VOL. 50, No. 57 EAST LANSING, MICHIGAN — MONDAY, SEPTEMBER 29, 1958 PRICE: FIVE CENTS

Spartans Trounce Hapless Cal, 32-12

By HARDY THURST
State News Sports Editor

Michigan State's gridironers, completely outclassing the Golden Bears of California, thrilled a crowd of 32,439 with a 32-12 victory at Spartan Stadium.

Combining a balanced mixture of running and passing power with a stout defense, State won its second straight game over California. They beat the Bears a year ago at Berkeley, Calif., 19-0. State scored in every period to take the easy win. It was its sixth triumph in the past 10 games, and the sixth in a row.

Spartan Coach Duffy Daugherty, using his old formula for conquest, sent 65 players into the game, including many unused substitutes.

The Spartans were off to a quick start with a touchdown by sophomore Al Luptow midway in the first period. They added two more scores in the second, and one in each of the third and fourth periods.

Luptow, in his first ball-carrying assignment of his college career, scored on a four-yard run around right end after the Spartans had won from the California 43-yard line.

Halfback Art Johnson swept the California left side to score State's second touchdown from the eight-yard line in the second quarter. Sophomore end Fred Arbman caught a 27-yard pass from quarterback Greg Montgomery for another score before the half ended to make it 20-0.

A 37-yard pass play from punt formation netted the Spartans' third touchdown. Halfback Dean Lock, in punt formation, received the pass from center and started to run around the left side. He tried to Montgomery, along the sideline, and the fleet redneck scrambled past two California defenders for the score. Lock, who led the Spartans in rushing with 103 yards, scored the 14th touchdown with five minutes gone in the fourth quarter on a 45-yard sweep around California's end.

The Golden Bears, held scoreless in the first half, came up with a touchdown in each of the final two stanzas. Quarterback Joe Kapp threw a 23-yard touchdown pass to Jack Hart in the third, and halfback Walt Arnold plunged over from the one-yard line for the first score with only 30 seconds remaining in the game.

The new point-after-touchdown rule haunted both teams all afternoon. State was successful only once in three tries for the two points while the Golden Bears tried twice but failed.

Johnson talked State's only two-point game on a reverse in the second quarter. The Spartans also elected to place-kick the extra-point after their final touchdown, but Capt. Sam Williams' boot was wide.

MSU Moves in Court Dispute Over Closed Circuit Telecast

SEN. WAYNE MORSE ... speaks in Union ...

Ike Critic Slates Talk On Campus

Oregon's controversial Republican-turned-Independent-turned-Democrat, Sen. Wayne Morse, speaks today at 3 p.m. in the Union Ballroom.

Former U. S. Rep. Don Hayworth, who hopes to unseat Rep. Charles Chamberlain in a rematch of their 1956 campaign, will also deliver remarks on the forthcoming election issues. Both Morse and Hayworth are speaking as part of the Young Democrats' lecture series.

Morse, one of the most bitter critics of the Eisenhower administration's domestic policies, was first elected to his present Senate seat in 1944. He was reelected in 1950 and 1956.

One of Morse's chief claims to fame is his record as a Senate filibusterer in which he literally talked a bill he opposed to death. His 24-hour plus talkathon mark was bettered last year by Sen. Strom Thurmond (D-SC), however.

Hayworth, a member of the Communication Arts faculty, was special note by backing the Eisenhower soft bank program when in office.

Feurig Named Olin Director

Changes in top positions and a new economic policy were voted for Olin Health Center Aug. 20 by the State Board of Agriculture.

Dr. James Feurig, staff physician since 1953 and deputy team physician, is Olin's new medical director. Richard Holman, an MSU staff member since 1947, fills the new position of hospital manager.

Dr. C. G. Menzies, who had been director of MSU's health service since 1953, was relieved as director and has returned to practice in his special field—ear, nose and throat medicine—within the hospital.

Among the new economic changes are:

1. No fee is charged the student for his or her visit to the hospital if the visit occurs during the hours of 7 a.m. to 7 p.m. Students requesting services after 7 p.m. and before 7 a.m. are charged a service fee of \$1.00 for that visit. In addition to this service fee, students requesting services after 7 p.m. and before 7 a.m. must also pay the conventional drug and other fees applicable to their cases at that visit.
2. All medications and medical supplies are dispensed at cost plus a "reasonable" handling fee.

