WHOLE NO. 371.

DAN'S WIFE. Up in early morning light, Sweeping, duesting, "setting right," Sweeping, duesting, "setting right," Sweeping duesting, setting, Sewing buttons, tying strings, Sewing buttons, tying strings, Telling Bridget what to do, Mending ripe in Johanny's shoe, Running up and down the stair, Trings batty in her chasty, Cutting meat and spreading bread, Eating as she can, by chance, Giving hashand kindly glance, Tolling, working, busy life, "Smart woman, Dan's wife."

Dan comes home at fall of night. Home so cheerful, neat and bright Children meet him at the door, Pull him in, and look him o'er. Wife saks "How the work has gow "Busy times with us at house!" Supper done—Ban reads at ease, Happy Dan, but one to please; Children must be put to bed—All the little prayers are said; Little shors are placed in rows, Bed clothes tucked o'er little to es, Busy, noisy, wearing life,

Dan reads on and falls asterp— See the woman softly creep;
Baby rests at last, poor dear.
Not a word her heart to cheer;
Mending-basket full to top,
Stockings, shirt, and little frock,
Tired eyes and weary brain,
Side with darting, ugly pain;
"Never mind," twill pass away,"
She must work, but never play;
Closed plano, unused books,
Hout the walks to easy nooks,
Brightness faded out of life;
Saddened woman,
Dan's wife.

Up-stairs, tossing to and fro, Fever holds the woman low; Children wander, free to play When and where they will, to-day Bridget loiters—dinner's cold, Pan looks anxious, cross and sid; Household screws are out of place, Lacking one dear. natient face,

subscription, which will remain at \$2 The next morning at nine o'clock found

winding journey upon its bosom. What a panorama of beauty was opened to our enraptured vision! Every angle and turn presented a new picture of grandeur and sublimity. Now high bluffs all reached in safety, but wet to the skin.

The energy of the dogs, that had presumed on too familiar acquaintance with our triend and had been severely punished for his impudence. The bear and rest of the dogs had now gone out of hearing and turn presented a new picture of grandeur and sublimity. Now high bluffs all reached in safety, but wet to the skin.

We have beautiful Checks of Every make, color at the color of the color on buth sides, covered with gigantic old every day until Friday, when Watkins pines, that have stood as sentinels on its banks for ages. Now through fewlands, towed up the river to Resemmen by

before us. The wind morning among slows my deer, I was listening with, al be pines and sighing in the cedars, remy car (which are pretty large ones) minded me so forcibly of the old poem, when away over the hills, a mile or so Wind and Sea," that I involuntarily away, I heard Soper exclaiming: "Doc, repeated the following portion aloud: come up here, for God sake!" So away I ran, and found him with or But the relentless river still carried us inch or two long. One tooth on each side had gone through his boot and was not receiving a general assortment of the rapids be nepetrating the arrived to the rapids be nepetrating the arrived and was necessary to the rapids be nepetrating the arrived to the rapids be necessary to the rap But the relentless river still carried us on, farther and farther; the rapids be came more frequent and dangerous, till finally, in spite of all our strength and finally, in spite of all our strength and lever, we at last succeeded in releasing him from his uncomfortable position and liver, we at last succeeded in releasing him from his uncomfortable position and liver we at last succeeded in releasing him from his uncomfortable position and liver we at last succeeded in releasing him from his uncomfortable position and liver we at last succeeded in releasing him from his uncomfortable position and liver we at last succeeded in releasing him from his uncomfortable position and liver we at last succeeded in releasing him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we at last succeeded him from his uncomfortable position and liver we have at last succeeded him from his uncomfortable position and liver we have at last succeeded him him from his uncomfortable position and liver we have at last succeeded him him from his uncomfortable position and liver we have at last succeeded him him from him from him him from

and traveled north, south, east and west, after; but it is not at all probable that its search of a place to camp; which we be will get it to another bear trap while soon found, about forty rods above where he remains in that region we then were; unleaded our cargo, he remains in that region Next week, if you wish, I will conpitch d our tent, and soon the fragrant perfume of coffee was ascending as grate. Ful incense skyward. Hemlock boughs If he wishes me to keep silent, a box of floor of our habitation; on which we laid will keep me "mum." biankets, and as soon as we had refreshed the inner man with the substantials of life, we dropped our weary bodies on our fragrant couch and passed away into dreamland. The next rising sun opened up to our

view a beautiful Sabbath day, and our party, after breakfast, with the exception of your bumble servent, who had some scruples of conscience and awful screfeet, started out to see the country (%) but all took their goes for fear they might see a bear. I pulled off my coat. and rolled up my steeves, preparatory to washing dishes. Priend Mat. did v ; ever see a man wash dishes? Well if you have not, be looks and acts about as awkward as a woman in pants or trying . to chop wood; but with no woman within ten miles, it had to be done. I had scarcely completed my entirary business, before the deep baying of the hounds preparation, made chiefly from the nabroke the profound stringes, and the tire herbs found on the lower ranges of erack of the rifles told that the deer hast the Serra Nevada mountains of Califor-

sportsman got the better of me, and of Aicolaol. The question is almost grasping my gun in hand. I awaited his daily asked. "What is the cause of the grasping my gun in hand, I awaited his coming. Such the sharp cracking of the imparable success of Vincoan Birthwigs in the cedar on the opposite side of the river told me he was close at hand. Our answer is that they remove the cause of disease, and the patient recovers his health. They are the great Up came the gun to my face, every blood purifier and a life-giving principle, BEST HORSE-SHOERS muscle as rigid as marble; my eye a perfect Renovator and Invigorator sighted along the barrel, but the wind of the system. Never before in the told the doer of his danger, and paneling to the world has a medicing been companied passessing the remarkable companied passessing the remarkable what we riem, he turned his course sick of every disease man is her to. They are found reliable. and passed out of harm's wey, are a gentle Purgative as well as a Tonic.

THE REAVENLY SECRET.

Does the dark and soundless river
Stretch so wide—
The bomeward rolling tide
Over which have crossed
Our loved and early lost,
That their unseaked eyes may never so
The further side,
Where still smid this coll and misery
We hide?

Do they mingle in our gladness
Do they grieve
When ways of goodness we leave?
Do they know each thought and he
While we in shadow grope?
(an they hear the Future's high behest,
Yet lack the power
