- A. The Board of Education of the Columbia School District (hereinafter called the "Board") hereby recognizes the Jackson County Education Association (hereinafter known as the "Association") as the sole representative for the purposes of collective bargaining with respect to wages, hours, terms, or conditions of employment for all custodial, maintenance and transportation including transportation and custodial substitute employees of the "Board", excluding all administrative, executive, supervisory personnel, all other substitutes, and all other employees of the Board.
- B. The term "employee" when used in this Agreement shall refer only to personnel employed by the Board and defined in "A" of this Article.
- C. The term CESPA (Columbia Educational Support Personnel Association) when used in this Agreement shall refer only to those members of the "Association" employed by the "Board" and defined in "A" of this Article.

"THROUGHOUT THE DOCUMENT CCMA WILL BE CHANGED TO CESPA AND JCEA3 TO JCEA."

ARTICLE II -- NEGOTIATIONS PROCEDURE

- A. The parties agree to enter into negotiations on a new Agreement on wages, hours, and working conditions at least ninety (90) days prior to the expiration date of the Agreement.
- B. This Agreement shall not be extended beyond the termination date, except by written and signed mutual agreement.
- C. The Association recognizes the Board as the duly elected representative of the people and agrees to negotiate only with the Board through the negotiating agent and/or agents officially designated by the Board, as negotiations pertain to this Agreement.
- D. The Board agrees not to negotiate with or recognize any organizations other than the Association for the duration of this Agreement.

ARTICLE III -- GRIEVANCE PROCEDURE

- A. A grievance is defined as any claim or complaint by an employee that there has been a violation or misapplication of the provisions of this Agreement. Probationary employee re-employment, reassignment, or evaluation of an employee shall be matters excluded from consideration under the grievance procedure set forth in this Agreement. It is the intent of the Board and the Association to limit the grievance procedure to specific provisions of the Agreement.
- B. All time limits herein shall consist of work days. Time limits may be extended only upon mutual consent of the parties. Failure to conform to time limits shall mean default by the party failing to conform.
- C. Grievances shall be processed by the chosen representatives of the Association. If grievance meetings occur during the working time of the grievant and/or the Association representative, they shall be allowed to make up time as determined by the administration.
- D. Level I: Any employee who believes he/she has a grievance shall begin by informally discussing the matter with the Business Manager within five (5) days of its occurrence with the object of informally resolving the matter.
- E. Level II: If, as a result of the informal discussion with the Business Manager, a grievance still exists, or no decision has been rendered within five (5) days, the employee may invoke the formal grievance procedure by the employee or association representative delivering a copy of the grievance form to the Business Manager. The written grievance form required herein shall contain the following items:
1. The signature of the grievant or grievants and association representative.
 2. A synopsis of the specific facts giving rise to the alleged violation.
 3. The citation of the section or subsections of this Agreement alleged to have been violated.
 4. The date of the alleged violation.
 5. The date of filing.
 6. The specific relief requested.

Any written grievance which is defective by omission in any of the above particulars shall be deemed to be dismissed if not remedied within two (2) days of the written notice of the missing item(s). A written grievance must be filed within five (5) days of the discussion with the Business Manager. Within five (5) days of receipt of the grievance, the Business Manager shall meet with the association representative and

ARTICLE III -- GRIEVANCE PROCEDURE (cont.)

affected employee in an effort to resolve the grievance. He shall indicate his disposition of the grievance in writing within five (5) days of such meeting and shall furnish a copy thereof to the Association.

