Next morning a reporter, in company and mays, and again the Republicans de into the town to prevent citizens from going to rescue the teamsters. Another band of Indians attacked Sulphur Springs Station, on the Bismarck road, killing one man and running of four horses. Two companies of certairy, under command of, Capt. French, started from Fort Meade in pursuit of the marauding savages. The general opinion is that the present depredations are made by Little Wolf's band of Cheyennes, making originated from a stove in the stere road.
