In the ruins of Hale's piano factory in New York City, a skull, burned and twisted, was dug up on the 11th. The femains of five persons have been recovered.

President Hayes and suite arrived at Dayton on September 11, and had a warm reception from the citizens. He made a brief speech from the Beckel House, explaining be policy of his Administration.

The Republican State Convention, which met in Madison, Wis., on the 11th, nominated the following ticket: for Governor, Wm. E. Smith, of Milwaukee; for Lieuten ant Governor, J. M. Bingham, of Chippewa; Yor Secretary of State. Hans B. Warner. of Pierce; for State Treasurer, Richard Guenther, of Winnebago; for Attorney General, Wm. C. Carier, of Grant; for Superintendent of Public Instruction, W. C. Whitford, dersing the civil service policy of the Administration. On the Southern question, the Convention says: In the efforts of the present national administration to restors nize a magnanimous purpose to remove every semblance of lawlessness and violence -we hope that this magnanimity will be duly appreciated, and that the reciprocal pledges made by prominent citizens and officials of the South will be faithfully kept. We shall rejoice if the Southern policy of the President produces the hoped-for re sults of order and peace. But if these results shall not follow this experiment, we demand that other measures be adopted which shall secure to all citizens, without distinction of race or color, the fullest enjoyment of their constitutional rights.

skins."

Sitting Bull drew his revolver, a movement imitated by Culverson, but before either could shoot, Major Welsh, with his revolver drawn, sprang between them and told Sitting drawn, sprang between them and told Sitting Bull to put his revolver away. Turni Sitting Bull, he said: "I want you to un stand that you can." Sitting Bull, he said: "I want you to understand that you can not commit any of your
deviltries here, as you do in the United
States. I will give you and your tribe five
days to leave this country; if you are not
gone then, or if you ever return, I will fight
you. If you are ever caught here again, or
if you shoot this man, I'll have you hanged
by your neck till you are dead."
Sitting Bull left the next day.

### Official Bulletins from Plevna.

LONDON, September 12.—The following official bulletin is not in harmony with the Vienna and Bucharest reports of the cap-RUSSIAN HEADQUEETERS. POREDIN, September 10-19:40 a.m.

Our batteries cannonaded Plevna all day Sunday. The Turks made a considerable sortic against our left wing, but were repulsed, losing heavily.

The Roumanians made a bold reconnois-

The Roumanians made a oot recombination of the enemy's redoubts, which opened a heavy fire but were silenced by a concentrated fire at our batteries. The position of one our siere batteries was changed Sunday evening, to enable it to cannonade the fortified Jurkish encamp.

popular sentiments, etc. At the Galt House, speeches were made by President Hayes, Secretary Hayes, Wade Hampton, Governor Van Zandt, of Rhode Island, General Key, and Secretaries McCrary, Evarts and Secretaries McCrary, E RUSSIAN HRADQUARTERS; POREDIN, September 11-5:20 a. m.

Our-siege batteries cannonaded Plevna alt day Monday, and until late in the night. The left wing, under General Skobeleft, respectively and the night respectively mother one of the neighboring heights, which will enable us to bombard the enemy's positions and the town of Flevna itself. The enemy opposed General Skobeleft very feebly. Our cavalry on the Sophia road has defeated a detachment of threasians from Plevna. Our losses to the Circassians from Plevns. Our losses to the present time are insignificant:

LONDON, Sept. 12—Information of a terrible disaster in the English Channel has just been received. The British ship Avalanche, Capt. Williams, from London, September 4, for New Zealand, came in collision with the said. "But I must say the charges said." But I must say the charges for New Zeaiand, ceine in Constant and British ship Forest, Capt. Lockhart, from London, for New York, off Portland, and both vessels foundered. The Forest was in ballist and had a crew numbering twenty one. Capt. Lockhart, chief mate, and seven others were saved. The Avalanche had a crew of thirty-two and fifty passengers. The third officer and two seamen only were

### [SECOND DISPATCH.]

LONDON, September 12.-The following are additional particulars of the collision in the channel. The Forest struck the Avalanche between the main and mizzeh masts, nearly cutting her in two. The latter

### Recent Railroad Casualties.

Thomas Melville, an old citizen of Kent, Ohio, was run over and instantly killed, in

Thomas Melville, an old citizen of Kent, Ohio, was run over and instantly killed, in attempting to cross the railway track in front of an approaching switch engine. He was sixty years of age, and leaves a wife and one unmarried daughter.

Worley Baman, a laborer aged about thirty, was killed and horribly mutilated by the Pan-Handle passenger train, going south, near Kokomo (Ind.) Junction. He is believed to have been intoxicated, and fallen asleep on the track.

A few nights ago, at Steubenville, Ohio, a young man named Henry Sutcliffe laid down on the track of the Pittsburg, Cincinnati and St. Louis Railway, and was run over by a freight train, heing literally torn to pieces. He is supposed to have been intoxicated.

The Philadelphia and Erie mail train, north, due at Muyer, Penn., at 7:45, September 15, came into collision with a freight train near that place. The baggage and express cars, with their contents, were destroyed by fire. The express messenger, Jacob Steiman, and the engineer, William Attick, were burned to death in the wreck. Two cars of wheat and several coal oil tanks were also burned.

(New York Hersid)

"He's an English lord," whispered a left and forward and back like an old

resterday, pointing to a tall, wellof distingue appearance as making his way to the judge's.
