A STERLING OLD POEM.

Who shall make man from his manne

There are afreams of crystal nestar. Ever flowing out of atome.
There are purple lests and golden.
Hidden, crosshed and overthrown.
God, who counts by souls, not dressee
Loves and prospers you and me.
While he values through the highest

man, upraised above his fellows oft forgets his fellows then; Masters rulers lords, remember That your meanest kinds are men! Man of labor more definition.

Men of labor, men of feeling,
Men of thoughts, and men of fame.
Claiming equal rights to sunshine
In a man's ennobing name.

There are from embroidered oceans.
There are little wood clad rills:
There are feeble righ high saplings.

Leves and prospers you and For to Him all vagne distinct Are as pebbles in the sea.

Trilling hands alone are builders
Of the nation's wealth and faint
Titled laziness is pensioned.
Fedeard fattened on the same.

By the sweat of others' forebeads

Laving only to rejoice.

While the poor man's outraged treedom
Vainly litts its feeble voice.

There are feeble noch high saplings.
There are celars on the hills,
iod, who counts by souls, not stations
