Student Senate Plan: A Vote For Efficiency

Students vote today on the pro- if the need arises,

be yes, for these reasons:

(1) The proposed plan would out the number of representatives from the present unwieldy group of 78 students to a workable group of 25 to 30. A smaller group should mean better communications and greater efficiency in student government.

(2) While it outs the number of representatives, the plan ups reeremants for student sensions. which should mean less turnover wach term and higher calibar students in the legislative body. The senste under the new plan should altract more people who are really interested in AUSG and erase the "debating society" im- tuals.

other major governing bodies a raice in AUSG, and thus promote more cooperation among student

In short a yes vote on the proposal will mean a total reorganination for the legislative branch of AISG. A majority of representatives in congress now, realsing the landequactes of the present sel-up, suproved the

plan was formulated by students who have had several wars experience with sludent government students who are sexious to see AUSG become the kind of farey it could be in communiciping student needs desires

Conference - willing re ord

entire and was A native of Carton, Oh board of ath- went into the Navy after high school and played service ball

loughest competition, He also expects great improvement from Indiana and Iowa.

Each toam member will play 10 matches in Big Ten compeition. After the regular season the top players will compete in

the Hig Ten tournament. The winners in that tourney will compete

seir performances in Big Ten competition. Coach Drobac is oping to send a maximum of four boys to the NCAA finals. The over all consensus is the Spartans have a fine chance to go all the way, but the sophomores must produce to give the Spattans the well balanced team needed to beat Michigan and Dick Mather, Ron Castle, John Shaw, and Dick Ford.

Lrack

The Spartan track team has an excellent chance to win the in the mile. homores that Drobac hopes will carry the team. Big Ten title thus spring. The team is a good mixture of seasoned sterans and talented apphomores.

Many of the men on the team are versatile enough to compete in several events, giving the Spartans depth.

Lewis and Ronald Watkins, Moreland is the 60-yard indoor champion and Lewis was second in the Big Ten last year.

200-yard dash: The same trio will run for the Spartans in the 220. Lewis finished second in the Conference last year.

440-yard dasht John Parker, Walker Beverly, Hewlett Edwards and James Geard are excelled the assess with the Conference of the Conference third in the Big Ten during the indoor season.

66G-yard dash: Ron Horning, Chester Harris and John Shaw give the Spartans a very strong entry in the 660. 880-yard dash: The half-mile will be run by Bob Fulcher,

Mile: The Spartans look equally strong in the longer races.

Mike Kamor, Ron Castle and Roger Humbarger will score points

Two Mile: The two-mile also looks good for the Spartans, Ron Berby, Jack Amy and Roger Humbarger are the top prospects in

High Hurdles: The Spartans will be represented in the high hurdles by Herman Johnson, Tom Peckham and Bill Mann.

300-yard intermediate hurdles: A new event is being introduced in Big Ten competition this year. The 300-yard intermediate hurdles will be run by Herman Johnson, Chester Harris, Hewlett Edwards, and Ayo Azikiwe. Coach Dittrich will alternate runners in this event until he finds his best combination.

Shot Put and Pole Vault: The shot put is a weak spot along with ative in the shot put. Dick Craines and Gray Thompkins will

try to add points in the pole vault. High Jump: The Spartans have a good chance to surprise in . the high jump. Wilmer Johnson, Iom Peckham and James Roe

are strong entries. Broad Jump: The Spartans are in good shape in the broad jump. Sherman Lewis, Big Ten indoor champ is favored to repeat outdoors, John Parker, Walker Beverly, James Roe and Ayo Azikiwe will be close behind Lewis.

Mile Relay: Coach Dittrich is undecided as to who will run the mile relay. Dittrich plans to run Parker, Beverly, Edwards, James Beard, Horning, Harris and "anyone who is left standing," The Spartans will have to beat Michigan, Iowa and Wisconsin

Home Management Hous Teaches Decision Making

The building, across the street mysterious and foreidants; expecially in the rain.

Yet inside is a warm, wellliving there immediately put a visitor at ease.

The general feeling regarding the Home Management House is that coeds who live there learn how to cook, buy groceries, and clean house. This is a misconception, according to Ester Everett, assistant professor and faculty advisor of the house. True, the girls do cook and clean, but the real purpose of

Home Management is to teach them to function in a managerial capacity so that they may become "decision makers, organizers, communicators and coordina-

This managerial function is the integrating force that makes a group run smoothly. Miss Evwreit said.

During her three week stay in

Veld, Kalamazoo Junior, said. Home Management Hor The girls act in the capacity of quired for all house cook, assistant cook, waltress, majors during

three day shifts. The manager position is most of Home Economics 14: decorated home with a friendly important, said Miss Everett, and Application of atmosphere where all the girls because It gives the girls an op- agement." pertunity to coordinate all the

activities in the house and learn hours of classes during the fundamentals of management, the girls learn more also
