## A CHRISTMAN RHYME.

RT MEDER SHANGERED. tme Christians evening, long ugo Last how long, i forget— The funds of Sainh Chaus run low. So ha has Into debt. Could be list using gifts besides On all those tills he met?

VOL 1. NO 14.

ic pulled his beard and strepched his head that set his cap awry. There are things in the world, he said. That money cannot buy— hims neadful as one shally bread: This year those gifts I it try.

and so to one he gave a friend.

and to snother health.

Ind showed the third the baneful and Of blessings won by stealth— ward what sore loss their footsteps tend who too much haste for wealth.

For one he won a kindered will-stack from the drinkard whom. And for another hopeless wife Opened he peaceful tomb. Through many a village rank with stric-Bade flowers of concerd bloom.

me sore tried soul he made so bra-That right the vertory won: Alth least sipon a new ande grave Saw higher life-lagun lack to a widowed mother gave An erthin, sorrowing son.

He prought to many a heat-shold hand
A sectome little guest;
Fo more than one the heart and hand.
Wher he loved the best.
To work worn frames, through all the land,
The blessed boon of rest. An opening rose-bud, sweet as June.

An opening rescand, sweet as a fine section on poor sufferer's wo';
A strain from some forgotten tune
Revives the twilight glow
When lips, whose music died seeson.
Entranced the long ago.

A good thy 8 work I said Santa Cans, yel won-he little fame; less took his gifts like Nature's laws. Not heeding whence they came; Not asme averred they had no cause. Their logic was so lame.

To you who own small slore of gold.
I have a word to say:
trent blessing in sour hunds you hadd.
To gladden Christmas Day. or kilder is thrown away.

For should no other soul be blost. Your own will parer grow.
And each last Caristimas be your last.
It such gifts you bestow.
For Christ will be your Christims guest
legitaning Heaven below.

### MRS. ARDORY:

All of the projects, but always a contribution of the control of t

Mrs. Ardory's sensioning were who can ever know the interness a count of philansingolic. Her husband's latter have suffered." "Why, indeed, we are," said the good fortune to be a simple val of choking emotion, in which hearted old truckmen, and though Mrs. Ardory's cycs—and, for that hearted old truckmen, and though Mrs. Ardory's husband were quite matter, her nose, also were burded was the latter of you, father."

"He and osuch things you know," what do you see that open every some one else; for if the philosopher was bound to take care of the chird of wealth, Mrs. Ardory's husband were quite matter, her nose, also were burded. "He and such things you know," what do you see that open every botato he ate—in the latter had to sear every potato he ate—in the latter had to sear every potato he ate—in the latter had to sear we should to take care of the chird of wealth, and his very younger Ardory, first the chird of you father."

"He can do such things you know," what do you see that open every botato he ate—in the latter had such things you know," when his low carry belied, in a disjointed and includes the latter had such things you know, and the good country the ed, in a disjointed and includes the latter had such things you could only have heard elega wouldn't give up his low calling. The latter had such say it, to give them a grudged pitfor, and ever so many other kindred Ardory.

shout in the air from coming near being my conception of a true Christance to keep them in a state of genteel good-for-nothingness. And, at worse! Then, in an awful whisper, ed the old man,
last, when her mother-in-law died, "Run away from school at seventeen "Well enough, well enough; God only once in a great while that we suit that has for its end the strengthties, which were so shocked by his a Christmas will to-morrow bestoyou, ing the turkey as best he could, grow—cinder felt that invaded our eye some are attempting to produce the time meet, has best he could, grow—cinder felt that invaded our eye some are attempting to produce the time meet, has best he could, grow—cinder felt that invaded our eye some are attempting to produce the time meet, has best he could, grow—cinder felt that invaded our eye some are attempting to produce the time meet, has best he could, grow—cinder felt that invaded our eye some are attempting to produce that they his clid truck, put faithful old Bob up—This was Mrs. Ardory with her dence and half from modesty, for the after the puffing steam-engine. There have a competence, but they are not at auction and come and live with friends. Do you wonder that they rector did not internal his praises of is an arrangement in the eye-lids for rich; yet there is a practical workly

MANCHESTER, MICHIGAN, THURSDAY, JANUARY 1, 1874.

some fearful disease when his daugh—dreadful thing it is to have such sen—Christ's own self-sacrifice, draws him through which it runs to reach its ter-in-law used it—the old man hav—sibilities? Poor Laura! how she must—nearer to Christ. I don't doubt that place. What do you suppose becomes ing sensibilities, nevertheless, staid suffer! Tell her to go to the secretary Christ is pleased with a good act, by of the eye-water after it has done its out of the parlor when there was of the Association for the Amelio—whomsoever done, and loves the man work, and we need more that is fresh? I will tell you; there is a drain atcompany, only went to the table to ration of the Condition of the Destitute that does it, too."

keep from shocking Mrs. Ardory, tute. Tell her I would send her some. The old trucking means whose self-by staying away, and when at the money if my husband were at home. respect had grown visibly, refused an pains to shovel his potatoes up with friend, and in pity for the poor genenext week, went to church after that the back of his knife for fear of not rally. Old Mr. Ardory was so shocked merry Caristmas, and went revery being polite, cooling his coffee by at her grief, that he got up and went now and then to the house of the not showing on it in his saucer, as his out, and did not even return to supperson, heavily as somehous shocking that, the what he would to be well-been when the tendent of the danghter in the larged heavily sensibilities and been so shocked by with the wentilities of his danghter in the larged heavily show had heaven the large wheat her the large wheat heavily show her the large wing things she had heard.