Previously there was a 25 cents entrance charge, but medical supplies and medications were provided free of charge.

Feurig said Sunday the change was necessary because of the appropriation cut by the State Legislature in May.

He added that one other rule, although in practice for years, needed to be emphasized. The rule states that a student is "entitled" to Olin admission only between the first day of classes and the end of the term, and must carry at least 12 credits.

THE MOST TALKED-ABOUT structure to appear on campus since Sports went into operation September 19. The free-entrance, 10 exit-ramp gates, in operation 24 hours per day, add and subtract, registering "Full" when lot reaches capacity.

New Control Gates Auto Registration \$2, Parking Fee 10 Cents

EDITOR'S NOTE: Automobile regulations, which come and go at MSU with great regularity, underwent another major change this summer. The following article begins an explanation of Motor Vehicle Regulation No. 11 and the operation of the new control gates.

As was the case last year, if you have an automobile at school, you must register it. Except for students living with their parents in the vicinity of campus (see Regulation 11 for boundaries) need not register the family car, providing they do not drive it on campus.

Violation of the registration rule costs the violator \$25.

Most of the other rules are changed from last year:

- (1) There is no charge for parking in other non-paved South Campus lots, which are available 24 hours per day.
- (2) Parking is permitted on North Campus lots only between 6 p.m. and 6 a.m. weekdays, and all hours weekends. There is no charge for this parking.
- (3) Any lot not available for student parking must be posted by the department of public safety.
- (4) Expired permits must be removed. Violation: \$2 fine.
- (5) To permit exit, the control gate requires one dime or two nickels. The machine will take quarters, but gives no change. According to manufacturers, the exit will operate with a traffic flow of 7 m.p.h.

(To be continued)

Strategy: To Decide Case Early

University Seeks Tuesday Hearing

Michigan State began to move officially Sunday night on the Wayne County court injunction against its proposed closed circuit TV showing of Saturday's MSU-U of M game.

According to Attorney Leland Carr, of the university, one of five defendants named in the retaining order, hopes to have the hearing on the injunction moved up from the scheduled 2 p.m. Friday to 10 a.m. Tuesday. The decision on this rescheduling will probably be announced this afternoon.

The snag in proposed telecasting was first made public last Friday when Rep. John J. Fitzpatrick, (D-Detroit), instigated the filing of a suit in the Wayne Circuit Court against the Board of Regents of U of M, the State Board of Agriculture, the governing body of MSU, and three trustees, which plan to show the game.

Rep. Fitzpatrick based the action on a 1951 law prohibiting state institutions from televising state programs solely over a closed circuit. Such programs must first be generally transmitted in any station owner in the state before closed circuit broadcasting occurs.

If the Friday hearing date holds it will be impossible to televise the game in any way. Should the giant TV television network, which hopes to handle the broadcasting, receive the go-ahead at this time it will be too late to set up equipment for the operation.

Open broadcasting to home television viewers was vetoed when the National Collegiate Athletic Assn. (NCAA) rejected MSU's petition in mid-August to televise the game.

According to the NCAA rules the open televising of a football game is not permitted when such a showing might injure attendance at other games within a 50-mile radius.

Following the rejection of its first proposal by the NCAA Michigan State next asked for broadcasting, and this was granted.

Promoters hoped to sell 43,000 tickets at \$3 each in nine different Otis and Michigan outlets.

Pro' Gang Sought In Fraternity Lootings

By DAVE ROGERS

Thieves entered three fraternity houses last weekend, looting members' rooms for a total of \$924.

The Saturday night raids occurred between 3 and 4 a.m. at Psi Upsilon, 410 W. Grand; Phi Kappa Phi, 410 W. Grand; and Delta Chi, 101 W. Grand. Members were asleep in their dormitories when the thefts occurred.

Sophomore Tim Mast from Stone Pointe, a member of Sigma Alpha Epsilon, lost \$468 in a wallet in his room. Five members of SAE were hit for a total of \$92.

