BY HARVEY HOWARD

When the angels named her Ids, And they wrote her name beside: List of Anden-gotten graces, They supposed her some sad peri

That had grown of heaven weary Laid aside her golden crown

We who call her Ida now

nd to earth in light came down, For no sweeter have they faces

w her as a charming woman, less sweet if only human;

Not less sweet it only human; And we know the radiance now Is but love-light off ther brow. They had seen no maid so sweet for Human hearts to love and beat for, So they thought her some immorth, Wayward, strayed from heaven's pe-

They watched over her at birth And they kissed her, and they namida, and in glory framed her.
That we mortals might gevers her.
Reverence her and defend her.

Ah, how lovingly we fear her!
Ah, how blessed are mortain fear her!
Could we hold an angel dearer?
Where is one that dares frend her?

A CHRIST WAS HYMN.

What recked the Roman what befull A paltry province far away In the solemn midnight Centuries ago?

Fallen through a half-shut stable door
Across his path. He passed—for naught
Told what was going on within;
How keen the stars, his only thought.
The sir how calm and cold and thin
In the solenum midnight

(enturies ago

Twas in the calm and sitent night,

Went plodding home a weary .

A streak of light before him lay,
