A LITTLE ELBOW-ROOM. Good friend, don't squeeze so very tight!

THE London Times is authority for the statement, based upon a careful estimate made by Mr. James Cairns, that there will be a lively demand soon for American wheat in Great Britain. The decrease in production in England and Ireland since last year has been very great and the amount required from abroad is estimated at eighty-eight million bushels, a large part of which must come from this A De sirable Medium for Advertisers.

loud applause that called her before the green scene; for, as she returned to the prompter's box, news reached Bessie that her mother was dead.

The reaction was terrible. The poor girl was stricken down herself, and, when the mother was buried by the kindly members of the eempany, the daughter was nearly a fit subject to occupy the same, resting place.

Time passed, and slowly the young girl recovered. Each day during the interval the invalid found a fresh bound thirst she refused to look at them, thinking that they were but new importuniing that they were but new importunities from him whom she so utterly detected.