Psi Upsilon was hit for \$123 by one member of the fraternity who had their wallets emptied. Phi Kappa Phi members were looted for a total of \$251 taken from several of the men.

According to Psi Upsilon President Road Jenkins, several members of the fraternity received hearing notices in the early morning hours but attributed it to their own men. Jenkins said rooms where members were not entered by the thieves. Only cash was taken.

Chicago Jenkins reported the loss of \$120 in checks a day before.

East Lansing police detectives made a mid-Saturday morning investigation after receiving calls from the houses. They arrested the thieves to a professional thief who circles the campus and college registration period, and during the

High School Names Field in Woman's Honor

50-year reunion is scheduled this spring) believes that she is the only woman in the United States to have had a football stadium named in her honor.

She says it all came about because she took an interest in the team at South San Francisco High School where she taught for 43 years.

It had been a tradition that cartoonist Jimmy Hatlo, each week present a Stetson hat to the most outstanding college player in the San Francisco Bay area.

Miss Clifford decided she

California Female Grid Enthusiast Favors the End Zone View

By NELDA TROUT
State News Managing Editor

Why sit on the 50-yard line when the best seats in the stadium are in the last row directly under the scoreboard?

So asks Miss Rue Clifford, University of California football enthusiast who followed the team to East Lansing for Saturday's game. She feels that the end zone is the only place where you can see the players' numbers and watch the holes open in the line.

Miss Clifford (she refuses to give her age, but her college

Only Dietzgen Slide Rules
have these great features

Professional engineers say Dietzgen's new slide rules embody the greatest advances in design in more than a quarter century. Dietzgen's exclusive Micromatic Adjustment permits perfect alignment of the scales at all times. Simple resetting of one screw does it. The end plates need not be loosened; fit and action of the slide is never disturbed.

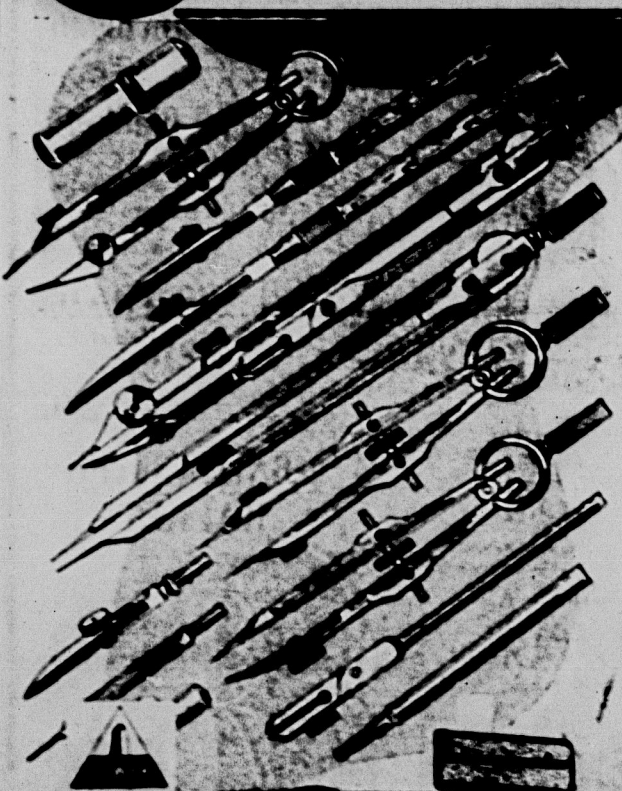

Dietzgen's automatic slide tension insures perfect slide action wherever and whenever these rules are used. Slides cannot bind or stick—nor become loose so errors may result from accidental slide movement. These are truly great slide rules. Important new scales added. New super-safe carrying case. See them at your Dietzgen dealer today.

'Pony Backfield' Comes Back

By LARRY WROBLEWSKI
State News Night Editor
Michigan State University's football team, which lost its first game to the "pony backfield" which left an indelible memory in the early 1950's, won the Spartans were ascending the football ladder, the four-year-old team, Billy Wells, Leon Bolden, and Evan Stone made up a devastating running attack.

