All wrapped up in math!

Fourth graders at Bay Port Elementary School completed a mind-boggling task last weekend, aided by their computer.

Math lessons for Teacher Janet Love's students dealt with place value and numeration. To help the students better understand the enormity of one million, they programmed their computer to count -- and print out -- all the numbers between 1 and 1,000,000.

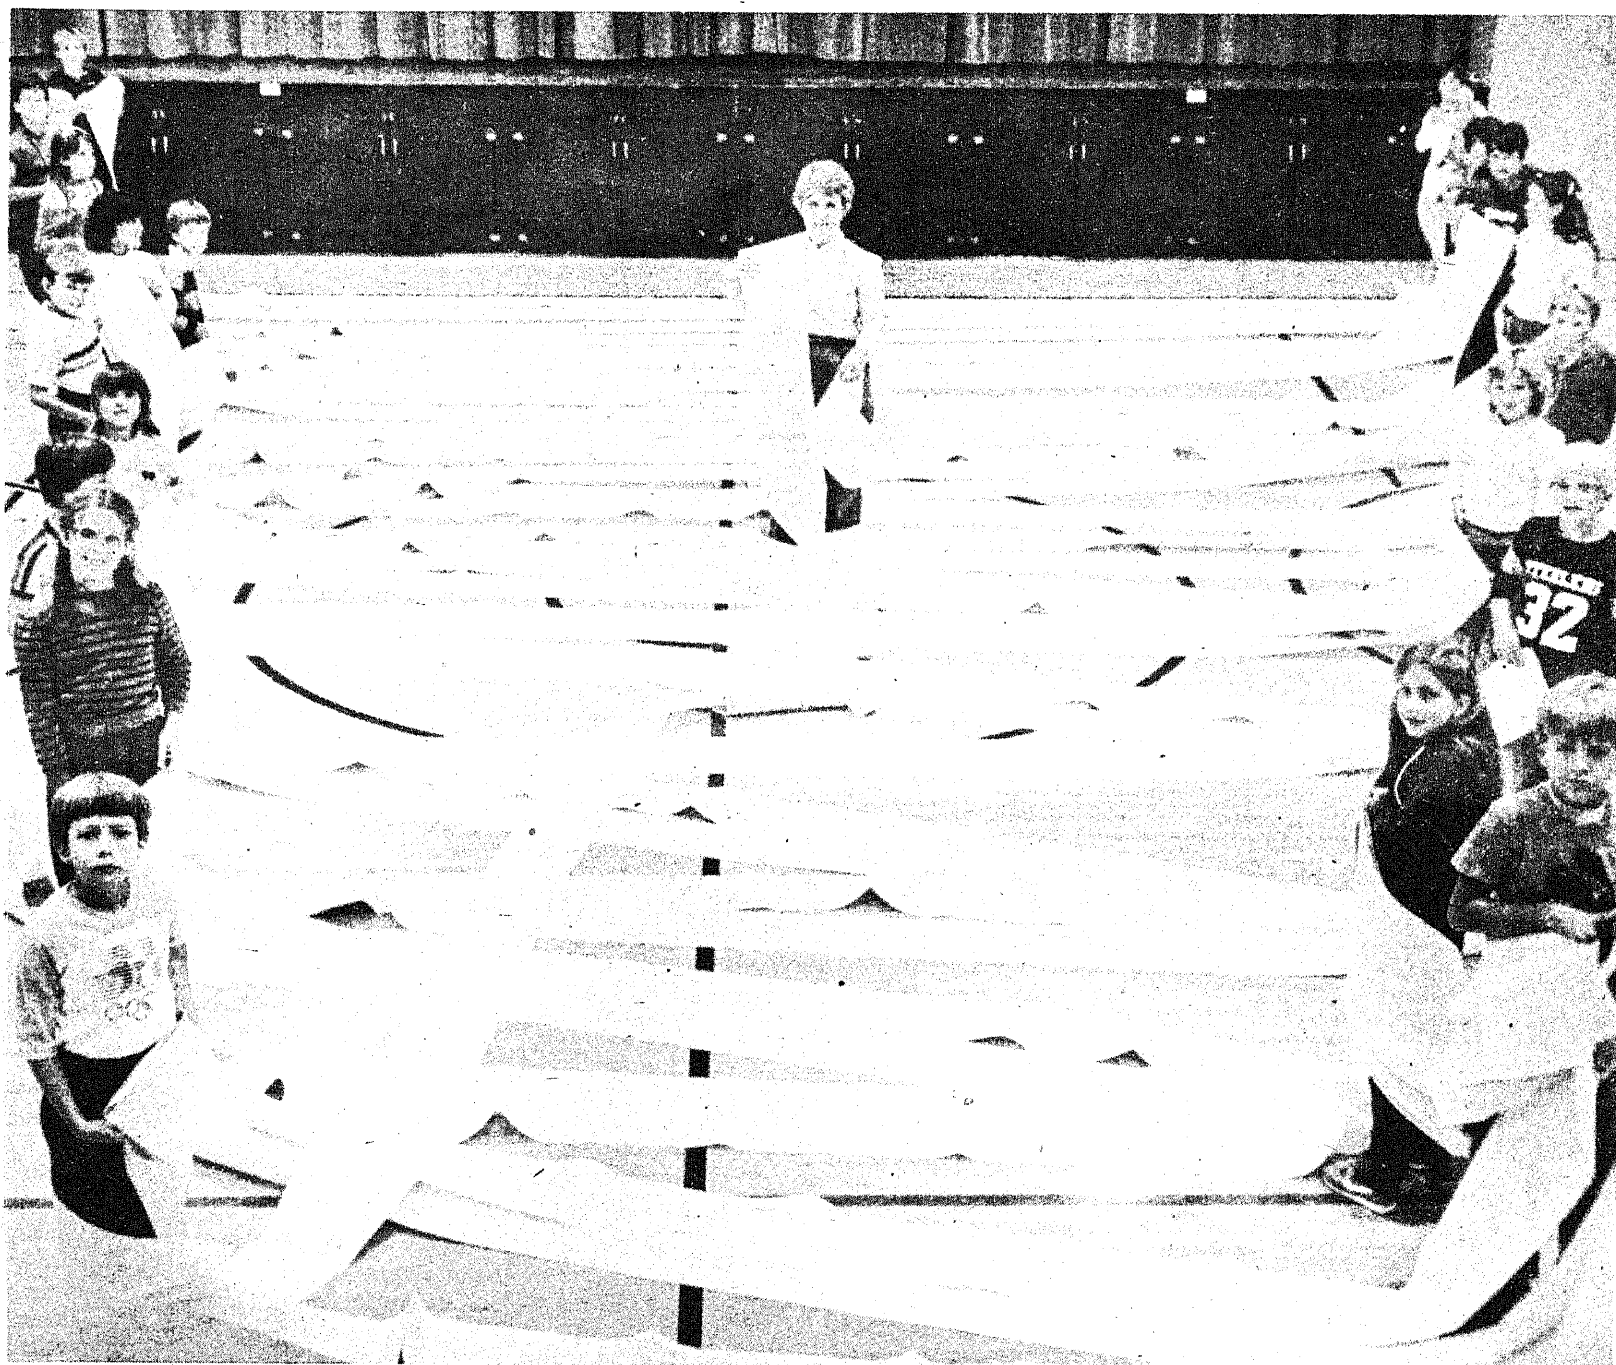

Each student guessed how long the computer would take to complete the task, and estimates ranged from 10 minutes to five hours. "Were we surprised," Mrs. Love says, with a laugh.

Printing at its normal speed, the Apple IIe computer needed:

- * nearly 30 hours of continual printing;
- * 1296 sheets of paper;
- * 1188 feet of paper, and
- * 1½ cartridges of printing ribbon.

"Did you realize if you won the Michigan Lotto and were paid in \$1 bills, it would take you at least a month to count them all?" Mrs. Love says.

The students gained a much better understanding of the enormity of a million -- and all students met in the Bay Port gym to spread out their computerized effort, as seen in the photo, taken by Bill Love.

WHO WILL BE KING, QUEEN? Vying for 1985 Laker High Homecoming King and Queen titles Friday night are: in front from left, Sue Champagne, Kris Elenbaum, Patti Thiel and Kari Truemner.

In back are Chris Eby, Mike Sturm, Todd Schember and Jamie McBride.

See page 2 for information about the Laker homecoming parade in Bay Port and other special activities.

Thumb National gets Pigeon village bonds

Thumb National Bank & Trust of Pigeon was lowest of six bidders who sought purchase of bonds for the Village of Pigeon's \$870,000 water system improvement project, when bids were opened Monday in Bad Axe.

Thumb National's interest rate of 9.0204% means \$858,519 will be paid out over the 17-year bonding period, according to Pigeon Village Supt.-Clerk Bob Brown, Jr.

Higher bidders were: Merrill, Lynch at 9.407% for \$895,320; E.F. Hutton at 9.5275% for \$906,781; William Roney & Co. at 9.590865% for \$912,811; First of Michigan Corp. at 9.4791% for \$902,175, and Manley, Bennett & McDonald with First National Bank of Bad Axe at 9.8554 for \$937,988.

"We're very, very pleased our local bank was awarded our bonds," Brown said Tuesday. "Our Village Council really gives them a pat on the shoulder for showing this commitment to Pigeon's future, and saving taxpayers money."

The water project will construct new tower and holding facilities at the west edge of Pigeon, to replace the 65-year-old water tower, plus other improvements are planned. Work is beginning now, and should be completed late in 1986.

Friday means Homecoming!

Activities begin with parade at Bay Port

UNDERCLASSMEN REPRESENTATIVES — On the 1985 Homecoming Court this year are from left, Junior Representatives Tom Beer and Rhonda Baur and Sophomore Representatives, Kelli Danrow and Sean Walsh.

The annual Laker High homecoming parade down Main Street of Bay Port on Friday night will cap a week of special events leading up to the homecoming football game with Bad Axe. The Laker Homecoming Queen and King will be crowned at halftime, and will preside over the dance following the game.

The special week, using the theme of "TV Commercials," was kicked off on Monday with "Jersey Day"

and a powder puff football game and boys' volleyball contest.

Tuesday was "Rainbow Day" with seniors dressing in blue, juniors in red and sophomores in white. The Cross-Country team had an event at Imlay City, and last-minute float construction was going on all over the district!

Today, Wednesday, is "Hawaiian Day," with students dressing to look like Tom Selleck.

Thursday, Oct. 3, float building is but a memory, as judging takes place. "Nerd Day" is the theme for the day, while halls are judged for their decorations and sports activities continue with JV football at Bad Axe and girls' basketball at home against Bad Axe.

Friday, Oct. 4 will be the Big Day, with an in-school Pep Rally at 12:30 p.m., "Green and White Day," and an evening roster of events including the 6:30 p.m. parade in Bay Port, 7:30 p.m. Kick-Off time, Laker vs. Bad Axe and the traditional Homecoming Dance from 9 to 12:30 p.m.

WHO WILL BE QUEEN?

The judging of the 1985 Laker Homecoming Queen is still in the future, as ballots will not be cast until Thursday, Oct. 3. Ballots are given to all high school students, listing the four senior boys and girls who are competing for King and Queen.

The King will be announced at the Friday afternoon Pep Rally and the identity of the Queen will remain a mystery until the Friday Night Half-Time Show.

DON'T MISS THE PARADE!

The 1985 Homecoming Parade will step off in Bay Port at 6:30 p.m., from Third Street onto M-25 to the Bay Port School.

Included in the parade will be the Bay Port Police, Pigeon VFW Color Guard, Laker High School Marching Band, 1984 Homecoming King and Queen, Laker cheerleaders, senior banner, senior court, senior float, visiting team marching band, junior banner, court and float, FFA float, junior high school banner, junior high band, sophomore banner, court and float.

BE AN EARLY BIRD!

Feted at Ferris State

Michael Schember has been selected as an Outstanding Young Man of America for 1985 in recognition of outstanding professional achievement, superior leadership ability and exceptional service to the community.

In his fourth year at Ferris State College, Big Rapids, Schember is enrolled in the five-year Pharmacy curriculum. He has held various offices in the professional pharmacy fraternity Phi Delta Chi, and currently serves as vice president. The fraternity is active in Red Cross blood drives, geriatric counseling and work with underprivileged youth in the Big Rapids area.

In addition, Schember has maintained high academic standards at FSC. He is the

Scheurer offers patient survey

Scheurer Hospital, Pigeon, has initiated a new patient questionnaire to aid in measuring patient satisfaction following discharge from the hospital.

Patients are asked to fill out the questionnaire before leaving the hospital or to complete it at home and mail it back.

By using the survey, the hospital is making an effort to gauge a patient's attitude towards his or her patient care. According to hospital spokesmen, "This is one way Scheurer Hospital feels it can work effectively with its patients and staff in attempting to continue providing quality health care that is meaningful and beneficial to everyone involved."

son of Wayne and Joann Schember of 53 James Street, Pigeon.

Michael Schember

PUBLICATION AND NOTICE OF INDEPENDANT PROBATE STATE OF MICHIGAN IN THE PROBATE COURT FOR THE COUNTY OF HURON

In the Matter of the Estate of: Louise M. Duever, Deceased. File No.: 27,881

TAKE NOTICE: On September 17, 1985, administration of the above estate was granted to Anna House. The estate is not being supervised by the Probate Court. Any interested party may file a written petition with the court and with the Independent Personal Representative objecting to the appointment.

FURTHER TAKE NOTICE: On October 23, 1985, at 9:30 a.m., in the Probate Courtroom, Huron County Building, Bad Axe, Michigan, 48413, before the Hon. Neil R. MacCallum, Judge of Probate, a hearing will be held on the Petition of Ferdinand Duever for a determination of heirs.

FURTHER TAKE NOTICE: Creditors of Louise M. Duever, Deceased, whose last known address was 3101 Gagetown Road, Pigeon, Michigan 48755, and whose Social Security Number was 383-32-4112, and who died on September 4, 1985, are notified that all claims against the decedent's estate are barred against the estate, the Independent Personal Representative, the heirs of the decedent, unless within four (4) months after the date of publication of this notice or four (4) months after the claim becomes due, whichever is later, the claim is presented to Anna House, Independent Personal Representative, of 3111 Gagetown Road, Pigeon, Michigan 48755.

FURTHER TAKE NOTICE: That the estate will thereafter be assigned and distributed to the persons appearing of record entitled thereto.

TWO INJURED: Richard Farver, 49, of Caseville and Danny Hallock, 32, of Pigeon were transported by ambulance to Scheurer Hospital after a two-vehicle collision at the intersection of Bay Port and Stein Roads at 4:20 p.m. on Monday. Fred Morin, Jr., 55, told State Police he was eastbound on Stein Road after stopping at the intersection, when he struck the Farver vehicle which was northbound on Bay Port road. Morin was ticketed for failure to yield the right-of-way. Driver Farver is listed in fair condition at Scheurer Hospital with broken ribs, while passenger Hallock was treated for minor injuries and released. Morin was uninjured. Pigeon Marshal Van Johnson assisted and Fairhaven Township Firemen were also called to the scene due to a gasoline leak from the Farver vehicle. RICH SWARTZENDRUBER PHOTO

OBSERVATIONS BY PUBLISHER MARK RUMMEL AND ANYBODY ELSE HE CAN GET TO WRITE 'EM!

MEMORIES OF TWO GOOD PEOPLE — The recent loss of two special individuals must be mentioned here.

Florence Gwinn Schluchter's death this weekend at the fulfilled age of 95 years means the Western Thumb Area has lost its premiere historian. The author of several family and church histories, Florence delighted in sharing stories of the olden days — both in person and in writing.

Some family members were busily working on her own family history, compiled from her voluminous writings, at the time of her death. That's just what she would have wanted. With failing health and eyesight in recent years, she's looked forward to the future to meet her many friends who have preceded her.

No doubt, Florence is smiling especially widely now, and she's probably sharing a story with someone, too.

"Friends of Shawn Moore" is a group organizing in the Brighton area, so this youngster's tragic death won't be repeated. The non-profit group is seeking responsible changes in criminal justice legislation and hopes to form active chapters in each of the 83 Michigan counties.

The group has outlined eight proposals for possible state laws, and any interested persons may contact "Friends of Shawn Moore," P.O. Box 469, Brighton, 48116, says Karen Cameron, chairman.

— 30 —

LOSING BRIGHT IDEA LEADERSHIP — General Electric Co. and IBM Corp. claimed the most patents in the U.S. last year, but U.S. inventive supremacy is falling away, says the Intellectual Property Owners, Inc., of Washington, D.C.

