made soft music to the murmur, of low of the men, including the father of Kafountains in the dreamy air. The tunes lakaua, perishing in the disaster. played by these boxes were composed especially for this very occasion by the immortal Liszt; for which, we are told in unromantic and commonplace phrase ology, he was paid the sum of \$25,000. A small sum, we should sav, for such intleman who purchased the melo tural sensibilities.

But then there were other grand things
"Where shall we put him?" said Mrs. to be paid for. The room in which the happy couple "were made one" was one mass of white camelias from floor to ceiling, and a good-sized diamond was inserted in each to simulate a dew-dropcomfortable place to spend the night.

"Yes. For this one night, at least, the seried in earth of the confortable looking residence, where it to him for my momentary hardness of confect! The adornment of this one he would be protected from the sharp heart." less than ten million dollars. Think of that, ye pent denizens of the city soup-

houses, and weep.

A path of flowers was laid for the bride clusive of hand bouquets, was \$50,000. The bride's bower was covered with camel's hair, shawls. They were ordered from London, and cost \$568,552.38.
These shawls were the next day distributed to the poor, says the facetious chron-icler of this wonderful wedding.

The bride's presents were numerous and valuable. The mother made her a present of a gold dinner set of two hundred and eighty pieces, each piece bearing a diamond monogram, worth \$4,000,-Then her mother, besides, gave her a thousand yards of point lace, and three hundred and eighty dresses for each day in the year, and a certificate on the Ban of England for one million pounds ster-Her father presented her a magling. Her father presented her a mag-nificent country house in all the leading capitals of the world and the most famous watering-places, and a fine steamship, with a full complement of sailors; and dozen white horses from Arabia; and a thousand pounds of caramels for her sweet tooth; and a most marvelous neck-lace composed of rare diamonds that the ber of retailers who have quit selling old man had been sixteen years collect—layer raisins altogether, because they

As there is likely to be considerable wheat used as horse feed, we would repleat the experience of some who have xperimented with wheat for When given to horses raw and whole it s difficult of digestion, and brings on flatulence, pain and restlessness, and when heavily fed with, it causes many diseases of the stomach and bowels, by the swelling of the unbroken wheat. If fed to horses, it should be ground and fed with cut straw, or cooked and fed in small quantities.

King Kalakana's History.

In the year 1821 the whale ship Indeasked Herbert, delighted.

"Yes," said Charlie, "you are quite waste of waters at once engaged in such pursuits as a vivacious disposition and true Yankee genius discovered, both for make haste, we have all been waiting to get employment and livelihood. He soon breakfast with you, and I'm as hungry succeeded, and in a year of two after princess of the monarch then on the throne of the islands. This royal damsel had fallen in love

with the wrecked mariner, proposed wed-lock in right queenly style, while the young New Englander accepted for rea-son that the King ordered him to do so, or have his head chopped off. Being son-in-law, and recognized as a member of the dynasty, our hero adapted himself to the dignity of prince consort, and from to the dignity of prince consort, and from this remarkable union issued the present King of the Sandwich Islands, the only The old year was going, but as his tot origin for passed over the threshold, on the way to join the departed company of the far and the way to join the departed the power way the join the large the power way the join the far a

institutions. Short Weights.

The American Grocer has opened a vig-orous warfare upon the system of swinding known as short weights, and which consists of putting less into a package than the marks on the outside of it re-

present.
The uninitiated public have but little idea of the extent to which this is done. Everything that is put into packages is cut short—so short, in the case of oys-ters, that one packer in New York concut short—so short, in the case of oye eye? She returned in order to examine ters, that one packer in New York conit. On her husband asking what she was fesses that it is quite common to put up six, five, and even four ounces for a you have anything white in your eye, pound. All canned goods are put up in for the Apostle of God asked the quest, the same way, and the public get only tion." Her husband at once recognizing about half the quantity of goods they bargain and pay for, and take the bal-

ance in water.

This affects the people—the consumers; but there is another class of goods where it affects the retailers, who have much more power of correcting it. This is in the ease of packages that have to be broken and retailed from, as in raisins. pork, etc. The Grocer has found a num-ber of retailers who have quit selling passionate toward animals, and would

ful magnitude, and has continued to grow until endurance can endure it no

that retailers and consumers weigh or redolent ichor of genuine measure everything they buy, and that a have often sought fitting national law be enacted compelling every packer to put his own name upon all packages packed by him, forbid This would undoubtedly remedy the difmight fail at that point.

A Remarkable Animal-Trainer.

In the year of 1721, in Perth, Scotpendence, from New Bedford, Massa-chusetts, foundered in the Pacific ocean, animal-trainer in the world. His name Tom, Port Huron Bill, Tall Chicago and animal trainer in the world. Tom, Port Huron Bill, Tall Chicago and and all on board perished with the ex-was Bisset, and in early life he became a the rest of the boys who were wont to get. was Bisset, and in early life he became a Well I am glad to be so near home, "At length right massing upon min, and and all on board perished with the exclaimed: "I know how it is, I'm beauties fresh unfold beauties fr least he might look for every comfort shall wake hashowful hashowf pursuits as a vivacious disposition and true Yankee genius discovered, both for employment and livelihood. He soon succeeded, and in a year of two after making his involuntary settlement among the Kanakas, had the extraordinary fortune of marrying the daughter and sole accompaniment in three different keys, and they accompaniment as they looked at him. Sam had a new that, had been shaved clean, had on a clean collar and a white shirt, and they were instructed to play on dulcimers, and they apparently reading from music-books before them, while they squalled a vocal a shout and leaped up.