But Saturday a new foursome, comprised of Mike Panfili, Dean Lusk, Art Johnson, and Bob Bervich filled a familiar role. This "pony backfield," light in weight like its predecessor, led the onslaught of California. With Lusk leading the running play, State collected 318 yards rushing.

But to say that the offense was entirely responsible for the California assault would be incorrect. The defensive unit proved too big and fast for the visitors.

Each Duffy Daugherty expressed sentiments of pleasure after the opening victory, but mused on the over-the-excessive fumbling that plagued State.

"We made many mistakes, usual for the team the first time out," Daugherty said. "But I believe all are correctable and am concerned about the amount of fumbles, however."

Showing his usual sense of humor, Daugherty added: "Last year we didn't fumble at all in the first three games, but after that we fumbled 10 times in the next game. This year we're planning to space the fumbles evenly throughout the year."

Among the guests in the MSU pressbox was Bronko Nagurski, an all-American of an era when Minnesota was the nation's football power.

Nagurski, "wash" happy, he was discussing the court ban of the proposed MSU-U of M closed circuit telecast. Earlier Nagurski was hired as "color" announcer for the telecast.

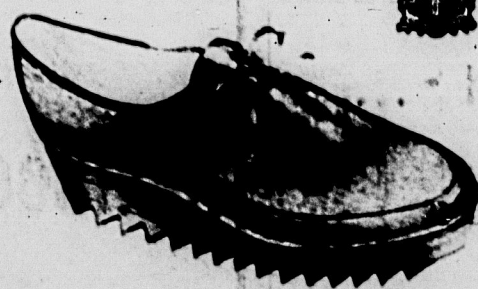

"One week I'm working, the next week I'm unemployed. This situation really isn't fair to the public who are unable to get game tickets."

The first stringers received minor injuries. Fullback, Bervich, suffered a bruised hip and halfback Johnson sustained a swollen left ankle. Both should be available for the game Sunday. Second string halfback Jon Marx will be sidelined for a week with a sprained left knee.

Colts Trample Detroit, 28-15

BALTIMORE (AP)—The National Football League defending champion Detroit Lions were toppled, 28-15, in their opening game Sunday by a band of fighting Baltimore Colts who slashed for two touchdowns in the last quarter.

A record opening day crowd of 48,377 for Baltimore leveled as the Colts took the lead in the first quarter and then twice came from behind to triumph. End Raymond Berry climaxed a great day of pass catching by scoring for the second time on a 14-yard pass-throw at the outset of the final period to put the Colts ahead for good.

Berry, catching 10 for 149 yards, gave the Colts a half-time 14-0 lead by taking a 20-yard scoring aerial from quarterback John Unitas in the second period.

Lonny Moore ran eight yards and L. G. Durre 12 for other Colt touchdowns.

Howard (Hopalong) Cassady, Detroit's flanker halfback, kept his team in the game by snagging two touchdown passes.

Jim Martin's 31-yard field goal in the second period put Detroit into the scoring column. However, he missed an important one from only the 13-yard line in the third quarter and quarterback Bobby Lane goofed on his first conversion try out of 30.

The Colts were far more superior in the first half than their 16-0 lead indicated. Their offensive poor punting gave Detroit both its scoring opportunities in the second quarter.

With the ball on his line, Dick Horn booted the ball back to only his 29. The Lions couldn't make a first down against the fierce Colt defense, however, and settled for Martin's field goal.

A few minutes later Horn kicking from his 27, sent the ball out of bounds on the 37. Layne punted off three completed passes, the last 11 yards to Cassady for a touchdown. Layne then missed after 38 successful conversions. The Colts got off to a flying start shortly after the opening kickoff. Carl Tassel returned the Detroit punt 34 yards to the

Detroit 41. They moved to the eight on the passing and running of quarterback John Unitas and Moore went over on a half-back draw play.

Unitas really uncoiled his passing arm after Detroit went ahead 9-7. Starting from his own 20, he moved the ball the entire 80 yards through the air except for a 2-yard rush by fullback Alan Ameche.

Berry caught the sixth straight completion for Unitas inside the 10 and shook off defender David to cross the goal.

