This Syrup supplies the place of Pilla, Salta, Canterion, and are advanced. We quote:

This Syrup supplies the place of Pilla, Salta, Canterion, and the entire list of Mercurials; but it is not advisable, as a general thing, to take enough of its to see as a brisk Cathartic, but merely sufficient is to see as a brisk Cathartic, but merely sufficient is contacted to the seed of the Dried beef, 17c per lb.
Inchanged. We quote Onondaga and DR. LYNCH'S sles are very light and prices are Stop per but for timethy and \$5 150 NERVE AND BONE i. for clover.

W—In demand at 7%@7%c per lb. Offerw—In demand at 7/267 kc per lb. Offerlever, are light.

The condition of the market is quite composed of the very best quality of such Guma one week sincs. Farmers are still composed of the very best quality of such Guma oils and Extracts as a long and thereigh Pracelear ing their clip, prices being unsatisfactor receipts are for the season almost unif notice. Tronghout the State a little cold at \$0005c, and sometimes at 263c

GOOD FOR MAN OR BEAST! old at 50055c, and sometimes at 203c In many particulars the condition of et for this staple has improved since our ly issue, but more especially so since of last week. Prices have taken quite a ction, and an improved demand, with cheerfulness, has resulted therefrom, have increased their demands, while to the local milling interest have been using. Quite a speculative seeling has a payarent, but speculative seeling has moved with employ. Resemble continues the state of the past week amounting to 0 bu., a very slight improvement over the six days immediately preceding, we largely fallen away, the reduction the six days immediately preceding are largely fallen away, the reduction he week being over 60,000 bu. The aggrestore amounts to 30,500 bu. Upon the fiding date in 1871 the stocks amounted bu. Values this week save taken quite than newards. On Morelay there was nee of 2660, and on Tuesday of 5660, increased demand for stock. No. 1 id at \$1 80,21 64 and Treadwell at \$1 00. If the considered in those countries where the tree in found as the most valuable of sits for PRENERVING AND SOFTENING THE HAIR.

And for promoting its growth. It is cooling and readily absorbed by the akin, on G CATTLE MARKET. DETROIT, July 22, 1872. als this week amount to 505 head an over-supply of light and thin cat it to remain on the farms than to be ket. The number of first-class was Hair Oile, Louid Busing and Black Writing Ink disat week's princes were not realized.

lower grades there was a decrease of Manufactured by VAN DUYN, IVNCH & CO.

Manufactured by VAN DUYN, IVNCH & CO. ower graftes there may a decayers to er 100. None were bought to ship or 100. None were bought to ship or 100 had were left over unself wing drovers were in this week with DETROIT, LANSING & LAKE MICHIGAN RAILEDAD. 10-J. Capwell
