Soviet Union Cautious As West Makes Move For Top Level Talks

Sincerity Put to Test By Powers

Britain, France U. S. Said United In Summit Effort

LONDON (AP) — Sudden Soviet caution in approaching the summit created an impression among diplomats here Sunday that the West had caught the Kremlin off guard.

For the first time, the Western powers seem to have seized the initiative in the bid for summit talks by agreeing to preliminary talks for the top level conference.

Britain, France and the United States were reported united in determination to press forward with the summit. Soviet Foreign Minister Andrei Gromyko appeared to be maneuvering for a meeting of the Western powers, individually, instead of together.

The Russians have been content with what amounts to a challenge to show their enthusiasm for a summit meeting.

British Foreign Secretary Selwyn Lloyd accused the Russians of stalling by telling a Conservative party political meeting Saturday.

They met the three Western powers together around the table at Geneva in 1955. Why should they now refuse to resume the three Western ambassadors beyond my comprehension.

Among diplomats in this capital, it is admitted, are not high hopes for the summit conference. Concrete results — even going to the favoring talks, the Russians, particularly have been accused of merely waging propaganda — and opened themselves to some criticism from neutral and even allies.

It is taking a negative attitude in Britain, the influential Manchester Guardian has often been critical of the attitude of President Eisenhower and U. S. Secretary of State John Foster Dulles. But Soviet maneuvering has led the West to agree to preliminary talks at the ambassador level. This comment from the Guardian:

"It will be surprising if the Russians do not now feel that the Russians who are dragging their feet along the road to the summit."

The Soviet strategy appeared to be emerging while Gromyko and the Western ambassadors were in talks at the ambassador level. He called on Ambassador of the Communist countries in Sweden and India for consultations.

ops Can't Catch 'Em — Take Next Best Action

SALISBURY, N.C. (AP) — Drag racers in their souped-up automobiles make frequent use of an unfinished strip of the US 29 highway bypass near here.

The police can't touch them because the stretch hasn't been officially turned over to the state yet. There's no through traffic.

Last night, however, officers ticketed 160 spectators who were watching the races for illegal parking on approach roads to the strip.

Planning for the 59 conference will begin this term following petitioning and selection of conference and committee chairman, Presidents Karen Fox and Steve Witt said.

Sisters Enjoy Beer, Cards

SAN ANTONIO, Tex. (AP) — A pair of spunky twin sisters, one of whom likes to "gamble with cards" and the other an advocate of a daily bottle of beer, celebrated their 100th birthday here today.

Mrs. Inez Ruiz and Mrs. Inez Barrera have a twin reunion for observing April 21, their birthday coincides with San Jacinto Day, a legal holiday in Texas.

They were born in San Diego in the southern part of the state exactly 22 years after the battle of San Jacinto which assured the independence of Texas.

The two girls grew up together on a farm where they became used to long hours and hard work.

Mrs. Barrera recalls arising at 2 a.m. to help her father with the chores, but said that didn't stop her from attending most of the dances in the Rio Grande valley.

They traveled by horseback in those days and she often accompanied her father to card games in the area.

ROGER FORBUSH
... Outstanding senior ...

Top Senior Award Goes To Forbush

Roger Forbush, former president of the Inter-Fraternity Council, was named outstanding senior of the year for his participation in campus activities.

With Forbush, 57 other campus men and women were cited for their active college life and joined him as members of the '58 Club.

The '58 Club, following precedence of similar groups in previous years, will form the nucleus for class meetings in future years, especially at Homecoming and similar events.

They were selected for outstanding participation and leadership during their four college years.

The seniors will meet before graduation to elect permanent officers and discuss plans.

Forbush was awarded \$50 for his honor. The sum was left by the 1957 class and designated for that purpose.

'58 Club Members

Paul Alms, Suzanne Ambrose, Thomas Anderson, Thomas Andrews, Barbara Arnold, Bob Barnes, Sally Boone, William Bopp, Louise Brauman, Patrick Burke, Frank Caravette, Patricia Clancy, Gene Clendenen, Jean Cunniff, Marilyn Douma, Deigh Doherty, Loretta Ellis, Nancy Farmiloe, Grace (Taylor) Field, Roger Forbush, Marie Gerson, Patricia Herlihy, Louise Hornbeck, Kenneth James, Sherie Jennings, Susan Johnson, Maria Kivland, Thomas Kiser, Suzanne Leichter, Oscar Malik, Marilyn Mosler, Mary Kay Mackenzie, Dorothy McQuillan, Harold Milton, Roger Missimer, Ann Mullinger, Patricia Palmer, Elizabeth Front, Mel Reiter, Janet Reising, John Rogers, Audrey Ross, William Rose, Donna Reuling, Dean Rybak, Charlene Schadt, Irene Schiele, Carolyn Schaffner, Stanley Star, Ray Stein, David Throum, Janet Theorin, Daniel Wagner, Darlene Willard, Lawrence Wills, Barbara Wilson, Winston Wilson, and Peter Zanghi.

