TO CONSUMERS OF TOBACCO passed in seclusion at some point farther east, than the place where he last took up his residence. Thirty years ago Southern Michigan was far in the wilderness, and afforded a safe refuge for many whose residence in the East might have been unpleasant. Then we have Ward's dread of the Masons to sabstantiate this somewhat improbable theory.

Bet whether Morgan or not, Ward was possessed of some property, to which there is no known heir. Beside his proporty in real estate, some handreds of dollars in money were found in his house. This will be discovered.

As don't then follows a mammoth of length figures; and then we have numerous wood-cuts of new bonnets, capon bodies, &c., &c., benders a score of year terms for the work-tatle; among them, two printed in colors. The literary contents, as a smund, are excellent. Mrs. Ann S. Stephens continues her interesting movelet, "Ohe Bride of the Prairie;" while "The Tragedy of Fauquier" deepens in mystery and power. Frank Lee Bendiet has a charming story. But, in point of fact, all the tales are superior "Farrageox." Terms, 200 a year.
