MANCHESTER, MICHIGAN. GERMAN BOOKS Select German Stories:

(By George Storme, Lyceum I, Hanover.) For Schools and Self Instruction. Fifth American Edition Improved. Neat and substantial binding. Board Covers, 60c. This book is becoming more popular every year, and is being introduced in public and private Schools and Colleges throughout the United States. During the past year it has been adopted by many of the Union Schools in Michigan, Ohio, Indiana, Illinois, Wiscousin, Iowa, Missouri, &c., and teachers say it meets a long felt want, in many instances taking the place of the German Grammar for new beginners. the German Grammar for new beginners.

Prof. Heinrich Nicison, Battle Creek College, says: "Storme's Stories are received, and are r use in my class. It succeeds, so far, better than any similar book I have used." ... This method of learning the German language has been for some time the popular one in German isny. Instructors have come to learn that it is essential to study commenting the method speaks for its matted rules and vocabularies, in order to learn a foreign language. This method speaks for its init all who are interested in the German, which is last becoming a "universal language," with

SCHOLARS, PARENTS,-EVERYBODY

OF MAT D. BLOSSER. MANCHESTER, MICHIGAN. GERMAN BOOKS. Select German Stories:

(By George Storme, Lyceum I, Hanover.) For Schools and Self Instrucion. F.fth American Edition Improved. Neat and substantial binding Board Covers, 60c. This book is becoming more popular every year, and is being introduced in public and private Schools and Colleges throughout the United States. During the past year it has been adopted by many of the Union Schools in Michigan, Ohio, Indiana, Illinois, Wisconsin, Iowa, Missouri, &c... and teachers say it meets a long-feit-want, in many instances taking the place the German Grammar for new beginners. BOOTS, SHOES, Prof. Heinrien Nielson, Battle Creek College, says: "Storme's Stories are received, and are t

ise in my clars. It succeeds, so lar better than any similar book I have used."

"This method of learning the German language has been for some time the popular one in G netroctors have come to learn that it is essential to study something essethan meteral nation in the and vocatularies, in order to learn a foreign anguage. This medical speaks for its and ali-who are interested in the German, which is tast-becoming a "universal language," will rell to send for a copy of this work." - Northern Indiana School Jain ral; page 461

and his labor worth exactly that of his hired help, and no more, but now, mounted upon his labor-saving machinery, he does the work of ten men and his knowledge and intelligence, along with his skill, directs the muscular labor of his help, and he thus becomes by his superior intelligence and skill a director i English languages. It is printed entirely in English type, which makes in much more intelligible to the younger German population of this country and to write German verses in their fellow-students' albums. For those this elegant work is a necessity that has long been felt. Here they will always find their entiments, friendly or sentimental, elegantly expressed in both languages. This ation is not intended for the German student alone, but is a treasure that none should be without, as the English verses by themselves are a collection that This beautiful little book is bound in an elegant paper cover. Size, 5x73

cannot be surpassed. ches. Price. 25 cents. "Contains very uscful English and German Autograph Verses."-Abendtust, Cleveland. "I received the copy of Biumenicse von Stammbuchversen fuer das Autograph Album. It is FARMERS AND MECHANICS, pretty little book. Please send me another copy, for which I encose amount.—II. Schlundt, Seather German Protestant Asylum, St. Louis, Mo-

Deutsch-Amerikanischer Gratulant: GERMAN-AMERICAN LETTER WRITER.) The Deutsch-Amerikanischer Gratulant," contains a standard compilation of 1st. Saving of labor and timber. friendly letters, to wit: Congratulatory Letters, Poems and best wishes for Birthdays, New Year's days, Weddings and other occasions; letters of acknow and a superior of the ledgments, accounts of travels, petitions, letters of consolation, recommendation 4th. Convenience of having Ferlin and remembrance, complaints, regrets and invitations, etc., etc., including a well posts. Plates and Braces out of the way bosen selection of autograph verses in the German and English languages, which leaves your loft clear. lected and arranged by Hoeflich. The title of the above work indicates sufficiently its purpose and contents. There is no lack of similar books, but they are all princed in Germany and calculated for German customs and relations; there and are tend in their passe of the same, and with fore their contents are unintelligible and worthless for the use of the American whom silmerested are invited to

the German types, and as a great many Americans understand only the English types, we have printed the above in roman letters. About 200 pages, size 5x14: t paper cover. Price, 75 cents. "The Gratulant was received in due time. I like the book very much, and especially the is entaining the Antograph Verses. It is a real time-saver. My study contains three book energiant from top to bottom with choice weeks from the territoria. Tugins and French Literaturative men a person has to write in about half's dozen autoraph situms every day, your, Stamerich Verse' become oftentimes more value than all the other books together, decause you have

youth. As the English types are more easily read by the American youth than

Louis publishing from for revealty on the biography, which they helped prepare, as their bill alleges, of "desse, the son and husband of the plaintiffs and the pride of a large circle of admiring friends, who was assassinated April 3. 1882, by one Rubert W Ford." Change in Northern Texas, Indian Territory, News.
