiatron.

The new outfit, called ITV, Inc. said Wednesday it had offered \$2½ million each to the Dodgers and Giants for the closed circuit television rights to their home games provided the two teams remain in New York.

Closed circuit television, Max Kantor, ITV president, pointed out, does not have to have Federal Communications Commission approval.

"We simply run a cable into a private home or club to hook it into our closed circuit," he said. "Subscribers would pay a flat rate to look at all the games we televise."

Kantor said he also had approached the New York Yankees with his proposal and kept Mayor Robert F. Wagner posted. He has scheduled a demonstration for next Monday.

Celebrating East Lansing's Golden Anniversary

INVESTIGATE LIBERALISM

If you believe religion should be a way of life and not merely a statement of creeds and the practice of rituals. If you believe that what a man is and does is more important than how he defines himself. If you believe that knowledge did not stop yesterday, that tomorrow may reveal new truth or new aspects of old truths. If you are looking for a church relationship with men and women like yourself who are not afraid to face the spiritual challenge of modern science and modern living.

Tuttle's Thump Downs Senators

Tigers Nip Cellar Dwellers, 3-2

DETROIT (AP)—Bill Tuttle, who had been benched for weak hitting, singled home Al Kaline in the 11th inning Wednesday with the winning run as the Detroit Tigers edged the Washington Senators 3-2.

The slump ridden centerfielder lined a hit to center field off Camilo Pascual and broke up the long duel, the last three innings of which were played in hard rain.

Kaline doubled with one out in the first hit off Pascual, who relieved starter Russ Kemmerer in the ninth inning.

Right-handed Paul Foytack picked up his sixth victory, allowing the Senators two hits in three innings of relief work. He rescued Frank Lary, who yielded the run that enabled the Senators to tie the score in the ninth inning.

Charley Maxwell cracked his sixth home run in the eighth inning and put the Tigers into a 2-1 lead. But Lary, seeking to break a five-game losing streak, couldn't hold it. He gave up a single to Herb Plews and a double to Clint Courtney before Foytack was summoned with one out. Plews scored the tying run on an infield out.

Until the ninth inning Lary had faced only 22 batters from

the second through the eighth inning. He gave up a lead off homer to Eddie Yost in the first inning, then stayed out of trouble until the ninth.

Lary scored Detroit's first run himself, tripling as he led off the sixth and scoring on Maxwell's single.

Tony Kubek (34), New York Yankees shortstop, finds himself in a tight situation at second base in the third inning of a game at Washington as he takes a throw from catcher Yogi Berra to make the out on Washington's Eddie Yost, attempting a steal.

N.Y. Newspaper Told The Bums Will Move

NEW YORK (AP)—A top city official has told the New York Post he is convinced Walter O'Malley will move the Brooklyn Dodgers to Los Angeles, the paper reported Wednesday.

The unnamed official, who attended Tuesday's meeting of Mayor Robert F. Wagner with O'Malley and President Horace Stoneham of the New York Giants at city hall, also said he felt sure O'Malley would get Stoneham to move the Giants to San Francisco.

Michigan State's Roscoe Davis set a Big 10 record for putouts by a first baseman with 18 against Wisconsin in 1956.

Five NHL Players Drafted

MONTREAL (AP)—Five players changed hands Wednesday in the National Hockey League's annual intra-league draft. Chicago and Boston each claiming two and the New York Rangers taking one.

Chicago drafted two players from Detroit—Larry Hillman, a defenseman who has seen limited service with the Red Wings during the last season with Springfield of the American Hockey League.

The Bruins took center Norm Johnson, who played with Brampton in the Western Hockey

League last season, from New York, and picked up center Bruce Horvath, who played with Rochester in the AHL from Montreal.

The New York choice was John Hanna, a defenseman owned by Montreal who played with their selections.

Chicoutimi in the Quebec Hockey League last year. The draft price is \$15,000.

Chicago and New York both went over the 18-player limit of protected players in making their selections.

French Have Trouble Forming New Cabinet

PARIS, June 6.—Pierre Mendès-France, who resigned last week, has been asked to form a new French cabinet. Maurice Bourges-Maunoury, defense minister in the late day of the government, stepped up to have a try.

Two other men, Weismann, turned down the job before Bourges-Maunoury agreed to make the attempt.

There were also other men, the Socialist Thevenet, who resigned last week, stepped up to have a try.

Bourges-Maunoury is considered a leading member of the Radical Socialist Party.

He is believed to have a fair chance of winning enough support in Parliament to make forming a cabinet.

Official head of the Popular Front Movement, a slightly left-center Catholic party, gave up the effort because the Socialist National Convention refused to take a position in a Parliament.