Cuba Calm With Batista In Control

Castro Revamps As Attacks Taper

HAVANA (AP) — Strife-torn Cuba appeared Sunday to be settling down into an uneasy calm, with President Fulgencio Batista firmly in control. Rebel attacks have tapered off nearly everywhere.

How long the comparative peace will last was anybody's guess. But it was clear that rebel leader Castro was being forced to revamp his strategy after dealing himself near mortal blows.

What public support he might have had dwindled after the failure a week ago of a general strike call and armed uprisings in Havana and Santiago de Cuba. Furthermore, he has been sending rebel units out of his mountain hideouts in eastern Oriente province to battle numerically superior and better equipped government troops.

These excursions have cost Castro—by unofficial estimate—300 killed and wounded since April 1. Known government losses are less than a score killed and wounded.

Castro had managed to wage guerrilla war for the last 16 months by sticking close to the mountains. But by sending his guerrillas out along the highways and into small towns in Oriente, he gave the Cuban army its first chance to take a crack at rebels in open battle—and the soldiers made the most of it.

If Castro orders his guerrillas back to the Oriente mountains he might hold out indefinitely. If he does not, Cuban troops have a good chance of destroying Castro by cutting down his forces in groups of 10 to 20 at a time in open fighting.

Rebels still talk of trying to call a general strike and uprisings in key cities to overthrow Batista.

Greeks to Meet At MSU in 1959

Michigan State has been selected to host the eleventh Big 10 Inter-Fraternity-Pan-Hellenic Convention in April 1959, by a unanimous vote of this year's convention, held at the State University of Iowa in Iowa City, this weekend.

A delegation of 200 students and advisors is expected on the MSU campus for a four-day meet to discuss policies, functions and duties of fraternities and sororities.

Planning for the 59 conference will begin this term following petitioning and selection of conference and committee chairman, Presidents Karen Fox and Steve Witt said.

Nancy Stevens Crowned 'Jr. 500' Queen Named

Nancy Stevens, Lansing freshman, took top honors in the Lambda Chi Alpha "Junior 500" queen contest Sunday. Miss Stevens (second from right, front row above) is a Kappa Alpha Theta pledge.

Her court includes (l-r back): Bev Mike, Detroit freshman; Liane Tillotson, Shrewsbury, N.J., freshman; (front), Cathy Schafer, Lansing senior and Lynn Keister, Grand Rapids freshman.

Denise Donmeyer, 1957 queen, presented a trophy at the annual Lambda Chi banquet.

"Junior 500" race time is the afternoon of May 17, highlighting the annual "Greek Week" Pushcart race around West Circle Drive. As in the past, most living units are expected to contend for race honors.

'Largest' Atom Smasher Planned at Stanford U.

PALO ALTO, CALIF. (AP) — Stanford University is planning to build the world's largest linear atom smasher.

The accelerator will occupy a two-mile long tunnel bored into the coast range back of the university and will generate power up to 45 billion electron volts.

The world's largest atom smasher at present is in the Soviet Union and is the cyclotron type which whips protons around in a circle before blasting them at the atomic targets.

The type Stanford contemplates shoots much smaller electrons in a straight line.

Prof. Schiff's details were contained in a speech to a Stanford alumni group in Salt Lake City, and were made public here at a hearing before the Palo Alto Planning Commission.

Project M, as the new accelerator is known on the campus, would be 50 times larger than the present 700 million volt mark III accelerator which Stanford built some years ago. It will be 50 times as long and will use 1,000 giant klystron tubes to drive electron bullets instead of the 21 the mark III uses.

Under him, Eisenhower declared an intention to fight for his proposals, and already he has taken what for him is the unusual course of handling as a nonpartisan review of the state's financial situation, a meeting of state fiscal experts and the rapid revision of a current tax study.

Although Congress has yet to probe the extent of changes suggested by Eisenhower, party lines seem likely to be forgotten in the battle over the program.

While Bridges and Mansfield remained critical, Sen. Symington (D-Mo.), a member of the Armed Services Committee, said he approves the President's suggestions.

Sen. Charles Potter (R-Mich.) said in a newsletter he is wholeheartedly in favor of the President's plan.