GE filed 735 patents last year, while IBM received 608 in 1984. But holding down the next two spots are Japan's Hitachi at 596 patents and Toshiba at 539. Last year, seven of the first 11 firms were foreign — versus just three of 11 in 1974.

The remaining six in the top 10 are U.S. Philips (438), Canon and RCA, both at 430, Siemens at 404, Mobil Oil at 373 and Nissan at 372.

By the way, now it costs individuals about \$400 to file for a patent and another \$800 when the patent is granted. Those doubled from \$200 and \$400 as of Oct. 1, when the U.S. Patent Office upped fees.

— 30 —

AIDS THREAT — The federal government plans to spend nearly double as much in 1986 as it did in 1985 to find a cure for AIDS, as it plans to invest at least \$200 million to fight the disease which breaks down a person's immunity system — and always leads to death presently.

For all the talk and worry about AIDS, let's all hope a cure is found soon. The disease is hard to classify and impossible to arrest. The government says people can't get AIDS from casual contact with others, but they admit they're not 100% certain of this.

I don't blame parents who don't want their children to go to school with AIDS children. And I don't blame health professionals, blood donors or others for being afraid of the disease. No one has enough information yet.

You can't go through life paranoid about such a disease, but it will grow into a national hysteria until a cure is found... — 30 —

TIP OF THE HAT — Give credit when credit is due, my Mother always says. She's right.

The Laker Athletic Boosters showed a great deal of class by auctioning off a game football recently, to benefit Marlette's John Sullivan, who was struck by lightning a month ago while playing golf.

The youth's family and friends greatly appreciated the gesture — which (we agree) showed a lot of compassion and class.

WISH I'D SAID THAT — Thinking is only the process of talking to yourself intelligently!

QUEEN VICKI Goslee is crowned 1985 Caseville Homecoming Queen by 1983 Queen Sandy Johnson last Saturday. 1984 Queen Mindy Goslee was out-of-state and unable to crown her sister. The new Caseville Queen is the daughter of Mr. and Mrs. Bill Goslee and Mrs. Doyle Daniels. RICH SWARTZENDRUBER PHOTO

Thumb Weekly News Round-Up

VASSAR, STANDISH SEEK JAILS

At least two area communities are actively seeking to have proposed regional prisons built in their towns, because of the jobs and other benefits the lockups have.

Across Saginaw Bay, Standish appears to be the favored site for the \$30 million maximum security prison for 400 inmates being sought by the Michigan Department of Corrections. That Arenac County prison would serve a northern regional area, meaning a similar facility to serve this region — Huron, Tuscola, Sanilac, Bay, Midland and Saginaw Counties — is still being sought.

And here in the Thumb Area, Vassar residents are seeking more information about locating a 550-bed medium security state prison there.

A public hearing is set for Monday, Oct. 21 at 7:30 p.m. at Vassar High, to allow questions to be asked of Corrections officials. Nearby Caro has residents opposing the medium security prison there, but some Vassar leaders note jobs have been lost at Eaton Foundry, Super Food Services, ITT United Plastics and Maier's Motor Freight in recent years. Some Vassar residents favor a medium security prison — with fences and gun towers — over a minimum security facility such as Caro's Camp Tuscola, where eight inmates have walked away since Jan. 1.

DEER ABUNDANCE GOOD NEWS

The large number of deer herds being reported throughout mid-Michigan is a very good sign for archery and rifle hunters in the Thumb as deer season approaches. Department of Natural Resources experts say 70 deer per square mile are roaming the "second deer" hunting area this year, which includes eastern Huron County and part of Sanilac.

Hunter's Choice permit holders during next month's rifle season will be able to shoot another deer — if the first one taken is a doe. Crop damage is higher, as are road kills, in the area, thanks to larger herds and good survival rates last winter.

The "second deer" area is bounded by M-25 in Port Austin southeast to Port Sanilac, then west along Bay City-Forestville Road to M-53 and north again to Port Austin. Hunters with the special permit must check their first deer at DNR offices in Caro or Imlay City.

AREA HELPS LIGHTNING VICTIM

Dozens of nearby communities and friends have aided John Sullivan, a Marlette High School senior who was struck by lightning in July while playing golf at Michigan State University. The 17-year-old was one of four youths struck during a sudden storm, and he was most seriously injured.

He now lies motionless in bed, unable to speak much or move, according to reports. He has been a patient at the Mayo Clinic in Minnesota and has taken physical therapy training at Saginaw Community Hospital. Sullivan has lost 30 pounds during his recovery.

A church softball team held a benefit tournament recently

that raised \$1400. A John Sullivan Benefit Dinner was conducted Sunday, complete with merchandise raffles. The Elkton - Pigeon - Bay Port Laker Athletic Boosters raffled off a game football for \$200. All donations are being placed into a special fund to pay for expenses not covered by insurance, according to his parents, Richard and Marsha Sullivan, 3030 Sullivan Road, Marlette.

EXPECT HIGHER HURON TAXES

No Huron County residents spoke during last Tuesday's public hearing, and Commissioners are expected to approve a 0.6117-mill tax increase when they meet Oct. 14 for their next session.

If approved, the increase will include a 0.5-mill one-year levy to raise \$390,000 for resurfacing primary county roads. The 0.117-mill remaining amount will help pay general fund expenses, capturing about \$100,000 in revenues. The overall budget totals more than \$4 million.

Huron County may authorize up to 4.82 mills without a public vote, according to state law. If approved, the added amount will raise the county's operating millage to 4.5196 mills.

COUNTIES BATTLE BUDGETS

Other Thumb Area counties have budget blues, too. Tuscola County Commissioners are considering hiring a county administrator to help streamline government, while Sanilac County Commissioners are trying to cut more than \$769,000 from the 1986 budget to keep expenses within projected revenues.

Tuscola is only in planning stages now, but is talking of the administrator's position to allow better daily management of county business. Tuscola voters again turned down an operating millage request on Sept. 10. The Tuscola budget now is \$5.12 million, and the county levies 4.2 mills, which it says is the lowest in Michigan.

Sanilac Commissioners last month raised property taxes from 4.34 mills to the 5-mill maximum allowed without a vote, but expects only \$4.26 million in revenues against \$5.03 million in expenses. Nevertheless, Sanilac Administrator John Dean's salary was raised from \$28,350 to \$31,500. Other non-union workers got a 3.6% increase as of Oct. 1, plus another 4% next Jan. 1. Sheriff John Osborn's pay will rise from \$27,491 to \$29,600 after Jan. 1.

TWO NOMINATED FOR JUDGES

A Memphis, Mich., judge and a West Bloomfield lawyer are the two candidates recommended to President Ronald Reagan to fill vacancies on the U.S. District Court in eastern Michigan.

Macomb County Circuit Judge Lawrence Zatkoff, 46 of Memphis, has been nominated for one of the two posts, also being considered by Huron County Circuit Judge M. Richard Knoblock. West Bloomfield attorney, Barbara Hackett, 57, is the other choice.

ALMOST READY: The Mutual Savings & Loan new branch office in Pigeon is nearly completed, and customers will soon begin using the new building and its many special features.

Asphalt and brick work were completed last week, and all curbs and gutters are in. The 24-hour teller machine will soon be in use, as will the night deposit slot.

Grand opening dates will be announced soon, according to Mutual's District Supervisor Les Shetler.

What You're Saying About Our Nursing Services...

- In your opinion, were nursing personnel skilled in the performance of their duties? ☒ Yes ☐ No
- Did you receive reasonably prompt service in your requests for nursing personnel? ☒ Yes ☐ No
- Were your nurses courteous, attentive and interested in you as a person? ☒ Yes ☐ No
- Were tests and treatments explained to you so that you understood what was to happen? ☒ Yes ☐ No
- Was the hospital quiet enough for you to sleep and rest? ☒ Yes ☐ No
- Were you told how to care for yourself after going home? ☒ Yes ☐ No

Your comments or suggestions about nursing care:

VISUAL HANDICAPS WON'T TURN INTO LEARNING HANDICAPS WHEN EARLY VISION PROBLEMS ARE DETECTED & CORRECTED

Your optometrist is exceptionally well-qualified to deal with children and their visual problems. If your child shows signs of sight malfunction, make an appointment for him immediately. Children who scowl, blink or rub their eyes often may have problems. Also, those who are clumsy and have poor eye-hand coordination may need correction with glasses or contacts.

Ideally, every child's eyes should be checked before the age of three and before entering school. During growing years, vision can change rapidly, so yearly examinations are recommended.

Whatever your child's eye problems, your optometrist is qualified to help.

Dr. DOUGLAS A. BUEHLER

As we see it editorially

Should private sector run prisons?

There is a movement underway — now only in discussion stages — to allow private enterprise to manage and run state and regional prisons. The idea, while not new, appears at first glance to make sense and could even run a state's prison system while making a profit for the company.

Ah, sweet private enterprise! The Corrections Corporation of America is bidding to take over Tennessee's prison system. Its spokesmen say they can build new prisons without all the bureaucracy and sheer weight of state governments. They say they can better utilize the prison facilities, which could be profitable if run in a business-like manner.

More power to them! The firm believes they have a better than 50-50 chance of getting Tennessee's business. It would be a superb trial run to see if such enterprises can be profitable, while relieving our already overburdened government of something it's been doing purely because "we've always done it this way."

Privately-operated prisons are not new to America. Early in the 19th century, private businesses moved to the forefront to run prisons, while using the cheap convict labor. Poor management and prisoner abuse helped involve governments in running jails, and then state and federal officials took full control of imprisonment on all levels.

Then, during the Depression in the 1930s, Congress passed laws prohibiting movement of prison-made goods from state to state, so jails

didn't compete with already-hurting companies.

But the government didn't do much better. Jail overcrowding, prisoner abuses, bureaucracy, riots and deteriorating facilities have plagued our prison system in the past 30 years. Clearly, some remedy is needed.

Private firms now supply services to prisons, such as medical, educational and food handling. Then, companies such as the CCA were born. It is patterned after Hospital Corporation of America, the largest investor-owned hospital company in the world, and coincidentally Tennessee's largest private employer.

If hospitals, why not prisons? One hurdle to be overcome is public reaction to revived use of prisoners in work situations. Cheap prison labor would compete with private companies, and we'd have to come to grips with this possibility. CCA has designed several jails and is running a few small facilities.

If the public can somehow face allowing such profit-making companies to run such facilities, wouldn't we all be better served? And wouldn't most governmental leaders prefer losing the obvious headache of jail management — turning a costly service into a profit-making venture?

And, that reasoning follows, if it works for prisons, why not consider such a plan for other government functions? Would the U.S. Postal Service be run better if private industry was in the driver's seat? How about our social services system, another target of abuse and lack of confidence?

Obviously, the prison system is just the beginning.

Published every Wednesday morning by Thumb Publications, Inc., to serve Pigeon, Elkhart, Cassville, Bay Port, Owendale and Michigan's Western Thumb Area. Entered as Second Class Matter at the Post Office, Pigeon, Huron County, MI, 48755, under the Act of March 3, 1879.

Our address is 7232 E. Michigan Ave., Pigeon, and our telephone number is 517/453-2331. Office hours are 8:30 a.m. to 5 p.m. Mondays through Fridays.

We also offer fine printing for all your needs. Ask us for a price estimate. Use our Dupli-Kwik Instant Printing Service, and mail your parcels via UPS and other methods every day.

Subscriptions: \$14.00 for 52 issues (one year) in Huron, Tuscola and Sanilac Counties; \$20.00 for 52 issues (one year) elsewhere in the United States.

LETTERS FROM OUR READERS

Thanks for newspaper sales contest at Pigeon

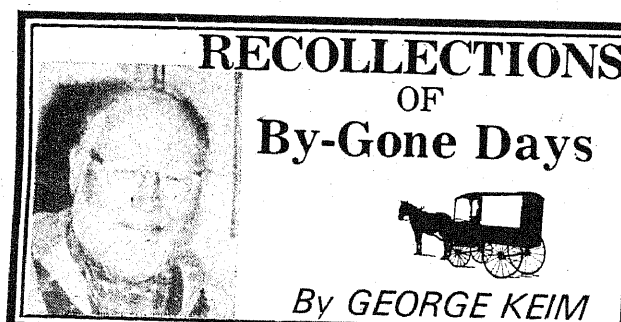

DEAR EDITOR: On behalf of the Pigeon Elementary PTC officers, I'd like to take this opportunity to express our appreciation to you for your support and willingness to include The Progress-Advance subscriptions as part of our annual magazine drive.

To our community friends, we also say "thank you" for your support in this fund-raising project!

Through this cooperative effort of students, family members and community friends, we are able to enhance our children's education with field trips, additional instructional and playground projects.

We care about our children's education and are committed to continuing quality education at Pigeon Elementary!

Sincerely,
Lois Maust,
PTC President

RECOLLECTIONS OF By-Gone Days

By GEORGE KEIM

When I see the school buses going by and see the kids looking out the windows, I don't know if they're lucky to get a ride or if they're missing the exercise we used to get, when we had to walk to and from school.

This time of the year, we farm children had to help with the beans or sugar beets, so the people gave us two weeks off for beet and bean vacations — and the teachers wouldn't count us absent if we stayed out every day to help with the all work at home.

But when we walked to school in the morning, we started early enough to get there on time. The first bell rang at 8:30 a.m. for five minutes and the last bell rang at five minutes to 9 a.m.

So if we were several rods from school when the last bell rang, we'd run as fast as we could!

When I was in the upper grades, I could run pretty fast, so I'd take some kid by the arm and take them down the road a' sailing. But most of the time, I got to school 15 or 20 minutes before school started. That gave us time to play awhile.

There were more than 50 of us in one room, and only one teacher for all eight grades. Lots of times I was the only one in my grade there, so I had to answer all the questions. At recess and noon hour, we played all kinds of games — if we were lucky enough not to stay in whispering or not getting our lessons right.

We carried our lunches with us and we always had lots to eat, usually including

some apples from our orchards. Sometimes, the teacher used to get out her rubber hose or strap and use it on students. It used to burn like fire! Or, we had to stand in the corner.

But we were lucky if our parents didn't find it out, or we'd get another one when we got home.

There were several horse chestnut trees along the road in front of one of the farm houses. When the chestnuts were ripe, one of the boys wanted a few of them. So he climbed up on the fence and it squeaked and the old woman heard it and came out on the porch and made an awful fuss!

She said she was going to hang him and put him in jail and tell the teacher and she'd give him a licking, and tell his dad on him. Well, the boy came back to us and said he didn't mind if she told the teacher, but he hoped she wouldn't tell his dad!

Well, we had a good time in the country school and we learned our lessons well. And if we didn't, it wasn't the teacher's fault.

We were all like one big family and if you didn't want to get an office job, but decided to be a farmer, an eighth grade education was enough.

In Proverbs 22:6, it says, "Train up a child in the way he should go and when he is old, he will not depart from it." Well, I'm getting to be an old man and I can't do a lot of things I could once do. But my training in school and what my parents taught me, I still try to do — even though sometimes I fail. I'm thankful for both.

Roses AND Thorns

It figures... (part 1)

By MARK KARLS

Would you believe it if I told you that setting aside only \$1,000 at the birth of a child in a 12% money market account would give that child over one million dollars by his/her sixty-first birthday? Talk about money to retire on!

Would you believe it if I told you that if a person opened an IRA account at 12% on his/her twenty-first birthday and put \$2,000 a year for only six years (did not put in another dime) then at age sixty-five that person would have almost the same money (over one and one-third million dollars) as he would if he started at age twenty-seven putting in \$2,000 each year and continuing to put in \$2,000 each year through age sixty-five?

Mind boggling, you say? Where is the catch, you say? Where can you find a 12% yield these days, you say? All of the above are very realistic investments and figures do not lie. They are either right or wrong and these are right.

Most readers of this column know I love "Mind-bender" problems in mathematics. Such tinkering with figures brings surprising results that can change people's lives and outlook on the future. Here is a very basic mind-bender problem.

Suppose someone offered you one million dollars and said all he wanted back was thirty payments over thirty days. The first day you would pay back one cent. The second day two cents. The third day four cents (doubling each day). The fourth day eight cents. And so on. Would you do it?

Well, you would probably start figuring how much this is going to cost and at first it does not look so bad. I mean, on the tenth day the payment is only \$5.12 (overall \$10.23 has been paid over the ten days). On the fifteenth day the payment is up to \$163.84, but the overall payment of \$327.67 for the first half of the month leaves over \$999.60 for the second half of the month of payments. So things look great and you take the money on the offer.

