I wondered whether a lordly name Or whether a stranger's lowly
Should have justly received the words
That came to this portrait holy;
But this I know—some artist's soul,

And again I thought, that perchance sos Had wandered and sinned, 'till Heave Claiming its part, and the strikggle done, Had whispered the word "forgiven." As I dreamt this dream, it seemed, I had read the hidden stow. stood her ground, and with one paw on

An experimental content of the property of the of the pro

of How de do in passable English, whilst Johnson encountered every visitor with an affectionate squeeze and a forced smile, in which terror struggled with civility.

The Indians then passed on to Skyles and the surviving Miss Fleming, where the demonstrations of mutual joy were not quite so lively. Skyles was writhing under a painful wound, and the girl was sitting by the dead body of her sister.

Having shaken hands with their captives, the Indians proceeded to scalp the dead, which was done with great coolness, and the reeking scalps were coolness.

Lived at Pittsburg many years after.

Lor, and would ont and would give them six hundred broaches.

He then returned to Lower Sandusky, accompanied by the liberated prisoner.

She was then painted as a squaw by Whittaker, and sent of, under the care of two trusty Indians, to Pittsburg well, it is the doctor's interest to keep him ill as long as possible. To the credit of the medical profession, let us affirm our belief that the instances are very rare in which even the poorest doctor is swayed by such a base motive, but the temptation and the opportunity are self-lived at Pittsburg many years after.