"Traditionalists can be expected to squawk," Potter said, "but the fact is that the proposals are relatively moderate."

Israel Students Star in Show

—Israel in Song and Play—featuring a touring group of Israeli student artists, will be presented tonight at 8 p.m. in the Union ballroom.

International Club and Hillel Foundation have combined to sponsor the production, which is open to the public.

Guest speaker is Yehuda Mor, public relations manager of the National Coordinating Office of the Israel Students Organization.

Mor served with the Haganah, Israeli underground fighting force, and the Gdada, pre-military training organization for youth.

Having received his BA from the Hebrew University in Jerusalem, he got his MS in industrial administration in 1957 from Carnegie Institute of Technology in Pittsburgh.

Legislature Drops Education Hopes With Dollar Slash

Tempers Rise High Over Tax

Williams Reveals Treasury Deficit

Political tempers flared over the intangibles tax again when Governor G. Mennen Williams and Speaker of the House George Van Pelt exchanged letters this weekend.

Williams' letter, read to the House in the closing minutes of Friday's session, related that contrary to prior expectations of a \$700,000 surplus in the state treasury June 30, there would be a deficit of nearly \$18.5 million.

The governor attributed the deficit to the recession, which he said caused lower income from cigarette and liquor taxes, sales tax payments, and the Liquor Control Commission. He also chided the Legislature for not having passed the intangibles tax adjustments which he requested earlier in the year.

Van Pelt answered Saturday that "you are as well aware that we have been endeavoring to keep expenditures within estimated revenues to prevent heavy increase in the tax burden borne by Michigan citizens."

"Now, in the final hour of a legislative session, you are from the Legislature that there will be a deficit."

"Are you aware that the tax you propose would not bring large sums of money into the treasury until one year from now? The largest collection would come in April, 1959."

"Frankly, I cannot understand, for can I accept the attitude toward state finance advanced by you and your party?"

Van Pelt recommended a review of the state's financial situation, a meeting of state fiscal experts and the rapid revision of a current tax study.

Kappa Beta Take Showboat Trophy

Showboat first place trophy went to Kappa Kappa Gamma and Beta Theta Pi Friday night for their interpretation of "Jazz Goes Jungle."

Second prize went to North Williams and "Park Bench Story."

"Poor Jud is Dead," performed by Gilchrist, topped third place.

Special honorable mention went to West Yackley and Armstrong for "10 cents a Dance."

The Fretters, a folk-singing group from the YMCA-YWCA, were not included in the competition, according to Chuck Walther, general chairman.

'No Obvious Genetic Effects' Radiation Damage Evidence Lacking

ASHLOMAR, Calif. (AP) — Dr. Stafford Warren, dean of the school of medicine at UCLA, told the World Affairs Council Sunday there is no conclusive evidence that radiation has any genetic effect on humans.

"There have been no obvious genetic effects that could be ascribed to radiation as a result of the atomic bomb drops at Hiroshima and Nagasaki, Japan, in World War II," Dr. Warren said at the concluding session of the conference here.

Warren went on to say that biologists have run tests on fish and animals, including tests on salmon continuing through ten generations, "and have found little or no lasting effect."

"Some of the fish produced in the latter generations were of an interesting variety of colors, but whether this was because of the radiation, the scientists do not know," he said.

Another concluding speaker who touched on the broad atomic-nuclear field was Arnold Kramish, of the Rand Corporation in Washington, D.C., who had some criticism of the press and scientists concerning dissemination of information to the public.

Referring to "all the talk about the Atomic Energy Commission not putting out enough information and the public not knowing what is going on," he said:

VICE PRESIDENT VARNER
... deepest disappointment ...

Investigate Mental Institutions

A wide investigation into the operation of Michigan's mental institutions was approved by the House of Representatives Friday.

Rep. Harry Phillips (R-Port Huron) was named chairman of the group which will replace the Ways and Means committee as conductors of the inquiry.

Rep. Arnold Engstrom (R-Traverse City), as chairman of Ways and Means had led the investigation, said: "The object of our mental health program should be care and cure, not confinement until death."

Engstrom urged the new committee to investigate:

1. Whether each patient is examined when committed and a course of treatment prescribed;
2. Types of treatment and extent of their use in hospitals;
3. Whether proper use is made of personnel, especially whether psychiatrists are overburdened with administrative work;
4. The number of cases in each hospital defined as incurable;
5. Methods of commitment and procedures of transfer;
6. The inter-mixing of juvenile and adult patients;
7. Ratio of psychiatrists and nurses with training to the number of patients for whom there is hope for cure;
8. Management procedures in each institution.

