LUCKY WORKER GETS BUTTON

Another Odd Way by Which Employer
Gathers Longshoremen for Particular Job He Has

Public halls in which meetings
are to be inspected as to
their safety are first visited by
Vanderhook is of the opinion that
many halls throughout the state

should be made available to
the public for the use of the
present and existing interests

from which a man distributes the
buttons. The men who get the buttons

The man in the wagon with the
buttons, as a matter of fact, is choosing
workmen, and finds the men
make a convenient scheme for making
workmen available to the public.

heard very good music.

The man catches it and makes his way
out of the crowd to the dock. The
button game is a great save of time.

For his position the employer can
see the face and figures of the men.

From long experience he can tell at
a glance who men will seek his
services. He and his son have seen his
doctor and are in good condition.

Have You
Ever
Worn
R & G
Corsets?

Every day women tell us that they never imagined a corset could be so comfortable as the R & G. And we are not surprised.

R & G Corsets have seen many fashion changes and have over and over again remade women's figures to fit the current fashions. But never once, in all these years, have they sacrificed comfort in creating beautiful lines.

That is why R & G Corsets today still hold the leadership that they have always enjoyed.

As a special inducement to get you better acquainted with R & G Corsets, the manufacturer is putting out one of the biggest values ever produced in corsets—pink brocade, entirely new number, at \$1.98 each, for a short time only. Sizes 22 to 28.
