To toil in an unfruitful land.

He led his Eve by her fair hand,
And found his Eden in her eyes
They were not sad, though walled about
By flery swords, that kept them out;
Love blessed the toil their Lord had banned
And hope made music of their sighs.

But now the curse far heavier falls On men, who groan beneath the rod; No flaming sworded guards of God Keep wat h upon those eastward walls;

William Cobbett's Grammar.

It has been said of Cobbett that he wrote an English grammar which was as entertaining as a novel. this is nothing more than the literal In fact, many novels are trut'i. harder to read than Cobbett's grammar. The full title of the book is: a series of le ters: intended for the To which are added six lessons inusing false grammar, and from writing personality of the writer. But the with which the book was written is never lost sight of. It is

The "Big Dipper."

In astronomy the Big Dipper," called, is the constellation of Ursa Major or the Great Bear. The stars forming the tail of the bear also form the handle of the dipper. The first star in the handle is Benetnasch; the second. Mizar: the third Alioth. other four, which go to form the bowl of the dipper, are Megres, Phad, Merak and Dudhe. The two last named are called "The Pointers" because they point or guide the eye to the pole star, which is distant 29 grees. The top bowl stars are 10 degrees and the bottom ones 8 degree

Beauty often depends on plumpness; so does comfort; so does health. If you get thin, there is something wrong, though you may feel no sign of it.

Thinness itself is a sign; sometimes the first sign; sometimes not.

The way to get back plumpness is by CAREFUL LIVING, which sometimes includes the use of Scott's Emulsion of cod-liver oil.

Let us send you-free-a little book which throws much light on all these subjects.