"I believe that we in the Legislature have a profound obligation to find answers to the question cited in order to provide the best possible mental care program," Engstrom said.

'Artless Tormentor' Casting Begins Today

Alpha Epsilon Itho and Theta Alpha Phi television and drama honoraries, are casting for "The Artless Tormentor," the third in their spring series to be televised over WKAR-TV May 25.

Auditions will be held today and Wednesday from 7-9:30 p.m. in 49 Aud. The play requires a cast of six males. Dramatic experience is not necessary. Norm Roberts, TV director of the play said.

\$1 Million Cut From MSU Funds

No Decision Yet On Program Cuts

By JOHN BARTON
Economy minded Michigan legislators held the line and won the final round in a fight over appropriations for higher education Saturday afternoon as the House accepted a second conference committee report, 56-42. The Senate accepted it earlier, 20-9.

The report, exactly the same as the first committee report which the House refused to accept Friday night, approves an outlay of \$37,782,000 for higher education. The House had originally insisted on amendments which allocated \$90,144,000.

Under the bill, MSU will receive \$25,415,000, about \$1,000,000 less than the amount appropriated for the current fiscal year. The University of Michigan will receive \$50 million, a cut of \$29,800 from their current budget.

Tension was dramatically relieved when a loud crash of thunder silenced the House just as the vote on the controversial measure was announced. Members burst into laughter when someone said "the wrath of President Hannah himself has descended upon us."

Darwood B. Varner, vice president for off campus education, said the cut came as the "deepest disappointment."

"We continued to hope for some increase up to the last minute," Varner stated. "It is too early to tell what economy measures will be taken, but we definitely will have to rely on the advice and counsel of the deans and faculty members as to how we can live within our reduced budget."

Asked how this cut would affect off campus education, Varner stated "It will be a matter of greatest difficulty to maintain many of our current programs."

James Denison, assistant to the president and director of university relations, said officials have not decided how to absorb the cut, and no decision will be made until President Hannah returns from the Philippines next week.

Rep. Ralph Young (R-East Lansing) cited the serious teacher shortage in Michigan and said he could not understand how "we can provide for students in public schools without providing for the institutions of higher education which train their teachers."

and Wednesday from 7-9:30 p.m. in 49 Aud. The play requires a cast of six males. Dramatic experience is not necessary. Norm Roberts, TV director of the play said.

Senior of the Week

MARLYN GUENOFF

Marlyn Guenoff, Kalamazoo, Mich., was named "Senior of the Week" by the Senior Council announced Sunday.

Miss Guenoff, biological science major, is feature editor of the Wolverine. She has been block "S" theme chairman for two years.

In 1957 she was district convention chairman and delegate to the Beta Beta Beta national convention. In her sorority, Al-

TOM KIMEN

pha Omieron P., she has served as Water Carnival, philanthropy and activities chairman. She was fund raising chairman of Junior Pan Heli.

Kimen, administrative vice president for All-University Student Government, has been speaker pro-tem and representative to Congress.

A member of Sigma Chi fraternity, he has been treasurer of Men's Union and a member of Student Organizations Council, Student-Faculty Motor Vehicle and International Center committees.

Israel Favors Middle-East Disarmament

U.S. Could Help Ben-Gurion Says

WASHINGTON, (AP)—Israeli Prime Minister David Ben-Gurion said Sunday he favors "complete disarmament of all the peoples in the Middle East" and is taking steps with this in mind.

Ben-Gurion said he is sending a letter to a chief "of a big state in the world" which deals with disarmament and he hopes it will lead to "final peace not only for us but for the world at large." The Prime Minister did not explain what he had in mind nor to whom he was writing.

He touched on the disarmament question only briefly in a TV-Radio interview filmed in Jerusalem last Tuesday and broadcast Sunday (CBS—Face the Nation).

Ben-Gurion said the United States could do more to promote peace in the Middle East by making "the United Nations charter" instead of a dead word, a living thing.

The United States, he said, could help "if they would do the same thing in regard to Israel as they have done to Turkey, when Turkey was threatened and they said that an attack on Turkey means an attack on the United States."

"If the same thing would apply to Israel," Ben-Gurion said, "I believe peace would be much nearer, because one of the impediments of peace is the belief of many Arab leaders that they can still destroy Israel."

Fulbright Grant Awarded to Prof

Dr. Iwao Ishino, asst. prof. of sociology and anthropology, has been awarded a Fulbright grant for a year of teaching at the University of Tokyo, Japan.

He will lecture in cultural anthropology, a relatively new field to Japan which deals with the social side of man. Dr. Ishino and his family will leave for Japan in September.