But when you start paying beyond the fifteenth day you discover on day twenty the payment is \$5,242.88 (overall \$10,485.75) and on day twenty-five the payment is \$167,772.16 (overall \$335,544.31) and on day thirty the payment is \$2,684,354.56 (\$5,368,709.11 overall). So in a thirty day time period you received one million dollars and then paid out over five and one-third million dollars, leaving you over four and one-third million in the hole. A pretty easy problem to figure out.

But this problem gives the idea of the "ballooning" effect that compounding has on things. In the above problem the realistic compounding is around 12%. But the "magic" of it after 20 or 30 compounds the principle "balloons" or shoots up rapidly — and this helps us to believe the first question posed.

A 12% yield will double the value in 6 years, 1 month and 10

TO BE CONTINUED

MILLIE DEVROYE CASTER
1917 - 1985

Millie Devroye Caster, age 67, of Holly, formerly of Caseville, died Friday, Sept. 20 at St. Joseph Hospital, Flint, following a short illness.

She was born on Nov. 10, 1917 in New Lothrop, daughter of the late Robert and Ethel (Smith) Devroye. On Dec. 31, 1941 she was united in marriage to Ward M. Caster. She was a member of the Holly Fire Dept. Auxiliary and was a former employee of Groves 5 & 10 Dept. Store.

Mrs. Caster is survived by her husband, Ward M.; two sons and their wives, Roger and Diana Caster and Robert and Stacie Caster, all of Holly; two grandchildren, four sisters, Catherine Hazard, Bad Axe, Bertha Cile, Caseville, Hazel Mintz, Royal Oak, Mary Ellen Harris, Detroit; one brother, James Devroye, Caseville.

Funeral services were conducted at 11:00 a.m. on Tuesday, Sept. 24 from the Dryer Funeral Home, Holly. Rev. Ralph S. Parvin officiated with interment in the Lakeside Cemetery, Holly.

Memorial contributions may be made to The American Diabetes Association.

FLORENCE MARGARET SCHLUCHTER
1889 - 1985

Florence M. Schluchter, age 95, of Caseville, died Saturday, September 28 at the Huron County Medical Care Facility, near Bad Axe.

She was born November 19, 1889 in Caseville, daughter of the late Richard and Florence (Morse) Gwinn. On Oct. 25, 1927, she was united in marriage to Alvin Schluchter at the home of her parents in McKinley Township. He preceded her in death in 1961.

Mrs. Schluchter was a member of the Hayes United Methodist Church, Elkhart Missionary Church, a Life Member of the Huron County Historical Society. She had taught in the Armada and Elkhart School systems for many years.

Surviving are two nephews, six nieces, many grand- and great-grand-nieces and nephews. One son Garnet, one sister, Vera Fox and one brother Richard H. Gwinn, preceded her in death.

Homegoing services were conducted at 1:30 p.m. Tuesday, October 1 from the Hayes United Methodist Church. Rev. Randy Chamberlin, pastor and Rev. Alan Yerke, pastor of the Elkhart Missionary Church officiated with interment Caseville Township Cemetery, Caseville.

Memorials may be given to the Hayes United Methodist Church or the Elkhart Missionary Church.

Arrangements were handled by the Champagne Funeral Chapel, Caseville.

Elkhart UF sets goal

A \$3,350 goal has been set for this year's Elkhart Area United Fund drive scheduled for Oct. 15-31, according to Chairman Beverly Lackie.

The 1985-86 proposed budget expects to donate \$1,100 to the Elkhart Civic Organization, \$500 to United Way of Michigan, \$500 to Elkhart Recreation Council, \$400 to Catholic Family Service, \$300 to Elkhart Historical Society, \$200 to Huron County Chapter of Red Cross, \$200 to Meals on Wheels, \$200 for campaign expenses, \$100 to Elkhart Area 4-H Clubs and \$50 to Elkhart Area Girl Scouts.

Other Elkhart Area United Way officials include: Vice Chairman Ben Phillips, Secretary-Treasurer Dr. George Hay and Directors Ed Bumhoffer, Ron Cunn-

ingham, Merlin Farver, Barney Licht, Phyllis Tamblayn, John Champagne, Ken Thumme, Sr., George Torres, Judy Ewald, Dee Esch and Jean Krueger.

Caseville F.O.E. aid quake victims

The Caseville Fraternal Order of Eagles has formed a benefit fund for victims of the Mexican earthquake.

Donations are requested from all people, service organizations, churches and businesses in Huron County. Checks should be made out to "Caseville Mexican Earthquake Relief Fund" and mailed to: Box 28, Caseville, MI 48725. For more information contact George Woltowicz at 856-2391 or Caseville Eagles at 856-4104.

New wording for 'under 21' licenses

Secretary of State Richard H. Austin has announced that beginning Oct. 1, all new first-time driver licenses and personal identification cards issued to individuals under age 21 will carry the words "under 21" above the photo.

Austin says that the new law requires the Department of State to add the language to all new license and iden-

tification cards issued on or after Oct. 1.

The "under 21" will enable restaurants, tavern owners and others to determine if an individual is under age 21 without having to calculate from the birthdate shown on the license or identification card.

The change is part of an overall state effort to help identify and prevent in-

dividuals from under 21 from purchasing alcoholic beverages, drinking and driving.

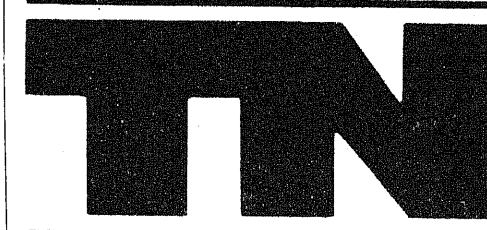

Currently most driver licenses are valid for a four-year period, however Austin says that all first-time licenses issued from Oct. 1 will be valid until the individual's 21st birthday. Regardless of age, individuals under 21 obtaining

a license for the first time must now renew at age 21.

Austin cautioned enforcement officials and others that it will require between four and five years before all drivers' licenses belonging to individuals under 21 will be marked "under 21." The new driver licenses will carry a reminder to "Buckle Up" as required by Michigan law.

Horse-drawn carriage transports bridal couple

A horse-drawn carriage escorted newly-married Mr. and Mrs. Theodore Lukowski of Whitmore Lake to their reception following a mid-afternoon wedding ceremony which united them in marriage on Saturday, Aug. 31 at St. Boniface, Bay City.

The bride, Jacqueline Elliott of Pigeon and Theodore Lukowski of Whitmore Lake was joined by the Rev. Fr. Richard Bokinski before a congregation of 200 well-wishers. Their parents are Dr. and Mrs. C.S. Elliott of Pigeon and Mrs. Jean Rynberg of Sturgis and Marvin Lukowski of Wyoming.

The church was decorated for the wedding with two organ pipe candelabra with floral accents of raspberry gladioli, pink carnations, rubrum lilies and white pom-pom chrysanthemums, two formal altar arrangements of raspberry gladioli, pink carnations and white pom-pom chrysanthemums, two matchings and the pews were decorated with rubrum lilies and raspberry asters tied with bridal ivory satin bows.

Special wedding selections included "Nobody Loves Me Like You Do," "Through the Eyes of Love" and "The

Wedding Song."

Escorted to the altar by her parents, the bride wore an ivory satin dress with a beaded chantilly lace bodice with a high neckline, long train sleeves with inserts of chantilly lace. Her full skirt extended into a cathedral-shaped train elaborately appliqued with lace, all accented with seed pearls. Her hat, also of ivory, was accented by flowers, netting and seed pearls matching her dress.

She carried a European cascade of bridal white roses, stephanotis and ivy accented with seed pearls.

The bride chose a friend, Kimberly Buchholz of Pigeon, to be her maid of honor. She was also attended by bridesmaids Linda Pavona of Lansing, Terri Lukowski of East Lansing and Kim Huber of Sturgis, sisters of the groom; Diane Naffien of Midland and Jackie Stasik of Kalamazoo, friends of the bride and Karen Elliott of Milford, sister-in-law of the bride. The bridesmaids all wore suede rose satin dresses featuring a low sweetheart neckline with tulip-layered short sleeves and long full skirts accented by a tulip-shaped peplum in the back. The attendants carried European-style arm bouquets of rubrum lilies, white Dendrobium orchids and asters in shades of raspberry tied with a Victorian lace ribbon cascade.

Flower girl Emily Elliott of Milford, niece of the bride, was attired identically to the older attendants and carried a Country Victorian basket of rubrum lilies, bridal white roses and asters in shades of

raspberry accented with a miniature ribbon cascade. The groom asked his brother, Luke Lukowski of Dexter to be his best man and chose groomsmen Morrie Huber of Sturgis, brother-in-law of the groom; Jon Elliott of Pigeon and James Elliott of Milford, brothers of the bride and Jeff Mynkin of Sturgis, Doug Miller of Centerville and Richard Probst of Northville, all friends of the groom.

Seating guests were ushers Nick Pavona of Lansing, brother-in-law of the groom and Steve Eldridge of Howe, Ind., friend of the groom.

The mother of the bride wore a lustrous long silk jersey gown in aubergine, with a draped neckline and full gathered skirt. The mother of the groom wore a floor-length gown of light pink with lace threaded throughout the bodice and sleeves. Both mothers wore corsages of gardenias, stephanotis and delphinium.

The newlyweds greeted their guests at a reception at the Knights of Columbus Hall in Bay City. They took a honeymoon trip to Hurlbert Lake in the Upper Peninsula, then returned to their new home in Whitmore Lake.

Club news

PIGEON LIONS CLUB

Forty members and two guests, Ben Phillips and Tom Matteson met for the Pigeon Lions Club regular meeting on Sept. 25.

An excellent job was reportedly done on Tail Twisting by John Kohr and Al Asbol.

Minutes were read and approved by Secretary Dick Pauly. A WHNN DJ will provide music for the annual Lions Halloween Party coming up at the end of October. Mike LePage is chairman.

Donations made include: \$125 to Eye Research Center; \$800 to Leader Dogs; \$157 to Welcome Home; \$31 each to LCIF, All-State Band, Michigan Eye Bank; \$1,000 to Pigeon District Library; \$350 to Meals on Wheels and \$100 to Pigeon Little League Football.

Program Chairman Kent McKenzie introduced Tom Matteson who reported on golf course upkeep and maintenance.

October dates set for clinic

The Huron County Health Department has announced Immunization Clinics for the month of October, including Tuesday, Oct. 1, 8, 15, 22 and 29 from 9 to 11 a.m. and 1 to 7 p.m.

The back door (south entrance) to the building will be open for the evening immunization clinics.

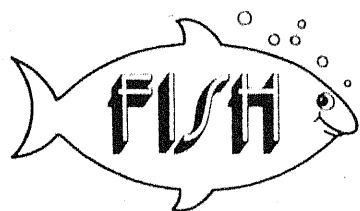

Other regular immunization clinics are scheduled the first Thursday of each month at the Harbor Beach Community House from 1 to 4 p.m. and the third Thursday of each month at the Trinity United Methodist Church, Sebawaing from 1 to 4 p.m.

Immunizations are provided free for anyone from age two months to 18 years old. A parent or legal guardian must accompany the child, and parents are asked to bring the child's immunization record.

Rural ROUND-UP

A weekly briefing of news and information of interest to Thumb Farmers

Top o' the week...

Delivery of sugar beets to the Sebawaing plant of Michigan Sugar Company was scheduled to start at 7 a.m. Tuesday, Oct. 1, according to a letter to growers from Richard Jacoby, agricultural manager of the plant.

The letter stated that delivery of beets will be limited to the number of loads needed to operate the factory until weather permits beet piling.

The letter also explained that start-up in deliveries could be postponed due to inclement weather creating muddy conditions. Such notices will be sent out over Caro and Bad Axe radio stations, the letters said.

As in the past, the company is stressing the need for farmers to deliver well-topped and trash-free beets, so that beets will keep well in storage.

Delivery truck operators were also asked to help keep beet trucks on M-25 in a tight line in Sebawaing Village to avoid complicating M-25 traffic. Drivers were also asked to be courteous to cars backing from driveways and those attempting to cross the highway on village streets, especially when vision to the streets is blocked.

According to an item in the Bay City Times, first tests on sugar content last Thursday showed about 14%, attributed to Davis Sunderland, vice president for agriculture of the company.

BEAN YIELDS locally are being reported in the 14 hundredweight (cwt.) per acre range for Huron County, says the Michigan Bean Shippers Association. Nearly half of Navy Bean crops are harvested, prior to Monday's rains, and colored beans are trending to lighter yields.

Tuscola County is more than one-third harvested, with yields in the 12 cwt. range. Sanilac is 25% harvested, with 11.5 cwt. yields.

Bay and Saginaw County yields are in 11 cwt. range, with more rain and disease damage than in the Thumb.

AGRA LAND shareholders Friday approved the sale of the company's assets to Countrymark, Inc., of Columbus, Ohio. No purchase price was disclosed, but the new regional co-op will have annual sales volume of \$1.3 billion, total assets of nearly \$285 million and 176 co-op member owners.

Present AGRA Land stockholders will receive preferred stock in Countrymark's subsidiary, Mid-State Terminals. The firm plans to close the AGRA Land main office in Lansing after transition work is completed, it said Friday.

AGRA Land President Weldon Blanton will be responsible for Michigan operations in the new company. AGRA Land emerged in 1983 from the Chapter 11 bankruptcy reorganization of Farm Bureau Services, Inc., following lawsuits over its role in the PBB contamination disaster which struck Michigan in the early 1970s.

Countrymark says it is not assuming any responsibilities for prior acts of Farm Bureau Services or AGRA Land. Countrymark was formed in May, 1985 by the merger of Landmark, Inc., of Columbus and the Ohio Farmers Grain and Supply Association, Fostoria, Ohio.

SPEAKING OF co-ops, October is Co-op Month in the U.S. Former USDA Secretary Bob Bergland is chairing this year's activities.

There are 60 million co-op members nationwide, in health services, credit, insurance, electrical, telephone services — plus farm marketing and farm supply fields. This year's theme is "Building a better America and a better world."

DID A mailing blunder help cause the defeat of a referendum to establish a research, marketing and

development program for Michigan corn farmers?

That's the charge being leveled against the state Agriculture Department, which mailed more than 37,000 ballots to corn growers, extension offices and grain elevators — but only 3289 (9%) were returned. Most such referendums generate almost 50% response, experts say.

The department blamed an outdated mailing list and farmer apathy for the unusually low return of ballots. But Michigan Farm Bureau Commodities Specialist Bob Craig says the Ag Department mailed the ballots by third-class mail and many farmers didn't receive them or got them later than usual, to allow proper voting.

The measure failed 62% "no" to 38% "yes," but also failed because only 38% of the voters returned ballots, short of the 50% minimum return necessary, according to state law.

OCT. 6-12 is National 4-H Week, a time to salute the 975,698 4-H members in the ag program in the U.S. Here in Michigan, more than 200,000 young people are involved.

"COMPETITION, Survival and Profitability" is the theme of this year's Governor's Conference on the Future of Michigan Agriculture.

Dr. Paul Kindinger, state Ag Department director, will head that two-day seminar Tuesday and Wednesday, Nov. 19 and 20, at the Hyatt Regency Hotel, Flint.

Eight workshops will be conducted by economists, ag leaders and legislators. Topics include Taxing Michigan Agriculture, Credit Forecasts, Getting and Keeping a Comparative Advantage, Our National Cheap Food Policy, Yes MICHIGAN Agriculture, The Next Century, You Don't Sell Misery — You Sell Opportunity and Providing Customers What They Want to Eat.

The event is co-sponsored by Gov. James Blanchard and the MDA. For registration information, contact the MDA at P.O. Box 30017, Lansing, 48909 or call 373-1104.

FERTILE! Step right up and see the greatest manure on earth! Take it home and use it on your garden! Be the first on your block to own elephant dung!

That's right, folks, the Ringling Bros. and Barnum & Bailey Circus is giving it away. As their news release claims, "The mineral-rich fertilizer is generated con-

stantly in enormous proportions by the quadruped performers of the Greatest Show on Earth."

The circus claims its fertilizer is superior because their animals eat a rich and varied diet. If you're interested, bring your own buckets to the east gate entrance of Detroit's Joe Louis Arena from 1 to 3 p.m. this Friday, Oct. 4.

MILK PRODUCTION is up 9% from last year in Michigan for the August reporting period, says the Michigan Ag Reporting Service (MARS). Nationally, August's production is a record — up 10% from 1984.

