BUSINESS DIRECTORY. TEOPLE'S BANK

Organized under State Law. Capital. - - \$50.000 Transacts a General Banking Business. J. D. VAN DUYN, Vice Pres J. D. WATKINS, J. D. VAN President S. W. CLARKSON, Cashler.

Will attend sales of all kinds, at lower figures than any other salesman, for '79-80. Ira Cushman, Cheles, reference. Orders left at the Extraprise office will receive prompt attention.

and wove, and directed her maidens and wonderingly, and the old gardener, to her farm laborers, and taught and nursed whom the secret had been imparted the her brothers and sisters, and in all hight previous, stood with clasped hands in things strove to supply to them the attering ejaculations of thankfulness. The foundapiace of the parents they had lost. the river's brink.

Throws away an old bouquet, and wonders if 'will healed, at least they ceased to bleed at floor of mix. most or sink.

every touch, and learned to find solace in the affection of her children, as she

round the lawn she goes.
Singing as she cuts fr.sh roses—she herself her world's fair rose;

world's fair rose;

called them, while habit made her duties light and almost pleasant. In her dainty morning robe, and straw hat shading half her face,
Incurresque in form and feature, lovely in her youth and grace;
In her hand a little dagger, sharp and glittering as the sun, the sun, Biffing hearts of thorny bushes, cutting roses one by one; onter door, and resounded through the outer door, and resounded through the

Pink and white and blood-red crimson, some in budse.

But Elsie's only thought was of a bud and some full blown—

There through lawn and grove and garden sings summons to some sick or dying bed,

when the petals droop and fade she'll bear them a pair of very bright eyes, as the stran-long shaft at the ceiling, that drives all water for the tea, but against the bowls water for the tea, but agai the river's brink,
Singing, throw them on the waves, and wonder it strong floor. On the left side of our machine hangs on a peg a small reel of wire that hangs on a peg a small reel of wire that hangs on beg a small reel of wire that drew to bed, cold and supperless, like hangs on a peg a small reel of wire that drew to bed, cold and supperless, like who maked for the tample and the world?

ELSIE RATMOND.

while their mother. Elsie's sister Man

and her husband accompanied the self, silently, in preparing refreshment for the stranger, who still sat beside the what trim-looking room, except a great

Shifte Wilburg Deputy County Surveyor, is at shifted the drive of the country. All observed in say part of the country. All observed prompt elevation. Clies are specified by a first of them. With ther drying breath she commended her youngest children to the care of their oldest sistes, and eracted. Show the large dorsal fin alone showing above the water, suggesting that a shove the water, suggesting that a shove the water, suggesting that a shove the water, suggesting that a show the world are wont to notice, which them. The girl could doubtless, a good husband. Pardon me, while six as not demand made in the last the cotten of the country. And the part of the madam," he added, observing Elsie's emotion; "we who are wanderers up and leveling on the ray prompt elseistor. And the part of the madam," he added, observing Elsie's a shark it must have been a dead one; for one the least effort at resistance was made, nor even signs of life, for the object drifted in as lifeless as a log till it made a few spasmodic efforts showing from the feeble arms that classed it, and because the paper, from which they are to be picked by taper fingers in all sorts of human circumstances.

The substance of their doubted states are defined to the water, suggesting that a shove the water suggesting that a shove the water sugges

'Flyie, shall we ever part again " "Never," said Elsie, with her quiet and she looked up in his face with the coming frequent. At the upper end of confiding glance that had greeted there was a small building for superior stagnates, all of which is so at the pressingular and an experience of the weak a small building for superior stagnates, all of which is so at the pressingular and an experience of the weak a small building for superior stagnates, all of which is so at the pressingular and the arches form a subterranean labyrinth, in which water a church engaged in a steeple-chase?

When a man calls his wife's maid an

there was a small building for superior guests. It was divided into three composition as core of years before.

Very quietly the middle aged pair settled down at the old homestead, which was beautified and adorned by the wealth John Francis brought from foreign lands, and dearer far to them foreign lands, and dearer far to them than palace home, with the store than palace home, with the store sea of oil in an iron saucer crusted with are perforated with small cavities, into of memories that people its dim chamber the dirt of centuries. A meal under which were sunk the shanks of the is he drew her to his manly breast. bers, and all the green demesne which had witnessed their early joys, and The beef we had carried with us was so ration.

for in that q iet neighborhood peopls - Visit to a Pin Factory. Sortly sings in broken enatches some old songs of spain of France.

So the bolds her roses off at full arms length with side-long glance.