He did sociological research while working for the Supreme Commander of the Allied Powers in Japan from 1949-1951. He came to MSU from Ohio State University in 1956.

PLACEMENT BUREAU

(B) Bachelor's degree (M) Masters (D) Doctors. Where no degree is indicated, all degree levels are eligible to interview.

Detroit Board of Education Opening in Elem. & Secondary Education in all subject areas.

Corunna Public Schools All Elem. High School teachers of: Science, Commercial & English Also, Voc. Music teacher.

Young Father Admits Convent Grudge Shooting

TRENTON, N.J. (AP)—A young father, who said he had a grudge against the Roman Catholic Church, admitted Sunday the shooting wounding of three nuns in a convent shooting spree.

"I wanted to kill some nuns and priests," Louis Felipe Marrero, 24, said after surrendering to a guard at the fairless works of the U. S. Steel Corp. in nearby Pennsylvania.

For an hour Saturday night the assailant had shot it out with police at St. Joachim's Con-

vent and School. In the melee, a passerby also was wounded.

Police Chief James DiLouie said Marrero, a father of two who works in a local linoleum plant, signed a statement confessing the attacks. The youth is being held in Fairless Hills, Pa., pending an extradition hearing in Doylestown, the seat of Bucks County, Pa.

Mercer County Prosecutor Stanley E. Rutkowski said Marrero told of writing a series of letters to such prominent Catholics as Bishop Fulton J. Sheen, suggesting a religious medal for

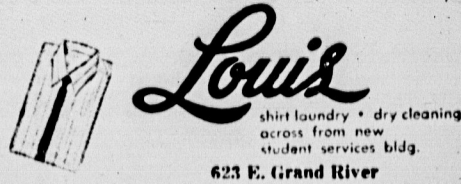

space men in the U.S. armed forces and submitting his interpretation of the Bible.

Marrero was resentful because his suggestion had been ignored, Rutkowski said. Marrero will be transferred here and charged with atrocious assault with intent to kill. He will not fight extradition, the prosecutor said.

PAN AM WORLD'S MOST EXPERIENCED AIRLINE

Bereich Wins Notice in Saturday's Scrimmage

By CHUCK RICHARDS

It is difficult to scrape up any recognition when running in the same backfield with Blanche Martin and Art Johnson.

But Michigan State's left halfback, Bob Bereich, managed to salvage some notice Saturday with a fine display of power running.

Performing sluggishly under a hot spring sun, the first unit bogged down on its first attempt

but vaulted back behind the fine running of Bereich, who burst into the end zone after a six-yard jaunt.

Later in the afternoon, Bereich also ran well to help move the team within scoring distance. But Wayne Fontes intercepted one of quarterback Mike Panitz's passes to thwart the drive.

Backfield Coach Sonny Grandelius reacted calmly to the fine running by Bereich.

"I didn't think he ran so much better than usual," he said. "We know Bob is a real good player. He is a real good runner and blocker and plays good defense. His play happens

BOB BEREICH shines in scrimmage...

ed to be going well today. We expect good running from him." While Bereich was putting on a good show, Martin and Johnson were certainly not standing idly by.

Martin charged up the middle for a 35-yard touchdown run and dove a yard for another. He showed his usual power and speed which should stamp him one of the best backs in the country next fall.

The huge fullback also tossed a short pass to Capt. end Sammy Williams who lugged the pike 55 more yards for a 65-yard gain.

Johnson also ripped off a number of nice gains.

Panitz hooked up with both his ends to cash in on an 82-yard touchdown drive to two plays. He hit Williams with a fine 40-yard aerial then right end Dick Barker eluded the secondary to pull in a 42-yard strike.

Greg Montgomery, who was shifted back to quarterback after a stint at end, impressed with a few nice passes, one a 60-yarder to Jason Harness. John Marks, also running with Montgomery's unit, scored the first touchdown off the group with a 17-yard run. Marks was praised by Grandelius for a good job.

Head Coach Duffy Daugherty blamed the warm weather for the sluggish showing.

"With this weather, we didn't have the usual zip," he noticed. "The boys were hitting real hard but we weren't getting that lively play."

Daugherty had particular praise for tackle Fran O'Brien and ends Williams and Barker. "It looks like Barker will be a good job there," he said.

"The backfield looked real good," Duffy added in reference to Martin, Johnson, and Bereich. "A couple of the new boys also did a good job."

Dr. James Feurig was kept busy after the scrimmage with a number of minor bruises but right halfback Ken Miller's sprained arch in his left foot was the only injury of consequence.