Michigan dairy herds produced 491 million pounds of milk in August, and production per cow averaged 1240 pounds (up 8% or 90 pounds) from a year ago. State cow numbers are up 4000 from last August, standing at 396,000 head, MARS says.

The value of milk sold in Michigan was down \$1 per cwt. from last year, to \$12.10 cwt. Slaughter cow prices

are also below last year's levels.

DAIRY manufacturing plants produced 3.6 million pounds of butter in Michigan in July, 1985, up 72% from an unusually low July '84 figure. American cheese production, at 1.4 million pounds, was down 6% from the previous year. Ice cream production totaled 4.1 million gallons in the state, up 15% from the previous July — placing Michigan number seven in national ice cream production.

INDEX OF PRICES Received by Michigan farmers for all farm products was 111% of its 1977 base, for the month ending Aug. 15, MARS says. This is down 16% from August, 1984.

Prices for all crops slid 23%, while livestock prices fell 8% in the month. Compared with July 15 figures, the new report is down 3%.

Nationally, the Index of Prices Paid by Farmers for August was 163% of its 1977 base, down 1% from 1984. That figure includes com-

modities and services, interest, taxes and farm wage rates.

Also nationally, the August All-Farm Products Index of Prices Received by Farmers fell 3% to 122% of the '77 average, compared with the July figure. Compared with August, '84, the index is down 15%, says MARS.

FARMLAND values in Michigan and four other midwestern states have declined so sharply in the past four years that farmers have probably lost all the financial gains they made during the boom years of the 1970s, says the Federal Reserve Bank of Chicago.

Value of farmlands in the five states (including Illinois, Wisconsin, Indiana and Iowa) fell 4.6% for the second quarter of this year, continuing a trend begun in 1981 — down 20% from mid-1984 levels. Illinois showed the greatest decline, while Michigan values fell 4%.

However, the number of farms in Michigan during

1985 remains at 63,000 — the same as last year, says MARS. Total land in farms also remained unchanged, at 11.4 million acres.

The average farm size in Michigan, including part-time farmers, is 181 acres.

THE PIGEON PROGRESS

The Past in Print

THE ELKTON ADVANCE

80 YEARS AGO
OCTOBER 6, 1905

The Friday afternoon Pere Marquette passenger train, going from Saginaw to Bad Axe, had a bridge give way while crossing a creek seven miles out of Saginaw. The engine and baggage car, smoker and mail car rolled down a 40-foot bank and five persons were injured, including Mrs. Bert Sydnam and Mrs. Daniel Neiber of Elkton.

Harvey Notter, Pigeon, has accepted a position in Friedlander's drug store at Sebawaing.

Royal Baur left the Pigeon school to enter the Michigan Agricultural College at Lansing.

Many of the children are absent from school while topping sugar beets.

Arthur Rather, son of Henry Rather, Bay Port, took the train there Saturday for Mt. Pleasant where he will attend the Normal and on Monday Misses Ada Ruby

and Viola Rather also left to enter the school.

Mrs. Aaron Bechtel, 31, of McKinley Twp., died Monday. She is survived by her husband and seven children.

Fred Clabuesch sold his fine three-year-old colt "Dr. Charley" to James Montague, Caro. Consideration \$200.

70 YEARS AGO
OCTOBER 9, 1915

One of the Pigeon area's first settlers, Herman Kleinschmidt, 61, died Thursday. He opened Pigeon's first hotel, the old Hotel Arlington, later started a general store and was postmaster for four years. He is survived by three sons and four daughters.

Relatives and friends helped Ben Bill celebrate his 67th birthday Sunday at his home north of Pigeon.

George V. Black has purchased the Gould carriage factory building and will

move his stock of merchandise from Berne to the building.

Great Men's Suit Sale — prices \$7.50, \$9.50 and \$10; all wool suits, all sizes, 36-46. Gentlemen, these are real values. E.F. Hess, Pigeon, Adv.

Mr. and Mrs. John Danks have moved into the Haggitt house on Nitz Street in Pigeon.

Jacob Gettel, Winsor Twp., now sports a Studebaker Six auto.

William Singleton and George Cleaver of Caseville were at Pigeon Monday.

60 YEARS AGO
OCTOBER 9, 1925

Ernie R. Dills, Lansing, and Miss Agnes Baur, daughter of Mr. and Mrs. Simon Baur, Pigeon, were united in marriage on Oct. 3.

Henry McAulay is moving his electrical fixtures to the second story of his new building on Main Street in Pigeon. The first floor is being used by a grocery.

A Parent-Teachers Assn. was organized at the Pigeon school house Monday evening. Officers elected are Mrs. Louis Dondineau, Mrs. W.J. Brown, Ernest

Clabuesch, Miss Jean Campbell, Mrs. R.H. Orr and Mrs. B.D. Eddy. Committee chairmen are Mrs. W.J. Brown, Mrs. H.O. Paul, Miss Eva Campbell and Mrs. P.L. Fritz.

Class officers of the 12th grade of Pigeon High School are Florence Moeller, Arnold Schumacher, Eva Moeller, 11th, Elaine Staubs, Marion Elder, Hedwig Buchholz, 10th, Elna Clabuesch, Barbara Zehr, Philippine Baur, 9th, Maurice Fritz, Edna Beck, Sherl Beiding.

Mr. and Mrs. Fred Engelhard have purchased the Herman Thede home at Kilmanagh.

J.G. Buerker is remodeling the upstairs over his barber shop at Pigeon and will use it for a dance hall during the winter months.

50 YEARS AGO
OCTOBER 11, 1935

John Burnor, 86, a pioneer of Bay Port, died Tuesday. He is survived by two sons.

Thomas Yoder is building a new home on West Michigan Ave. in Pigeon, just west of the Joseph Gunden home. Mr. Yoder has rented his farm in Win-

ston to John Yantzi of Colorado.

Mrs. James Bright, investigator for the new Michigan Old Age Assistance Bureau in Huron County, announces that the first checks are being delivered this week.

Sebawaing plans to entertain more than 2000 baseball fans Tuesday when Billy Rogell of the world champion Detroit Tigers and his All-Stars play an exhibition game there. The opposing team will be picked from teams of the Huron-Tuscola Baseball League, with Vic Neigenfeld of Sebawaing pitching.

Neigenfeld has just returned from another successful minor league season in the South. The 100 piece Sebawaing Junior Band will give a marching demonstration and concert before the game.

40 YEARS AGO
OCTOBER 5, 1945

Mrs. W. W. Richmond, 68, nee Jessie Anna Murdoch, lifelong resident of McKinley Twp., died Friday. She leaves her husband, a son and a daughter.

First Lieut. Ruth Roberts, daughter of Mrs. Thomas Roberts, Pigeon, was granted an honorable discharge from the U.S. Army Nurses Corp after serving since December, 1942.

Her overseas service was in North Africa, Italy and France.

Pfc. James W. Quinn, U.S. Marine Corps and S2/C Robert D. Quinn, U.S. Navy, both sons of Mr. and Mrs. Dan Quinn, Caseville, met Sept. 9 in Pearl Harbor after not seeing each other for three years.

Pfc. Loren Niebel advised his parents, Mr. and Mrs. Fred Niebel, Pigeon, that he is now in Tokyo, Japan.

Another son, Sgt. Leonard Niebel, has been moved from the East Indies to the Philippines.

R. Harry Leslie, Pigeon, president of Huron Chevrolet Sales Co., Bad Axe, announced the sale of the company to The Goebel, Gerhard Goebel and Clarence Goebel, Pigeon and Harold Goebel, Bad Axe.

30 YEARS AGO
OCTOBER 6, 1955

Elder and Mrs. Sila Parker, nee Viola Hinton, celebrated their 50th wed-

ding anniversary at an open house Sunday. They have three daughters, two sons and 10 grandchildren. Elder Parker was pastor of Canboro R.L.D.S. Church for many years.

The incorporation of a Pigeon food handling firm was announced as Maust's Super Market became known as Maust's Inc. Stockholders of the new corporation are Joseph Maust, president, Mrs. Maust, Lloyd Swartzendruber, vice president and manager and Eldon Beachy, assistant manager.

Mr. and Mrs. Grant Thompson, Bay Port, observed their 50th wedding anniversary at the home of their son, K.W. Thompson, in Birmingham. They have two daughters, a son and five grandchildren.

At a meeting of Elkton Community School board, officers elected were Joan Bittner, Deann Osborn, Janalon Farver and Anne Schlabbach.

Mrs. Frederick Fritz, 87, Owendale, died Friday. Surviving are four sons, Harry, Ervin, Floyd and Emerson.

20 YEARS AGO
OCTOBER 7, 1965

Mr. and Mrs. William Dinkel were honored on their golden wedding anniversary with a dinner at Sportsmen's VFW Hall in Sebawaing for family and friends. They have eight children, 19 grandchildren and six great-grandchildren.

Karl J. Leppien, CPA, of the firm of Leppien, Moore and LaBreck, Pigeon, has

been elected president of the Central chapter of American Association of Hospital Accountants.

New officers of the Town and Country Square Dance Club, which will meet this winter at the Laker student center, are Fritz Damm, Eph Knight, Harriett Collins and Virginia Thiel.

Loss was estimated at between \$20,000 and \$25,000 when fire early Friday leveled a barn on the Robert Heck farm near Pigeon.

At the Sept. 30 meeting of the Elkton PTA, a plaque was presented by board treasurer Charles Carrington to Wager Clunis, Elkton, in appreciation of his many years of service to education in the Elkton and Laker schools.

Dr. P.A. Ruiz de Castilla, medical director of Scheurer Hospital, accepted a check for \$511.05 from Mrs. Lynn Sturm of Pigeon Junior Woman's Club and Mrs. Wayne Miller, of Pigeon Worth While Club. The money will be used toward the purchase of a second cardiac monitor/defibrillator for the hospital. The money represents profits from the play, "L'il Abner," sponsored by the two women's groups last summer.

New colorful bicentennial designs are appearing on fire hydrants in Pigeon as Laker High School art classes paint patriotic designs on them after school hours.

LIBRARY CORNER

DISPLAY CASE

A collection of glass and ceramic shoes owned by Mrs. Ruby Ewald of Elkton is now displayed in the Community Room of the library.

Her collection began years ago when a friend gave her a piece as a gift. Several of the items are over 100 years old, and her collection includes a hand-painted ceramic boot, red Santa boot, baby shoes and a few that resemble wooden shoes from Holland.

NEW TAPES
VHS

A Passage to India, Mark Twain's "Tom Sawyer," The Breakfast Club, West Side Story, Paris, Texas, The Snow Queen, High Sierra, Yankee Doodle Dandy, Mel Brook's Silent Movie, Zorba the Greek, Wham! The Video, 12 O'Clock High.

Beta
Snow White and the Three Stooges, Paris, Texas, West Side Story.

Preschool
Story Hour

The theme for Preschool Story Hour on Oct. 8 will be based on "Animals" and will include the stories "Thumpity Gets Dressed," "Scaredy Cat" and "Baby Bear's Surprise." Activities will include Ears, So Funny fingerplays, Bingo song and Thread the Needle game.

All area children are invited to attend the 9 or 10:30 a.m. sessions.

PARENTS' COFFEE HOUR

The first Parents' Coffee Hour will be conducted on Oct. 15 in the Community Room.

MariAnne Dast of Flowers By MariAnne will conduct the program at both the 9 and 10:30 a.m. sessions on house plant care, making fall arrangements and how to work with dried fall items for use in arrangements.

All parents, grandparents or sitters are invited to attend the Coffee Hour while the preschoolers attend Story Hour. Parents' Coffee Hour is scheduled once a month during the school year and refreshments are served.

LIBRARY MILLAGE ELECTION

"Be part of it, vote YES for library millage" is the slogan the Pigeon District Library will use to support the library millage election on Oct. 22.

Bookmarks are available to remind patrons of the upcoming election.

Congress may decide to reduce revenue sharing in fiscal year 1986 and has already voted to end that program entirely at the end of fiscal year 1986. This means no revenue sharing will be received after Sept. 30, 1986. The Pigeon District Library received \$6,856.58 last year in revenue sharing and has already received \$8,119.21 in county revenue this year. Librarian Roberta Richmond says that without these funds, library services would be cut or have to be made up from the municipalities.

The library millage election is asking for 3/10 of a mill (30 cents per 1,000 of state equalized property value), which if passed would mean \$240,000 to be distributed to six libraries in Huron County up to a period of 20 years.

Your Progress-Advance is full of local news & pictures for you!

Scheurer involved in PBB testing

The clinical laboratory facilities at Scheurer Hospital were recently used by the Michigan Department of Public Health as part of a study on the long-term health effects of polybrominated biphenyl (PBB) on humans.

The program involved testing individuals who lived on PBB contaminated and quarantined farms throughout Michigan's Thumb area. The PBB accident, which occurred in 1973, contaminated thousands of farm animals and humans

throughout Michigan when a fire retardant was mixed in livestock feed and distributed to farmers.

Uncertainty about PBB's long-term health effects has prompted the DPH study.

Dr. George Lambert, a member of the University of Chicago Medical School and his staff conducted two days of testing at Scheurer Hospital, according to hospital Community Relations Director Frank Franch.

The Pigeon hospital was one of approximately 10 separate facilities

throughout Michigan used to test between 120-140 people in the state.

"Most PBB test administered previously were done on animals. These test results were very inconclusive when applied to human beings," Lambert says. He also pointed out liver damage from PBB is an area of concern to medical professionals. The liver is the organ that metabolizes all food, medication and liquid consumed by people.

Portions of the tests, estimated to cost between \$1,500-2,000 per person, were sent to University of Chicago Medical School, University of Toronto and Michigan State University Medical School.

Particular attention is given to children who were in utero when the farm families were originally exposed to PBB, Lambert says.

Something To Think About

JOHN A. CHAMPAGNE
DIRECTOR

DEATH OF TRADITIONS

In recent years, there has been some opposition to the traditional American funeral. There are those who would wish to substitute a memorial service for the funeral, and others who would do away with all funeral rites entirely. While these "movements" seem to have no broad-based appeal, and Americans demonstrate a continued preference for the traditional funeral service, it is still worth examining the issue.

It is not surprising that with a declining respect for human life there should also come an attempt to devalue and demean the rites of final passage. The two are inextricably linked. Funeral services are not morbid exercises, they

Riesterer-Anderson married in Caseville

Mr. and Mrs. Andrew Riesterer

Sue Ellen Anderson of Pigeon and Andrew Riesterer of Troy united their lives in marriage on Saturday, Sept. 14 at Caseville United Methodist Church.

Performing the marriage rites was Rev. Brent L. McCumons. The bride couple are the children of Mr. and Mrs. Bruce Anderson of Pigeon and Jeanne A. Riesterer of Roseville.

Music selections included "The Wedding Song," "Joined in Christ," and "The Lord's Prayer," performed by soloist Janis Buerker and organist Julie Wolfram, both of Pigeon.

The altar was graced with crescent and spiral candelabras, white mums and white glads, peach azaleas and tiger lilies and a unity candle arrangement.

The bride approached the altar wearing a gown of ivory satin featuring a bodice accented with pearls, beads and alencon lace appliques ending in a basque waistline. The stand-up collar of alencon lace had similar pearls and beads on a sheer yoke. Full "Lady Di" sleeves fell into graceful folds above the elbows, accompanied with ivory crocheted gloves. The full skirt fell into a chapel train encircled with Venice lace. She wore a bridal hat in ivory alencon and floral lace with one upswipe side, completed with a fingertip veil.

The bride carried a bouquet in a continental design of silk calla lilies nestled in crisp ivy and airily distinguished with fresh stephanotis. Stems of floating pearls completed the bouquet.

She asked a friend, Linda Heater of Kalamazoo to be maid of honor and choose Pat Anderson of Pigeon, sister-in-law of the bride; JoAnn Lakie of Pigeon; Cathy Kretschmer of Ann Arbor and Angie Dubs of Owendale, all friends, to be bridesmaids.

Her attendants were identically attired in gowns of romance blue satin, featuring the bodice front following the sweetheart shape of the

neckline with short tulip petal sleeves, the low torsal back was accented with self fabric tulip petals and fell into a long full gathered skirt. Completing each gown was a romance blue satin heart-shaped hat with two rows of pearls and a net pouf and short streamers.

Each attendant carried a line design of peach gladiola blossoms and buds accented with gold and dracaena foliage and matching ribbons loops, silver bouillon strands drawn through the bouquets.

Standing up for the groom as best man was Tom Stapor of Midland, Tex., a friend. Groomsmen were Kurt Anderson of Pigeon, brother of the bride; Richard Riesterer of Warren and Matthew Riesterer of Roseville, both brothers of the groom and Dan Carter of Albuquerque, N.M., a friend.