their toes against them. It is far never be so severely taxed again, worse to be in the way and know it. She could not get over it—poor Laura than it is to have somebody in your in the street!

way. And so the old man conscious of being in the way; fidgety in his half sleep. She said her sensibilities were genial society of his "ole woman," her husband's father was out, and she aching for the petty cares of his old just knew that he would be home occupation, envying every man whom he saw rolling a barrel—what should he do but seek comfort where there that every were no sensibilities that could be kill her.

though he were indeed a member of the House of Lords, owning his son and all of his property, but always confiding to his friend that his darterin-law was a dreffle fine woman-and

had comforts to enjoy them so long and see these letters, all my sensibil morning and shook his fist in the as there were people who hadn't ities are roused; memory is too much letter and know more of them. She seemed to be saying perfectly: "Let us all be happy to gether."

Mrs. Ardory's sensibilities were who can ever know philanshropic. Her husband's father have suffered." Then after an inter, being for the philanshropic, and though the good fortnine to be a simple yal of choking emotion, in which had the good fortnine to be a simple yal of choking emotion, in which had the good fortnine to be a simple yal of choking emotion, in which had the good fortnine to be a simple yal of choking emotion, in which hearted old truckman, and though Mrs. Adory's eyes—and, for that be of you, father."

A Talk About The Eye.

Only, all of them in moderation, has enough to eat, books enough to eat, books enough, and yet is quite a poor man, the stake he is not wear, enought to eat, books enough, and yet is quite a poor man, which were human beings fatted for the them were human beings fatted for the talk how were enough to eat, books.

Come, now, little Brown eyes, Blue.

Come, now, lit

sensibilities of his daughter-in-talked most pathethically about her the sensibilities of his daughter-inlaw all the time.

Without any society—too high up
for the servants, too low down for the
family—the old man had nothing left—street sick, a beggar. Here Mrs. Arfor him to do but go on shocking sensibilities all the time. Perhaps there
is no way of passing one's life-time
in no way of passing one's life-time
being an object of dislike. People
who are stumbling blocks always feel
that way was so rude and sudden,
it more keenly than those who stub—shoed her sympathies might
their toes against them. It is far never be so severely taxed again.

> after midnight, in a state that would shock her more than ever. It seemed that everything had combined to

the harrowing things she had heard.

# Uhristmas Festivities in Sweden.

"The last Christmas I spent at Wildeholm, where, early in December, great preparations were made by all classes to celebrate the solemn festival of Christmas. The floors of the rooms, belonging to the rich as well as poor, after undergoing a thorough purification, were littered with straw, commemorative of the birth festival of Christmas. The floors of the rooms, belonging to the rich as well as poor, after undergoing a thorough purification, were littered with straw, commemorative of the birth of our Savior in a stable. As with us in England at this season, every good that can pamper the appetite, as her as means will allow, is likewise put into requisition. Amidst all their own gratifications the peasents do not forget the inferior order of the creation. In fact, it is almost as universal custom among them to expose a sheat of unthreshed corn on a pole pose the mind obtains knowledge of order of the creation. versal custom among them to expose a sheaf of unthreshed corn on a pole in the vicinity of their dwellings, for the poor sparrows and other birds, which at this inclement period of the

woman enjoy a feast when so many Geijert. Near the conclusion of the were hungry? It was not in the good woman's heart, I am sure, to be for a tired in the most grotesque habiliminute oblivious to the sorrows of ments, entered the room—one carrying a bell, the other a large basket; She had also another anxiety. The

his dist truck, put sithtful old lieb up this was truck in the friends. Do you wonder that they steme have a companied to the year and come and live with friends. Do you wonder that they steme have a companied to the year and the wherefore, for the old man to out that same evening Mrs. Ardory was and the wherefore, for the old man to out that same evening Mrs. Ardory were a dreadful shock to Mrs. Ardory was smithlifted. And so the old man to out the sensibilities. And so the old man to out the fining from one of the part of the part of the part of the put over the fold on this. The greatest of, put over the fold on this she say she must see you."

Ask her what she wants pridget, put over the fold man shout the house. All for you won't come and stuck up to be a say of of the part of the haby carriage and hoed in the garden, and was a miscellaneous the garden, and was a miscellaneous child of your old friend that used to the sands of the old man shout the house. All for you won't come and the was treating of the old min the world in the garden, and was a miscellaneous child of your old friend that used to be admitted to the house. All for your old friend that used to the sands of the old man to the sands of the old man to the companied to the providence and of his under difficult to the most intumate friends she had in the world in the wast of the providence and of his and arrangement. In the eye lide of the deal of the eye lide, so as to keep. Beckler.

And what do you think?" Come the eye lide to you think?" Come the eye lide of the eye lide of the eye lide of the eye lide of the eye lide. The waster of moisture which is next they want to the eye lide of the eye lide. The waster of the waster of moisture which is next to the eye lide. The waster of t utility man afrout the house. All for the sake of Mrs. Ardory's sensibilities were take her into your house for the night of polish. She did not like to have find the table? But I his eyes were of polish. She did not like to have hendlord, and she'sgot five children." ways open to a theological question, her statier-in-law in the house when you want to make any time to be and think how much we and thirty miles long and one thouse when like to have hendlord, and she'sgot five children." ways open to a theological question, her father-in-law in the house when house when there was company; he was sure to conduct have poor Learns here; it was not like to have here was company; he was sure to Learns here; it conduct have poor Learns here; it was filled the sensition of polish.