Giants Romp, 37-7

BUFFALO, N.Y., (AP)—The New York Giants opened the National Football League season Sunday with an unexpected easy 37-7 victory over the Chicago Cardinals as Frank Gifford scored three touchdowns.

Bears Top Packers

GREEN BAY, WIS. (AP)—Willie Gailmores threatened a day for three touchdowns Sunday as the fiery Chicago Bears polished off the Green Bay Packers, 34-20, in a National Football League opener.

Tigers Lose to Indians; Finish in Fifth Place

Bell Hurls Six-Hit, 6-2 Win

CLEVELAND (AP)—The Cleveland Indians won fourth place in the American League Sunday by beating the Detroit Tigers, 6-2, with a nine-hit attack that included Rocky Colavito's first home run.

Rocky Colavito went to bat for the Tribe to win his 10th straight game. Two of the six hits he allowed went to Al Kaline, who homered in the sixth after Harvey Kuenn had singled.

Kaline went into the game tied with Bob Boyd of Baltimore and Vic Power of Cleveland for the fourth highest batting average in the league. Power was hit to one single.

Colavito's two-run homer off reliever Don Lee in the seventh inning assured him the runner-up spot to Mickey Mantle of New York in home runs and raised his runs-batted-in to 113, the league's second best.

Singles by Vic Wertz and Russ Nixon followed a walk to produce the first Tribe run in the second inning. A walk and single by Wertz and Nixon added another run in the fourth, chasing starter Jim Bunning with a 12th loss against 14 won.

Win 6, Lose 3 Big 10 Teams Rank High in Weekend Play

Big 10 football teams piled up a winning percentage against independent foes during Saturday's action. Six conference teams were victorious, while only three suffered setbacks.

Michigan State, the University of Michigan, Purdue, Iowa, Ohio State, and Northwestern all won their first starts, but Illinois, Indiana, and Minnesota were defeated.

The University of Michigan edged Southern California Trojans, 20-19, in a game which was decided on the final extra-point try.

The Buckeyes from Ohio State received a scare from Southern Methodist, but managed to grind out a 28-20 victory. Northwestern, which didn't win a game last season, won a thriller over Washington State, 29-28.

UCLA topped the University of Illinois, 18-14.

Williams, Ashburn Win Batting Titles

NEW YORK (AP)—Ted Williams of the Boston Red Sox wrapped up his sixth American League batting championship and Richie Ashburn of the Philadelphia Phillies his second National League title Sunday.

The 40-year-old Williams, who won the crown with a .308 average last season, finished the exciting 1958 competition with a .324 mark.

Ashburn wound up with a .346 percentage. The fleet, 31-year-old Phillies outfielder captured the title in 1955 with .338.

Red Sox in the two races to the wire were Paul Reynolds of Boston, Willie Mays of San Francisco and Dick Merrill of St. Louis.

Reynolds, who rebounded brilliantly from a 1957 mark of .289, finished second to Williams with .322. Mays, the National League's 1954 champ, was the runner-up to Ashburn while Merrill, who sought his eighth championship, was third.

The victories by Ashburn and Williams eliminated a prolific final week performance by each. During the stretch, Ashburn collected 16 hits in 37 times at bat and batted his average 13 points from .308. Williams had 13 hits in 36 tries and climbed 14 points from .314.

Ashburn had three hits in four times at bat Sunday while Williams had two hits in four tries. The Dodgers to also the oldest player ever to win a big league batting crown.

Mickey Mantle of the New York Yankees regained the American League home run crown although he was hard pressed by Cleveland's Rocky Colavito. Mantle had 62 homers and Colavito who had one Sunday, wound up with 41.

Illegal—Duffy

The play which netted Michigan State's gridiron a 57-yard touchdown from punt formation against California Saturday was illegal, Coach Duffy Daugherty said Sunday night on his television show.

The play in question involved halfback Dean Lock, who was in punt formation for the Spartans. Lock received a bad pass from center, and couldn't punt. He ran to his left and passed to quarterback Greg Montgomery, who sped into the end zone for the score.

But the play shouldn't have counted for two reasons: 1) A quarterback cannot catch a forward pass in front of the line of scrimmage, and 2) The line-men are not allowed to block downfield until the pass is thrown.

woman in a dressing gown

We admit it is a sensational subject. But we firmly believe you'll call it a great picture.

