Europeans are already as the process are already as the process are already as the matter than the matter the running would represent the dry day. Europeans are always surprised when the sliding the greasy one. Now, they first see a young Kaffir undertake building to save his life. The noise independent of the above causes, I do the delivery of a letter at so great a disawoke Sam Dickey and Richard Brooks, not believe that sounds are more audible tance, and still more at the wonderfully who slept in the upper part of the buildin fogry than in clear weather, for the short time in which he will perform the ing, and they at once came down to disfollowing reasons: About two years ago journey. Nor are they less surprised cover the cause of the din. The hyena, I was stationed at the month of a tune, when they find that he thinks himself elephant, and all the other animals were I was stationed at the mouth of a tun, when they find that he thinks himself elephant, and all the other animals were nel to protect trains in consequence of a very well paid with a shilling for his terribly excited, and doing their utmost large stream of water having forced itself trouble. through the wall at a distance of about a quarter of a mile from the mouth of the tunnel. I could distinctly hear the water running. Also I could hear the men at work trying to prevent it; but one morning a dense fog came over, and I could neither hear the running of the water nor the men at work, so I came to the conclusion that the water had ceased. but when the man came out of the tunnel, who had to inform me as to the state of the roads, I remarked to him that I supposed the water had stopped, but, to v surprise, he said it was running faster if anything. I called his attention to the fact that I could not hear it, and we could neither of us make out the cause but when the fog cleared away we could hear the noise as distinctly as before, but it was not until the above occurred three or four times that we came to the con clusion that it was owing to the mouth of the tunnel being blocked up with log that we could not hear the water running. Then again, sir, I didn't know whether you have noticed it or not, but for is very deceptive, for I have heard old railway men say that they have heard a train coming when it had been foggy, but for the life of them they could not tell whether it was an up or down

pate young man who came here in a state of drunkenness about a month ago, with money in his pocket, died a few days ago, and will be buried in the potters field. Some ten days ago he was very arrole and tring colors in the ten pin en some unfeeling fellow

Detroit. A withered up old woman.

Detroit. A withered up old woman.

Sow-backed, gray-haired, having a cane in one hand and tarrying a basket of in one hand tarrying a basket of in You've met her if you've lived long in DISPENSARY, Buffalo, New York. The old woman found a new saloon on ailments for months without being benefited Franklin street the other day a place in the least, until they have become perfectly Franklin street the other day—a place just opened by wicked Bob Smith, whose red face and bloodshot eyes have more than once been set in a frame of prison bars. "Aunt Martha" went in, hoping to make a small sale. Bob was wiping to make a small sale. Bob was wiping his glasses, and half a dozen men sat around the stove holding glasses or around the stove holding glasses or "Get out!" growled "Bob as the old woman entered. She did not hear him, and, leaning over the counter, she asked:

"Would ye have a paper of pins—a ferers, there is a better and far more successful plan of treatment for you; one more in ful plan of treatment for you; one more in harmony with the laws and requirements of your system. A harsh irritating caustic freatment and strong medicines will never cure you. If you should use rational means, such as common sense should dictate to every intelligent lady, take such medicines as embody the very best invigorating tonics and nervines, compounded with special reference to your delicate system. Such a happy combination you will find in my Faverite Prescription which has received the loudest praise from thousands of your sex. These languid firesome sensations causing you to feel scarcely able to be on your feet or ascend a flight of stairs, that continual drain that is 'sapping from your systems all your former elasticity, and driving the bloom from your cheeks; that continual strain upon your wital forces that renders von irritable and fretful, may all be overcome and subdued by a persevering use of that marvelous remedy. Irregularities and obstructions to the proper workings of your systems are relieved by this mild and safe means, while periodical pains, the existence of which is a sure indication of serious disease that should not be neglected, readily yield to it, and if its use is kept up for a reasonable length of time the special cause of these pains is permanently removed. Further light on these subjects may be obtained from my pamphlet on diseases peculiar to your sex, sent on receipt of two stamps. My Favorite Prescription is sold by druggists. harmony with the laws and requirements of

A DRUNKEN man at the Theatre Comique, Puebla, amused himself by addressing insulting remarks to one of the actresses. After the thing had become a little monotonous the woman seized a piece of board, and, bounding over the foot lights, belabored the fellow over the head, while the audience cheered. After pounding him to her heart's content, she pirouetted back upon the stage, and the

DEATHS BY CONSUMPTION.-It is DEATES BY CONSUMPTION.—It is estimated that 100,000 die yearly in the United States with Consumption.—When Consumption first appears there is pain in the chest and oppression, attended with difficulty of breathing. Soon-there will be a cough, if this irritation is not healed, and the effort to raise will still add fuel to the fire. Allen's Lung Balsam will at once allay the pain and Lung Balsam will at once allay the pain a irritated parts, stop the cough, and prevent what would be Consumption. It is making cures of diseased Lungs which were considered incurable.