- F. Level III: If the employee is not satisfied with the disposition of the grievance by the Business Manager, or if no disposition has been made within five (5) days of such meeting, the grievance shall be presented within five (5) days to the Superintendent. Disposition of the grievance in writing to the Association by the Superintendent shall be made no later than ten (10) days following the receipt of the grievance at this level.
- G. Level IV: If the employee is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within ten (10) days, the grievance shall be presented within ten (10) days to the Board by filing a written copy thereof with the Secretary of the Board. The Board, or a committee of the Board, shall meet within ten (10) days with the Association and grievant(s) for the purpose of arriving at a mutually satisfactory solution to the grievance. Disposition of the grievance in writing to the Association by the Board shall be made no later than fifteen (15) days following receipt of the grievance at this level.
- H. Level V: If the alleged grievance is not settled at *Level IV*, the matter may be referred to arbitration. Either party may refer the matter to arbitration provided that notice to refer the matter is given to the other party within ten (10) days from the date of the Board's written decision at *Level IV*. Within five (5) days after the date of the written request for arbitration, a committee of the Board or its designated representative shall make every reasonable effort to agree upon a mutually acceptable arbitrator. If the parties are unable to agree on an arbitrator within the time period set forth herein, the party seeking arbitration shall file a request with the American Arbitrators Association to submit a list of qualified arbitrators. The arbitrator shall then be selected according to the rules of the American Arbitrators Association.
- I. Neither party may raise a new defense or ground at *Level V* not previously raised or disclosed at other written levels. The parties shall hold a conference not less than four (4) days prior to the hearing in an attempt to settle the grievance.
- J. Powers of arbitrator are subject to the following limitations:
 - 1. He/she shall have no power to add to, subtract from, disregard, alter, or modify any terms of the Agreement.
 - 2. He/she shall have no power to establish salary scales or fringe benefits.

ARTICLE III -- GRIEVANCE PROCEDURE (cont.)

3. He/she shall have no power to decide any question which under this Agreement is within the responsibility of management to decide. In rendering decisions, the arbitrator shall give due regard to the responsibility of management and shall so construe the Agreement that there will be no interference with such responsibilities except as they may be specifically conditioned by the Agreement.
 4. He/she shall have no power to interpret State or Federal law.
 5. He/she shall not hear any grievance previously barred from the scope of the grievance procedure.
 6. More than one (1) grievance may not be considered by the arbitrator at one time.
 7. Arbitration awards or grievance settlements will not be made retroactive beyond the date of occurrence or non-occurrence of the event the grievance is based. In no event, however, shall the settlement be earlier than thirty (30) days prior to the date on which the grievance is filed.
- K. The arbitrator shall hear the grievance in dispute and shall render his/her decision in writing within thirty (30) calendar days from the close of the hearing. The arbitrator's decision shall be submitted in writing and shall set forth his/her findings and conclusions with respect to the issues submitted to arbitration. The arbitrator's decision shall be final and binding upon the employer, the Association, and the employee or employees involved.
- L. The expenses and compensation for attendance of any employee, witness, or participant in the arbitration shall be paid by the party calling such employee, witness, or requesting such participant, except that if any hearing is conducted during normal working hours, the grievant and two (2) representatives of the Association shall be granted released time to be present at said hearing(s). The Association shall be liable for the cost of these employees and for other school employees called during the course of the hearing(s).
- M. The fees and expenses for an arbitrator shall be shared equally by the parties.
- N. In no event shall any employee be represented by an officer, agent, or representative of any organization in conflict or competition with the Association. Provided further, when an employee is represented by someone other than by the Association the Association shall have the right to have its representative present to state its views at all stages of the grievance procedure.
- O. A complaint or grievance may be withdrawn at any level without prejudice. No reprisals of any kind shall be taken by or against any participant(s)

ARTICLE III -- GRIEVANCE PROCEDURE (cont.)

in the grievance procedure by reason of such participation. All documents, communications, and records dealing with a grievance shall be filed separately from the personnel files of the participants.

- P. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discussing and having it resolved informally with the employer, provided that the Association is given the opportunity to be present at the hearings or meetings of such grievances and that the final decision by the employer is not inconsistent with the terms of this Agreement.

- Q. Any claim or grievance arising under this Contract may be processed through the grievance procedure until resolution. During the summer months, week days will be considered work days.

- R. All relevant information forming the basis of a grievance filed under the grievance procedure will be made available to the employee and to the Association.

