The Little Man Who Had as Many Chitdres as a Sieve Has Holes. There was a little man who had many children as there are holes in a sieve. As he was going to seek his bread he met a beggar who gave him a bean and told him to plant it in his garden, assuring him at the same time that it would grow so quickly that in a short time it would reach the sky. The man sowed the bean, which grew so promptly that soon it hid its head in the clouds;