Kurt Anderson and Matthew Riesterer also served as ushers.

The mother of the bride chose a floor-length two-piece heather blue moire taffeta gown with a silver lace jacket.

The groom's mother wore a silver gray silk-jacquard floor-length gown with a softly draped shoulder scarf.

The mothers' corsages were designed a la Grecque with sonja roses forming the nucleus and stehantotis forming an over-the-shoulder line.

The newly-married Mr. and Mrs. Riesterer greeted their 200 guests at a reception conducted at the Sportsman's VFW Hall, Sebawaing. Guests attended from Texas, Colorado, Kalamazoo, Detroit, Albion, Ann Arbor, Saginaw, New Mexico, Roseville, Warren and Chicago.

Mrs. Riesterer is a Laker High School graduate and a graduate of Ferris State College. Her husband graduated from Carl Brablec High School in Roseville and from Ferris State College. He is presently employed at Drummy Oldsmobile, Inc., East Detroit.

Following a one-week honeymoon trip to Canada, the newlyweds are residing in Troy.

Thumb area clubs plan fall activities

ELKTON SENIOR CITIZENS

Seventy people were present at the weekly luncheon of the Elkton Senior Citizens last Tuesday.

Chairman Southworth greeted Gordon and Beatrice Motz, Edith Quinn, Louise Krohn, Rev. and Mrs. Kummer and son and Clarence and Adena Knechtel, Bernita Sharp and William Proffit.

"God Bless America" was sung and the Pledge to the Flag given. The birthdays of Harold Gregor and Gordon Motz were observed with The Birthday Song. Bea and Harold Gregor led in singing several group songs.

The secretary's minutes were read and approved. Mrs. Edith sent 1,420 Campbell Soup labels to the Children's Home in Mexico.

October committees are: set-up Sherm and Eva Day

and Edith Lackie; clean-up Bill and Eva Blaylock, Marie and Jim Hoffman and Mildred Dietzel.

A get-well card was signed for Mary Matthews, a patient at Huron Memorial Hospital. Emma Morley is reportedly still in McLaren Hospital and Glen Wakefield is recuperating at home.

Program chairman Edna Wakefield led the group in several sit-down exercises, after which Bill Proffit, age 89, sang a solo. Wakefield introduced Elkton Methodist minister Rev. Kummer, who spoke on "Maturity," interspersed with amusing poems and stories which challenged seniors to live each day fully.

Fruit, vegetables and flowers were given away.

RUSH LAKE FARM BUREAU

The Hal Conkeys were

hosts to the September meeting of the Rush Lake Farm Bureau group. Seven members enjoyed a potluck dinner.

Mrs. Fred McBride presided at the meeting. Mrs. Roy Duffy read the minutes in the absence of the secretary. Members signed get-well cards for Mrs. Bert Gilbert and Mrs. William Ballagh who were hospitalized. Dues were collected.

The Huron County Farm Bureau Women's 1985 projects were placed in the files for further references.

Hal Conkey led the discussion topic "Telephone Deregulation."

The October meeting will be in the William McBride home, featuring a harvest potluck dinner.

MARTHA YOUNG CIRCLE

Mrs. Fred Watersworth

provided the program by playing a sermon prepared by Dr. Anderson, pastor of Kirk On The Hills Church, Bloomfield Hills, when the members of the Presbyterian Martha Young Circle met at the home of Mrs. Catherine Prottzman on Wednesday. Bob and Dick Watterworth, sons of Mr. and Mrs. Fred Watterworth, are members at Kirk on the Hill.

Jean Jock presided at the meeting, read Psalm 121 and offered prayer. Fifteen ladies were present. The hostess served dessert and coffee.

A financial statement was given to date. As many members are southbound, farewells were said until spring.

Early fall wedding unites Young-Hill

Miss Brenda Kay Hill, Pigeon and Donald Wallace Young, Jr., Pigeon, were united in marriage on Sept. 7 at Caseville United Methodist Church. Rev. Brent McCumons officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Ernie Hill, Pigeon and the groom is the son of Mr. and Mrs. Donald Young, Sr., Pigeon and Carolyn Young, Cass City.

Music selections included "Endless Love," "Just You and I," "The Lord's Prayer" and "Promise You," Organist Mary Leipprandt and pianist Nola Kauffman

accompanied vocalists Kris Wells and Joel Avalos, all of Pigeon.

The altar was decorated with a unity candle which was surrounded by a rainbow-colored arrangement of silk flowers. The church was decorated with rainbow-colored ribbons on each pew, and white mums with rainbow-colored ribbons around them.

Given in marriage by her father, the bride wore a floor-length dress of polyorganza over silk taffeta with a chapel train edged with schiffli trim and medallions of lace. The

bodice was of lace with a sheer yoke and dropped waistline. Her leg o'mutton sleeves were trimmed with lace medallions and pearls. Her floor-length three-tiered veil was of silk illusion netting, secured by a tiara of pearls.

The bride carried a fan-shaped bouquet of white roses and Stephanotis with ivy and miniature roses in colors to match the attendants' dresses. The cascade was of white roses and English ivy.

Dana Edler, Pigeon, sister of the groom, was matron of honor, wearing a pink gown with a sweetheart neckline, a bodice trimmed with venice lace and puffed three-quarter length sleeves and a self sash belt. She carried a nosegay of pink silk carnations to match her dress, accented with ferns, dark pink starflowers and baby's breath.

Bridesmaids were Kelly Smeader of Bay Port, friend of the bride; Tammy Kretzschmer of Caseville, friend of the bride; Louise Wells of Bay Port, sister of the bride; Patti Hill of Saginaw, sister-in-law of the bride and Cindy Kish of Elkton, friend of the bride, wearing gowns similarly styled to the matron of honor's but in mint green, peach, blue, yellow and lavender, respectively. Each carried a nosegay arrangement of miniature carnations, starflowers, baby's breath and ferns in rainbow colors to match each gown.

Flower girl was Rebecca Wells of Bay Port, niece of the bride, wearing a halo in her hair with the rainbow-colored miniature roses. She carried a white basket with the same rainbow assortment of flowers as she scattered rose petals.

Daniel Edler, Pigeon, brother-in-law of the groom, was best man. The groomsmen were Steve Tait, Caseville, friend of the groom; Brian Henry, Caseville, friend of the

Mr. and Mrs. Donald Young, Jr.

Coe-Mitin united in late summer wedding

Mr. and Mrs. James Coe

Lisa Marie Mitin of Lansing and James Alden Coe of Ionia were united in marriage on Saturday, Aug. 24 at McCune Chapel in Peoples Church, East Lansing.

The bride is the daughter of Mr. and Mrs. John Mitin of Bay Port and the groom is the son of Mr. and Mrs. Gaylord Coe of Ionia.

Immediate family members were present for the vows which were solemnized by Rev. Gibson.

Matron of honor was Deborah Mitin and Best Man was Philip Mitin, cousin of the bride.

A dinner reception followed the ceremony in the Whitehill Room at Winn Schuler's Restaurant, East Lansing.

Following a two-week honeymoon to Wyoming, the couple is making their home at 728 Morse Street, Ionia, MI 48846.

Area couples mark anniversary dates

Mr. and Mrs. Earl DeBoer

Mr. and Mrs. Earl (Jennie) DeBoer of 9010 Crescent Beach Road, Pigeon, marked 45 years of married life on Sept. 30.

They have two sons, Robert and Paul; one daughter, Patricia and two grandchildren, Dirk and Danica.

Mr. and Mrs. Fred W. Edler

Margaret A. and Fred W. Edler, Pigeon, celebrated their Silver Wedding Anniversary on Sunday, Sept. 23 with a Surprise Open House hosted by their children at the Pigeon District Library.

The former Margaret A. Lohmann and Fred W. Edler were married Oct. 1, 1960, witnessed by Janet Sharpsteen and Gerald Edler at Immanuel Lutheran Church, Sebewaing.

The couple has five children, Daniel and Douglas of Pigeon, Peggy, Patricia and Brian at home and one grandchild.

Alma juniors serve on committees

Alma College juniors Daniel Simet of Caseville and Brian Cubitt of Bad Axe are among the 38 Alma students selected to work of Alma's community government committees for the 1985-86 academic year.

Simet is one of three students on the President's Advisory Council, which acts as an advisory board to the president of the college in regular strategic planning, identifying priorities for utilization of college resources, in making various recommendations and in review of issues, policies and matters which the president determines to be of significant institutional importance.

Cubitt is one of three students on the Judicial Committee, which is empowered to act on student infractions when those matters have been referred to it by the students involved and or by the Dean of Students.

Students apply and are selected for committee service by a Community Government Selection Com-

mittee composed of four Alma students. The Student Congress then approves the committee assignments.

Simet, a 1983 graduate of Caseville High School, is the son of Brian and Ann Simet

of Caseville, majoring in business administration. Cubitt, a 1983 graduate of Bad Axe High School, is the son of Duane and Dorilyn Cubitt of Bad Axe, majoring in physics and mathematics.

Rep. Allen works on rail safety

LANSING — State Rep. Dick Allen (R-Caro) has announced that he is working with members of the Michigan Railroad Association and the State Transportation Department to gather information on reflectorization methods at unmarked rural railroad crossings.

Rep. Allen's action was prompted by a 500 signature petition signed by concerned citizens of Huron County.

There are not enough measures taken to assist motorists' visibility of train cars after dusk. Too many serious and fatal train/automobile accidents have occurred because

motorists cannot see the trains at night, and something must be done immediately," states Allen.

To require reflectors on all train cars would not be feasible, since there is such a free exchange of cars between states and Canada, thus legislation would have to be mandated by the federal government, adds Allen.

Rep. Allen hopes to have draft of legislation ready for introduction sometime this fall. Anyone who has any questions please contact Allen at State Capitol Building, Lansing, MI 48909 or call 373-0476.

Blome heads St. Jude event

Mrs. Joyce Blome of Pigeon will coordinate the "Bowl for Life" campaign at Pigeon Lanes Nov. 1-9 to benefit St. Jude Children's Research Hospital, the organization has announced.

Sponsor forms are now available at Pigeon Lanes. All interested bowlers are asked to participate so that children will have a chance to conquer disease.

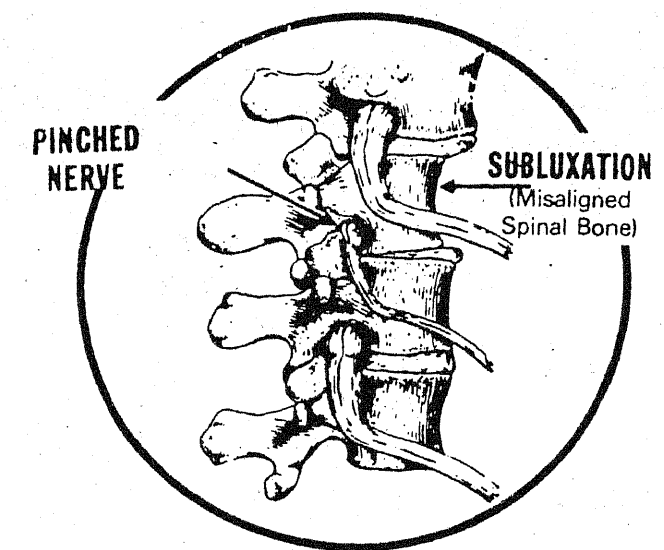

Service news

Marine Pfc. Rudolfo R. Garza, whose wife Veronica is the daughter of Otto and Lorraine Fluegge of Elkton, has been promoted to his present rank while serving with the 1st Marine Division Camp Pendleton, Calif.

A 1981 graduate of Laker High School, Garza joined the Marine Corps in February, 1985. He is the son of Rudolfo R. and Cecilia Garza of Pigeon.

HOW DO YOU SPELL RELIEF

CHIROPRACTIC

CORRECTING THE CAUSE OF YOUR PROBLEM

The misalignment of the spine can affect another and sometimes several areas. Nerves not only control every organ and function but intercommunicate and connect each part of the body to every other part. Whether next to the skin, close to the bone, or passing through tissue and muscle, whatever their function or wherever they go, all nerves connect with the spinal column and the brain.

The doctor of chiropractic works with the spine and nerves. The chiropractor was the first to recognize that spinal bones (vertebrae), twisted even slightly out of place, often impinge the major nerve trunks at the point where they pass through small bony openings as they leave the spine, thus causing pain and disease.

The chiropractor was the first to recognize that the nerve system and its intelligent directing force must be free of all such obstacles in its path in order to function efficiently.

The chiropractor was the first to devise a scientific system of analyzing and testing the spine and nerve system to locate nerve malfunction. YOUR CHIROPRACTOR IS A SPECIALIST IN LOCATING AND CORRECTING THE BLOCKED AND PINCHED NERVES THAT ARE CAUSING YOUR HEALTH PROBLEMS.

Your Home!

Fire holds nothing sacred! It has no regard for life or property. It can strike at home, on the farm, in industry and in forests. Each one of us is in danger of devastation, loss, anguish unless we practice fire prevention. Promote fire drills, make household safety checks, abide by all fire rules.

PROTECT--
Your Home!

Homeowners Insurance?
One name says it best!

Auto-Owners Insurance
Life. Home. Car. Business. One name says it all.

What's so good about Auto-Owners Homeowners Insurance? First, it's our modern, creative outlook on homeowners insurance. With policies that give you what you need, for what you want to pay.
Second, it's your local independent Auto-Owners agent. Who not only knows your neighborhood. But probably even lives in it.

The Power
Agency

856-2745 or 856-2980

PROTECT--
Your Home!

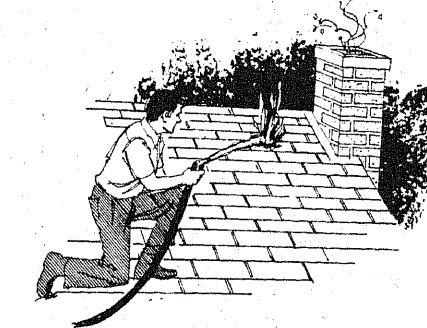

Most people don't think about fire prevention until it's too late. Fires can happen any time, any place. That's why individual prevention programs are so vital to minimize their cause. Each of us can reduce the threat of fires and the tragic loss of lives and valuables by being alert to rules of safety and practicing them and by having a good insurance policy to back them.

Bailey LYNN STURM, PRESIDENT
Insurance Agency, Inc.

Pigeon, Michigan 48765 • (517) 453-2422

PROTECT--
Your Home!

Fire prevention is the responsibility of everybody. Check your home, storage buildings, farm equipment and barns for fire hazards. Fire can happen, before it happens at your place, make sure you are adequately covered for all your insurance needs.

ATTEND THE CHURCH OF YOUR CHOICE

THIS SUNDAY AND EVERY SUNDAY

FAITH CHANGES A DISABILITY INTO A SOURCE OF STRENGTH

A woman in her senior years was given the bad news by her eye doctor. After a series of unsuccessful implants and transplants, he had realized that nothing in his power would restore her sight, and that she must spend the rest of her life in darkness. Also, perhaps as a result of her troubles, she had developed a dependence on alcohol. Nonetheless, at the moment of truth, a miraculous transformation occurred. With the help of the clergyman at her House of Worship she discovered an inner strength that she would have believed non-existent. She stopped drinking, and now tells others of the folly and futility of it. Thus, with the aid of faith she not only acquired a new serenity, but also changed from a person in need of help to a helper of others. When her eyes could see, she had been handicapped by her weaknesses; but blindness opened her eyes to the power of faith.

God casts some men into the furnace of affliction, and then beats them into what shape He pleases.
— Anne Bradstreet

"Before I was afflicted I went astray; but now have I kept thy word."
— Psalm 119:67

BYFC hires Thumb native to expand ministry

By RICH SWARTZENDRUBER

Bluewater Youth for Christ, a Christian ministry for high school students in the Thumb area is expanding its services with the addition of another staff member.

Laker High graduate and Bay Port native John Gunden will join staff members Redford Maust and Ken Smeader in an effort to provide regular activities and contact with students in Bad Axe, Uby and Harbor Beach high schools, says Executive Director Dwight Gascho.

"Our primary goal in bringing in John is developing ministry on the east side of the county," Gascho says. He added the organization has wanted to involve high school students east of M-53 in the Campus Life program in the past, but just didn't have enough manpower for the task.

With the addition of Gunden, BYFC will near its goal of having regular ministry in every Huron County high school. At the present time the Christian youth organization meets regularly with Unionville-Sebewaing, Laker and North Huron students, and provides occasional special activities in all other secondary schools in Huron County.