Two women, one young, the other somewhat older, share the love of one man. It's strong stuff—you must see it with an open mind.

WYONNE MITCHELL - BARRY STWIS and ANTHONY QUAYLE

Also starring CAROLE ANDERSON - Music by TED WILLIS

Directed by FRANK CRONIN - Screenplay by L. LEE THOMPSON

Open Tonight in And MSU Players Visit U. S. Bases Abroad

The MSU Players present "The Tender Trap" tonight at 8 in Studio Theater, 49 And in the first of three campus performances before taking the play on a seven-week tour of U. S. defense bases in Europe, North Africa and Asia Minor.

New students interested in drama will be admitted to tonight's performance by invitation only.

The play will be presented Tuesday and Wednesday for all students and the general public. The Players fly to New York Friday on the first leg of a tour.

Naval Reserve Offers Alternate ROTC Program

The U. S. Naval Reserve offers an alternative program to university ROTC for freshmen from 17-18. Freshmen may either enroll in ROTC or enlist in the Naval Reserve, according to Jack White, Navy Recruiting Officer.

Training is available in nearly every field through this set-up, and college men may also apply for Reserve Officer Candidate School.

In the ROTC plan, men may earn a naval commission while finishing their education. Two eight-week summer sessions at Newport, R.I., and weekly drills at the local unit are included in this "Earn As You Learn" arrangement enables men to earn from \$125-\$225 per hour while training.

Additional information may be obtained by calling IV 9-3417 or ED 2-1511, Ext. 2620.

that will take them to West Germany, France, Greece, Turkey, Italy, Morocco, Lebanon and Spain.

USC, the Defense Department, the American Educational Theatre Assn. and Cap and Crown Series of the Continuing Education Service are sponsoring the tour.

Dr. Stuart Chenoweth, associate professor of speech, directs the play and will accompany the group.

Tonight's performance will be nearly the same as when toured the upper peninsula with the play last spring. A few personnel changes were made but most of the characters are the same, Chenoweth said.

Members of the tour company are: Alan Aikin, Detroit senior; Margaret Barton, Lapeer junior; Linda Kobinof, Birmingham sophomore; Larry Lindberg, Frida, Mont., senior; Thomas Manikas, Ypsilanti senior; others include Lydia Miles, Woodhull, N.Y., sophomore; Joyce Cakes, Albion graduate student; Charles Ralston, Grosse Ile senior; Amy Salisbury, Hart junior; Ronald Weaver, Three Rivers senior; Michael Welch, Midland senior; Jim Voorhees, Birmingham graduate student; Paul Earl, Keego Harbor senior; and Don Myers, Lansing senior.

Fall Enrollments Decrease

Totals showed 19,597 students enrolled in the university for fall term as official registration closed Friday. This figure fell 188 below the comparable number for fall 1957.

An additional 952 persons are enrolled as extension credit students, a slight rise over last year's 945.

In regard to these figures, Dr. Thomas H. Hamilton, vice president of academic affairs stated:

"This is in accord with enrollment plans. Being unable to take more students, our selective admissions policies were

continued and higher academic standards were demanded of students who wished to continue in the university.

Despite the more optimistic economic outlook, many of our students' families continued to be affected by the recession."

For engineering freshmen...

drawing
instruments
and
slide rules

...are important, in college and after. That's why the wise choice is K&E, America's oldest and largest maker of engineering supplies and equipment.

When it comes to Slide Rules... take the K&E Bookrig!
Its versatile scales team up to give faster solutions the way they look. It's the important D scale and the A-B scales make quick, non-stop work of square root derivations. Sharp, precise graduations permit accurate readings.

And... look at K&E Drawing Instruments.
Whether there's more to drawing instruments the way they look. It's the important accuracy, material, workmanship, manufacturer's reputation, that makes every K&E set - and they come in a wide price range - offers you the "extra" features that mean extra value.

"Your K&E College Buying Guide" - will give you much information on the materials you'll need for your engineering career... 36 pages, with plenty of pictures, and handy check-list. Get it at your college store.