ARTICLE IV -- BOARD RIGHTS

- A. It is recognized that the management and operation of the school, the control of its properties, the maintenance of order and efficiency, is solely a responsibility of the Board. Other rights and responsibilities belonging solely to the Board are hereby recognized, prominent among which, but by no means wholly inclusive are: The right to decide the number and location of work sites, stations, etc., work to be performed within the unit, maintenance and repair, the amount of necessary supervision, machinery and tool equipment, methods, schedules of work, direction of work, together with the selection, procurement, designing, engineering, and the control of building equipment and materials. Schedules of work for bus drivers are determined by the numbers of students and needs for buses.
- B. It is further recognized that it is the responsibility of the Board to select and direct the working force, and that it is the responsibility and right of the Board to hire, suspend, or discharge, assign, promote, or transfer, to determine the amount of overtime worked, to lay-off employees because of lack of work, or for other legitimate reasons.
- C. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the employer, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of the Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan, and the Constitution and laws of the United States and Michigan General School Laws.

ARTICLE V -- ASSOCIATION AND CESPAs RIGHTS

- A. The Board and the Association agree that there shall be no discrimination against any employee because of membership or non-membership in the Association.
- B. CESPAs may use the school building facilities as defined in Board policy and at the discretion of the Board.
- C. Bulletin board space will be provided at convenient locations and normal school messenger service may be used by the CESPAs for communication purposes to the members of the bargaining unit.
- D. Designated telephones may be used for local calls during off-duty time by CESPAs or its members so long as it does not interfere with normal school operations.
- E. The Board agrees to make available to the Association in response to reasonable written requests information relating to the financial resources of the district if such information is maintained by the Board. If duplication of such forms results in a cost to the district, such cost will be billed to and paid by the Association.
- F. At the request of the CESPAs, on-duty employees shall be released no more than five (5) times each year and no more than two (2) hours each time to attend general membership meetings with time to be made up later. Arrangements for the released time and make-up time shall be made with the Superintendent or his designee. The transportation department will work around the run schedule whenever possible.
- G. Transaction of official Association business not covered in Article III shall be permitted on the premises during off-duty time.
- H. The rights granted herein to the Association shall not be granted or extended to any competing labor organizations.

ARTICLE VI -- AGENCY SHOP, DUES, AND PAYROLL DEDUCTIONS

- A. In accordance with the terms of this article, each bargaining unit member within 30 days of employment shall, as a condition of employment, join the Association or pay a service fee to the Association.
1. Association Members. Bargaining unit members joining the Association shall pay dues to the Association in accordance with its policies and procedures.
 2. Service Fee Payers. Bargaining unit members not joining the Association shall pay a service fee to the Association as determined in accordance with the MEA policy and procedures regarding objections to political-ideological expenditures. The remedies set forth in this policy shall be exclusive, and unless and until the procedures set forth therein have been availed of and exhausted, all other administrative and judicial procedures shall be barred.
 3. Non-payment of Dues or Service Fees. If a bargaining unit member does not pay the appropriate amount of dues or service fee to the Association, upon written notification by the Association, the employer shall deduct that amount from the bargaining unit member's wages and remit same to the Association.

Should such involuntary payroll deduction become legally disallowed, the employer shall, at the written request of the Association, terminate the employment of such bargaining unit member within thirty (30) days of receiving the notification by the Association. The parties agree that the failure of any bargaining unit member to comply with the provisions of this article is just cause for discharge from employment.

4. Payroll Deduction. Upon written authorization by a bargaining unit member or pursuant to paragraph a. 3., the employer will deduct the appropriate amount of the dues or service fees from the bargaining unit member's wages. The deductions will be made ten (10) equal amounts from the paychecks of the bargaining unit member beginning with the second regular pay and continuing through june of each year. Moneys so deducted will be transmitted to the Association, or its designee, no later than ten (10) days following each deduction.
- B. CESA shall on or before the first day of September of each year give written notification to the Superintendent of the amount of its dues which are to be deducted in the coming school year under such dues authorizations.