Perez Retains Flyweight Title

CARACAS, (AP)—An all-time Venezuelan record for gate receipts for a sports event was set Saturday night when 14,000 fans paid \$135,000 to see Argentina's Pascual Perez defend his world flyweight boxing championship against young Ramon Arias of Venezuela.

Perez, never defeated as a professional, won the decision in an unexpectedly hard 15-round bout. He survived a no-count knockdown in the second round and outfought Arias the rest of the way.

Arias bled badly from a cut over his left eye which was opened in the fourth round. Perez made the injured eye his target from there on.

Dave Norton lifts 290 pounds for NCAA title.

MSU Wins NCAA Weightlifting Crown

Dave Norton led Michigan State to the NCAA weightlifting championship Friday and Saturday at Jenison Field house. The Spartans, with 38 points, won by a 20-point spread over second place Ohio State.

Norton, who weighs just 141½, set a new state record in the clean and jerk with a lift of 290 pounds. His point total of 695 in his weight bracket also was a new high for the state.

Other Saturday individual winners were Richard Bergen of Illinois in the 181½-pound class with 824 points, and Ken Smythe of the University of Pittsburgh in the heavyweight competition with 825 points.

Individual champions crowned Friday night were Mel Cohen, University of Pennsylvania, 123 pounds; Michigan State's Joe Dewland at 132; Joe Comunale, University of Bridgeport, 165, and Jim George, Kent State, 198 pounds.

The individual championships of Norton and Dewland would have been enough for a Michigan State victory, but the Spartans picked up 18 more points. Pat O'Shea got eight with his second in heavyweight, Frank Schreihans was third in heavyweight for six points, and John Mull picked up four points with a fourth at 181.

Two Seconds Off World Mark

Relay Team Sets Record at Kansas

Michigan State's two-mile relay team completely outdistanced all Southwestern opposition in the 20th Kansas Relays Saturday at Lawrence, Kansas, setting a new mark of 7:34.8 for the distance.

The speedy squad, composed of Capt. Dave Dean, Brian Castle, Bob Lake and Willie Atterberry, cut nearly seven seconds off the old mark of 7:39.3 set by Kansas only last year.

Referee of the meet Karl Schladehan watched his team set a "terrific" pace — only two seconds off the world record —

indicating that it was ready for next week's Penn Relays.

Only last week the team won the two-mile event at the Quince Relays in Quantico, Va., racing across the five 15 yards ahead of their nearest competitor.

Forbes Kennedy, entered in the Glenn Cunningham mile, pushed Ed Martin of Fayetteville, Ark., right down to the wire, finishing second with a time of 4:13.

The rest of the track team traveled to Columbus, Ohio to compete in the 16th Annual Ohio Relays Saturday.

Michigan State had a relay team entered in every event except the distance medley.

In the mile relay the Spartans posted to a 3:22.5 clocking but placed no higher than fourth. State also placed fourth in the sprint medley but was disqualified when a runner moved out of his lane momentarily.

In the other relay events, MSU placed fifth in the 440 and 880-yard relays.

A couple of trackmen who won't look more familiar if they were in basketball uniforms, Lance Olson and Tom Rand, both cleared six feet in the high jump.

Sam Elowitz took third in the shot with a heave of 50-4½, and also threw the discus 145 feet.

Eastern Michigan's Hayes Jones defeated Ohio State's Glenn Davis in the 120-yard high hurdles, covering the distance in 13.6 breaking his own meet record of 13.9 set last year.

Western Michigan's Ira Murchison just missed tying the world mark when he won the 160-yard dash in 9.4 seconds.

State Trounces Albion

Wins Twin Bill, 16-0, 14-1
in Season Opener Here

By HARDY CHRIST

The Spartan baseball nine opened the home season in style Saturday, winning both ends of a doubleheader with the Albion Britons, 16-0 and 14-1.

With a fine opening-day crowd of 1,000, the Spartans blasted the Albion Britons at will, getting four hits in the first game and six in the second. The weatherman provided a perfect day for the most part, with a few light showers at the end of the second game.

Coach John Kobs cleared his head in the double bill, giving the Spartans a chance to gain some valuable experience.

The Spartans hurlers were on a roll in each game, with Perranoski and Bob Rabias each pitching a shutout in the first game. While Dick Radatz and John Kobs pitched the second game.

The Spartans jumped off to a lead in each game. They scored a run in the first two innings of the first game, and scored six runs in the first three of the second.

The Britons could score only one run in the afternoon, when Dick McNally tripled off center field and scored on an infield error.

