MANCHESTER

flowed during high water, and when it which he put in his pocket. The next Leoni; \$4,000. are two bridges to be crossed, one over the river and a smaller one over a sluice, Jackson, to go to Brooklyn. The man which like all bridges are constantly get-ting out of repair. These things com-before he ran into a loaded wagon, breakting out of repair. These things com-bined makes this piece of road the worst ing his Winchell's) carriage badly. In we know of in this vicinity. The commissioner of highways of this town has done what he could, at a reasonable expense, to make the place safe, but it is far from what it should be and it will take order, so the order is worthless. If you hundreds of dollars to put the road in want to get a man mad, just ask him good shape, and much more to keep it so, what he is selling coal at expense of building and repairing oridges is a heavy one upon the tax-payers, and every means should be taken to E. J. Ennis has gone to New York af-.

athem. In looking the ground over ter new goods. we have come to the conclusion that the better way will be to ahandon that road Dr. J. A. Porter has been seriously ill from near the Morgan store in East Man, with an abcess in his ear, for some time chester, to near the east bank of the river past. west of Jas. Weir's house. Then lay out I understand that Golfrey Reisor has a road beginning west of James Weir's rented Abram Santord's saloon for three house, keeping north of the river and vears, passing west in front of the old Owen farm, striking Saline street near G. O. 1. Our village election passed off Allen's residence, thence along Duncan quietly on Monday. No politics involved. street, which is the one that runs in front. The citizens ticket was elected-entire, as of Granger's grove, and past the Univer follows, viz: salist church. If it was thought advisable President -- Walker B. Sherman.

Trustees - Fr. L. M. Jones, George Strat a street could be laid out, diagonally across Granger's grove, connecting with Jefferson street at the corner opposite W H. Pottle's residence. This route would do away with the expense of the two bridges, escape that dangerous place, and would be no longer than the old one. We There was no opposition ticket excep hope the township officers will look the for president, clerk and assessor. The ground over and investigate the matter, defeated candidates were: for we believe it will save money to the

Charter Election.

town and increase its trade.

It is quite necessary that we have a charter election once a year, and heretofore there has been a large number of our citizens who was willing to devote a share Saturday evening of last week Prof. of their time to the sacrifice of their busi- Dickie, of Albion, gave us a rousing talk ness, in order to serve the village in some on temperance. He is always interesting. capacity. And they were not particular either, they would be constable, trustee or president of the council, anything be it and fast. Next week probably we can ever so servile. But this year they were chronicle from three to four interesting more cautious, and the slate makers had events. their hands full in getting things arranged. The Rev. J. C. Higgin, of Detroit, is to for the caucuses. hold revival meetings in the M. E. church

The greenbackers had no trouble, they for an indefinite time, probably three to never have—with them everything is as four weeks: lovely as a summer morn. But the citizens, i. e. republicans and democrats, that he took out riding on a hand sled could not solidify, and the democrats while the snow lasted. The hen seems as withdrew and put up a ticket of their own. happy while out on the ride as a young The citizens then withdrew their ticket lady with her beau-and pert on greenbackers in the place of

of duty as ruler of an empire, and that he strove with earnest purpose to increase the happiness of his people. At one time, when he was cutting off Russian heads by hundreds, the Patriarch of the national church went to him. bearing in his hands the image of the Virgin, and exhorted him to have mercy

upon his subjects. "What business is it of thine?" the Czar, with anger. "Know that I reverence God and His Holy Mother more earnestly, perhaps, than thou dost. It is a duty of my sovereign office, and a duty that I owe to God, to save my people from harm, and to protect with public vengeance crimes that tend to the common ruin."

The work of decapitation went on, therefore. The infuriate Emperor compelled the nobles of his court to act as executioners. On one occasion, as Mr. Schuyler records, as many as 109 men, accused of mutiny and treason, were decapitated by the nobles, in the presence of the Czar, who even, it is said, used the ax sometimes with his own hands. It was not uncommon for him to strike his courtiers with his fist. Upon the whole, he behaved like a patriot and philanthropist who was subject to fits of

"How are we to account for this?" Mr. Schayler's conundrum. We answer Peter was one of the steadiest a mention. A .- Justice to one of the best medicines in the world,

TO LIVE LONG AND GET RICE. A New York Sun reporter visited Mr. Peter Cooper to ask two interesting questions. One was how he had managed to live so long, and the other how

he got rich. In answer to the first question Mr. Cooper said: "I fould put it in two words! Live soberly and righteously. We are required not to eat, too much, nor to drink too much, nor to work too much, nor to play too much. We are living on earth under beautiful and eneficent laws, laws designed in infinite wisdom for the elevation of mankind. I infer that just in proportion as we live in obedience to these laws we shall have health and comfort. If we disobey these laws we shall pay the penalty. The penalty of disobedience must be paid somewhere, somewhere at some

"In the first place, I learned three trades. I learned to be a brewer, a DR A.C. JOHNSON, of Mr. Verney, Inc., writer described coach-maker and a machinist, all before was 21 years old. I worked three years at \$1.50 a day, and I saved enough out of that to got a start in life. I was out of that to got a start in life. I was Por all Discusse of the Threat, Lungs and Pulmonary Organa, it will be found a making machines to shear cloth. Then bought the patent right of the machine and made them for sale. useful labor for all that I consumed i it. I went on and enlarged my business, all the while keeping out of debt. I can not recollect a time when I could not not recollect a time when I could not pay what I owed any day. I would not spend money before I earned it. Another rule I had was to keep clear of the banks . I never asked them for accommo-

dation. I never got them to discount notes, because I'did not wish to incur any obligation without a certainty of being able to pay it. In that way I managed to keep clear of panics. My rule was: Pay as you go. I can't remember the time when any man could not have had for the asking what I owed. Another thing I wish to say: All the money I ever made was in mechanical business, and not in spec-