The amounts of deductions for these dues as per said written notifications shall not be subject to change during that entire school year.

ARTICLE VI -- AGENCY SHOP, DUES, AND PAYROLL DEDUCTIONS (cont.)

- C. The Board agrees to make payroll deductions upon voluntary written authorization from employees for the following programs approved by the Board:
1. Credit Union
 2. Tax Sheltered Annuities
 3. Insurance
- D. Payroll deductions for PAC will be made upon voluntary written authorization by the employee.

ARTICLE VII -- EMPLOYEE RIGHTS AND PROTECTION

- A. Nothing contained herein shall be construed to deny or restrict to any employee rights that employee may have under any applicable state or federal law or constitution.
- B. The private life of an employee is the employee's own affair unless the employee's conduct should adversely affect the employee's relationship with students or the discharge of the employee's responsibilities.
- C. The provisions of the Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status, or handicap.
- D. The Board will provide legal advice with respect to rights and obligations an employee may have concerning an employment-related assault on said employee providing the employee has not acted in a negligent or provocative manner so as to cause the assault.
- E. Time lost by an employee in connection with any incident related to "D" above shall not be charged against the employee unless negligence is proven.
- F. The Board will reimburse the proven loss, damage, or destruction, not through personal negligence, of personally property requested or required by the Board of an employee in the performance of his/her duties. This does not include personal property brought in by employees without request or knowledge of the Board.
- G. An employee shall be entitled, at the employee's request, to have present a representative of the CCMA when being reprimanded or disciplined for any infraction of rules or delinquency in professional performance.
- H. The parties recognize the merits of progressive discipline. It is therefore agreed that progressive discipline shall be exercised and shall include, but not be limited to or necessarily be the order listed: verbal warning, written warning, reprimand, suspension with or without pay, and discharge. However, certain delinquencies such as being under the influence of intoxicating beverages or drugs, or theft, shall be just cause for immediate dismissal. Alleged breaches of discipline shall be brought to the employee's attention as promptly as possible. Written warning/reprimands shall be signed by the employee for acknowledgment purposes.

No employee shall be disciplined, reprimanded, reduced in rank, or compensation, without just cause. Any such discipline, reprimand, reduction in rank or compensation, by the Board or representatives thereof, shall be done in privacy. The employee shall be informed of the basis for disciplinary action and will be provided with all information concerning the basis for this action.

ARTICLE VII -- EMPLOYEE RIGHTS AND PROTECTION (cont.)

- I. Written notification of reprimand, suspension, or dismissal shall be given to the employee and unit chairperson at the time discipline is imposed.
- J. Each employee shall have the right, upon request, to review the contents of his/her personal file in the presence of the Superintendent. The employee may be accompanied by a CESPAs representative. Exempted from review shall be personal references normally sought at the time of employment.

Any complaint directed toward an employee shall be called to the employee's attention as soon as possible, but no later than two (2) working days, if such complaint is to be made a part of the employee's personnel file. The employee may submit a written statement to be attached to and filed with the original complaint.

The Board shall not knowingly place false or incorrect information or reports in the personnel file of an employee.

