The boys are laughing at the expense of Mr. Lappin, the Detroit lawver, who came here to look after a claim against 11. H. Silvers, last Wednesday. They say that Dave hired a livery rig and took him to Clinton, and leaving him at the hotel, bastily drove back here and gave a bill of sale to A. H. Jackson. Clinton folks say that the air was fairly blue when that lawyer found out how he had been given the slip.

centered in a very lively densite between your one of the attorneys and old Judge Congress so not such an expensive in Miller. After Congress constants and samiton, directly as some people image the Capitol is through with visitors the gine. Three malions and a little more court will be honored with more spectar are sufficient to pay its bills.

the Capitol is througed with use spectra tors, but the scene of its labors is always and will be honored with uses spectra tors, but the scene of its labors is always are suggested by the scene of the almost any other one of the nine. He publication, has suffered considerably from attacks. Since 1816 has suffered considerably from attacks made upon him in connection with the the snug sum of \$225,000,000 in taking made upon min in connection with the flavores of the engression of \$225,000,000 in taking be ranks very high with the lawyers who practice at that bar. As for the other judges, it would be hard to find a better preserved set of men with stronger.

During the last year the government's experience when the stronger of the property of the stronger of faces, or who reflect more unctuously the

effects of good living than they.

It is generally believed that the President will give Attorney General Garden of \$17,000,000, land the first vacant judgeship.

It is generally believed that the President \$17,000,000, less than the first vacant judgeship.

It is generally believed that the best president with the description of \$17,000,000, less than the president with the description of \$100,000,000, less than the president with the description of \$100,000,000, less than the president with the presi land the first vacant judgeship. Just Government receipts during the last how much that has to do with the do-sire of the court not to encourage any excluding loans. But in 1865, the ex-withdrawals I do not know. Garland is not especially the kind of man that is only \$250,000,000 in 1885.

has no frills from further, and would look about as natural in his silk gown as a bear. He despises society, absorbutely never goes to a dinner, has never worn a dress contained lives in absolute contempt of the little miretic whilely the Supreme Court holds or dear. He likes to study law, to hunt and fish but he never looks particularly well, nor cares how he looks. On the bench he would break down all the bench he would break down all the absyrd little purently. It cost the government a million and a half last year to maintain the District how he looks. On the bench he would break down all the absurd little punctifications and the court has established for itself, and be simply, as now, a man of Columbia, the law being that the come from a naturally big head 80id heart. But the judges deficiand something more, and, without saying anything, they are known to all the lawyers who are on intumate terms with them to hope that it will never come to pass that Mr. Garland will sit in their number of presentations. Was hingless than any other state—ber.—Washington Carra pointers. her.—Washington Correspondence. S13. Illinois being next with 181.

to her husband's cliffy West) application for a divorce, obtained the following: "What Billy says is true," said she. "I did agree to give up acting when I was married, and I intended to when I promised, but I couldn't get along without it. You see, I've been brought up to it, and couldn't help it. That was the only cause of trouble between its. Some people have an idea he did not treat me well. That's all nonsense. There never was a more good-natured fellow in the world, and we're on the first of terms still, for that matter. He always comes to see me when he is in town, and never goes away without a pleasant little chat.

without a pleasant little chat,
"Why did I marry him? Well, that
just what I was asking myself to nigh
while I was dressing. I guess I had
mania for getting married. They say is not especially the kind of man that is welcome in that select and pleasures loving circle. By oursiders the chief qualifications for this office are supposed to be great legal attainments. In addition, the judges themselves always do considerable quiet work to finke sure that any prospective newcomer into their ranks is a good story-teller, a bon yeight new structures, seatherings, and an expert at whist, otherwise he does not reach the standard set down in these days. However dignified and austere the judges appear in court, they are exceedingly jolly in their social gatherings, and they form a combination whist and law onto their ranks is a good story-teller, a bon their ranks is a good story-teller, a bon without the standard set down in these days. However dignified gatherings, and they form a combination whist and law onto their ranks is a good story-teller, as bon standard set down in these days. However dignified gatherings, and they form a combination whist and have onto the combination of the combination was treed and an animal for getting married. They say it writes all girls sometime, and I think I was struck pretty hard. Then he was a darling, handsome, young fellow, and thought a good little mite of me. When he asked me if he could have me I told him I guessed he could have me I told him I guessed he could have me at the time of the could have me thought at the could have me thought at the could have me the could have me there were was trees and an mania for getting married. Then he was a darling, handsome, young fellow, and thought a good little mite of me when so the could have me there was truckers all girls sometime, and it in him to him I guessed he could. I was starring in the south in comic opera at the time, and he was with the Barlow. Wilson, Primrose & West company. I had known him for two years, and I was three years younger than I am now, which would make me just—well never mind how old. I had trouble at home mind how had trouble at home mind how had trouble at home mind ho

they are exceedingly jolly in their seedial gatherings, and they form a combination whist and have club that meets every week to crack jokes and study. Hother comaning two-fifths a consider wheeled to contract or grant. The United States army now consists directly of the initiation into that charmed about the initiation into that charmed in Boston, but they might be misunders food and tend to impair the misunders food and tend to impair the public appreciation of the court's degrity, and so had better go unwraten.

Now, Mr. Garfand is not just the kind of a man that would keep up the time honored traditions of the court. He has no frills nor furbelists, and would look about as natural in his silk gown as a how. He declares and would be about as natural in his silk gown as a how. He declares and would be a balance of \$16,000,000 in favor of the ping them with gold dollars. You see "Was the sun shining? Not a bit of CROCKERY, ping them with gold dollars. You see this narrying was a new experience for one and I remember all the details. I think I could describe every piece of furniture in the room, let alone the carpets and wall paper. We had a jolly time of it for a few weeks, and then exhibit once more. Billy protested and I concluded that I loved my profession better than I did him. He tried for a while to get me back and then we came to an understanding. Both of us want the divorce, but I don't think we can get it until next May, when the third year of our separation will expire.

"It's been an experience to fue, and not a very unpleasant one after. If it

not a very unpleasant one, either. If it had not happened I might have run across some lerson nowhere near as agreeable as Billy. I was in for getting married, you see, and Tdid it. All that Fresh Oysters at all Times remains is to get unmarried.

BURDOCK BITTERS

BURDOCK BLOOD BITTERS That Ache in Small of Back.

BURDOCK BLOOD BITTERS Weary, Aching Bones.

BURDOCK BLOOD BITTERS Dyspepsia.

Gents:—I feel it ny duty to say re-specting Burdock Blood Bitters, that it is the best medicine I ever took. I suffered the best medicine I ever took. I suffered two or three years from stomach troubles and dyspepsia as well as from liver and kidney complaint. I was not able to attend only business. My wife was afflicted in much the same way. We read of your. Bitters in the papers and made up our minds that we would tru them. The result is my wife and I began to improve at once, and I am now able to do more hard work than before in ten years. It relieved my kidney troubles as well. We both wish you, the makers of it, Godspeed.