Perranoski and Rabias each pitched a shutout in the first game. While Dick Radatz and John Kobs pitched the second game.

In the first game, the Spartans scored in every inning but the third. A seven-run outburst in the seventh inning was their biggest single-inning run production of the afternoon.

Spartans playing in their first home games also proved that they will help the cause this year. Golden, Look and John Fleser, who batted in the first two runs of the afternoon with a solid double, all hit well.

Michigan State's coach, Amo Bessone played his collegiate hockey at Illinois. Vic Heyliger, former Illinois and Michigan hockey coach, called Bessone the best college hockey player he ever coached.

hits in three official times at bat, and Look exploded for a home run and a double.

In the nightcap, Spartan hurlers Radatz and Mills held the Britons to only three hits. Radatz pitched the first five innings, while Mills threw the final three outs.

That second game was originally planned to go seven innings, but when the heavy rains fell on the Spartans were taking their bats in the bottom of the sixth, the umpires decided that the field was unplayable.

Spartan second baseman and Capt. Frank Palamara was the biggest offensive threat in that second contest, blasting a home run in the second inning.

Radatz picked up the victory in the nightcap, giving him his second win of the season. Perranoski won the opener, and it was his third victory this year.

The games proved to be a good warmup for the Spartans, who open the tough Big 10 season Friday against the University of Michigan.

It also proved to Coach Kobs that he can rely on much bench strength this year. He used his second team in both games, and they helped gain the wide margin of victory.

Extra base hits featured the Spartans' heavy hitting attack, with two homers, a pair of triples, and 12 doubles included in the 37 safeties.

Catcher Don Gilbert led the extra base parade, gathering a triple and three doubles in the two games. Palamara, besides his home run, also hit a double and two singles.

In the first game, the Spartans scored in every inning but the third. A seven-run outburst in the seventh inning was their biggest single-inning run production of the afternoon.

Spartans playing in their first home games also proved that they will help the cause this year. Golden, Look and John Fleser, who batted in the first two runs of the afternoon with a solid double, all hit well.

Michigan State's coach, Amo Bessone played his collegiate hockey at Illinois. Vic Heyliger, former Illinois and Michigan hockey coach, called Bessone the best college hockey player he ever coached.

Conferences didn't help Albion Saturday.

Bengals Belted, 4-2

Indians' Four Homers Stun Bunning, Tigers

DETROIT (AP)—The Cleveland Indians blasted four home runs off 20-game winner Jim Bunning and defeated the Detroit Tigers, 4-2, Sunday at Briggs Stadium. All six runs scored on home runs.

Minnie Minoso got the deciding blow, a line shot into the lower left center field seats that broke a 2-2 tie in the eighth inning. Catcher Dick Brown added a leadoff homer in the ninth and pulled the Indians within two of the all-time record for home runs off one pitcher in a single game.

Righthander Ray Narleski got credit for his first triumph. He required ninth inning help from Herb Score, who retired the last two batters with two runners on base.

Bunning, who set a club record by giving up 33 home runs last season, was knocked out of the box by a long foul. After Bunning yielded Brown's clout,

outfielder Gary Geiger lined a pitch into the right field seats, just several feet outside the foul pole. Manager Jack Tighe then brought in George Spencer.

Roger Maris started the long ball exhibition in the second inning with his second homer of the series. Rocky Colavito followed in the fourth with his first home run of the season. Ray Boone tied it for Detroit in the sixth when he lined one into the lower left field seats behind a walk to Harvey Kuenn.

King David Imaginatively Presented

By JIM AVIS

Sunday afternoon, under the able direction of Homer Jones, the University Orchestra and Chorus, with soprano Lois Laverty, contralto Ethel Armelino, tenor Edward Richmond, and narrator Gean Greenwell, performed the biblical oratorio, "King David" by the contemporary Swiss composer, Arthur Honegger.

As an undertaking, it displayed obvious imagination on the part of the music department, generally, and Mr. Jones, specifically. In its execution, the work's performance rating of excellent, should be credited, accordingly, but to do it well deserves highest praise.

When premiered, "King David" earned for its composer the bravos of the oratorio lovers for resurrecting this form of choral music so impressively promoted by Handel, Telemann, Haydn, and others.

Substituting spoken narration for the more common recitative or vocal narration, Honegger has woven a more unified and, by some comparisons, a more concisely stated outline of the life of David, King of Israel.

Charlene Schaudt Wins Home Econ Senior Award

Charlene Schaudt, Ann Arbor senior, was named the 1958 Michigan Dietetic Scholarship winner at the annual Michigan Dietetic Ass'n conference at Kellogg Center recently.