ARTICLE VIII -- SENIORITY AND REDUCTION IN PERSONNEL

A. Seniority

1. New employees hired by the Board shall serve a probationary period for the first sixty (60) calendar days of their employment. In the event a probationary employee is absent or laid off during his/her probationary period, the number of days absent will be added to the sixty (60) calendar days probationary period. New transportation employees hired by the Board shall serve a probationary period for the first forty-five (45) work days of their employment. In the event the probationary employee is absent during the probationary period, the number of days absent will be added to the 45 work day probationary period.
2. When an employee completes the probationary period in a satisfactory manner, he/she shall be entered on the seniority list and shall rank for seniority purposes from the date of hire.
3. At any time prior to the completion of the probationary period the employee's work performance is unsatisfactory, he/she may be dismissed by the Board. This is not to be construed as limiting the Board's prerogative to discharge after seniority has been established.
4. An employee who leaves the bargaining unit to accept a supervisory position within the district shall retain up to a maximum of ten (10) years seniority and shall be allowed to return to the bargaining unit once, and one time only, by bumping the least senior employee in his/her previous classification; provided, that the bumped employee is less senior than the former supervisor.
5. Seniority shall be from last date of hire.
6. Employees on lay-off shall continue to accrue seniority during the entire period of said lay-off.
7. Board approved leaves of absence, voluntary and involuntary transfer, and promotions shall be construed as continuous service and given credit as same.
8. In July of each year, the Board shall publish and distribute to each member of the bargaining unit a copy of the complete seniority list for the members of the bargaining unit. Such list shall include all individuals who hold seniority as a result of this Agreement.
9. The Association shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment.

ARTICLE VIII -- SENIORITY AND REDUCTION IN PERSONNEL (cont.)

10. The president, and the steward, in that order, shall head the seniority list of the unit for the term of their office. This shall pertain to layoff and recall procedures only. This applies to the transportation department only.
11. A driver not available to drive for a part of any school year, due to personal preference, shall accumulate seniority on a half time basis.
12. Custodial substitutes shall not accumulate seniority.

B. Layoff and Recall.

1. Employees who are to be laid off shall be given no less than fourteen (14) days written notice. The word lay-off shall mean a reduction in the employee work force due to a decrease in work or lack of funds.
2. If a lay-off becomes necessary, probationary employees shall be laid off first, district wide. If further lay-off is necessary, lay-off shall be according to seniority (least senior employees shall be the first laid off) by classification. "Classification" for the purposes of this section shall refer to custodial/maintenance and transportation/bus driver.
3. Laid off employees shall be recalled in reverse order of lay-off, within a classification, but in all cases the most senior laid off employees shall be recalled first.
4. Notice of recall shall be sent by registered mail to the employee's last known address. The employee shall have ten (10) calendar days to report to work from the date that the notice was delivered to the employee's last known address.
5. Should the Board reinstate a position that had been eliminated, or fill a position that had been allowed to remain vacant, the employee who previously held said position, if not on lay-off, shall be offered the position before it is offered to laid off employees.
6. If the Board anticipates a reduction of staff, it shall meet and confer the matter with the CESPAs prior to taking any formal action.
7. An employee on scheduled lay-off shall have the right to displace the least senior employee within classification provided the senior employee is qualified to hold the position held by the displaced employee.

ARTICLE IX -- VACANCIES, PROMOTIONS, AND TRANSFERS

- A. A vacancy shall be defined as any position within the bargaining unit either newly created or a present position that is not filled.
- B. A vacancy within the bargaining unit shall be posted within seven (7) calendar days from the date of vacancy and the employees shall be given five (5) working days time in which to make application to fill the vacancy or new position.
- C. If a vacancy occurs while there are employees on lay-off, the position shall be posted and those on lay-off shall be notified of such vacancy by certified mail. The employee shall keep the Administration Office apprised of his/her latest address.
- D. The Board shall have the right to fill the vacancy temporarily until a transfer or promotion of an employee has been completed. This employee shall receive the pay rate of the vacancy or his/her present pay rate, whichever is higher.
- E. The following format will be used to advertise vacant positions:
1. Type of work
 2. Place of work
 3. Starting date
 4. Rate of pay
 5. Hours to be worked
 6. Classification
- F. When a vacancy occurs, it shall be awarded to the most senior applicant from within the classification who possesses the necessary skills and physical requirements for that specific job classification. "Classification" for the purposes of this section shall refer to custodial/maintenance as one and transportation/bus drivers as another.
- If no bargaining unit member from within the classification applies, the vacancy shall be awarded to the most senior applicant from the bargaining unit if qualified.
- If an employee is currently working in the classification, or has worked in the classification for Columbia School District, he/she shall automatically be considered to possess the necessary skills.
- To possess physical requirements the employee must be physically able to perform the work.
- G. The successful bidder for the vacancy shall be appointed to the position on or before thirty (30) calendar days after the posting and shall begin working within forty (40) calendar days after the posting.

