FOR PRESIDENT, WINFIELD S. HANCOCK, OF PENN SYLVANIA; For Vice President, William H. Eng lish, of Indiana. Mr. Jacobs, of New York, said that if the editors who had not been supplied with tickets the semiliar of the Ticket the Democracy Assembled in National Convention Mayor Placed in Normination.

A Full and Impartial Account of the Proceedings.

A Full and Impartial Account of the Proceedings.

Prior to the meeting of the National Democratic Convention at Cincinnati, the chief interest among the gathering delegates seemed to be centered on the question of Tiden's nomination. The worst enemy of the Tiden programme, as is well known, was the Tammany organization of New York, and that if the editors who had not been supplied with tickets the following day.

Mr. Jacobs, of New York, said that if the editors who had not been supplied with tickets who had not been supplied with the definition of the following day.

Mr. Jacobs, of New York can the supplied with the cheen supplied with the the following day.

Mr. Jacobs, of New York and that the other who was the party and all they saked out of the minority report.

Maine convention and the minority report. When he said that the who deeme to this convention and proposed to vote for Samuel J. Tilden, prolonged applause followed. They had come to this convention and proposed to vote for Samuel J. Tilden, prolonged applause followed. They had come one to defeat the Sage of Gramercy Park. The tee on Credentials, he opposing factions are willing to unite upon: Field. Payne. McDonald; and, as Ohio would ollities: Potter, of New York: English and In-First Day's Precedings the convention to order, and without any Senator Barnum then announced that he had with the success or dereat or the candidates you seeminate. It is started a divine fire hurning in the hearts of men. It quickens the thought intil March 4, 1891. But no longer, no longer inless defeated at the polis. If beaten fairly unital March 4, 19th. But no longer, no longer unless defeated at the polis. If beaten fairly we shall submit. I repeat, we shall submit and again wait; but if again successful no cunning devices of dishipment arbitration shall deprive us of our rights. When more than three-fifths of any political party invoke a savour of society that party is aircade as possioned with Imperation that it has become itself a memore to the Remobile for more for taged a memace to the Republic far more for-indable than any mischief highrofesses to fear, or any danger it was organized to repel. The remedy, gentlemen, for this and for all other like of State, is in eternal vigilance. The list once the price and the protection of liberty. This An expert of the first of the property of the

It being found that the Chairman of the Committee on Credentials was not in the hall, the report of the Committee on Permanent Orcommittee on Credentials was not in the hall, the report of the Committee on Permanent Organization is multaneously from both Mr. Seymour and Mr. Tidden had the effect to dampse or disconcert both the Tammany and anti-Tammany factions, and left them considerable as sea as to their immediate course of action. The letter of Mr. Tidden—which is entered to relimition of 1876. In his letter, the declined the nomination which be understood was likely to be tended in in an emergency, owing to the discention which be acknowledged his candidates of the New York, and but their densities in the Presidency seemed to be producing.

On the night of the Tirst, the evening prior to the assembling of the convention, a cancer meeting was held by the discension, but was withdrawn amid wild cheering as their counts was mentioned as the probable-considered of the New York, and but one organization. In 1879 a State Convention was called and but one party assembled of that convention was called and but one party assembled. The minute of the first handled the convention of 1876. In his letter, the declined the nomination which be acknowledged his candidatey to the convention, a cancer meeting was held by the discensions and the report of the Committee on Permanent Organization. In 1879 a State Convention and anti-transmant of the Committee on Permanent Organization. In 1879 a State Convention and the Committee on Permanent Organization. In 1879 a State Convention and the Committee on Permanent Organization. In 1879 a State Convention and the convention and the convention of the Committee on Permanent Organization. In 1879 a State Convention and the Committee on Permanent Organization. In 1879 a State Convention and the Committee on Permanent Organization. In 1879 a State Convention and the delegation of the mandal theory than the convention of the Committee on Permanent Organization. In 1879 a State Convention and the Committee on Permanent Organization. In 1879, and the Committee on Permanent Organization. In 1879 a State Convention the probable-resadidate of the New York L. A. Shakespeare at their cancus meeting. This left in the following array of Willing to Be Presidents, almost any of whom, we take liberty to assert at this stare of the proceedings. 1. Dorth, red Cook, C. Haggerman, E. F. Hilton, W. Winsom, E. E. Ementrout, E. Righer, C. Rutler, J. B. Abney, W. Childress, C. L. Ridler, W. Robinson, P. P. Paddock, W. Bowman, H. W. Mcfettr. was a signal for applause and loud theering. He traversed the same line of argument as tha eady presented above, favoring the report of P. Bowman, H W McGetti Secretaries, Beading Clerks and Sergeant at | The question then as to whether the minor Macie Hall was thrown open to delegates and those holding tickets at ten o'clock. Slowly delegates legan to drop in and at twice o cicet not more than two-thirds of them were in their places. The hall was handsomely decorated with flags, bunting and evergreens and across the hall was stretched a banner bearing the words, "Ohio Greets the Nation."

Nicholas M. Bell, St. Louis Neill C. Brunn, Tennessee; E. S. Dodd, Ohio, and T. Walker, of Iowa, officiated as reading clerks during the convention.

At 12:40 o'clock Cenator Barnum called the convention to order, and without any right to rote.

Mr. Jefferies, of Misseuri, moved that the preliminary remarks announced that praver report of the committee on Permanent Organreport of the committee of the committ Senator Barnum then announced that he had been manimously, requested by the National. Committee to nominate Hon. George Hoadly, of Ohio, for temporary chairman. This being approved by the convention the chair appointed wm. I. Scott and J. D. McEnery as a committee on Credentials he was ready to submit the report. The report was then read by the Scott and J. D. McEnery as a committee on Credentials be heard. A delegation of the Committee on Credentials he was ready to submit the report. The report was then read by the Scott and J. D. McEnery as a committee on Credentials be heard. A delegation for the Committee on Credentials be heard. A delegation for the Committee on Credentials be heard. admitted,
