Hyerson is a thoroughly good fellow, manners alone.

Just let him sit down to pot-luck with "I shall do nothing of the sort, Alexander," said Mrs. Hopgood, severely unknown and undiscoverable careless not approve of your inviting company at any time, still less at such a period as this Thyon have been fool enough to this. If you have been fool enough to ask him, you may get out of the scrape whose cause was unknown being by one the best way you can."
"But, mother—"

"But, mother—"
"I don't want any more discussion on the subject," said Mrs. Hopgood, dabbling away with the brush.

And Alexander went out, slamming the door.

Though rare, spontaneous combustion is

And Alexander went out, slamming the door.

"By George!" quoth Alexander Hopgood to himself, "if I can't ask a friend to my home, there's at least the alternative of inviting him to a hotel. I never did such a thing before, but I don't see how else I can manage."

So Alexander Hopgood entertained Mr. Ryerson at the hotel, and gave an unlimited order for iced champagne and dessert. And the upshot of it all was that Alexander Hopgood was brought in at eleven o'clock at night, by two of the waiters, hopelessly intoxicated.

"Div'the' Enfrish manner. Though rare, spontaneous combustion is no my th, and has lately occurred in several instances, causing considerable loss of property.

Ships having cargoes of wool from South America are obliged to exercise much caution, lest the densely packed wool, seaked with oil and grease, become heated and set fire to the ship. English coal vessols are also liable to the same calamity. The coal now taken from the English mines appears to be more easy of ignition and more bitumines in character than ever before, partly, perhaps, from the vast depths

Spontaneous Combustion.

[St. Louis Globe-Democrat.]

Years ago, when fires originated by

waiters, hepelessly intoxicated.
"Pon't be 'f-fraid, mother!" stuttered he, brandishing an empty bottle, as he became dimly conscious of her white, scared face bending over him. "Go on with your washing! It's a deal jollier at the hotel than it is at home. Free dom forever! Hoo-oo-ray!"

"O, what shall I do?" sobbed Mrs. "O, what shall I do?" sobbed Mrs. However ware one." "O, what shall I do?" sobbed Mrs. Hopgood, when the waiters were once more out of the house, and the roll of the cab wheels had died away. "To think—only to think that a son of mine should avording to the cab wheels had died away. "To think—only to think that a son of mine should avording to the cab wheels had a son of mine should avording to the cab wheels had died away. "To think—only to wide spread to be stopped, and all language."

When it comoines very rapidity with oximan is one of the wisest men in the country.

It is a strange fact that when people indulge in high words they use low language.

The state of the s