ARTICLE IX -- VACANCIES, PROMOTIONS, AND TRANSFERS (cont.)

- H. When advancing to a higher-rated classification, employees shall retain their existing rate for a working trial period of not more than sixty (60) calendar days at the completion of which they shall receive the appropriate rate for the higher classification, retroactive to the time of such promotion. If during the trial period, the employee's work is unsatisfactory, or at the request of the employee, he/she shall be reinstated in his/her previous position and will not receive the additional pay for the advanced position.
- I. The parties agree that unrequested transfers are to be minimized and avoided whenever possible. In making voluntary transfers the wishes of the individual will be considered to the extent that these considerations do not conflict with the best interests of the school system.
- J. The provisions in paragraph "F" shall not prevent the Board from filling the vacancy from outside the bargaining unit should those within the unit not meet the necessary skills and physical requirements of the position to be filled or should no employee desire the position.
- K. Failure to follow this Article shall be subject to the grievance procedure. However, award of a higher-rated classification based on necessary skills and physical requirements may be processed only through Level IV of the grievance procedure.
- L. A successful bidder, bidding within his/her classification, shall upon acceptance of that position relinquish his/her bidding privileges for a period of six months. This provision does not apply to bus drivers.
- The only exception to this would be in bidding a higher classification.
- M. Within the bargaining unit an employee shall not be both mechanic and bus driver excepting that a mechanic or other transportation personnel may drive a bus in situations where a regular bus driver is not available because of an emergency situation or all available drivers have refused to drive.

ARTICLE X -- WORKING CONDITIONS -
CUSTODIAL/MAINTENANCE

- A. An employee's "scheduled work week" shall consist of five (5) consecutive eight (8) hour work days starting Monday on his/her scheduled work shift continuing through Friday.
- B. The Board may, upon two (2) weeks notice when possible, but in no case with less than two (2) days notice, vary the starting time of any shift or individual shift by as much as two (2) hours. The Board agrees to inform the CESP of the reasons for change. The Board agrees not to vary the starting time of any shift for inclusive periods of less than three (3) days.
- C. During the summer, Christmas, or spring break, or at other times when school is not normally in session, the work hours for all members of the bargaining unit shall be 7:00 a.m. to 3:30 p.m. These hours may be altered when necessary due to extra curricular activities, the most senior person within the building being asked first. If no one accepts, then it shall be assigned to the least senior person in the building.
- D. First shift employees shall receive an unpaid duty-free lunch period exclusive of their eight (8) hour per day work schedule. Second and third shift employees shall receive a half-hour paid lunch period during their scheduled eight (8) hour work day. The lunch period shall be scheduled directly following the first four (4) hours of the work schedule excepting as allowed by the Superintendent or designee.
- E. Each employee covered by this Agreement shall receive one (1) fifteen (15) minute rest period during the first four (4) hours worked per day; and one (1) fifteen (15) minute rest period after the second four (4) hours worked per day. Time of rest period shall be at the beginning of the second (2nd) and sixth (6th) hours of the shift. Employees shall remain in the building during rest periods.
- F. Both parties recognize the importance of maintaining the operation of the buildings, therefore:
1. When schools are closed due to inclement weather, employees shall be expected to make every effort to report for work.
- G. A member of the custodial staff will be on duty whenever the buildings are used by outside groups renting the school facilities, as subject to Article X., Section 1., 3., a., b., c., and d.
- H. The parties recognize the importance of continuity of operation and chain of command. Therefore, it is understood that the employee is responsible to the building head or immediate supervisor with respect to normal day-to-day operations. However, it is also accepted that each building principal has a responsibility for his/her individual building and may

ARTICLE X -- WORKING CONDITIONS (cont.)

find it necessary to request their building custodians to perform certain tasks. It is understood that each principal will, whenever possible, request custodial services through the immediate custodial supervisor.