The award is presented annually to the outstanding Michigan college of university home economics senior with a major in foods and nutrition who is interested in administrative food clinic or hospital work. Miss Schaudt, the fourth winner of this \$250 scholarship, will begin a one-year administrative internship at Eastman Kodak Company, Rochester, N. Y., in July.

Studio Workshop Slates Tryouts

Tryouts for three cuttings from Shakespearean plays will be conducted today and Tuesday, 4:30 p.m. and 7:30 p.m. in 4th Aud. John Walker, of the speech dept., announced Sunday.

All three plays will be presented as part of the MSU Players Studio Workshop series presented May 14 under the direction of advanced theater students.

Leeds Bigl, Bay City senior, will direct scenes from "Much Ado About Nothing." Tom Keuhl, Birmingham senior will produce portions of "Richard III." Allan Axsen, Detroit junior will direct cuttings from "Twelfth Night."

Two Missing Canoes Discovered by Police

A whodunit mystified the MSU Police Department last week when two canoes, reported stolen from the Canoe Shop, or Thursday morning, turned up several miles down the Red Cedar near Main St. in Lansing. Officers from the Lansing Police department discovered the canoes and notified MSU police.

Fresh Honor Coeds Invited to Open House

Mrs. John Hannah will open Coxles House, the President's home, to all freshmen coed honor students, Thursday, 7-9 p.m. Any freshman woman having a 2.0 all-university average, who did not receive an invitation, is requested to phone the woman's division, ext. 2171.

MICHAEL DMOCHOWSKI, manager of the MSU student Union (standing-l) examines the agenda for the 35 annual Assn of College Unions conference with five other members of the gathering. They are (seated l-r): Earl Harper, SU; George Donovan, Penn State; Porter Butts, Wisconsin; (standing) Dmochowski, Edgar Whiting, Cornell; and Wayne Stark, Texas A&M.

College Union Convo Opened

More than 300 delegates representing 150 universities and colleges arrived at Kellogg Center Sunday for the opening of the 35th annual conference of the Association of College Unions.

Presiding at the conference, last held here in 1951, is George Donavan, director of the Hetzel Union Building, Penn State University.

The conference, held last year in Salt Lake City, gives mem-

bers of the association a chance to meet and assist each other in solving problems encountered in management of college unions.

Also present at the conference are several delegates from schools which at present do not have a union.

Tuesday Michael Dmochowski, manager of the MSU Union, will escort the delegates on a tour of the Union and the Student Services Building.

No Fuss — Been That Way for Years

Bermuda Shorts Taboo?—Well, Only on Campus

An MSU taboo about coeds' shorts got some newspaper publicity this weekend, after a week of warm weather brought the subject to light.

One Detroit paper stated that the Bermuda shorts-warm weather situation caused MSU to take cognizance Saturday "by announcing that coeds there cannot wear Bermudas to classes."

Miss Frances Delisle, director of the women's division, said she fails to see the reason for all the fuss.

"This ruling has been in the AWS handbook for years," she said. "AWS placed a reminder in their meeting minutes last Tuesday," she stated, "because of the warm weather."

The rule, she said, makes classrooms, administration buildings, Library, Student Service and the Union "off-limits." She commented that such places are business-type areas, and proper rules of dress make shorts inappropriate there.

Miss Delisle confessed she did not know whether or not the rule would possibly be changed. "There are many people who consider such attire distracting,"

AWS writes a new handbook each year, Miss Delisle said, and

if a change were to be made, it would be up to AWS. The hand-

book has had the rule during all the 10 years she has been at MSU, she said.

Shorts, according to the AWS handbook, cannot be worn on campus, unless covered by a coat. They are permissible during par-

ticipation in active sports, however, the book states.

According to Karen Milligan, AWS judiciary board president, "shorts" refers to short-shorts, Bermudas and Jamaicans.

There is no specific penalty for violating the rule, which also forbids slacks and blue jeans in living rooms, Miss Milligan said. "It is just considered common courtesy to abide by it."

According to Miss Milligan, a long discussion of the matter likely when AWS meets the term to revise the handbook.

Miss Delisle said she knew of no restrictions for men, other than dormitory dinner-table regulations.

Flies Lift Coed To Honors List

STANTON, Va. (AP)—It's an old story where a young man's fancy turns in spring. But for Miss Betty Engle, a junior at Mary Baldwin College, it's a good thing that fruit flies react the same way.

Miss Engle didn't get her usual place on the honors list last semester because her fruit flies failed to reproduce and she received an incomplete grade in biology.

Spring changed all of that, however, and she's back on the honors list.
