Noisy Between the Grant and Blaine Factions.

A Permanent Organization is Easily Effected, But the Tactics of the Opposing Elements Successfully Delay Business.

The Republican nomination or President

OF THE REPUBLICAN NATIONAL CONVENTION

The Fight Long and Decidedly

doubtless attended by more excitement than any similar event for years, the point at issue the first day's work, and on motion of Mr. Conking, the convention adjourned unbring thiefly upon a question of a third-term, till 11 o'clock on the following day. which exent has fast occurred at Chi ago, was th ex-President Grant as the cone of contention. A week before the time appointed for the event, delegates and others interested in the success of this or that candidate began gathering and from that moment until the close, it was one seething, bubbling and boiling of the political cauldron. The friends of General Grant, political cauldron. The friends of General Grant, meaning the representatives when were Don Cameron, the nearly 12 o'clock. Among the representatives tention. A week before the time appointed for

At a meeting of the National Committee on Monday evening—two days before the convention—the most terrific excitement prevailed. Cameron, as Chairman of the Committee exerting his utmost to secure allegance to the unite rule. It was the purpose of the friends of Biame not to submit to it, and after Don Cameron had showed a determination to master the situation at all hazards, even in face of the dissposition of the more conservative of the Grant Sement to yield, Found threats to depose disposition of the more conservative of the Grant gloment to yield fruit threats to depose him were made. This evidently would have prevailed had not the less enthusiastic of the Grant followers interested themselves in effect a remainded to the less enthusiastic of the Grant followers interested themselves in effect a remainded to the question at issue should be decided by vote of the convention after an organization had been effected. The hall in which the convention was held at the door, whose report was taken up and the followers and the convention was held at the door, whose report was taken up and followers. The hall in which the convention was held

The nall in which the convention was held at the door, whose report was taken up and the Exposition Building. It has a capacity of containing act seating—1,000 people, whereas the attendance is estimated to have been not less than 50,000.