There was some speculation that Bourges-Maunoury might succeed with the Socialist whose Mendès-France failed.

Forty thousand voters, most of them voters, are available to him in the Parliament.

English Contest Winners Named

Winners of the poetry and short story contest were announced Wednesday at a luncheon given at the Union for all contestants.

In the short story contest, there was a tie for first place between Sue Mott, Lapeer, Junior, and Dennis Moore, Orono.

The two will split the combined first and second place prizes.

Third place went to Keith Mott, Kalamazoo, and fourth place to Sandra Mott, Kalamazoo.

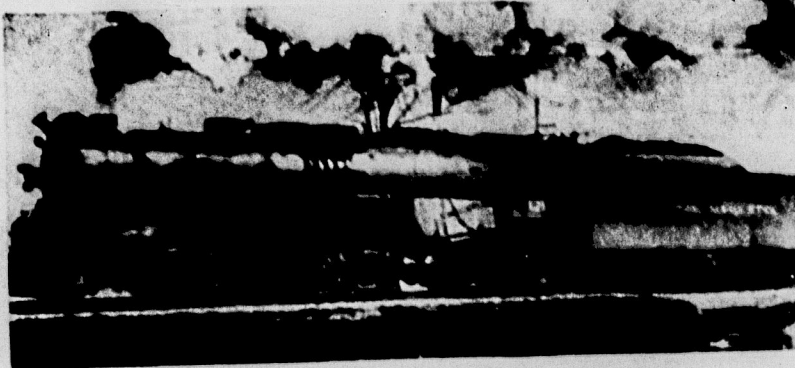

In the poetry contest, first place was awarded to Janet Hill, Kalamazoo, second to Richard Vandervort, New Haven, and third to Max Pohl.

No prizes were awarded in the essay contest, the judges declaring that they did not feel any of the entries were deserving for awards.

Ag Council Plans For Harvest Ball

Engine Heads for Last Roundhouse

The gift of a steam locomotive to Michigan State from the Chesapeake and Ohio Railway Co. will be received Monday afternoon. It was recently announced by officials of the railroad and the university.

The 280-ton locomotive, which will have custody of the 280-ton engine will be located on a track just south of Shaw Lane and southeast of Mackin Sta.

Built in 1941 by the Lima (Ohio) Locomotive Works, the engine is the Berkshire type with 7 1/2 wheel arrangement. Measuring 121 feet from the rear of the tender to the front of the engine, the unit carried

22 tons of coal and 22,000 gallons of water, weighing 400 tons loaded to capacity.

After traveling more than 500,000 miles between Chicago and Detroit in hauling freight and passengers, the unit was out of service in 1951 and has since been in storage in New Buffalo, Mich.

Since the unit has been undergoing

restoration at the C&O's yard at Grand Rapids in preparation for the presentation.

It will be towed from Grand Rapids to the campus because of parts of the restoration process which rendered it impossible to move.

Type of the acceptance program has not yet been set according to university officials.

Students Exhibit Artistic Creations In Union Gallery

The annual Student Art Exhibition will be open to the public in the Union Art Gallery through July 7. All phases of the art department program, from freshman through graduate studies, are represented.

Among the displays are canvases, ceramics and jewelry work stressing a great deal of imagination. Sculptor examples are primarily the work of sculpture modeling and carving classes. There are also several three-dimensional designs displayed in the general design classes.

Drawing and printmaking are represented by a great variety of works covering various media.

Three hundred and thirty-eight convention and trade shows in 1956 attracted 343,000 visitors to Atlantic City in 1956.

Water Carny

(Continued from Page 1)
Also included on this year's budget according to Oscar will be public relations, tickets, programs and secretarial which will add up to \$1,220.
"The grand total for the 1957 Water Carnival comes to \$11,000. That's a lot of money," signed Oscar.

Tickets for tonight's performance which begins at 8:30 p.m. and Saturday evening, which begins at 9, are still on sale at the ticket office in the Union.

"They may also be purchased at the gate," said Oscar, "if the supply lasts. So make sure you have your's, before they're gone."

Police Relations Institute Slated

Ways in which police departments and community leaders may cooperate to improve intergroup relations will be sought at a national conference at Kellogg Center.

The third annual "Institute on Police-Community Relations" will be presented through Friday. Cooperating sponsors include the MSU School of Police

Administration and Public Safety and the National Conference of Christians and Jews.

Correction

Newly initiated officers, Green Helmet include Jennings, Fred Knoxville, Penn, from man as vice president and P. Lecher, Glenn Ellen, Ill, from man as secretary.