I. Overtime

1. An overtime list will be maintained in each building and district-wide so as to provide equity of overtime as nearly as possible. If an employee is asked to work overtime and refuses, he/she shall be charged on the list as having accepted the overtime.
2. Advance notice of overtime shall be given to the affected employees as soon as possible.
3. Maintenance employees shall be excluded from the following overtime provisions:
 - a. Overtime shall be offered to employees within the affected building or facility in descending order according to district-wide seniority.
 - b. When all employees of the affected building or facility have been offered the overtime and declined, the overtime shall be offered to other members of the bargaining unit in descending order according to district-wide seniority.
 - c. When all employees have been offered the overtime, in accordance with the above, the overtime shall be assigned to the employee with the least district-wide seniority who is able to perform the task required.
 - d. Exceptions to the procedure as described in a. and b. above would be emergency situations which require an employee to have a shift extension, hence, overtime directly prior to or following the regular shift.
- J. The Board agrees that some tasks may require more than one employee and that assignments should be made accordingly.
- K. A weekend building check may be made by the head custodian of each building. Weekend checks may be made to check heating equipment and general conditions of the building.
- L. Call Back - An employee who has returned home after completion of regularly-scheduled working hours shall be expected to return to work in cases of emergency.
- M. When a building head or maintenance personnel is absent, the Board agrees a custodian will be assigned to the absent employee's position and a substitute called in to replace the custodian, if possible. Any substitution beyond five (5) days will be paid at the absent employee's rate.

ARTICLE XI -- WORKING CONDITIONS -- TRANSPORTATION

- A. Hourly. The normal work week for hourly-rated employees shall be forty (40) hours consisting of five (5) days of eight (8) consecutive hours (exclusive of an unpaid thirty (30) minute lunch period), Monday through Friday, inclusive. This provision shall not be construed as a guarantee of work. These employees shall not be required to work more than forty (40) hours in any one (1) week, except as hereinafter provided. There shall be a specific starting and quitting time as determined by the Board.
- B. Hourly employees will be allowed a fifteen (15) minute break morning and afternoon to be taken only on employer premises.
- C. Overtime for hourly employees shall only be allowed with the approval of the superintendent or designee.
- D. Call Back. When an employee is required to work after having returned home after the completion of his/her regularly-scheduled working hours, he/she shall receive pay for the actual time worked at time and one-half his/her regular rate or a minimum of two (2) hours at his/her straight-time hourly rate, whichever is the greater.
- E. The hourly employee's lunch period shall be one-half hour in length. The time the lunch period is taken will be determined by the administration and the employee involved.

Bus Drivers:

- A. 1. All drivers in case of illness must notify their supervisor at least one (1) hour in advance if unable to drive.
2. In cases of emergency the one (1) hour is waived.
3. Drivers unable to drive because of personal business must give twenty-four (24) hour notice as a minimum.
- B. A driver may inform a student that for disciplinary reasons he/she will not be picked up the next day, that he/she may not ride until he/she has a conference with his/her principal, or other administrator. Drivers are not to put students off the bus except at their regular stop. If a student is put off the bus, inform the bus supervisor, administrative assistant, or principal as soon as possible.
- C. The drivers will be given a physical by a school-district appointed doctor every five (5) years or as the district deems necessary.
- D. Any driver who signs up for a day run and is assigned to that run must accept that run irrespective of the regular runs that may become available on that day. Refusal to do so shall result in the loss of one day's runs for a regular driver and a substitute driver not on a regular run shall not be allowed to substitute for three (3) days.

ARTICLE XI -- WORKING CONDITIONS -- TRANSPORTATION (cont.)

A second refusal shall cause time limits to be doubled.

- E. All busses will be kept at the high school parking lot.
- F. To Clean Bus Regularly: papers picked up and bus swept daily. Drivers using bus for extra trips are responsible for cleaning that bus after trip.
