and Colleges. Following are reasons why they should be used in every school and college:

1st. They are better in quality than any books offered. 2d. They are more strong and attractive. 3d. They contain on their inside cover pages German, English and Ornamental Script, and the Composition Books have in addition sets of German abbreviations. 4th. They have covers made of strong, durable, flexible material. 5th. They cannot break or crumple, and the books are always in condition. 6th. They are a Copy and Exercise Book combined. 7th. They are just the thing you need for writing examinations. 7th. They are cheaper than any others, and why? because 8th. They sell everywhere and are unaffected by use in large quantities.
