The monument because they sound so fair Thus thought I. Then I chanced to look around and noticed, at a new-made grave hard b in old man kneeling on the frozen ground then a revulsion on my feelings came. How cruel seemed my former sentiment For my injustice I was penitent, If man has faults, he has his virtues, too; ind, when he journeys to the unknown bourns, The memory of his goodness stays with you;

work of it. for him, and kneel beside his grave to pray a does this poor old man. And then I stoppe I cannot find the quarter that I dropped! THE VENERABLE SLEDGE.

When the Venerable Sledge joined the Tweedleville Church there was a sensa tion. He had been set down as one of the hardest-headed and hardest-hearted among the inevitably doomed; and though he had done well by the church the prowess of the Venerable Sledge and alleys in London which are called and helped to support it, they had long and the Seductive Deaccu Tung. The mews; and I was kindly informed by mee come to the conclusion that the Deacon said he did not consider there one or two friends, as we passed some of Venerable Sledge could not be pointed would be the least harm in it, and protect them, that mews were places for keepto as a living light illustrative of the posed that they should roll just for ing hawks inciden times. It was imefficacy of their labor. It was told of sport, the one who knocked down the possible even to laugh at such instruchim that at one time a committee was least to pay 25 cents for the use of the tion so kindly given; nor did I tell my sppointed to wait on him and expostu-late with him on some practices that The Venerable Sledge selected a ball, years old, in America, knew that as well

would not they conceived, help him to at first spitting on his hand; then he as they did. The elegant and very any moral elevation. He met them with moved first one way and then the other clever woman who recommended me to smile sinvited them to take a little way, stooping down and standing up, read "Kenilworth" before going to see the cenething fer the stomach's sake (which, closing one eye and opening the other, castle, displayed this same sort of Phil-I am happy to say, they declined); list thrusting out his tongue and showing istinism. What need of telling her, top his need, an ne drapped is section this dimension would not have cut ened to all they had to say, and, without all signs of nice calculation. At last he replying, asked them if a certain pew drew a line on the pins; but the ball "Kenilworth?"—Atlantic Monthly. that he named was for sale, sending sheered and he made a positive failure them back with the assurance that he of it, much to his mortification. The them back with the assurance that he of it, much to his mortification. The has been a great sufferer for a number of the should buy that pew, which sext time he hit the outside pin with has been a great sufferer for a number of live that been a great sufferer for a number of live that been a great sufferer for a number of live time he had to take that life."

The Venerable Sledge joined the ing it through the end of the building: also very much troubled with corns and the life was not placed to the life. PECIAL WATCH NOTICE.

In Manchester, and surrounding country, I shall hereafter keep a full line of both stems and key winders. This watch is so perfectly constructed that it can be regulated to one thousandth part of a second. I have size recently purchased a fine stock of the Duber make of Gold and Silver Cases. This will give our customers a vere apportunity to select a fine watch in every particular. ANLY FORSTX BEAUTIFUE Pictures,
