ange from I tab, and two from the South. The commission is still barricaded, and prepared to resent any attack.

The Horrers of the Hayden Trial.

The never-to-end Hayden Trial.

The never-to-end Hayden trial, exciting such wide-pread interest through on the country, is progressing slowly.

A recent New Haven dispatch upon the subject says:

In 1835 the United States was entirely out of the country, is progressing slowly.

A recent New Haven dispatch upon the subject says:

In the Hayden case this afternoon, Dr. Freadwell was the only witness examined that the shrek of the war the debt was accreting at the rate of \$2, obout \$36,943,921. Doing the beginning of the last nine months preceding the close of the war the debt was accreting at the rate of \$2, obout \$36,943,921. Doing the beginning of the last nine months preceding the close of the war the debt was accreting at the rate of \$2, obout \$36,943,921. Doing the beginning of the last nine months preceding the close of the war the debt was accreting at the rate of \$2, obout \$36,943,921. Doing the beginning of the debt was accreting at the rate of \$2, obout \$4,000.000 a month, reaching its prine were to be found, found be brought into court. The four refunded to write the reasons at the rate of \$2, obout \$36,943,921. Doing the beginning of the war the nestional debt intereased at the rate of \$2, obout \$4,000.000 a month, reaching its maximum on August 31, 1865, 34,000,000. The temporary loans, certificates of indebted and the reasons at the rate of \$2, obout \$36,943,921. Doing the best and the war the debt was accreting at the rate of \$2, obout \$4,000.000 a month. This increased at the rate of \$2, obout \$30,000.000 a month, reaching its maximum on August 31, 1865, 34,000,000. The temporary loans, certificates of indebted and the reasons at the rate of \$2, obout \$36,943,921. Doing the best and the world to take for it.
