and the city seems near by. So the people haster on, and presently they cannot see the rose-garden, and they never come back. I should come back, I should come back, I should come back, I should not say a store man listened, and did not say a word.

"Long ago the wishing-stone lay by the foundation of the foundation enchanted. A Troil put it there, and whoever sat upon it had whatever he first wished; but if he wished anything selfishly, he was turned into a hard, some and the Troil carried him away to build his palace under ground. A great many people came into the garden, then, who never went out, but the, who never went out, but the princess could not undo the spell or take.

Princess could not undo the spell or take.

-GEMS OF POINT.

Thoughts that are true in our hearts will dwell,

WITH WORDS,

With words I greet thee for my heart;
And though to some they seem as naught,
I feet that they are much to one
—Whose earnest friendship is not bought.

And when I stretch my arms to thee, And when I place my hand in thine, Betteve the utmost truth I feel, That naught can shake this love of mine.

That looking out upon the world, Past all its fame, ambition, hate,

A postern, grown about by weeds— The weeds of Time, of wee and care-

THE Agricultural Department has statistics collected together in seven States, MAT. D. BLOSSER, Publisher. which show that in January last there were in these States on hoof 14,213,800 TERMS: \$2.00 Per Year. hogs. These were divided as follows: Indiana, 2,670,000; Illinois, 2,034,000; BATES FOR ADVERTISING Iowa, 3,399,000; Missouri, 2,682,600; Ohio, 1,734,000; Kentucky, 1,706,000; made known on application.

Wisconsin, 578.000. It is estimated that returns from other States will make the hog crop for this year over 18.000,000.

Tis lifted o'er the common uning of outward giding, inward dust A lovesthat weareth friendship's guise And crowns itself in perfect trust; RAILEOAD construction seems to be in a bad way the world over. The recent report of the British Board of Trade of the exports for the first half of the year show that 259,307 tons of railroad iron in all kinds were exported in 1875, against 427,267 tons in 1874. The exports last year were sufficient to lay four thousand eight hundred and five miles of track with fifty-six pounds of iron; those of this year, only enough for two thousand and nine hundred and forty-seven miles, or one thousand and eight hundred and fifty-eight miles less. Roughly speaking, the exports of this year were about

sufficient for the maintenance of forty

thousand miles of ordinary iron track

the least amount that will creditably clothe me."

You see, I was growing irate. John's temper, too, was evidenly on the rise.

"What do you mean by services, housework? I am sure a home is as much for your satisfaction as for mine; and I am sure the tailor does not leave much of my sewing thr you to do."

"I don't complain of housework, or of doing your sewing; but I do think the burden of little Johnny has all fallen on me."

"It strikes me," said he, with a provising complacency of tone, "that if you carned his living you would have less to say about the burden falling on you."

"I, strikes me," said he, with a provising complacency of tone, "that if you carned his living you would have less to say about the burden falling on whan you did before he was born,"

"I, strikes me," said he, with a provising complacency of tone, "that if you carned his living you would have less to say about the burden falling on whan you did before he was born,"

"I, strikes me," said he, with a provising complacency of tone, "that if you carned his living you would have less to say about the burden falling on whan you did before he was born,"

"I, said I, "answer me honestly.

Do you work any harder or any longer now than you did before he was born,"

"I, don't known as I do," said he, with a provising complacency of tone, "that if you carned his living you would have less to say about the burden falling on which some one expressed him. He thought to spaniards formerly accepted the gift in 1762, the first American Revolution.
