Sixth Congress,

two thousand positions in the civil service have been subject in their appointments and tenure of piace, to the operation of published rules for this purpose, during the past two years. The results of these practical trials have been subjected to the same tests, and the result is free from prejudice by personal favor or partian influence. It secures for the position applied for, the best qualifications attainable among the computing applicants. It is an effectual protection from the pressure of importantly. By the favor of Divine Providence we have been subjected to the continued and increasing prosperity of our continu we have been blessed, during the past year

tyear largely exacts the time and attention of appointing officers, to their great detriment in the discharge of other official duties, preventing the ance of private or party purposes, and leaving the employ of the Government, freed from the solely upon merit for retention and advancement, and with this constant incentive, exertion and improvement. profitable employment for all our people, and iondehin with other nations. portunity to the people of the United States to exhibit to the world a significant example of the peaceful and safe transmission of the power and in a high degree in the offices where the rules authority of government from the public core in have been applied. o their newly chosen successors. This exam-

ful people of other countries with the advan-tages which Republican institutions afford. The immediate, general and cheerful acquies-cence of all good citizens in the result of the election, gives gratifying assurance to our coun-try, and to friends throughout the world, that a Government based on the free consent of an intelligent and patriotic people possesses ele-ments of strength, stability, and permanency ments of strength, stability, and permanency not found in any other form of government.

THE RESCRIPE.

Continued opposition to the full and free an joyment of the rights of citizenship, conferred upon the colored people by the recent almost opposition, still pervalls in several of the late slaveholding States. It has, pervall of the late slaveholding States. It has, pervall of the late slaveholding States are specified any large extent in acts of violence or intimation. It has, however, by fraudulant and the colored people by the recent election any large extent in acts of violence or intimation. It has, however, by fraudulant and the colored people of the late slaveholding States are specified and labor without pecuniary reward. A continuance of these labors gratuitously ought not be expected, and without an appropriation of the spanish dovernment in the almost remains and slabor without pecuniary reward. A continuance of these labors gratuitously object to the Congress for its action at the late session and the late session.

pount of the rights of citizenshia, conferred upon the colored people by the recent amenda labor without personal reparations as may be called for by the facts. THE VIORIDA TREATY.

The claims against the United States under the blords Treaty with Spain were submitted to be expected, and without an appropriation to the Civil Service. It is also highly important that all such income successful in defeating the regulations as to the places and manner of voting, and with expected and the regulations are the floridal treatment of the regulations are made and labor without personal to be expected, and without an appropriation to be expected, and without an appropriation to be expected, and without an appropriation of competitive examinations generally throughout the Civil Service. It is also highly important that all such in the provision made by Congress, at its last the regulations are made and labor without personal to be expected, and without an appropriation. The claims against the United States under to be expected, and without an appropriation. The claims against the United States under to be congress for its action at the late session, and I again invite your attention to this long-standing question, with a view to a final discount of the matter.

The provision made by Congress, at its last the regulations with the lamperal for the session, and I again, invite your attention to the congress for its action at the late session, and I again, invite your attention to the congress for its action at the late session.

The provision at the interest of the matter.

The provi

It is the desire of the good people of the whole search that sectionalism as a factor in our politics should disappear. They prefer that solid opposition to any other section. The disposition to refuse a prompt and hearty obediene to the superiority in accordance with the terms of this section, is all that now stands in the way in the constitution, is all that now stands in the way of a seminate of these amendments is flagrantly violated or disposition, as mendating the legitimate results of the superiority of the seminated to the constitution, as the seminated to the seminated regarded, it is set to assume that the people who placed them in the Constitution, as embodying the legitimate results of the set and necessary, will continue to act to be wise and necessary, will continue to act together, and to insist that they shall be obeyed. The paramount question still is, as to the enjoyment of the right by every American estizen who has the requisite qualifications to treely east his vote and have it honestly counted. With this question rightly settled, the country will be relieved of the contentions of the past; bygones will indeed be bygones; and political and party issues with respect to economy and efficiency of administration, in the refront of the eight services. The first step in the refront of the eight are completed diverse, between Coagress and political and party issues with respect to economy and efficiency of administration, in the refront of the eight are completed diverse, between Coagress and political set to assume that the people of the civil service, and especially to a reform in the method of appointment and reconstructions of the past; bygones will indeed be bygones; and political and party issues with respect to economy and efficiency of administration, in the method of the civil service, and especially to a reform in the method of appointment and reconstructions of the past; bygones will indeed be bygones; and political and party issues with respect to the civil service, and especially to a reform in the method of appointment and reconstructions.

TERMS \$1.50 A YEAR IN ADVANCE.

WHOLE NO. 688.

Love came to me in the spring-time,

With the soft, sweet April showers

Her breath was the breath of the woodla

As she danced through the fragrant twill

And the spring glided on to the summe

With the flame of its fervent darks, and the noon of the fleeting season

Was the noon of our beating heart

And her lap was filled with flowers

Her step was a song in the silence

The well to woo, 'the well to wed,

For so the worst bath done.
Once myrtles grew and roses blew,

And morning brought the sun

But have a care, ye young and far

Be sure you pledge in truth :

Beyond the days of youth!

As well as haml for hand,

And "built upon the sand.

A goodly store of gold,

For charity is cold.

Tis well to save, 'tis well to have

And hold enough of shining stuff,

In what the deep mine brings;

We cannot live on yellow dust

Unmixed with purer things.

Beside the coffer chest and own

He "built upon the sand."

and he who piles up wealth alone

Tis good to speak in friendly guise

And soothe where'er you can; Fair speech should bind the human

Let deeds with language dwell;

The one who pities starving birds

Should scatter crumbs as well,

The mercy that is warm and true

For those that talk, yet fail to do.

thirty miles from here."

looked young, healthy and strong. receive the \$10 I so longed for,

the rife, a breach-loader of magnificent reappeared at the door of the house, in long ago,

in at the time you wish."

ONE NIGHT'S RIDE.

Must lend a helping hand,

And love link man to man.

You'll find you've played the unwise part

Independent in all things. Devoted to State, County and Home News.