Gunden brings a musical background in addition to his

PLENTY OF PRACTICE: New BYFC staff member John Gunden plays one of the songs he wrote as his wife Margaret listens in.

Gunden's keyboard talents will be contributed to BYFC's local singing group "Cornerstone."

experience in working with youth to the local program. Since his graduation from

Laker High in 1977 he has toured as a singer/keyboard artist with two different Christian rock bands. One of those groups, "Sweetfire," provided assemblies for all Huron County high schools

through BYFC in 1982. His musical roots, coincidentally, reaches back to BYFC when he was a member of the local YFC music group "Promise."

In addition to singing and writing songs, Gunden was most recently employed as a youth pastor for Heritage

Village Church, home of PTL. At the North Carolina church, Gunden was responsible for bi-weekly services for 150 youth, as well as providing counseling and coordinating special events such as concerts.

Gunden will lend his musical talents to the current BYFC singing group "Cornerstone" as well as provide special solo church services in the area. The multi-talented young man has spoken and sang in two church services in the

Thumb area already since his return to the area this past August.

Never at a loss for music, Gunden writes many of his own songs. Several of his songs have been published, and he is currently under an exclusive contract with a Nashville-based publishing company for other songs he writes.

Gunden and his wife Margaret will soon move to the Bad Axe area where he will be interacting with high school students.

Community prayer breakfasts feature local speakers

An 11 year tradition will continue this fall when Community Mens' Breakfasts begin with an Oct. 2 date at 7 a.m. at First United Methodist Church, Pigeon.

Following a hearty breakfast, the group will be led in a prayer, a song or two, then a devotional message offered by the October guest speaker, Rev. Howard Brinton, retired United Methodist missionary to Zaire, Africa. Everyone is on their way by 8 a.m.

The breakfasts will continue monthly on the first Wednesday of each month through April. All men of the

Pigeon area are invited to attend.

The 1985-86 season will feature: Oct. 2, Rev. Howard Brinton; Nov. 6, Elder Ervin Haley; Bay Port RLDS Church; and employee at Gettel's, Pigeon; Dec. 4, Rev. Fr. Ben Skornia, pastor of St. Francis Borgia Catholic Church, Pigeon; Jan. 8, Budd Elenbaum, Kilmanagh area farmer and businessman; Feb. 5, Rev. Raymond Orth, pastor of Cross Lutheran Church, Pigeon; March 5, Jerry Dietzel, Pigeon businessman and April 2, Rev. Herbert Troyer, pastor of Michigan Avenue Mennonite Church, Pigeon.

Love is the key

READ 1 JOHN 4:7-21

A new commandment I give to you, that you love one another; even as I have loved you. John 13:34

Dr. Karl Menninger said, "Love is the medicine of the world." He directed his staff to make each contact with patients a "love contact."

Hospitalization time was cut in half. "Faith, hope, love abide... but the greatest of these is love." (1 Corinthians 13:13).

God is Love. Because He is Love, the supremacy of love is written in the texts of the Bible and the texture of our being.

Love is the most basic need of the human personality. God so loved the world that He planted the cross on Calvary. Under that cross, bearing "the Lamb of God who takes away the sin of the world," we write: "This is how much God loved me, for He gave Himself for you and me."

In Jesus Christ, God wrapped His heart in flesh and blood; He let it be drained for our redemption from sin. The cross is both reconciliation and revelation: reconciliation in paying the penalty of our sins, revelation in making known the love of God for sinners.

God's love for us by the Spirit's power, wins our love for Him and His children.

Lord, heavenly Father, help me to see that all errors of life stem from the want of love. Amen.

Ag speaker at Salem Sunday

Dr. Nelson Ndove of Chicago will return to the Pigeon area to again speak at Salem United Methodist Church. The featured speaker is slated to address the congregation on Oct. 6 at the 10:30 a.m. service.

The son of a Presbyterian minister, Ndove grew up in Mozambique, Africa and went on to earn a Ph.D. in Economics at the University of Chicago.

Ndove is very interested in the economics of agriculture for his homeland of Mozambique, which is suffering greatly with starvation and poverty, according to Salem pastor Mark Karls.

During his visit last summer, Ndove was given a tour of the Co-op Elevator, as well as many farms in the area. He hopes to visit more farms during the harvest, adds Karls.

Tulip speaks Wednesday at Breakfast

The Elkton Prayer Breakfast has invited Jean Tulip to be guest speaker on Wednesday, Oct. 9 at 9 a.m. at the Elkton Civic Center.

Child care will be available and all area women are invited to attend. A free-will offering will be taken.

YOUR PROGRESS-ADVANCE has news you can use! Call 453-2331 for delivery.

Students earn newspaper sales prizes

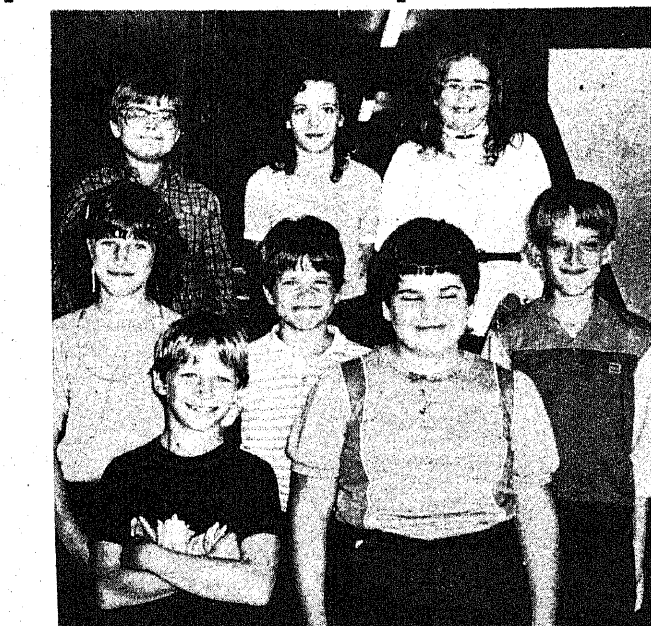

PIGEON WINNERS: Top sales persons in this year's Progress-Advance newspaper sales contests, conducted this past month, include, from Pigeon Elementary School, back row, left to right:

From Mike Gehrs' 6th Grade, Tricia Kuch, Becki Binder and Aaron Dubs. From Todd Bigger's 5th Grade, Todd Hundersmarck and Justin Maust. Front row, also from 5th Grade, Ginny McGathy. From Jeannine Ehrlich's 4th Grade, Kara Langley and Jill Collison. From Karen Gehrs' 3rd Grade, Eli Binder, Brad Muentener and Jon Holmuth.

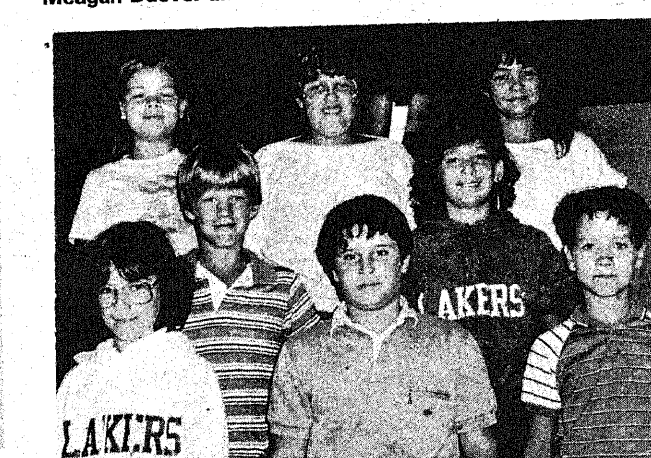

BAY PORT WINNERS: Progress-Advance sales winners are, back row, left to right: From Bill Love's 6th Grade, Mike Richmond, Jeff Fritz and Chris Pobanz. From Gail Schmuck's 5th Grade, Mike Daniels and Kendal Truemmer.

Front row, also from 5th Grade, Mindy Swartzendruber. From Janet Love's 4th Grade, Billy Smith and Zeb Deming. From Janet Keena's 3rd Grade, Shawn Diebel, Gary Chandler and Jenny Murdoch. All three elementary schools, more than \$2900 in subscriptions were sold, with more than \$1000 kept by PTCs, PTOs and PTAs for school trips and special events. In all, 93 new subscriptions were sold, according to Publishers Sally and Mark Rummel.

ELKTON WINNERS: Front row, left to right, from Mike Lang's 4th Grade, Justin Herman and Tracy Smithers. Middle row, from Kathi Weidman's 4th Grade, Trisha Rosenthal, Tony Rockefeller and Tim Young. Back row, from Rose Stephenson's 5th Grade, Michael Brown, Meagan Duever and Carla Bulla.

MORE FROM ELKTON: Other winners include, front row, left to right, from Sue Sealey's 6th Grade, Jennifer McIntosh, Jennifer Kreh and Jeannette Rabideau. Middle row, from Jennie McCain's 6th Grade, Ryan Krohn and Rebecca Leipprandt (missing is Monte Herford). Back row, from Susan Portmann's 5th Grade, Kristin Southworth, Wayne Maurer and Ben Lang.

Bay Port Fish nets way to catch whitefish

BAY PORT — Bay Port Fish Company is preparing for a Whitefish harvest this fall using a purse seine net which not only has the hearty approval of the Department of Natural Resources, but also brings few if any objections from sports fishermen.

The DNR, which granted approval for Whitefish taking in September, says that as Whitefish are a renewable resource, and provide excellent eating, they may be taken commercially. Sportsmen do not object to commercial taking, as Whitefish do not usually take lures and have soft mouths which makes them difficult to catch. Forrest and Tod Williams and Dennis Root, owners of the company, have contacted many sports fishermen and fishing groups to explain the nets and the company's system, and are receiving considerable agreement.

Essentially, said Forrest Williams, the biggest approval for purse seine nets is that they are in the water only a short time for each lift. They are put down, then gathered up again without trapping fish for hours or days before the fish are removed or released.

He said that the Bay Port Fish Company operation will involve a 45-foot boat that carries the 1,200-foot net, and is equipped with fish-finders. When a school of Whitefish is sighted, a smaller boat, about 20 feet in length, takes the end of

the net and forms a large circle — about 300 feet in diameter — around the larger boat. The fish inside the circle are trapped as the net drops down into the water, and then the larger boat begins to draw in the net, closing it on the bottom and making it smaller as the side ropes are drawn in, from which the net gets its name, as a "purse with strings".

The trapped fish are confined into a small portion of the net, and are sorted immediately, retaining the legal-sized Whitefish of 19-inches or more and weighing 2½ pounds or more, and releasing smaller Whitefish or any illegal fish.

This purse sein net was purchased from Whitefish fishermen in Leland, and is used in waters up to 110 feet deep. The fishing grounds for the Bay Port Fish Company will be approximately from the Charity Islands to Harbor Beach, and the season will be open to October 31.

Boats for the operation are being brought from the Traverse City area, and Whitefish taking is expected to be around October 10.

Williams explained that the Whitefish season here will be longer than in the Traverse-Leland area because the freeze-up comes later and the lakes' ice breaks up earlier in the spring.

He stated that Whitefish by the millions have been lost through the years be-

cause they were not allowed to be taken by commercial fishermen, and sports fishermen are not able to take nearly enough to affect the population. As a result, millions of pounds of good edible fish are lost, as they simply "die of old age". Surveys show that many fish of 5 pounds and more are in the population, because they are not harvested, and Whitefish up to 15 pounds are not uncommon. A record fish taken recently weighed a record 26 pounds. In recent years, Canadian commercial fishermen have been catching up to 2.5 million pounds of Whitefish, while Michigan fishermen were not allowed to take them.

"This should be good for everyone," Forrest Williams concluded, "because it gives fish-eaters an opportunity to enjoy an excellent fish, and netting the Whitefish removes the biggest fish from the lakes, leaving more food for sports fish."

Tod Williams said that purse seine nets are used extensively on both the East and West coasts of the U.S. and that more than 50% of all fish caught in the world are taken by the purse seine type net. He added that the nets can be adapted to other types of fish — possibly Carp and Catfish — to help reduce numbers of the very large fish which eat a disproportionate amount of the fish food in Saginaw Bay and the Great Lakes.

BAY PORT — LAYING OUT the Whitefish net are Forrest Williams and Tod Williams, owners of Bay Port Fish Company, and Tom Beer, as they prepare the new type net for October fishing in Saginaw Bay and Lake Huron.

Golf season 'officially' over

By HARRIETT COLLINS

The last official scheduled day of golf for this season was played on Tuesday, Sept. 24.

It's just possible the cold weather and high winds were responsible for the dearth of low scores in the two-person Scramble played that day. Winners with a 41 were Edna Dutcher and Marie Kantarian.

Second place winners, with a 42, were Mavis Pechette and Vivian Papps. In third place with a 44 were Dody Yahn and Harriett Collins.

Marion Cypher boasted a chip-in on number 5.

There will still be a few "regulars" playing through October's "bright blue weather," especially if it's a Tuesday.

At the seven tables of bridge following the planned luncheon and monthly meeting, winners were Peggy Hunt, high; Betty Peterhans, Betty Hutchins, Virginia Pacific, June Duprey, Diana Fleharty and Wanda Smith.

Twenty-four golfers participated in the final "Buck

and Doe" best-ball tournament of the season on Sunday, Sept. 22.

Finishing in first-place were Don Welshans, Doris Strauch and John Schweninger, at 16 under.

A second place tie at 15 under was settled by a sudden death play-off, with the winners being Edna Dutcher, Judy Schings and Dick Rood. Third place winners were Don Kleinaw, Maxine Nixon and Nelson Binder.

The afternoon was topped off by an outdoor picnic and barbecue, presided over by Club President (and chef) Don Welshans.

373-WILD for wildlife news in state

LANSING — The Michigan Department of Natural Resources (DNR) has set up a new telephone hotline — 517-373-WILD — to answer the public's questions about Michigan wildlife.

The hotline's two three-minute recorded messages will provide the latest information about hunting season dates, hunting license costs and availability deadlines, hunting tips and conditions in various parts of the state, rules reminders and rules changes, hunter safety, bird migrations and other general news about the state's wild animals and birds.

Tony Genco of the DNR's Wildlife Division, coordinator of the new hotline, says additional tips will be given on mushrooms, wild berries, wildflowers and other plants in season. The recorded messages will be updated once a week.

"We expect that the new hotline will be helpful to many different users of Michigan's outdoors," says Genco, "hunters, nature photographers, birdwatchers, hikers — especially our visitors from out of state."

Genco welcomes ideas for additional information the public wants to receive through the WILD hotline program. Call him with comments and suggestions at 517-373-9312 or write to DNR Wildlife Division, Box 30028, Lansing, MI 48909.

Thumb Outdoor Report

THIS SATURDAY MARKS THE BEGINNING of the 1985 waterfowl season, and from all reports it should turn out to be a dandy.

Earlier in the year the Federal Fish and Wildlife Service painted a gloomy picture of the drought-ridden Canadian Provinces where most of our flight ducks are hatched. However, this is some disagreement as to the number of ducks there are available for the hunting seasons in the U.S.

In the Thumb of Michigan, the local duck population controls the quality of the hunt during the early part of the season, and this year there was an explosion of local ducks. From all indications, both marsh and field hunters should have little trouble bagging their limit of mallards. Remember the point changes, a drake mallard carried a 35-point tag while the hen has been upped to 100 points. In reality, mallard hunters have been reduced from four drakes last year to three this year. Stay away from the hens and you should be able to hunt a little longer.

The goose population has also been on the upswing, and that season — which coincides with the duck season — promises to be one of the best in recent years. Local geese are already streaming into the fields, and as soon as some of the corn comes down we can expect them to flock in by the hundreds. The daily bag limit has been increased from one to two this year, and if you decide to catch the late season in the southeast portion of our state, the daily

limit there will be three geese.

The reason for the liberal limit in that area is that the Giant Canada Geese have become a nuisance. According to the U.S. Fish and Wildlife Service, it is a very serious problem. The DNR estimates that the population of the large birds in Michigan has grown from about 3,000 birds 10 years ago to more than 25,000 today. Among nuisance complaints is that the droppings of geese carries coliform bacteria, which can be a serious health problem to humans.

THE DNR'S DECISION to conduct a two-deer hunt in the Thumb this year has caused local residents to scream in concern. In an effort to reduce the deer herd and thus diminish the amount of crop damage caused by whitetails, the DNR has allowed hunters to apply for "any-deer" permits. Those who are successful in the draw will be allowed to shoot a doe, and if they check it in at a conservation station, will then be given another tag to kill, either a buck or another doe.

