Universal Knowledge for the People. With Maps, Plates, and Engravings, In 10 Vols. of 832 pages each.

Hustrated with about Four Thousand Engraving and Forty Maps, together with a series of from Eighty to One Hundred Eleganily Engraved Plates—illustrative of the Subjects of Natural History—now for the first time appearing in the Work. PRICE PER VOLUME:

THIS EDITION WILL BE SOLD ONLY BY AGENTS.

Published by J. B. Lippincorr & Co., Philadelphia

To Teachers, who are frequently called upon to give succinct explanations of topics in the various branches of education, often beyond the mere outline of information contained in the textbooks, no other work will be found as merin; while the concisences of the several articles has made it practicative to bring the whole work within the compass of a few volumes, which are afforded at a small cost compared with others of its class.

For School: Libraries the work is peculiarly fitted, awing to lit adaptation, as a "Dictionary of Universal Knowledge," to the wants of both teachers and papils. Seps the Rev. Dr. ft. K. Taimage, Practical of Opticities for the service of the se

liberal patronage."
For rus Fastr. —Says the Rev. Dr. Finney, Inte President of Oberlin College, Ohin, "Chambers's Encyclopædis should find a place in crypty family. Should families deny themselves in other things and obtain and study such works, they would find themselves mentally much enriched." FOR THE GENERAL REAPER.—"Upon its literary neitie," says Dr. R. "Sheltoe Mackenzie, "its com-bleteness and accuracy, and the extent and variety ditaminormation, there can be only one opinion. of its information, there can be only one opinion. The work is worthy of the high aim and established reputation of its projectors. Art and science theology and jurispredence, natural history and metaphysics, typography, medicine and antiquities biography and belien-letters, are all discussed here, not in long treatics, but to an extent sufficient to give requisite information at a giance, as it were. Sometimes, when the subject justifies it, more infinited and acceptance in the contract position of the country is and its low price sufficient to give the chespest and most acceptable works averaged in the chespest and most acceptable works averaged.

DROSPECTUS FOR 1873.

THE ALDINE.

In Illustrated Monthly Journal, univer-World. A Representative and Champion of American Taste.

Not for Sale in News or Bookstores. THE ALDINE, while lesned with all the reg-THE ALBINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicais. It is anciegant miscellany of pure, light, and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Althoughtigach succeeding number affords freeh pleasure to its friends, the realy along and heastly of THE ALBINE with be most appreciated after it is bound up at the close of the year. While other publications may laim superior cheapness, as compared with rivate of a similar class, THE ALBINE is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The possessor of a complete volume rannot duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten lines its cost; and then, there are the chromos, besides!

Notwithesanding the increase in the price of

ART DEPARTMENT.

Notwithstanding the increase in the price of subscription last fall, when THE ALDINE assemed in the price of subscription last fall, when THE ALDINE assemed its present noble-proportions and representative character, the edition was more than doubled during the past year; proving that the American public appreciate, and will support, a sincere effort in the cause of Art. The publishers, anxious to justify the ready confidence thus demonstrated, have exerted themselves to the utimost to develop and improve the work; and the plane for the coming year, as unfolded by the monthly issues, will astonish and delight, even the most canguine friends of THE ALDINE.

The publishers are authorized to announce designs from many of the most emineut artists of America.

of America.

In addition, THE ALDINE will produce examples of the best foreign masters, elected with a live will be highest artistic success, and greatest general interest; avoiding such as have become

milliar, through photographs or cupies of any kind.

The quarterly tinted plates for 1873, will reproduce four of John 8. Davis immitable child sketches appropriate to the four seasons. These plates, appearing in the lesses for January, April, July, and October, would be alone worth the price of a year's subscription.

The popular featifies of a copiously illustrated "Christmae" number will be continued.

To possess such a valuable epitome of the art world at a cost so trifling, will command the subscriptions of thousands in exercise and attractions of THE ALDINE can be enhanced, in proportion to the numerical increase of its supporters, the publisher proposes to make "assurance doubly sure." by the following unparticled offer of PREMIUM CHROMOS FOR 1873.

PREMIUM CHROMOS FOR 1873.

PREMIUM CHROMOS FOR 1873.

Every subscriber to THE ALDINE, who pays in-advance for the year 1873, will receive without additional charge, a pair of beantiful oil chromos, after J. J. Hill, the eminent English peinter. The pictures, entitled "The Village Belle," and "Crossfug the Moor," are 14720, inches-are, printed from 25 different plates, requiring 25 impressions and tinits to perfect each picture. The same chromos are sold for \$30 in a pair, at the streams Ax is it the determination of its same chromos are sold for \$30 in a pair, at the same chromos are sold for \$30 in a pair, at the art stores. As it is the determination of list conductor to keep THE ALDINE out of the reach of competition in every department, the chromos will be found correspondingly ahead of any that can be offered by other periodicals. Every subscriber will receive a certificate, ever the signitures of the publishers, gearminesing that the chromos delivered shall be equal to the samples furnished the agent, or the money refunded. The distribution of pictures of this grade, free to the subscribers to a five dollar periodical, will mark an epoch in the bishery of Art, and, considering the unprecedented cheapness for the price of THE ALDINE itself, the marvel falls little short of a miracle, even to those best acquainted with the scholer ment, of the inventive genius and improved mechanical appliances.

TERMS.—\$5 per annum, in advance, with Oil Chromo free.

Chromo free.

THE ALDINE will, hereafter, be obtained only by subscription. There will be no reduced or an absertation. There will be no reduced or brate; cash for subscriptions must be sent to publishers direct, or handed to the local and the subscription of the publishers.
