Isn't there some way to put an able-bodied loaf to work? There are many of them in every town to cut the weeds and clean the streets.

LOST OPPORTUNITY!

Last week we advertised a 50.00 Walk-over Shoes for \$1.00. We sold every pair and could have sold 50 pairs more. Many who came late did not know about this wonderful bargain until told by some neighbor. We asked some if they read our ad in the paper and they said No. We know men who read the Enterprise do not mind us telling them we have purchased goods of us on Fridays at full price. This could have saved 10 per cent or more by coming on Saturday.

It costs money to advertise and if you don't read our ads you lose an opportunity to save. We can truthfully boast of last Saturday being the second best in the history of our 32 years of merchandising. Our customers numbered from Jackson, Ann Arbor, Chelsea, Dexter, Napoleon, Adrian, Tecumseh, Kalamazoo, Nottawell, Clinton, Bridgewater, Freedmore, Shiawassee. We have proven to them that we undersell. Watch our ad each week. Our saving to you this week is—

THE STORE THAT MAKES GOOD

Here's a Coat

That Looks Like \$50. Value.

Were it silk lined it would easily fetch it. But the venetian lining is there for service, which even the costliest silks cannot give as completely.

Made of Marvelcord—which has the season's favor of inspired styling and most painstaking tailoring—you'll surely admit on sight that it is the best value in Manchester, besides being exceptionally slight.

The cable stitching in front converges to a prodigious button; in the back the pattern changes altogether. It is a coat that cannot be pictured and which must be seen.

In-between sizes for women and girls.