Proponents of the decision hail it as the first viable solution to a growing problem. The opponents of the rule see it as the virtual destruction of the deer herd in the Thumb. Sides are being drawn and by the end of the deer season, we will have an answer, one way or the other.

WOODS and WATERS

By DUANE GUENTHER

Early light

Most bowhunting experts agree that the best time to hunt whitetail deer is during the mystic hour just before nightfall. During this time the usually cautious deer are stirring from a peaceful day on the beds, and become less wary as they look forward to an evening's feeding on the succulent farm crops that lay before them like an animal smorgasbord.

Experienced hunters position themselves along the many runways leading out from swamps and other areas of dense vegetation, and with a little luck, connect on animals as they exit their place of hiding.

Years ago, after convincing myself I would never be a super bowhunter, I decided to expand on the theory proposed by the experts. I reasoned that if the deer left their beds to feed at dusk, wouldn't it seem logical that they may just use the same runways to return to their bedding area in the morning? This would present another excellent hunting time: namely, the hour before daybreak to pursue the whitetail.

Mornings have always been a special time for me, and during bow season, they seem to be extra special. Especially, a particular one in the early weeks of last year's October.

To steal a line from Snoopy, "It was a dark and stormy night." Sometime after midnight, a late summer or early fall thunderstorm rolled across Huron County. Sheets of lightning splattered the mercury vapor light outside my bedroom window, and the crash of following thunder caused the glass to vibrate within its frames. I drifted in and out of a restless sleep.

Before my bedside clock could sound its familiar alarm, I was already dressed and packed for a Saturday morning of bowhunting. The light rain that splattered across my pickup's windshield had diminished to a few sparsely spaced drops by the time I pulled off the lonely country road. The spot I picked for this morning was a favorite of mine, a long, undulating hay field bordered on one side by a narrow strip of standing corn, and on the opposite side by a deep, county drain, partially filled with water.

The field bordered a gravel road on one end, but the other end disappeared in an amphitheater of cedars. It was there I was headed.

Back at the house, I had dressed in light wool and covered it with a pair of pants and a jacket made of noiseless, camouflaged netting. My feet were protected by an old pair of rubber-bottom shoe pacs, and my head was covered with a camo baseball hat acquired at a recent Ducks Unlimited banquet.

Later, when I reached my hunting spot, I would don camo gloves, and, using an old trick I learned while turkey hunting, covered my face with a partial camouflage netting that resembled a doctor's surgery mask. With my hat pulled down over my eyes, the arrangement would conceal the

Mornings have always been a special time for me, and during bow season, they seem to be extra special. Especially, a particular one in the early weeks of last year's October . . .

pale skin that lay beneath, but not obstruct the low-light vision needed for this type of hunting.

I pussylifted down the middle of the cornfield, taking my time and watching the placement of my feet to cut the commotion to a minimum. There were deer in the field. I couldn't see them, but I knew they were there, they always were.

One morning I happened upon as many as 20. On that day, when the sun rose and faint light streaked across the hayfield, there were so many deer it looked like one of the nearby-farmer's feedlots. I silently hoped this would be such a morning.

Nearing the end of the field, I sensed that something was in front of me, maybe another hunter I thought to myself, but I had hunted here all last year and the first two weeks of this season and had never spotted a trace of another human being. Maybe it's my imagination.

I hesitated a little longer, and then proceeded at the snail's pace I had been using. A rustle directly ahead caused me to stop short, and as I waited breathlessly, a large, brown form rose from a steaming depression and moved toward the hayfield. As it passed within a couple of yards of me, a line or two of some rather large antlers popped into view. My heart did a couple of flip-flops and ended up in my throat.

I stayed perfectly still for at least 10 minutes and then began to ease toward the tree blind at the end of the last row of corn. Beneath it, although it would be at least an hour before it was light enough to notice, passed a deeply rutted runway, one that, on this morning, may carry a large, brown form sporting some bragging-sized antlers.

Only the dawn's early light would tell.

NOW WE CAN OFFER YOU A TOTAL FALL FERTILIZER PROGRAM.

Now you can apply all your N-P-K this fall and not have to worry about it next spring. In the spring you can get right to planting. In the past we've recommended fall plow-down of P and K. Now, we can also recommend fall application of nitrogen. Stabilized Nitrogen makes this possible. Unlike regular nitrogen, Stabilized Nitrogen can be applied in the fall soon after corn or soybean harvest. And you won't lose it through the winter or during spring rains.

A good fall fertilizer program including Stabilized Nitrogen makes sure your N, P and K are available next spring for healthier corn and increase yields.

We'd like to remind you that a good fertilizer program starts with a soil test. Soils should be tested at least once every three years to determine fertilizer and lime requirements. So see us now.

We'll make fertilizer recommendations and custom apply . . . or you can apply it yourself.

INMATE HELP: Ten inmates from Camp Tuscola added their labor to the Laker High parking lot drain improvements last week. Laker maintenance chief Gordon Stirrett, left, looks over a catch basin being cleaned by Percy Butler, left and Bob Irish, right, as Paul McDonald, far left looks on.

"We haven't had any problems. They've done a real good job for us," says Stirrett. "People are a little gun-shy about using us, but most of us will soon be released to go home," Butler says. "We're not career criminals, mostly guys who got into trouble because we lost jobs and were unemployed," he adds.

The inmate work program benefits everyone, according to crew foreman John Grannell. School and local government improvements represent most of the projects for the inmates. "Most of these guys want to get out here and burn off some energy," Grannell says.

SOUND-OFF!

Call 453-2323 Anytime to SOUND-OFF. Selected statements will appear in the next issue of The Progress-Advance. Or, send your written thoughts to P.O. Box 589, Pigeon, MI 48755. Deadline: 7 p.m. Mondays.

I read that our government is trying to pass a law of some kind that we must have a balanced budget. In my time, I have never seen a budget that worked with incompetent management, so no matter what things are changed they will always come out the same way. The only way anybody can have a balanced budget is to not spend more than you take in. All other methods are just a folly.

How about having the Main Street railroad tracks fixed in Elkhart? I've got to drive across them every day and they're getting in very rough condition. Thank you.

To the person who complained about "Medicare Cards" for the young, non-worker. I too am a middle-age person, working and paying taxes. But I'm also a Christian, a Realist and an American. As a Christian, I want to help those who need it but... where to start and so many!

As a Realist, I know with federal and state funding, EVERYONE who can, is helping a little. Most people in need would rather go to an agency than to their neighbor with their needs.

A few facts must also be straightened out. Medicare is a federally-funded program for all citizens over the age of 65. Medicaid is a state-funded program for all citizens who need assistance.

Don't get me wrong. There are flaws in the system. But as an American who has been in foreign cities, I've seen young

and old begging and families living in cardboard shacks. I'm thankful our government is willing to assist. I also thank God I assist the government, instead of the other way around.

Pigeon is so boring. Why isn't there anything to do for us teenagers? Here it is, a Saturday afternoon, and there's nothing to do. They should have an arcade or something.

I wish Pigeon had a full dime store again, and I hope it has one soon.

There will be a teen dance on Friday, Oct. 25 from 9 to 11 at the Pigeon VFW Hall, featuring Ricky D as the DJ. This will be the Halloween masquerade dance. Come and join in the fun.

Isn't it time to oust the Laker school board and leaders? What are they trying to do to us, in this year of depression? Read about it on page 7 of last week's Progress-Advance, titled "Notice of a Public Hearing."

(EDITOR'S NOTE: That Oct. 7 hearing is only the official action of the millage rate approved by voters Sept. 9. It is not a secret or additional tax.)

To the person who doesn't know anything about state help. It's not a Medicare Card, it's a Medicaid Card. I'll bet whoever had the nerve to write that never got left with three or four kids by themselves, when the hus-

band or wife decided to walk out. It would be very hard to pay medical bills out of \$5000 you bring in, don't you think? How much are you paying out, for one or two of you?

We still need of volunteers to work in the Schaefer Hospital gift shop just two hours a month. If interested, please call 453-3428 or 453-2742. The job is enjoyable and you are needed! Thank you.

All women are invited to the fifth annual Covenant Women Retreat on Oct. 12. It's an all-day retreat. Speaker is Patsy Clairmont and soloist is Tammy Barbret. This is the third year I've gone, and I've really enjoyed it, so I encourage all women to come. Call the Elkhart United Methodist Church at 375-4113 if you'd like more information.

Congratulations, Queen Vicki. We're very proud and we knew you could do it!

Thanks, Kretschmer's, for adding something this area has needed for a long time -- a toy store! We're happy to buy holiday gifts and toys for birthdays here in town. Best wishes.

I agree that trains should be better marked. If you're not careful, you can't even see them as you drive along our dark roads. Every crossing should have stop signs and every train car should have reflecting shapes.

By VICKI GOSLEE & GAIL GEMBARSKI

CASEVILLE SCHOOL

IN THE NEWS!

BACK TO NORMAL: Homecoming Week has passed and things at CHS have quieted down. The halls are plain once again and everyone looks tired.

Nothing is going on except class six times a day with a 30-minute break to walk up town.

Basketball and football players drag to practice every day. We girls sit in the library trying to accomplish something. Mr. Bingham walks in. We know now things will live up. We all look over at him and someone says, "This school is such a bore." He smiles, grabs the sports page, and sits down.

Someone mentions how well the University of Michigan is doing and he says, "They'll go downhill now that they lost two offensive linemen."

She just laughs and says, "Never." Then our history teacher gets that faraway look and we smile, knowing that a story is about to be told.

Though it's probably one we've heard before in each of his five classes, we smile

and laugh when needed to help an hour pass.

Thanks for your stories, Mr. Bingham, they help pass post-homecoming depression.

ELEMENTARY ACTORS: Caseville Elementary has seven students who will participate in the upcoming Port Austin Community Players play, "Oliver." The students include Jason Winkler, Christie Seeley, Charles Ballard, Kim Pittenger, Jill Miller, Jamie Winkler and Cheri Peter.

EAGLES SOAR: The Lady Eagles soared over Carsonville-Port Sanilac during league play Tuesday, Sept. 24, 56-37.

Senior Chris Barton scored 14 points, Tina Bieri added 11 points and Michelle Stahl chipped in 10 points.

HAIR TO THE QUEEN! Congratulations from all of us to Queen Vicki Goslee and her court!

EAGLES EDGED OUT: Deckerville slides by Caseville, 7-6 to put a damper on the CHS Eagles Homecoming on Saturday.

Although Caseville held the lead for the first three quarters with a 56-yard run

for a touchdown by Greg Langley, Deckerville scored a touchdown in the fourth quarter, and then kicked a field goal to gain the lead.

Caseville had 224 yards to Deckerville's 129 and 11 first-downs to Deckerville's eight.

"The big key to our loss was penalties for Caseville and the two interceptions by Deckerville," states Coach Gerald Winkler.

GIRLS FLY OVER NH: The girls basketball team blew over North Huron, 61-45 on Thursday, Sept. 26.

After taking the lead with scores of 20-6 in the first quarter, the Eagles kept the lead for the remainder of the game.

Leading the Eagles as high scorers were Chris Barton with 22 and Gail Gembariski with 13.

Scenic hosts Steak Dinner

Approximately 230 people enjoyed the second annual Barbershop Steak Dinner hosted by the Prospective Lake Huron Chapter of Sweet Adelines, Inc. at the Scenic Golf and Country Club on Sept. 16.

Providing entertainment were The Prospective Lake Huron Chapter and the Sound Investment Quartet. Arlene Walsh of Frankenthum and also Regent of Border Lakes Region Two of Sweet Adelines, Inc. acted as host for the song-filled evening.

Door prizes donated by various members and organizations were awarded as were the "Share the Wealth" raffle winners. They included Earl J. Crews of Homosassa, Fla.; Mary Willet of Harbor Beach; Arvilla Arch of Bay City; George Behm of Pigeon; Bernie DeBruyne of Caseville and Wilma D'Anna of Caseville.

Anyone wishing further information about Sweet Adelines, Inc. is asked to contact any member or Lynn Law at 269-8910 or Loraine Fluegge at 453-2168.

A SPECIAL MOMENT — A proud father, Bill Goslee, shares a "scrapbook" memory with his daughter, Vicki, as she is crowned 1985 Homecoming Queen at Caseville High School during last Saturday's festivities.

Caseville bows in NCDL battle of the Eagles

By RICH SWARTZENDRUBER
"The first half was ours and the second half was theirs," was the way Caseville's Gerald Winkler summed up the battle of the two Eagle football teams last Saturday in Caseville. Unfortunately for the Caseville Eagles, the Deckerville Eagles' half of the contest was worth one more point in the 7-6 victory for the visitors.

Both teams entered the contest with 2-0 North Central D League records, and an eye on the trophy at the end of the season.

After stopping Deckerville's first drive of the game, the hometown Eagles drove from their own 14-yard line to just seven yards from paydirt before the Deckerville defense refused to budge. The Caseville drive was kept alive by a daring gamble by Coach Winkler's decision to let his quarterback Tony Seagraves pick up a first down on a fourth and one situation at the Caseville 25-yard line.

Caseville scored the first touchdown of the game at 8:41 of the second quarter when fullback Greg Langley broke loose for a 56-yard

touchdown romp. In what proved to be the difference in the game, however, Deckerville blocked the following extra-point kick as Caseville took a 6-0 lead.

After taking a 6-0 lead into the lockerroom during homecoming activities, Caseville committed a costly turnover on their first drive of the second half. Deckerville's Mike VanNorman picked off a Seagraves pass, giving the ball and momentum to Deckerville at the Caseville 48-yard line.

The visiting Eagles then proceeded to grind out the yardage to score their only

touchdown of the game when Bill Brown plunged over the goal line from a yard out on the first play of the fourth quarter. Deckerville then scored the final and deciding point of the game with a successful PAT kick to take a 7-6 lead.

Penalties stopped a final Caseville drive in the game after the home team had moved the ball to the Deckerville 33-yard line with 44 seconds remaining on the clock. An intentional grounding call and a flag for offensive pass interference on successive plays, however,

backed Caseville up into their own territory.

Deckerville's Tim Parks then sealed Caseville's fate in the game with an interception of a Seagraves desperation pass.

Langley carried the ball 24 times for 159 of Caseville's 208 total rushing yards. The home team also added 16 yards through the air.

The defense was led by Bob Siegfried with 15 tackles, including four solo stops.

Deckerville compiled 119 yards on the ground and 10 with their passing game.

Caseville was penalized for 85 yards, while Deckerville was backed up 50 yards for infractions.

A disappointed Winkler observed after the game, "They played tougher in the second half than we did. We let up a little I guess. We just never got rolling."

Coach Staskiewicz complimented the Caseville squad for their performance.

"They're fundamentally sound and they hit hard," he observed. "They're a well-

backed team and disciplined. Every time we play them it's a tough game."

