out midnight off Long John's light-house at Calumet, but if you wish to see a private individual, say "religious exercises" to either our *Damon* or *Phyllis*."

The City Bakery is the place to get good dish of fresh *crackers*, *crackers*, *crackers*, etc. See advertisement.

One of A. Dickerson's horses was badly hurt a few days ago, by a runaway "m."

Be sure that everything is safe about the store places when you put your *goods* this fall.

Since Mr Skutt left town the *Brown* and have appointed Henderson as their *der*.

The farmers are selling off their *hogs*, the streets are full of swine *carcasses* the *depots*.

The Grasley and Brown meeting at yesterday's Hall on Monday evening last, was a failure.

NOVELTIES, DOINGS, ETC.

An interesting fact has recently been ascertained respecting the growth of certain vegetables. It was found that the growth of the tomato is not so rapid as is generally supposed. It was found that the tomato which was planted on the 1st of May, and which was supposed to be a "late" variety, was not so late as it was supposed to be. It was found that the tomato which was planted on the 1st of May, and which was supposed to be a "late" variety, was not so late as it was supposed to be. It was found that the tomato which was planted on the 1st of May, and which was supposed to be a "late" variety, was not so late as it was supposed to be.

DECEASED.

On the 1st of May, at New York, died at the residence of his wife, Mrs. J. H. Smith, a gentleman of the name of J. H. Smith, aged 75 years. He was a native of New York, and had resided in this city for many years. He was a member of the New York Historical Society, and was a collector of books and manuscripts. He was a man of great learning and industry, and was a devoted husband and father.

THE LOST OF THE QUEEN.

The American people are interested in the story of the loss of the Queen of the South, a ship which was lost on the coast of South America. The ship was a large steamship, and was carrying a large number of passengers and cargo. The ship was lost on the 1st of May, and the passengers and cargo were rescued. The ship was a large steamship, and was carrying a large number of passengers and cargo. The ship was lost on the 1st of May, and the passengers and cargo were rescued.

Lecture.—We are happy to announce that Maj. Durham, the surveyor of the great National Park in the Yosemite Valley, will give his magnificently illustrated lecture to our people on Tuesday evening next. The place at which the lecture will be held will be made known in small bills. The lecture is highly interesting and full of instruction for old and young, and is highly recommended by some of the most prominent Educators and Directors in the country. I

NO CORRECTION.—The village correspondent at the various daily papers throughout the country, are, as a general rule too enthusiastic in securing news, and the result is they almost invariably make a false statement. The necessarily accurate correspondent of the *Boydado* has been informed that the railroad farmer Williams, who was injured by a locomotive and is doing well, was killed on Sunday the 20th inst. The paper mill of *Boydado* enterpriser is now in full blast. The workmen are there are lasting number of men, and the mill is now in full blast. The workmen are there are lasting number of men, and the mill is now in full blast. The workmen are there are lasting number of men, and the mill is now in full blast.
