A Printer's Dream.

The Trapeze—" Breadful Trade."

It is bad enough for a trapeze performer to be hurled to death in the usual boots were patched and his coat thread before a crowded audience and in the footlights' blaze of glory. But it must be particularly mortifying to them to meet with an accident and die all alone, and still in the rursuit of their thrilling profession. This was the fate of John William Collier, an Englishman, who had been several years in this country—a trapeze master. He was the father of two young girls, known as the "Vaidis" trapeze master. He was the father of two young girls, known as the "Vaidis" the footlights' blaze of glory. But it must be particularly mortifying to them to meet with an accident and die all alone, and still in the rursuit of their thrilling profession. This was the father of a trapeze master. He was the father of two young girls, known as the "Vaidis" trapeze master. He was the father of two young girls, known as the "Vaidis" the footlights' bleave of glory. But it must bare; while his face looked weary and boots were patched and his coat thread-bare; while his face looked weary and boots were patched and his coat thread-bare; while his face looked weary and worn with care. While saidly thinking of business debt, old Morpheus slowly to be particularly mortifying to them to meet with an accident and die all alone, and still in the rursuit of their thrilling profession. This was the fate of John William Collier, an Englishman, who had been several years in this country—a trapeze master. He was the father of two young girls, known as the "Vaidis" the foot death in the usual break the body it troubled him most, what part of the body it troubled him most, what part of the body it troubled him most, what part of the body it troubled him most, what part of the body it troubled him most, what part of the body it troubled him most, what part of the body it troubled him most, what part of the body it troubled him most, what part of the body it troubled him most, what part of the body it trou