"Cave in that hat by cried one. or tones, producing altogether a chorus whose piercing effect the musical may other. "Let's roll him on the floor!" screamed

thaps imagine.

The fame of Bisset's pread rapidly, and he was not duced to exhibit them in London. A place in the haymarket was secured, and the "Cats' Opera" advertised. Crowded houses responded to the advertisement; and the horse, the dog, the monkeys, and the cats went through their respective parts amid great applause. In brief only time the skillful trainer found himself in possession of £1,000 as the reward of his call chicago, as they all stood there.

"I've come down to bid, you good-bye, boys!" he replied, removing his hat and drawing a clean handkerchief from his pocket.

There was dead shence for a moment, and then he said:

"Well, boys, I'll shake hands with ye all around afore I go. (food-bye Pete; good-bye Jack; Tom; Jim. I hope ye won't fling any bricks at me, and I shan't never fling at any of ye. It's a dying promise, ye see, and I'll keep itif it takes right arm "

The men looked reflectively at each other after he had passed out, and it was a long time before any one spoke. Then Tall Chicago flung his pipe into a corner

and said:
"I'll lick the man who says Ugly Sam's head isn't level!"
"So'll I!" repeated the others.—Detroit

Unpublished Verses of Bryant. In Mr. Alfred P. Putnam's volume, called "Singers and Songs of the Liberal Faith," just published by Roberts Brothers, appear a number of the well-known poems of William Cullen Bryant. But the editor adds the following, which Mr. Bryant wrote about forty years ago, for some charitable occasion, and which he found lately among his old papers. They

have, until now, never been published MUTUAL KINDNESS.

Dear ties of human succes bind
The children of our feeble race,
And, if our brethen were not kind.
This earth were but a weary place.
We lean on others as we walk
Life's twilight path with pitfalls stre
And 'i were an idle beast to tafk
Of treading that dim path alone.

Amid the meres assigntume lays
Unseen, beneath the steps of all,
Blest is the love that seeks to raise
And stay and strengthen those who fall,
Till, taught by Him who, for our sake,
Bore every form of the s distress,
With every passing year we make
The sum of human sorrows less.

THE HONEST HAND OF TOU

The sturdy hand of Laborsmote The wilderness, and is it blooms Triumphant o'er the primal gloot That shrouded it from times reme

From every hill the joyout ham Of Labor comes: from every vale Is told a happy, Joyous tale By lips that centuries were dumb.

The toiler's hand hath touched those hills And clothed them with the harvest's gold. And bloom and verdure lay unrolled On all the valleys by the rills.

The rivers speed by tilth and grange. And cities mirrored in the lakes Seem like a vision that partakes Of nothing real, but all things strang

From sea to sea our greatness grows, The work of less, unfettered toil as That hath redeemed the fruitful soil From centuries of calm repose.

God bless the hand of honest Toil, That sows and brings the harvest tide; Our nation's hope, our nation's pride, God bless the honest hand of Toil.

TRUTHS AND TRIFLES.

A cow died in Springfield, Ohio, from eating too many apples; which gave rise to some trouble in cider.

CANADIAN wives, in addition to being good cooks, can drive exen, put up stove pipes, husk corn, and split rails.

WHEN a man can not drive well, he makes up the deficiency of education in that respect by severely pounding his

has been in a trance state for six weeks, and her husband won't have a doctor.

To write a good love letter, you ought to begin without knowing what you are going to ray, and to finish without knowing what you have written.

An exchange gives this advice to for-getful husbands: "When you can't think of what your wife charged you to

bring home, get hair pins. They are al-ways handy in the house.

In all literatures one finds man and the stars in the first verse of the intro-ductory chapter. Everywhere to the stare man seems to have looked for his first inspiration and earliest knowledge.

A MINISTER who came into church

WHEN we see a man down, and are seized with an itching to kick him, it is well to make sure that he will not be up again, for if he does get up the situa-

tion becomes embarrassing and sometimes unsafe. A STATISTICIAN estimates that every married couple may calculate upon 4,-194,304 descendants in about five hundred years. Let young people pause and reflect upon the dreadful consequences

of matrimony. Ex-GOVERNOR WALKER, of Virginia, said to be the handsomest member of Congress elected this year, and if he had somebody to put his hair up in curl pa-pers, he would be almost as good looking Roscoe Conkling .- Brooklyn Argus.

"WASHINGTON," exclaimed a member of a Nashville debating club, in stento-rian tones, "Washington was a great man; he was a good man; he was a noble man; his mind had a powerful grasp of the future. If ever a man was non compos mentis, Washington was that

BISHOP CHENEY, of Chicago, in summing up the progress of the Reformed Episcopal Church, in a discourse, the other Sunday, said: One year ago they met to lay the foundation. There were seven ministers including Bishop Cum-mins. He did not know the precise mins. He did not know the precise number of the laity who signed their declaration of independence, perhaps not more than one hundred and twenty men. They had one organized congregation in the land. To-day they had forty ministers, thirty-six original churches, and over three thousand communicants knelt at the communion table, and untold thousands were being reached by the Gospel, from the Atlantic to the Pacific, West India Islands, and across the ocean the Free Church of England was gaining ground. Bishop Cummins wrote him that from the Bermuda Islands the peole were writing him to send then formed ministers.
