KISS AND WED. O "Kiss and wed" is often said Not often wed and hiss.
It should not try the dullest head.
To find what's here amiss! If kiss and wed is all that's said If when its happy summer's fied The bloom is off its rose

It seems to me twould better be
To choose a thrifter flower—
And there's the steadfast apple tree—In spring a resy bower! Are but the prelude sweet; Its summer's but the trysting-time When love and beauty meet. And what more worthy close could be

the other answered easily written; when the heart dictates pocket, that she had forgotten her purse. gravely; "it would do you no good to the pen flies rapidly over the paper. "I must return to fetch, it," she said, read it. I know the handwriting, and I The second one was a harder task; it rather embarrassed, to the tradesman wish it had never been written." He was to the sender of the elegant flower who had served her. wish it had never been written." He was to the sender of the elegant flower opened and read it. Again the expression of shame and indignation was seen. Reader, she was one of those harpies, answered the brave fellow, drawing out. Poscy County, was down on the newsson of shame and indignation was seen on his face, and he thrust the note into into on his face, and he thrust the note into those vampires, to be found in the so his pocket.

The ceremony was over; the company dispersed, gay and chattering; mothers and sisters clustering around most of the young men and offering to whom society suspects but still tolerades.

Reader, she was one of those harpies, an asswered the brave fellow, drawing out those papers, and during his lifetime killed how much money do you want to fluish two or three country editors who called a tour purchases elsewhere this morning? Whatever you like to name is at your time to precious, best where this morning? Whatever you like to name is at your time to papers, and during his lifetime killed two or three country editors who called a time time to ask him to advertise or subscribe. "Git out of this, you miserable humbugs," he would yell in a towering rage: "advertism' in newscarry their flowers. No one came near because she has got gold at her com- keeper."

Papers is throwin' money right smack
Frank, who bent his way towards his mand and can buy the silence of her: "I know that; but I also know that away. As for jokes, i get'em out of the litary lodgings, carrying his basket lovers, whom she has tact enough to you are a respectable woman, and that almanac, and for good, solid, substan-