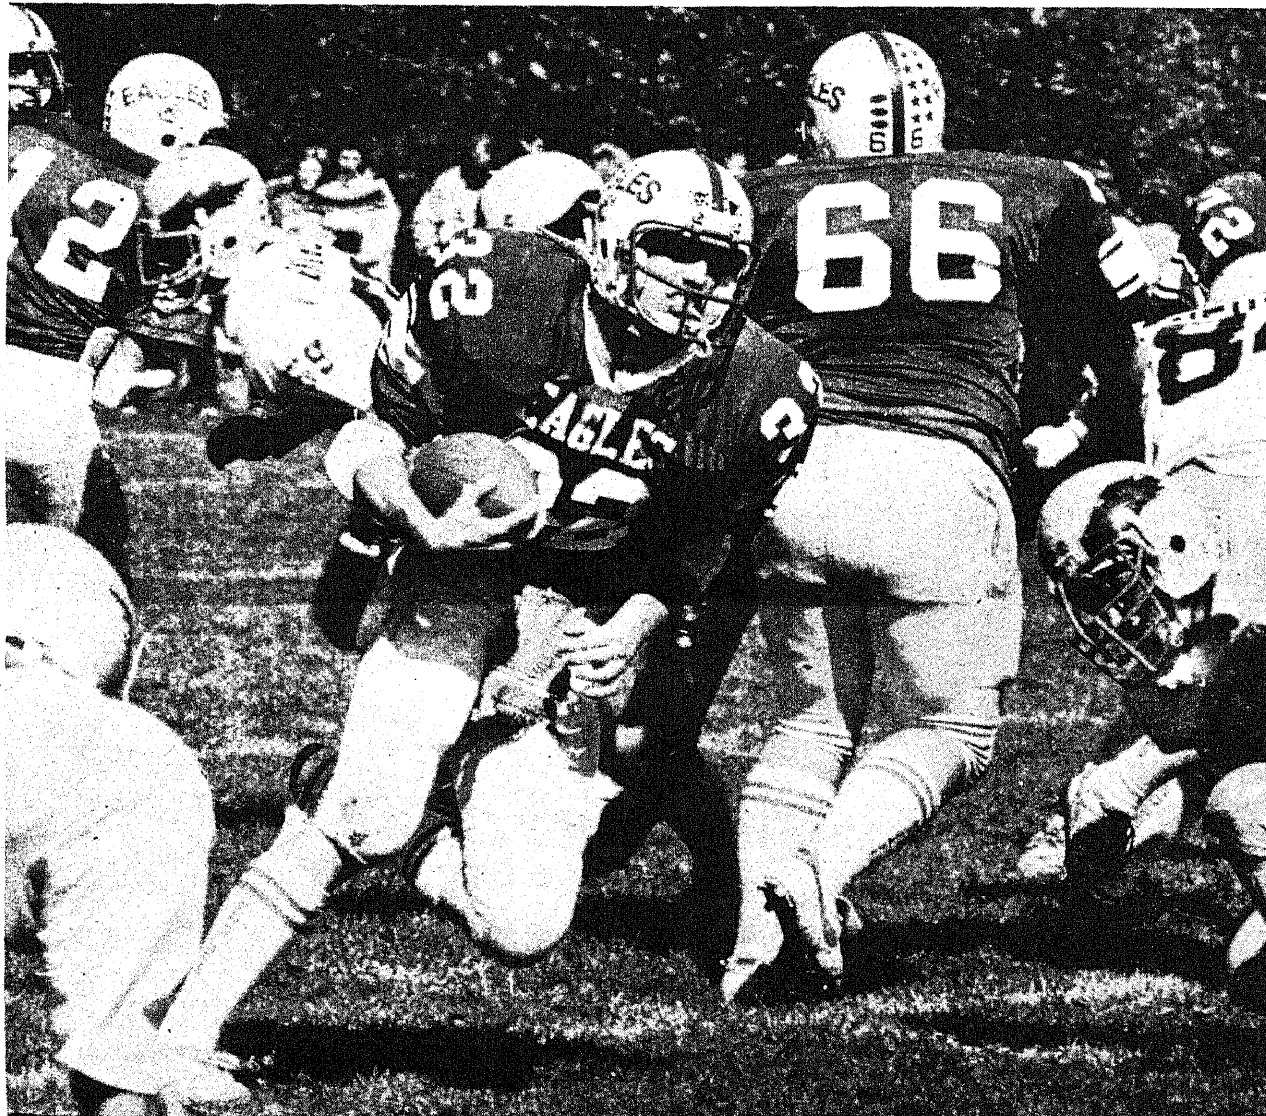

"In a 7-6 football game, sometimes it's a shame somebody has to lose. I'd be shocked if they lost another game for the rest of the year," added Staskiewicz about the Caseville gridders.

The Deckerville mentor admitted the importance of the victory in his team's league title drive, but says championship isn't in the bag.

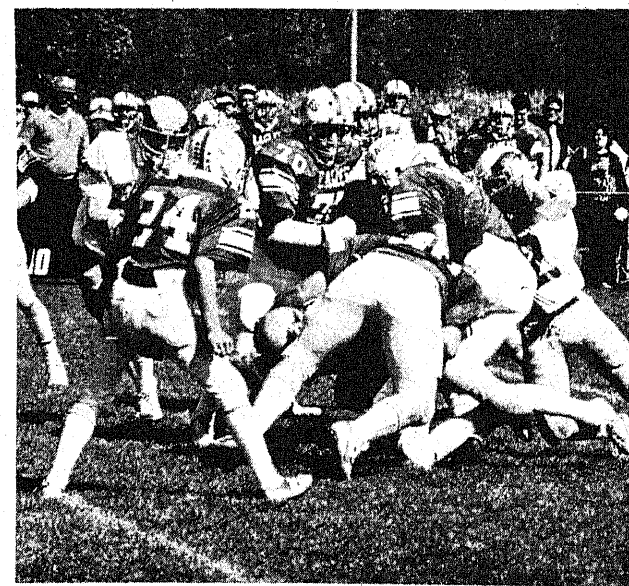

"It's a big stepping stone," he said about the victory at Caseville, "but if you look ahead, you're gonna get fried."

STANDINGS: Deckerville and Peck top the NCDL standings at 3-0, followed by Caseville and North Huron at 2-1, Kingston and Owen-Gage at 1-2 and Akron-Fairgrove and Carsonville-Port Sanilac at 0-3. Caseville's overall record is now even at 2-2.

THIS WEEK: Caseville travels to Akron-Fairgrove on Friday night to challenge the Vikings.

BREAKAWAY: Caseville's Greg Langley clears the crowd and heads downfield for a 56-yard touchdown run against Deckerville last Saturday. RICH SWARTZENDRUBER PHOTOS

SWARMING: Caseville defenders Ray Johnson (24), John Winkler (70), Bob Siegfried (bottom) and an Eagle teammate combine to bury a Deckerville ballcarrier.

Tigers caged by Laker gridders

By RICH SWARTZENDRUBER

Any doubts about the motivation of the 1985 Laker football team, were totally erased on the Caro gridiron last Saturday when the Green Machine chewed up the Tigers, 28-8.

"They just wanted to show everybody we've got a good football team," said Laker Coach Bill McLellan about his players. His squad had something to prove to themselves after outplaying Vassar last week, but winding up on the short end of the score.

The EPBP defense totally caged the Tigers, as Caro was never permitted across the midfield stripe during the entire first half. Laker defenders allowed little more in the second half. Caro's only touchdown was registered with less than two minutes remaining on the clock when Eric Raymond scored on a three-yard run.

A PAT pass from quarterback Steve Marchewicz to J.P. Hebert completed Caro scoring in the game.

Laker running back Chad Seely didn't take kindly to having his team's shutout spoiled. He retaliated with a 45-yard touchdown run of his own with just 15 seconds in the game.

Chris Eby put Laker's first points on the board with a 28-yard run the opening period. The second Laker TD of the game was recorded by quarterback Mike McArdie's seven-yard run in the second quarter.

In the second half, Eby again crossed the goal line on a one-yard plunge.

Randy Heckman was perfect on all four PAT kicks, but was short on a 36-yard field goal attempt in extremely windy conditions.

The stiff breeze combined with EPBP's success running the ball resulted in just nine Laker passes, with five completions for 92 yards.

The Green Machine running game, however, accounted for 267 more yards.

Running back Chris Eby completed both passes he attempted for 35 yards, while quarterback McArdie was 3-5 for 57 yards. In his only attempted pass, running back Tom Beer tossed an interception.

STANDINGS: North Branch holds sole possession of first place in the TBA standings with a 3-0 league mark, followed by Lakers, Bad Axe, Vassar and Caro, all at 2-1. Cass City sports a 1-2 TBA record, while Marquette and Imlay City are winless at 0-3.

THIS WEEK: Lakers host Bad Axe for homecoming. Kickoff is set for 7:30 p.m. with the Laker Homecoming Queen crowning planned for halftime.

JVs ROLL: The Laker junior varsity rebounded from last week's loss to Vassar to steamroll Caro, 34-6.

Laker quarterback Dean Roestel tossed a pair of touchdown passes and a PAT conversion pass as he completed seven of 15 aerials for 94 yards in the game.

Jeff Sturm caught a touchdown pass and returned a pass interception for another. He was also the leading Laker groundgainer with 63 yards in five carries.

Paul Elenbaum caught the other Roestel touchdown pass, as well as the PAT pass.

Chris Deering and Kevin Trueman each scored a touchdown on three-yard runs.

Sean Parrish ran in a PAT conversion to round out Laker scoring.

The defense was led by Kel Hill, Brian Kohl and Neil Nuncio with six tackles each.

FRESH WIN: The Laker freshmen raised their record to 2-0 with a 6-0 decision over Caro.

Mike Kosinski scored the only touchdown of the game.

Determined Eagles crush Warriors in hoop play

By RICH SWARTZENDRUBER

The Caseville girls' basketball team pushed their league record over the 500 mark last week with a pair of North Central D League victories.

The Lady Eagles overwhelmed North Huron 61-45 last Thursday night in the Caseville gym. The difference in the game proved to be the intensity with which the two teams played the game.

Both coaches remarked after the game about the contrast in the attitudes of the players.

"We didn't play basketball tonight. We just came out and looked like garbage," said North Huron Coach Dick Fawcett. "The girls didn't come ready to play tonight and it showed," he added.

Caseville mentor Randy Bingham also cited a difference in the attitude of the two teams.

"I thought North Huron was a little flat in terms of

their intensity. I thought they would score some more points. I thought it would be a little closer," said Bingham, and noted the opposite impression of his team.

"(Caseville) wanted to play tonight, and when they want to play I think they can play with anybody," he said.

The Eagles jumped out to an early lead to post a 20-6 margin at the end of the opening quarter. The home team continued to dominate North Huron in the second

period to stretch their lead to 38-23 at halftime.

Bingham's substitutes enabled the starters to catch a breather while holding the Warriors at bay in the second half, as Caseville maintained a lead of about 15 points throughout the second half of the game.

"I like my bench because they come into the game and they don't hurt us at all. They may not score a lot of points, but they don't give up many," Bingham noted.

Although he was disappointed with his team's performance, Fawcett credited Caseville for a strong showing.

"They played well. They'll be very competitive with some of the better teams we've played," the North Huron coach said about the Eagles.

Chris Barton tallied 22 points and six steals, while Gail Gembarski scored 13 and Tina Bieri netted 10.

Michelle Stahl polished the backboards by grabbing 20 rebounds in the game.

CPS POUNDED: Last Tuesday, Caseville was sparked by Yvonne Miller off the bench in the fourth quarter to break open a close game after the first three periods. The Eagles outpointed Carsonville-Port Sanilac 17-6 in the fourth quarter to earn a 56-37 victory at CPS.

Chris Barton netted 14 points to lead Caseville scorers, while Tina Bieri scored 11 and Michelle Stahl added 10.

After last week's play the Lady Eagles boost their NCDL record to 3-2 and their overall mark to 5-3.

THIS WEEK: Caseville travels to Port Hope on Tuesday, then returns home on Thursday for a match-up with Peck.

JVs SPLIT: The junior Eagles dropped a 38-31 decision to North Huron, after edging CPS 19-14 two nights earlier.

Caseville's Krista Colgin was the only Eagle to hit double digits in either game as she scored 12 in the contest with North Huron.

TAKING AIM: Chris Barton of Caseville guns for two of her game high 22 points against North Huron last Thursday night.

DOUBLE TEAMED: Caseville's Gail Gembarski (left) and Yvonne Miller (right) combine to block an attempted shot by Sue Gorkowski (50) of North Huron. RICH SWARTZENDRUBER PHOTOS

Lakers drop pair of close games

By RICH SWARTZENDRUBER

Laker girls' basketball coach Paul Beachy is growing more frustrated each week as he sees his team continue to post losses while not playing that badly. After losing to Harbor Beach 48-46 last Tuesday, Lakers were edged 47-44 at Caro the following Thursday.

"In life I think things eventually even out. When things go bad for so long, they eventually go good," Beachy stated.

Caro star Beth Stockford poured in 12 points in the first quarter to help the Tigers build an early lead which Lakers were unable to overcome. Stockford went on to score 25 points in the game.

Beachy switched his team to a man-to-man defense after the Caro shooter burned his squad's zone defense with her deadly shooting from the perimeter. The Laker coach credits sophomore Lisa Buschlen with a fine defensive performance on Stockford in the Laker defensive switch.

After the opening quarter Caro led 22-13, but Lakers battled back to narrow the margin to 28-27 at the midpoint of the contest. After Lakers knotted the score at 38 after three periods, the Tigers clawed their way to a victory with a 9-6 margin in a low-scoring final quarter.

Julia Sturm led Laker scoring in the game with 15 points, while Buschlen added 10.

LAST TUESDAY: After holding the Harbor Beach offense scoreless, Lakers saw an 11-0 lead evaporate in the

second half as the Pirates handed Lakers their first non-conference loss of the season.

The Harbor Beach squad outpointed the visiting Lakers 19-10 in the final period to win by a 48-46 final score.

At the risk of being called a sore loser, Beachy noted he was unhappy that one of the officials in the game was a member of the Harbor Beach facility. That situation was magnified as several calls in the closing moments of the game could have reversed the final result of the contest.

"We outplayed them the whole game," said a frustrated Beachy after the game. "I think we're playing good ball, we're just not winning," he added.

Sturm again led Laker scoring with 19 points, while

teammate Susan Kersten added 11.

The Pirates were paced by Joy Webner with 21 points. Lakers enter action this week with an 0-3 Thumb B record and are 2-4 overall.

THIS WEEK: Lakers travel to Unionville-Sebewaing for a non-conference battle on Tuesday, then host Bad Axe on Thursday.

JVs SPLIT: After dropping a 37-20 decision to Harbor Beach, the Laker junior varsity bounced back with a 39-12 victory over Caro.

Carleen Kauffman scored 10 points against Caro to be the only Laker to hit double digits in either game.

The JVs enter action this week with a 5-1 overall record, and are 3-0 in the Thumb B.

VILLAGE QWIK-STOP "Pick the Pigskin" CONTEST in The Progress-Advance

Enter our Weekly Contest and you can be a winner!

3RD WEEK'S WINNERS:

First: George Gady, Sr., Bay Port
Second (tie): Scott Smeader and Brian Kohl, both of Bay Port
No Third Place winner

HERE ARE THE EASY RULES:

1. This game lasts the length of the High School regular season schedule. Weekly prizes are FIRST \$10 in gasoline; SECOND 8 pak of pop, and THIRD 32 oz. fountain drink. GRAND PRIZE is two Detroit Lions football game tickets, with top three entries each week placed into Grand Prize drawing for December football game.
2. To play, place a check or "X" in one box to make your choice of winner in each game, or the game form published each Wednesday in The Progress-Advance or available at the Village Qwik-Stop or newspaper office. No purchase necessary. Only one entry per person weekly. Marking both boxes in any game selection voids that pick.
3. The tiebreaker is always the Laker (Green Machine) Game. For tiebreaker, you must pick the winner and the score.
4. All entries must be submitted to the game box at the Qwik-Stop or Progress-Advance office no later than 6 p.m. each Friday night. Winners will be posted and published each week in The Progress-Advance.
5. Decision of judges is final. Contestants must be 10 years of age or older.

VILLAGE QWIK-STOP "Pick the Pigskin" CONTEST

WEEK OF OCT. 4, 1985
MAKE YOUR CHOICE BY PLACING A CHECK MARK OR "X" TO SELECT THE WINNER.

We wish to thank all our
relatives and many
friends who showed so
much kindness when our
daughter was injured in
an auto accident. We are
very grateful to the Sebe-
waing Ambulance service
and all who helped that
night, to the Doctors &
nurses at Bay Medical
Center, to Pastor
Schulz, Pfaff, Hagenow,
Oltendorf, Krosstien, and
Father Surman, to all
prayer chain members
and all others who re-
membered us in their
prayers: to all who sent
flowers, cards, gifts and
visits; and most of all to
God for having spared
Penny and her friends.
Blessings to all.

County

President Reagan must formally nominate two persons
and the U.S. Senate must confirm them, expected later this
year. Flint attorney Paul Gadola was nominated in August to
fill the other of three judgeship vacancies now open.

POLICE BLOTTER NEWS

■ First there was one, then two, then one. Camp Tuscola
walk-away Eddie Tyson, 33 of Flint, left the minimum-
security camp after midnight last Monday, but turned
himself back in to Camp Supervisor Michael Flintoff about 2
p.m. last Thursday. He will be charged with escape, which
may add two to five years to his sentence.

Last week's other Camp Tuscola escapee, Kenneth Bacca,
22 of Auburn, is still at large, as is Edward Maddox, 33 of
Detroit, who left the camp June 16.

■ A 12-year-old Mt. Morris youth died about 3 p.m. Sunday
when he was shot accidentally by another 12-year-old near
Port Austin. Michael Booth and the other youth were at the
Booth cottage on Kinch Road when the accident occurred
after 2 p.m., according to State Police from the Bad Axe
Post. He died at Huron Memorial Hospital, Bad Axe, about 3
p.m., as the investigation continues.
