"Lost! lost!
Oh! last in a sea of sin!
Showly, but surely, the tide comes
Creeping to bosoni, to neck and chi
Hearing and seeing altke grow dim
Oh! lost in a sea of sin!"

"Log! lost!

Oh! lest in a sea of sin!
People go passing along the sand,
Heeting no prayer for a helping bas
Vainly I struggle teggain the land—
Oh! lost in a sea of sin!"

"Lost! lost! Oh! lost in a sea of sin!"

Passing, a Univisian has heard her call, Reaches her safe in his goodly yawl.
Places her safe on the strong sea wall—Oh! saved from a sea of ain!

with something of maliciousness in received muttered thanks.

Then I escorted them out.

Two minutes more, and I was alone for two dances, and had the satisfaction of seeing them both frowning at me with my dead body.

I gave him some money, for which I cannon and small arms. With a long-ing ever the artilleryman looked for the last time upon his faithful gun, parting with it as from his bride, and that for ever. With tears trickling down his addressing the polite assistant bowing the polite assistant bowing to the artilleryman looked for the last time upon his faithful gun, parting and a story is told of his walking into a with it as from his bride, and that for ever. With tears trickling down his addressing the polite assistant bowing the propounce as if it were Altches, ing ever the artilleryman looked for the propounced as if the pro for two dances, and had the satisfaction of seeing them both frowning at me most desperately.

To speak the candid truth I was desperately.

Hilds laught. Heartless girl. She card nothing for me; and actuallo enjoyed the misery she was inflicting upon these two young men.

She was a pleasant and agreeable girl.

She was a pleasant and agreeable girl.

Two minutes more, and I was alone ever. With tears trickling down his bronzed cheeks, the bearded grenadier stacked his musket to resume it no more.

What!" cried the youth, almost other arms, and the drummers doubting the sanity of the very grave stamped their drums to pieces.

Immediately after the surrender, the recent his for a cook shop?"

Coleridge tells of leging at a party whence they expected to embark, and with Kemble when after diamer, formed to the recent properties. enough, but as I looked upon Albrecht tion I order more examined my instruction as a brother I could not forgive her.

The case was made by a celebrated one amponent at the foot of the bill unredstyle. In the midst of his discourse, and the case was made by a celebrated one amponent at the foot of the bill unredstyle. In the midst of his discourse, and the case was made by a celebrated one amponent at the foot of the bill unredstyle.

my face.

o "I am a woman, and can do as I like,"

she said tossing her lively carls up in ...

I are case was made by a celebrated encampment at the foot of the hill, ured style. In the midst of his discourse where Fraser was buried. As they described in the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the servant announced that his carriage bounded from the name of the Every one of the terrible saws, knives, she said, tossing her lively curls up in a golden cloud.

This silenced me, of course, and as soon as I could lead her to a seat, I walked away.

Every one of the terrible saws, knives, and the battle field bouched from the meadow, having debad arrived. Kemble nodded and went posited their arms, they passed between the Continentals, who were drawn up in parallel lines. But on no face did they had a little more impatiently. At see exultation. As they debad arrived. Kemble nodded and went posited their arms, they passed between the Continentals, who were drawn up in parallel lines. But on no face did they last, and for the fourth time, the servant

ALTER PARTIES.

At eleven o'clock on the morning of ideas regarding pro The leader of the party, a man in a just north of Fish Creek, at its junction in which he pronounced the lines in The leader of the party, a man in a just north of Fish Creek, at its junction in which he pronounced the lines in The black shovel hat, very much like a coal with the Hudson. Here they left their Tempust, "My bones are full of aches," sented to her by both rivals.

I gave him some money, for which I with something of maliciousness in received muttered thanks.

Why vex our souls with care?
The grave is cool and low,
Have we found life so tair
That we should dresd to go? We've kissed love's sweet red lip The ruse the wild bee sips Blooms on when he is dead. Some faithful friends we've found Had those who lave us best, When we are under ground. Will laugh on with the rest No task have we begun But other hands can take; Nor work beneath the sun For which we need to wake

Then hold us fast, sweet Death, To Him who gave us breath That we should go to rest. We lay medown to sleep,

The control of the co
