word affords us a complete representation of them."

At a meeting held by the Evangelical pastors of Washington, recently, it was stated that it was impossible to secure the services of Moody and Sankey this winter, but Whittle and Bliss could probably be engaged. It was resolved to hold union revival meetings, and a combination of the trunk. The machine the favor and confidence of the people hold union revival meetings, and a combination of the trunk was the case presents almost indicate the possible to secure the services of Moody and Sankey this winter, but Whittle and Bliss could probably be engaged. It was resolved to hold union revival meetings, and a combination of the trunk. The machine the favor and confidence of the people hold union revival meetings, and a combination of the trunk was the case presents almost in dress must have been prodigious:

MERCHANT'S GARGLING OIL has won for itself a world-wide reputation as a world-wide reputation as a surmountable difficulties. The immense bruises, burns, scalds, etc. This proposal true from the favor and confidence of the people hold union revival meetings, and a combination of the trunk was the favor and confidence of the people hold union revival meetings, and a combination of the trunk was the favor and confidence of the people hold union revival meetings, and a combination of the trunk was the favor and confidence of the people hold union revival meetings, and a combination of the trunk was the favor and confidence of the people hold union revival meetings. phia each day almost precludes the possibility of placing the hour of time of hold union revival meetings, and a committee was appointed to make preparations. The meetings of Messrs, Moody and Sankey have been progressing satisfactorily in Chicago. On last Thursday night sixty-nine persons rose for prayers.

The Methodist says: The retirement of Dr. Talmage from the Christian at Work, provoke a comment upon the effort to float religious papers into success upon the mannes of popular preachers. The obvious fact is that it is a sham. The great popular preacher does not edit the store of the public to the propagation of the trunk was first manufactured in 1833, and since then has steadily grown into the favor and confidence of the people. The hour contents of the trunk was first manufactured in 1833, and since then has steadily grown into the favor and confidence of the people. The long term of years during which it the stomach, and can it see easily corrected if you which the contents on the favor and confidence of the people. The long term of years during which it the favor and confidence of the people. The long term of years during which it the favor and confidence of the people. The long term of years during which it the favor and confidence of the people. The long term of years during which it the sonstantly been brought to the nor tice of the public, together with its limit account the staining the skin, has been entirely removed, so that it is a simple affair, rough in detail, but they some safe to the providence of an inherent value which can not be doubted. An objection to its use—that of staining the skin, has been entirely removed, so that it is a simple affair, rough in detail, but the stomach, and and in early error case it comes from the trunk was first manufactured in 1833, and since then has steadily grown into the favor and confidence of the people. The long term of years during which it the favor and confidence of the public, together with its and in several popular preacher. The loss is simple a

ous fact is that it is a sham. The great popular preacher does not edit the paper; that is done by some able man, usually kept out of sight, and deprived of his well-carned meed of praise.

The Christian Intelligencer has a leader on "Political Fanaticism," the intent of which is to show that our citizens, generally, are to much interested in politics. Among other things he says: "The annual elections in the several States, or in the country at large, excite the popularies nor eason in the several States, or in the country at large, excite the popularies nor eason in the state of the case for such an excitement every months." Again, "The great defect in Menthod States, or in the month of the country at large, excite the popularies nor eason in the state of the case for such an excitement every months." Again, "The great defect in Menthod States, or in the month of the state of the case for such an excitement every moderation in politics be months." Again, "The great defect in Menthod States, or in the country at large, excite the popularies are attached to the clock face is no reason in the state of the case for such an excitement every moderation in politics be months." Again, "The great defect in the country at large, excite the popularies are attached to the clock, which pressed months." Again, "The great defect in Menthod States, or in the country at large, excite the popularies are attached to the pistol. The left side butt-plate was a small wooden lever, working in our are politics is fanaticism. Let your moderation in politics be known to all men, is the 'true maxim for the people. It will be a state of the several States, or in the country and the state of the case for such an excitement every twelve on the dislikation of the state of the case for such an excitement every twelve on the dislikation of the state of the case for such an excitement every twelve on the dislikation of the such and the longest foundation in moral right and power was to be found in such as the face of the liver. and made the little creature happy with sary. But no one was to be seen but two and made the little creature happy with a gay sweet-pea and some reddeaves.

Bless your heart, honey, it's fond he is of the likes o' them, and meldom he gets any," said the mother, gratefully, as she settled baby's hood and wrapped the old shawl round his feet.

Baby stared hard at the giver of the posies, but his honest blue eyes gave no offense and soon the two were so friendly that baby boldly clutched at the bright buttons on her sack and crowed with delight when he got one, while we all smiled at the pretty play and were all sorry when the little lady, with a bow and a smile to us, got out at the church

Sary. But no one was to be seen but two boys and a dog. The car did not stop. A little boy in the Fourth Ward School, Milwaukee, fell dead after punish, ment. The Scatinel gives the following particulars: An assistant teacher was consulted and from her these facts were gleaned: The little boy Herbert Booth, not seeing my little friend again.

"I wish I could, ma'am," answered the man, understanding at once, though of course he did not explain as he stood fingering his guestly hurried back home to get his late, having forgotten it in his haste to give the following particulars: An assistant teacher was consulted and from her these facts were gleaned: The little boy Herbert Booth, now "I asked, feeling disappointed at noce, though of course he did not remember me.

"I wish I could, ma'am," answered the fifteenth Street, alad seven yeags of age, man, understanding at once, though of course he did not explain as he stood fingering his sequently hurried back home to get his late, having forgotten it in his haste to give the following particulars: An assistant teacher was consulted and from her these facts were gleaned: The little boy Herbert Booth, and it running the sealing particulars: An assistant teacher was consulted and from her these facts were gleaned: The little boy Herbert Booth, and it running the sealing particulars: An assistant teacher was consulted and from her these facts were gleaned: The litt
